## Accounting policies used for the interim financial statements

#### General information

The company's interim financial statements have been prepared in accordance with Part 9 of Book 2 of the Netherlands Civil Code. Because the Netherlands Act on Financial Supervision is applicable due to the fact that the company has issued securities that are traded on a regulated market, no reporting exemptions can be used.

#### AXA group and related parties

AXA Belgium Finance (NL) B.V. is a wholly owned subsidiary of AXA Bank Europe N.V., Brussels, Belgium. The ultimate parent is AXA S.A., Paris, France. In the financial statements these companies are considered to be related parties.

#### Going concern

The accounting policies used in these interim financial statements are based on the expectation that the company will be able to continue as a going concern. The basis presumes that funds are available to finance future operations and that the realization of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

## Basis of preparation and accounting policies Basis of preparation

The interim condensed financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the company's annual financial statements as at December 31, 2008.

#### Significant accounting policies

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the preparation of the companies' annual financial statements for the year ended December 31, 2008.

#### Other information

#### Declaration section 5:25C

As required by section 5:25d paragraph 2 under c of the Dutch Financial Supervision Act ('Wet op het financieel toezicht'), the Managing Directors declare that, to the best of their knowledge,

- 1. the interim financial statements for the first six months of the financial year 2009 give a true and fair view of the assets, liabilities, financial position and profit or loss of the Company; and
- 2. the management report gives a true and fair view of the status as per the balance sheet date, the development and performance of the business during the first six months of the financial year 2009 with particular attention for the investments, and the circumstances of which the development of revenues and profitability are dependant.
