1 Message from the CEO

Dear Shareholders,

Our company has been renamed to Jubii Europe N.V.

The renaming of the company became inevitable after the Lycos brand had been returned to licensor Lycos Inc. in the previous year and the right to use the license was about to expire.

As the company has been the owner of the Jubii trademarks and rights Lycos Europe changed its name to Jubii Europe. Accordingly the individual subsidiaries using "Lycos" in their company name have or will be renamed.

The liquidation process sped up and further milestones were reached during the six month period.

In April 2010, Jubii Europe agreed upon a settlement with the landlord of the office facilities of Jubii France in order to terminate the rental contract.

The non trading phase for Jubii UK Ltd. started June 17 and will last for 3 months. During this period there will be no business activities and the striking off application will be filed in September.

By the end of June the Armenian subsidiary has been liquidated. The liquidation of the remaining entities and subsidiaries has continued to be pushed forward during the six months period. For group entities Lycos Italia and Jubii France liquidators have been appointed in the first half of the ongoing business year. For the Jubii Europe BV and the Lycos Netherlands BV liquidation is in preparation.

Even though the name of the company changed the entire group still strives for liquidation.

Dr. Fred Wilsdorf
Chief Executive Officer

1. Significant accounting policies

a) The Company

Jubii Europe N.V. (“Jubii Europe” or the “Company” / ISIN NL0000233195 / formerly “LYCOS Europe N.V.”) is a former operator of an international network of websites being wound up. The Company commenced operations in the year 1997 and the companies existing before 2000 were reorganized as subsidiaries of Jubii Europe N.V. in January 2000. The registered office of the Company is in Haarlem, the Netherlands (Jubii Europe N.V., Fonteinlaan 7, 2012 JG Haarlem, the Netherlands). The company announced its liquidation in November 2008 and immediately started the shutdown process.

The consolidated financial statements of the Company comprise the Company and its subsidiaries (together referred to as the “Group”).

b) Accounting policies

These unaudited condensed consolidated interim financial statements are prepared in accordance with IAS 34 “Interim Financial Reporting”. They do not include all of the information required for full annual financial statements, and should be read in conjunction with the Jubii Europe consolidated financial statements for the year ended December 31, 2009. Jubii Europe’s consolidated financial statements are prepared in accordance with International Financial Reporting Standards and its interpretations as adopted by Article 4 of Regulation (EC) No. 1606/2002 of the European Parliament and of the Council of July 19, 2002 on the application of international accounting standards (Official Journal EC L 243 p.1) (“IFRS”).

The preparation of unaudited condensed consolidated interim financial statements in conformity with IFRS requires the management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The accounting policies used in the preparation of the unaudited condensed consolidated interim financial statements are consistent with those used in the consolidated financial statements for the year ended December 31, 2009.

The company further has to apply IFRS 8 “operating segments” as of January 1, 2009. Since the company is currently in the process of discontinuing its operations and to liquidate its assets, a segment reporting does not exist any longer. Furthermore since February 2009 most operations and services were stopped.

2. Cash, cash equivalents and other investments

Cash consist of bank balances and call deposits, cash equivalents consist of short-term deposits with an original and remaining maturity of less than three months and other investments consist of deposits with a maturity of more than 12 months.

3. Restructuring provisions

In thousand Euro	
Balance as at December 31, 2009	8,525
Provisions used during the year 2010	(607)
Provisions released during the year 2010	(439)
Balance as at June 30, 2010	7,479

The movement in the restructuring is fully related to the ongoing restructuring process.

4. Related party transactions

The Company engages in various related party transactions with Bertelsmann AG and their subsidiaries, which include revenue and expense transactions. These transactions are booked on separate accounts and are generally settled within thirty days of the relevant transaction. The billing rates are set at rates, which approximate fair value.

5. Contingencies and commitments

Any contingencies or commitments have been provided for in the restructuring provision when appropriate.

Litigation

From time to time, the Company is subject to legal proceedings and claims in the ordinary course of business. Jubii Europe is currently not aware of any legal proceeding or claim that the Company believes will have, individually or in the aggregate, a materially adverse effect on the Company's financial position, results of operations or cash flows. However the risk of potential litigation is still present due to the process of liquidation. Therefore EUR 1.2 million were accrued in the period under review. The accrual mainly relates to risks resulting from two litigations. Both cases refer to claims for compensation costs resulting from breaches of contracts.
