

Supplementary information Annual Report 2011

Amsterdam, 31 December 2012 – As a supplement to note 7 in TomTom's Annual Report 2011 we present a break-down by member of the Management Board for the IFRS expenses relating to the share options and performance shares granted.

The expenses have been determined based on IFRS 2 and do not represent the actual cash amounts payable to the Management Board during the year. This information supplements the information provided in our Annual Report 2011 and should always be read in conjunction with the relevant accounting policies and explanatory notes therein.

This information has no impact on the balance sheet, profit and loss accounts or the cash flow statements as included in our 2011 Annual Report.
