Annual Report
December 31, 2007

The Board of Directors are pleased to present the Annual Report and Accounts of the Company for the financial year which ended on December 31, 2007.

The principal activity of the Company is the holding and financing of affiliated companies. Euroscut Sociedad Concessionária da Scut do Algarve, S.A., Lisbon, an affiliated company of Algarve International B.V., has been granted the Concession with respect to a shadow road in Southern Portugal, together with other facilities and works constituting a part of the Concession from time to time.

The Company (Algarve International B.V.) has raised funds through the issuance of loans and bonds. Citibank N.A. Lisbon has been appointed as "Security Trustee", the European Investment Bank, Luxembourg as credit party and XL Capital Assurance Inc., New York as "Guarantor" for respectively the issued loans and bonds.

The Company directly lends on for the same amount as the amounts raised as is stated in the Loan agreement to Euroscut Sociedad Concessionária da Scut do Algarve, S.A., Lisbon.

Overview of Activities

On December 17, 2007 Bonds were partly repaid for an amount of EUR 4,022,700.

During the period under review, the Company recorded a net profit of EUR 543,646, details of which are set out in the attached Profit and Loss Account.

Future Developments

The Management does anticipate that the outstanding Bonds will be repaid in 17 installments of which the third one will take place on December 15, 2008. Further there will be no other major changes during the current financial year.

Post Balance Sheet Events

No matters or circumstances of importance have arisen since the end of the financial year which have significantly affected or may significantly affect the operations, the results of those operations or the affairs of the Company.

The current credit and financial crisis has no affects on the financial statements as at December 31, 2007.

Financial instruments

The Company's financial instruments (other than the securities in the current assets) comprise the bank loan Tranch A, the guaranteed bonds Tranch B and the funding of these amounts to Eurosut Sociedad Concessionária da Scut do Algarve, S.A., Lisbon, directly for the group's operations.

The fair value of the Bonds with amortised cost of EUR 122,021,900 has been determined on the basis of its listing at the Luxembourg Stock Exchange. The rate as at December 31, 2007 quotes the Bonds at approximately 118%. On the basis that both loans were obtained at the same date, it is assumed that the development in the fair value of the bank loan is of a similar nature. The fair value of the loans granted to an affiliated party are based on the discounted cash flows of future loan repayments and interest payments. The discount rate applied is based on the calculated market rates for the loans obtained and approximates 4.5% for Tranch A and 3.9% for Tranch B as at December 31, 2007. As a result the net fair value at December 31, 2007 of the loans obtained and granted represents the discounted value of the 0.25% margin between the interest rates on the loans obtained and the interest rates on the loans granted and amounted to approximately EUR 5.7 million.

Risk Management

The Board of Directors considers that the internal risk management and control system which is to provide reasonable assurance of achieving business objectives, is adequate and appropriate. Therefore no significant risk has been identified.

Auditor's report

Report on the annual accounts

We have audited the accompanying annual accounts 2007 of Algarve International B.V., Amsterdam, as set out on pages 4 to 14 which comprise the balance sheet as at December 31, 2007, the profit and loss account and the cash flow statement for the year then ended and the notes.

The directors' responsibility

The directors of the company are responsible for the preparation and fair presentation of the annual accounts and for the preparation of the directors' report, both in accordance with Part 9 of Book 2 of the Netherlands Civil Code. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the annual accounts that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the annual accounts based on our audit. We conducted our audit in accordance with Dutch law. This law requires that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the annual accounts are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the annual accounts. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the annual accounts, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the annual accounts in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the annual accounts.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the annual accounts give a true and fair view of the financial position of Algarve International B.V. as at December 31, 2007, and of its result for the year then ended in accordance with Part 9 of Book 2 of the Netherlands Civil Code.

Report on other legal and regulatory requirements

Pursuant to the legal requirement under 2:393 sub 5 part e of the Netherlands Civil Code, we report, to the extent of our competence, that the directors' report is consistent with the annual accounts as required by 2:391 sub 4 of the Netherlands Civil Code.
