It comprises 153 independent local Rabobanks and their central organisation Rabobank Nederland and its subsidiaries. Rabobank Group operates in 45 countries. Its operations include domestic retail banking, wholesale and international retail banking, asset management and investment, leasing and real estate. It serves approximately 9.5 million clients around the world. In the Netherlands, its focus is on all-finance services and, internationally, on food and agriculture. Rabobank Group's cooperative core business comprises independent local Rabobanks. Clients can become members of their local Rabobank. In turn, the local Rabobanks are members of Rabobank Nederland, the supralocal cooperative organisation that advises and supports the banks in their local services. Rabobank Nederland also supervises the operations, sourcing, solvency and liquidity of the local Rabobanks. With approximately 1,100 branches and nearly 3,100 cash-dispensing machines, the local Rabobanks form a dense banking network in the Netherlands. In the Netherlands, the local Rabobanks serve approximately 7.5 million clients, both private and corporate, offering a comprehensive package of financial services.

Rabobank Nederland is the holding company of a number of specialised subsidiaries in the Netherlands and abroad. Rabobank International is Rabobank Group's wholesale bank and international retail bank.

At December 31, 2008, the Rabobank Group had total assets of € 612.1 billion, a private sector loan portfolio of € 408.6 billion, amounts due to customers of € 304.2 billion, saving deposits of € 114.7 billion and equity of € 33.5 billion. At December 31, 2008, the Rabobank Group had 60,568 full-time employees.

Objectives

According to article 3 of its articles of association, the objective of Rabobank Nederland is to promote the interests of its members, the local Rabobanks. It shall do so by: (i) promoting the establishment, continued existence and development of cooperative banks; (ii) conducting the business of banking in the widest sense, especially by acting as central bank for its members and as such entering into agreements with its members; (iii) negotiating rights on behalf of its members and, with due observance of the relevant provisions of the articles of association, entering into commitments on their behalf, provided that such commitments have the

same implications for all its members, including the entering into collective labour agreements on behalf of its members; (iv) participating in, managing and providing services to other enterprises and institutions, in particular enterprises and institutions operating in the fields of insurance, lending, investments and/or other financial services; (v) supervising the local Rabobanks in accordance with the provisions of the Financial Supervision Act (*Wet op het financieel toezicht*); and (vi) doing all such other things as may be regarded as being incidental or conducive to the attainment of the objectives specified above.

Exchange Offers

On May 15, 2009, the Issuer made an offer to the holders of the U.S.\$1.75 billion non-cumulative guaranteed trust preferred securities of Rabobank Capital Funding Trust II and the U.S.\$1.50 billion non-cumulative guaranteed trust preferred securities of Rabobank Capital Funding Trust III to exchange such TPS for Capital Securities to be issued by the Issuer.

Trust Agreement dated October 21, 2004 relating to the TPS III (together, the “Trust Agreements”). The Issuer received the requisite number of consents required to effect the proposed amendment, which had the effect of enabling the purchase of the TPS in the Exchange Offers relating to the applicable series of TPS by amending a certain restrictive provision in that regard in the respective Trust Agreements.

As at 5:00 p.m. New York City time on May 28, 2009 (the “Early Participation Deadline”), the aggregate early participation rate for the Exchange Offers was approximately 54.1% of the outstanding Trust Preferred Securities. Approximately U.S.\$1,013,623,000, or 57.9%, face value of the TPS II and approximately U.S.\$743,275,000, or 49.6%, face value of the TPS III were tendered for exchange, which were exchanged for U.S.\$1,368,297,000 of Capital Securities. Presentation of financial information

The audited consolidated financial statements for the years ended December 31, 2006, December 31, 2007 and December 31, 2008 have been prepared in accordance with International Financial Reporting Standards (IFRS) as adopted by the EU pursuant to EU Regulation No 1606/2002.

Change in accounting policies

As a result of changes in accounting policies and presentation, certain figures for the Rabobank Group as at and for the year ended December 31, 2007 in this Prospectus have been restated. Actuarial gains or losses from adjustments to actual developments and modified actuarial assumptions are recognised using the corridor method. Insofar as unrecognised cumulative actuarial gains or losses exceed 10% of the higher of the present value of the gross obligation under the defined benefit plan or the fair value of the fund, such excess, as from January 1, 2008, is taken to profit or loss, spread over two years. Up until 2008, actuarial gains and losses were recognised over the expected average remaining years of service of the employees participating in the plan. The comparative figures have been restated accordingly and the positive effect on profit (after tax) and equity for 2007 amounted to € 34 million. The initial capital for 2007 was not affected. Furthermore, in 2007, € 477 million in value adjustments of available-for-sale financial assets was transferred to “Net income from financial assets and liabilities at fair value through profit and loss”. Insofar as there were other reclassifications, the comparative figures have been restated. See Note 2 to the consolidated financial statements for the Rabobank Group for the year ended December 31, 2008.

Among the important factors that could cause the Rabobank Group's actual results, performance or achievements to differ materially from those in the forward-looking statements include, among others, the competitive nature of the banking business in the Netherlands; credit and other risks of lending; volatility in Dutch and international equity markets; government regulation and tax matters; the outcome of legal or regulatory disputes and proceedings; and changes in Dutch economic conditions, political events, interest rates, exchange rates and inflation. These forward-looking statements speak only as of their dates. (a) Form and Denomination

An individual Certificate will be issued to each Holder in respect of its registered holding of Capital Securities. Each Capital Security and each Certificate will have an identifying number which will be recorded on the relevant individual Certificate and in the Register.

Individual Certificates issued with respect to Rule 144A Capital Securities (a “**Rule 144A Capital Security Certificate**”) will bear a Rule 144A legend, unless determined otherwise in accordance with the provisions of the Agency Agreement by reference to applicable law. Individual Certificates issued with respect to the Regulation S Capital Securities (a “**Regulation S Capital Security Certificate**”) will not bear a Rule 144A legend.

Upon issue, the Regulation S Capital Securities will be represented by a permanent Regulation S Global Capital Security certificate (the “**Regulation S Global Capital Security Certificate**”).

The Capital Securities issued in reliance on Rule 144A will be represented by a Rule 144A Global Capital Security certificate (the “**Rule 144A Global Capital Security Certificate**” and together with the Regulation S Global Capital Security Certificate, the “**Global Capital Security Certificates**”).

The Global Capital Security Certificates will be exchangeable for Definitive Capital Securities only in the limited circumstances specified in the Global Capital Security Certificates. The Regulation S Global Capital Security Certificate will be deposited with, and registered in the name of a nominee for, a common depository for Euroclear and Clearstream, Luxembourg and the Rule 144A Global Capital Security Certificate will be deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC.

Holder will not be entitled to receive physical delivery of individual Certificates in definitive form in respect of their individual holdings of Capital Securities except in the limited circumstances described in the Rule 144A Global Capital Security Certificate and the Regulation S Global Capital Security Certificate.

(b) Title

Title to the Capital Securities passes by transfer and registration as described in Condition 3. The Holder of any Capital Security will (except as otherwise required by law) be treated as its absolute owner for all purposes and no person will be liable for so treating the Holder. Neither the Issuer nor the Registrar shall be affected by any trust or equity affecting any Capital Securities, whether or not either of them is aware of the same.

3 Transfers

(a) *Transfer*

Subject to Condition 3(d), a Capital Security may be transferred upon surrender of the relevant Certificate, with the endorsed form of transfer duly completed (or another form of transfer substantially in the same form and containing the same representations and certifications (if any), unless otherwise agreed by the Issuer), at the specified office of the Registrar or Transfer Agent, together with such evidence as the Registrar or Transfer Agent may reasonably require to provide the title of the transferor and the authority of the individuals who have executed the form of transfer. Where not all the Capital Securities represented by the surrendered Certificate are the subject of the transfer, a new Certificate in respect of the part transferred will be issued to the transferee and a new Certificate in respect of the part not transferred will be issued to the transferor.

Upon the transfer, exchange or replacement of a Rule 144A Global Capital Security Certificate, a Transfer Agent will only deliver individual Certificates with respect to Rule 144A Capital Securities that bear the Rule 144A legend unless there is delivered to such Transfer Agent such satisfactory evidence, which may include an opinion of legal counsel, as may be reasonably required by the Issuer, that neither the Rule 144A legend nor the restrictions on transfer set forth therein are required to ensure compliance with the provisions of the Securities Act.

An interest in Capital Securities represented by the Regulation S Global Capital Security Certificate may be transferred to a person within the United States subject to any applicable transfer restrictions under the Securities Act. Any transfer of an interest in the Regulation S Global Capital Security Certificate prior to the expiration of the 40-day “distribution compliance period” (as such term is defined in Rule 902 of Regulation S) shall only be (a) to a non-U.S. person (and not acting for the account or benefit of a U.S. person) in an offshore transaction in accordance with Rule 903 or Rule 904 of Regulation S or (b) in accordance with Rule 144A under the Securities Act (“**Rule 144A**”) to a person that it and any person acting on its behalf reasonably believe is a “qualified institutional buyer” as defined in Rule 144A (“**QIB**”) purchasing for its own account or the account of a QIB, in each case in accordance with any applicable securities laws of any State of the United States.

Interests in Capital Securities represented by the Rule 144A Global Capital Security Certificate may be transferred to a person who wishes to take delivery of any such interest in the form of an interest in Capital Securities represented by the Regulation S Global Capital Security Certificate only if a Transfer Agent receives a written certificate from the transferor (in the form provided in the Agency Agreement) to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

(b) *Registration and Delivery of Certificates*

Within three business days of the surrender of a form of transfer and a Certificate in accordance with Condition 3(a), the Registrar will register the transfer in question and deliver a new Certificate of a like principal amount to the Capital Securities transferred to each relevant Holder or (as the case may be) the specified office of the Registrar or Transfer Agent or (at the request and risk of such relevant Holder) by uninsured first-class mail (airmail, if overseas) to the address specified for the purpose by such relevant Holder, unless such Holder requests otherwise and pays in advance to the Registrar the costs of such other method of delivery and/or insurance as it may specify. In this paragraph, “business day” means a day (other than a Saturday or Sunday) on which commercial banks are open for business (including dealings in foreign currencies) in the city where the Registrar or (as the case may be) the Transfer Agent has its specified office.

Except in the limited circumstances described in “Summary of Provisions relating to the Capital Securities while in Global Form”, owners of interests in Capital Securities represented by the Rule 144A Global Capital Security Certificate and the Regulation S Global Capital Security Certificate will not be entitled to receive physical delivery of individual Certificates. Issues of individual Certificates upon transfers of Capital Securities are subject to compliance by the transferor and transferee with the certification procedures described above and in the Agency Agreement and, in the case of Rule 144A Capital Security Certificates, compliance with the Rule 144A legend.

(c) No Charge

The transfer of a Capital Security will be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agent but against such indemnity as the Registrar or the Transfer Agent may require in respect of any tax or other duty of whatsoever nature which may be levied or imposed in connection with such transfer.

(d) Closed Periods

Holders may not require transfers to be registered (i) during the period of 15 calendar days ending on (and including) the due date for redemption of the Capital Securities pursuant to Condition 8 or (ii) during the period of 15 calendar days ending on (and including) any Record Date in respect of any payment of Interest on the Capital Securities.

(e) Regulations concerning Transfer and Registration

All transfers of Capital Securities and entries in the Register are subject to the detailed regulations concerning the transfer of Capital Securities scheduled to the Agency Agreement. The regulations may be changed by the Issuer with the prior written approval of the Registrar. A copy of the current regulations will be mailed (free of charge) by the Registrar and/or the Transfer Agent to any Holder who requests in writing a copy of such regulations.

4 Status and Subordination

(a) Status

The Capital Securities constitute direct, unsecured and subordinated obligations of the Issuer and shall at all times rank *pari passu* and without any preference among themselves. The rights and claims of the Holders are subordinated as described in Condition 4(b).

(b) Subordination

Subject to exceptions provided by mandatory applicable law, the payment obligations under the Capital Securities constitute unsecured obligations of the Issuer and shall, in the case of (a) the bankruptcy of the Issuer; (b) a Moratorium; or (c) dissolution (*ontbinding*) of the Issuer, rank:

- (i) subordinate and junior to indebtedness of the Issuer (other than the Issuer’s obligations under any guarantee or contractual right that effectively ranks *pari passu* with, or junior to, the Issuer’s obligations under the Capital Securities (including, without limitation, the Existing Capital Securities and the Junior Member Certificates Related Agreements));
- (ii) *pari passu* (a) with the Issuer’s obligations under the guarantees and contingent guarantees in relation to the Noncumulative Guaranteed Trust Preferred Securities issued by Rabobank Capital Funding Trusts II, III, IV, V and VI and the corresponding LLC Class B Preferred Securities issued by Rabobank Capital Funding LLCs II, III, IV, V and VI, (b) with the Issuer’s

obligations under the Existing Capital Securities, and (c) effectively, with the most senior ranking preferred equity securities or preferred or preference shares of the Issuer; and

- (iii) senior to the Issuer's obligations under the Junior Member Certificates Related Agreements and any other instruments ranking *pari passu* with the Junior Member Certificates Related Agreements (in accordance with, and by virtue of the subordination provisions of, the Junior Member Certificates Related Agreements) and any other instruments ranking *pari passu* therewith.

By virtue of such subordination, payments to the Holders will, in the case of the bankruptcy or dissolution of the Issuer or in the event of a Moratorium, only be made after all payment obligations of the Issuer ranking senior to the Capital Securities have been satisfied. In addition, any right of set-off by the Holder in respect of any amount owed to such Holder by the Issuer under or in connection with such Capital Security shall be excluded and each Holder shall, by virtue of being the Holder of any Capital Security, be deemed to have waived all such rights of set-off.

(c) Other Issues

So long as the Capital Securities are outstanding, the Issuer shall not:

- (a) issue any preferred equity securities or preferred or preference shares or debt or other securities, in each case that qualify as Tier 1 Capital of the Rabobank Group under the Solvency Rules; or
- (b) enter into any guarantee, support or other credit enhancement of any such issue by any other member of the Rabobank Group,

in each case if such issue or guarantee, support or other credit enhancement would rank ahead of the Capital Securities as to entitlement to distribution upon a bankruptcy or dissolution of the Issuer, or in the event of a Moratorium unless the Issuer amends the terms of the Capital Securities prior thereto such that the rights and claims of Holders would be entitled to rank equally with such new issue or guarantee, support or other credit enhancement upon a bankruptcy or dissolution of the Issuer, or in the event of a Moratorium.

In addition, so long as the Capital Securities are outstanding, the Issuer shall not:

- (i) permit (where such permission is required) or take any action to cause a Local Rabobank to issue any preferred equity securities or preferred or preference shares or debt or other securities, in each case that rank senior to any Parity Local Rabobank Share and qualify as Tier 1 Capital of the Rabobank Group under the Solvency Rules; or
- (ii) permit (where such permission is required) or take any action to cause a Local Rabobank to issue any guarantee, support or other credit enhancement ranking senior to any Parity Local Rabobank Guarantee of any such issue by any other member of the Rabobank Group.

5 Interest

(a) General

The Capital Securities bear Interest at the applicable Interest Rate from (and including) the Issue Date in accordance with the provisions of this Condition 5.

Subject to Conditions 6 and 7, during the period commencing on (and including) the Issue Date and ending on (but excluding) the First Call Date, Interest shall be payable on the Capital Securities semi-annually in arrear in equal instalments on each Fixed Rate Interest Payment Date (save for Interest

payable on the first Fixed Rate Interest Payment Date) and thereafter shall be payable on the Capital Securities quarterly in arrear on each Floating Rate Interest Payment Date, in each case as provided in this Condition 5.

Interest will not be cumulative and Interest which is not paid will not accumulate or compound and Holders of the Capital Securities will have no right to receive such Interest at any time, even if Interest is paid in the future.

(b) *Interest Accrual, Calculation and Rounding*

The Capital Securities will cease to bear Interest from (and including) the date of redemption thereof pursuant to Condition 8 unless payment of all amounts due in respect of the Capital Securities is not properly and duly made, in which event Interest shall continue to accrue on the Capital Securities, both before and after judgment, at the Interest Rate and shall be payable, as provided in these Conditions up to (but excluding) the Relevant Date.

Interest in respect of any Capital Security shall be calculated per Calculation Amount and shall be equal to the product of the Calculation Amount, the relevant Interest Rate and the relevant Day-count Fraction for the relevant period, rounding the resultant figure to the nearest cent (half a cent being rounded upwards).

(c) *Fixed Interest Rate*

From (and including) the Issue Date to (but excluding) the First Call Date, the Capital Securities bear interest at the Fixed Rate and will be payable semi-annually in arrear on each Fixed Rate Interest Payment Date.

If any Fixed Rate Interest Payment Date falls on a day that is not a Business Day, the relevant payment will be made on the next day which is a Business Day, without adjustment, interest or further payment as a result thereof.

(d) *Floating Interest Rate*

For each Floating Rate Interest Period, the Capital Securities will bear interest at the relevant Floating Rate and will be payable quarterly in arrear on each Floating Rate Interest Payment Date. The relevant Floating Rate in respect of each Floating Rate Interest Period commencing on or after the First Call Date will be determined by the Agent Bank on the basis of the following provisions:

- (i) On each Interest Determination Date, the Agent Bank will determine the offered rate (expressed as a rate per annum) for three-month deposits in U.S. dollars as at 11:00a.m. hours (London time) on such Interest Determination Date, as displayed on the display designated as page "LIBOR01" on the Reuters Monitor Money Rates Service (or such other page or pages as may replace it for the purpose of displaying such information). The Floating Rate for the relevant Floating Rate Interest Period shall be such offered rate as determined by the Agent Bank plus 10.868%.
- (ii) If such offered rate does not so appear, or if the relevant page is unavailable, the Agent Bank will, on such date, request the principal London office of the Reference Banks to provide the Agent Bank with its offered quotation to leading banks in the London interbank market for three-month deposits in U.S. dollars as at 11:00a.m. hours (New York City time) on the Interest Determination Date in question. If at least two of the Reference Banks provide the Agent Bank with such offered quotations, the Floating Rate for the relevant Floating Rate Interest Period shall be the rate determined by the Agent Bank to be the arithmetic mean (rounded if necessary

to the nearest one-hundred thousandth of a percentage point (0.000005% being rounded upwards)) of such offered quotations plus 10.868%

- (iii) If on any Interest Determination Date to which the provisions of paragraph (ii) above apply, one only or none of the Reference Banks provides the Agent Bank with such a quotation, the Floating Rate for the relevant Floating Rate Interest Period shall be the rate which the Agent Bank determines to be the aggregate of 10.868% and the arithmetic mean (rounded, if necessary, to the nearest one-hundred thousandth of a percentage point (0.000005% being rounded upwards)) of the U.S. dollar lending rates which leading banks in London selected by the Agent Bank are quoting, on the relevant Interest Determination Date, to leading banks in London for a period of three months, except that, if the banks so selected by the Agent Bank are not quoting as mentioned above, the Floating Rate for such Interest Period shall be either (1) the Floating Rate in effect for the last preceding Interest Period to which one of the preceding paragraphs of this Condition 5(d) shall have applied or (2) if none, 10.868% per annum above the Fixed Rate.

(e) *Determination of Floating Rate and Calculation of Floating Interest Amounts*

The Agent Bank will, as soon as practicable after 11:00 a.m. hours (London time) on each Interest Determination Date, determine the Floating Rate in respect of the relevant Floating Interest Period and calculate the amount of interest payable in respect of a Calculation Amount on the Floating Interest Payment Date for that Floating Interest Period (the “**Floating Interest Amounts**”).

(f) *Publication of Floating Rate and Floating Interest Amounts*

The Issuer shall cause notice of the Floating Rate determined in accordance with this Condition 5 in respect of each relevant Floating Interest Period, the Floating Interest Amount per Calculation Amount and the relevant date scheduled for payment to be given to the Fiscal Agent, the Paying Agents and, in accordance with Condition 15, the Holders, in each case as soon as practicable after its determination but in any event not later than the fourth Business Day thereafter.

The Floating Interest Amount, the Floating Rate and the date scheduled for payment so notified may subsequently be amended without notice in the event of any extension or shortening of the relevant period in accordance with these Conditions.

(g) *Agent Bank and Reference Banks*

With effect from the First Call Date, and so long as any Capital Securities remain outstanding thereafter, the Issuer will maintain an Agent Bank and the number of Reference Banks provided above where the Floating Rate is to be calculated by reference to them.

The Issuer may, from time to time, replace the Agent Bank or any Reference Bank with another leading investment, merchant or commercial bank or financial institution in London. If the Agent Bank is unable or unwilling to continue to act as the Agent Bank or fails duly to determine the Floating Rate in respect of any Floating Rate Interest Period as provided in Condition 5(d), or calculate the Floating Interest Amount or calculate the Make Whole Redemption Price (as applicable), the Issuer shall forthwith appoint another leading investment, merchant or commercial bank or financial institution in London to act as such in its place. The Agent Bank may not resign its duties or be removed without a successor having been appointed as aforesaid.

(h) Determinations of Agent Bank Binding

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition 5 and Conditions 8(d) and 8(e) will (in the absence of wilful default, bad faith or manifest or proven error) be binding on the Issuer, the Registrar, the Paying Agents and all Holders and (subject as aforesaid) no liability to the Holders, or the Issuer shall attach to the Agent Bank in connection with the exercise or non-exercise by it of any of its powers, duties and discretions.

6 Required Interest

The Issuer shall pay Required Interest on the Capital Securities, unless payment thereof is prohibited under Condition 7, to the extent set out below:

(a) In Full

- (i) The payment of Interest will be required in full for the Interest Periods covering six consecutive months commencing with the Interest Period with a related Interest Payment Date that occurs on or first following the date on which the Issuer, any Local Rabobank or any other member of the Rabobank Group declares or pays a dividend or distribution or makes any other payment with respect to (x) any Bank Instrument which effectively ranks junior to a Parity Bank Share, (y) any Local Rabobank Instrument which effectively ranks junior to a Parity Local Rabobank Share or (z) any Junior Group Member Instrument that, in the case of (x), (y) or (z), pays dividends or other distributions annually or semi-annually, if any (other than any Group Declarations and any Excluded Declarations).
- (ii) The payment of Interest will be required in full for the Interest Periods covering six consecutive months commencing with the Interest Period with a related Interest Payment Date that occurs on or first following the date on which the Issuer, any Local Rabobank or any other member of the Rabobank Group exchanges or converts, redeems, repurchases or otherwise acquires (w) a Parity Share, (x) any Bank Instrument which effectively ranks junior to a Parity Bank Share, (y) any Local Rabobank Instrument which effectively ranks junior to a Parity Local Rabobank Share or (z) any Junior Group Member Instrument, for any consideration, or any moneys are paid to or made available for a sinking fund, or for redemption of any such securities (other than (i) any redemption, repurchase or other acquisition of such share capital or other instrument held by any member of the Rabobank Group and any payments in connection therewith by any Local Rabobank applied for the purposes deemed by such Local Rabobank to be of local or general interest as provided in the articles of association of such Local Rabobank, (ii) as a result of a reclassification of the share capital of the Issuer, any Local Rabobank or any other member of the Rabobank Group or the exchange or conversion of one class or series of such share capital for another class or series of such share capital or (iii) the purchase of fractional interests in the share capital of the Issuer, any Local Rabobank or any other member of the Rabobank Group pursuant to the conversion or exchange provisions of such capital stock or the security being converted or exchanged).

(b) Fractional or in Full

The payment of Interest will be required in full or in part on the Interest Payment Date that occurs on or first following the date on which the Issuer, any Local Rabobank or any other member of the Rabobank Group declares or pays a dividend or distribution or makes any other payment (other than any Group Declarations and any Excluded Declarations) with respect to (x) any Bank Instrument

which effectively ranks junior to a Parity Bank Share, (y) any Local Rabobank Instrument which effectively ranks junior to a Parity Local Rabobank Share or (z) any Junior Group Member Instrument that, in the case of (x), (y) or (z), pays dividends on a basis other than annually or semi-annually, if any, at an amount equal to the Interest Amount on the Capital Securities for the related Interest Period, multiplied by a fraction, the numerator of which is the number of days in the dividend, distribution or payment period applicable to the payment on such Bank Instrument, Local Rabobank Instrument or Junior Group Member Instrument and the denominator of which is the number of days in the related Interest Period; provided, however, that, if the dividends, distributions or payments on any Bank Instrument, Local Rabobank Instrument or Junior Group Member Instrument that triggers the requirement to pay Interest on the Capital Securities as provided by this Condition 6(b) is made, but not with respect to a specified dividend, distribution or payment period, full Interest on the Capital Securities will be deemed to be payable for the Interest Period with the related Interest Payment Date that occurs on or immediately after the date on which the dividend, distribution or payment is declared or made on such Bank Instrument, Local Rabobank Instrument or Junior Group Member Instrument.

(c) *Pro Rata with Parity Shares*

The payment of Interest will be required:

- (i) for the Interest Periods covering six consecutive months commencing with the Interest Period with a related Interest Payment Date that occurs on or first following the date on which the Issuer, any Local Rabobank or any other member of the Rabobank Group declares or pays a dividend or distribution or makes any other payment on any Parity Share that pays dividends annually or semi-annually, if any (other than any Excluded Declarations); and
- (ii) on the Interest Payment Date that occurs on or first following the date on which the Issuer, any Local Rabobank or any other member of the Rabobank Group declares or pays a dividend or distribution or makes any other payment on any Parity Share that pays dividends on a basis other than annually or semi-annually, if any (other than any Excluded Declarations),

provided that, in the event that Interest on the Capital Securities is payable (or deemed to be payable) as provided in this Condition 6(c), such Interest shall be payable (or deemed to be payable) in the same proportion that the declaration or payment on such Parity Share bears to the stated annual or semi-annual dividends, distributions or payments to be declared and paid on such Parity Share. If the dividend, distribution or payment on any such Parity Share that triggers the requirement to pay Interest on the Capital Securities as provided by this Condition 6(c) is made, but not with respect to a specified dividend, distribution or payment period, full Interest on the Capital Securities will be deemed to be payable for the Interest Period with the related Interest Payment Date that occurs on or first following the date on which the dividend, distribution or payment is declared or made on such Parity Share.

(d) *Notification of Fractional or Pro Rata Payments*

The Issuer shall give notice to the Registrar, the Fiscal Agent, the Paying Agents, any stock exchange on which the Capital Securities are for the time being listed or admitted to trading and, in accordance with Condition 15, the Holders in each case as soon as practicable following any Interest Payment Date in respect of which Interest has been paid only in part pursuant to Condition 6(b) or proportionally pursuant to Condition 6(c), to such effect setting out brief details as to why the Interest has been paid in part or proportionally, as the case may be.

7 Prohibited and Discretionary Interest

(a) Prohibited Interest

Notwithstanding Condition 6, the Issuer shall not pay the Interest due on an Interest Payment Date to the extent that applicable Solvency Rules prohibit the Issuer, any Local Rabobank or any other member of the Rabobank Group from declaring or paying dividends or distributions or making other payments on the Capital Securities or any Parity Share or any of their other respective instruments which effectively rank *pari passu* with any Parity Share on such Interest Payment Date (for example, as a result of the Issuer's BIS ratio (total capital) falling below the then applicable minimum requirement). In such case and to such extent there will be no Required Interest.

The Issuer shall give notice to the Registrar, the Fiscal Agent, the Paying Agents, any stock exchange on which the Capital Securities are for the time being listed or admitted to trading and, in accordance with Condition 15, the Holders in each case as soon as practicable following any declaration that Interest is Prohibited Interest pursuant to this Condition 7(a) or, where no such prior declaration is made, following any Interest Payment Date on which Interest was scheduled to be paid if such Interest is Prohibited Interest, to such effect setting out brief details as to why the Interest is Prohibited Interest.

Any Prohibited Interest not paid on the relevant Interest Payment Date shall not accumulate or be payable at any time thereafter, and Holders shall have no right thereto whether in a bankruptcy or dissolution of, or in the event of a Moratorium with respect to, the Issuer or otherwise.

(b) Discretionary Interest

Any Interest that is neither Required Interest nor Prohibited Interest shall be payable on the relevant Interest Payment Date at the sole discretion of the Issuer, subject to the approval of the Dutch Central Bank, if required.

Any Discretionary Interest not paid on the relevant Interest Payment Date shall not accumulate or be payable at any time thereafter, and Holders shall have no right thereto whether in a bankruptcy or dissolution of, or in the event of a Moratorium with respect to, the Issuer or otherwise.

The Issuer shall give notice to the Registrar, the Fiscal Agent, the Paying Agents, any stock exchange on which the Capital Securities are for the time being listed or admitted to trading and, in accordance with Condition 15, the Holders in each case as soon as practicable following the relevant Interest Payment Date on which Interest was scheduled to be paid if such Interest is Discretionary Interest and the Issuer has exercised its discretion under this Condition 7(b) to not pay such Discretionary Interest, to such effect setting out brief details of such exercise.

8 Redemption and Purchase

(a) No Fixed Redemption Date

The Capital Securities are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall only have the right to redeem them or purchase them in accordance with the following provisions of this Condition 8.

(b) Conditions to Redemption and Purchase

Any redemption or purchase of the Capital Securities in accordance with Condition 8(c), (d), (e) or (f) is subject to the Issuer (i) obtaining the prior written consent of the Dutch Central Bank, provided that at the relevant time such consent is required to be given; (ii) both at the time of, and immediately following, the redemption or purchase, being in compliance with its capital requirements as provided

in the Solvency Rules applicable to it from time to time (and a certificate from any two Authorised Signatories confirming such compliance shall be conclusive evidence of such compliance); and (iii) except in the case of any purchase of the Capital Securities in accordance with Condition 8(f), giving not less than 30 nor more than 60 calendar days' notice to the Holders, the Registrar, the Fiscal Agent and the Paying Agents, in accordance with Condition 15, which notice shall be irrevocable.

Prior to the publication of any notice of redemption pursuant to this Condition 8 (other than redemption pursuant to Condition 8(c)), the Issuer shall deliver to the Registrar a certificate signed by any two members of the Executive Board stating that the relevant requirement or circumstance giving rise to the right to redeem is satisfied.

(c) Issuer's Call Option

Subject to the first paragraph of Condition 8(b), the Issuer may elect, in its sole discretion, to redeem all, but not some only, of the Capital Securities on the First Call Date or on each Interest Payment Date thereafter at their Redemption Price.

Unless the Capital Securities have previously been redeemed or purchased and cancelled in accordance with this Condition 8, the Issuer undertakes to exercise its option to redeem the Capital Securities on the Conditional Call Exercise Date (being the first Interest Payment Date falling on or after June 30, 2039 on which (i) all Interest is Required Interest and (ii) the Issuer has previously raised (or caused to be raised by a member of the Rabobank Group) the amount of net proceeds, between zero and the aggregate Redemption Price of the Capital Securities (both inclusive), which the Issuer determines (at any time prior to such date in its sole discretion but in consultation with the Dutch Central Bank, as necessary) is the minimum amount required by the Rabobank Group to be raised through the issuance of Qualifying Securities to replace the Capital Securities (on or prior to their redemption) in accordance with the remaining provisions of this Condition 8(c).

If, by reference to the facts pertaining on a Call Exercise Determination Date:

- (I) any part of the Interest on the Interest Payment Date related thereto is not Required Interest, the Conditional Call Exercise Requirements shall be deemed not to be satisfied as of such Interest Payment Date;
- (II) all Interest on the Interest Payment Date related thereto is Required Interest and:
 - (A) the Replacement Capital Amount is zero, the Conditional Call Exercise Requirements shall be deemed to be satisfied as of such Interest Payment Date and the Issuer shall give not less than 30 calendar days' notice to the Registrar, the Fiscal Agent and the Paying Agents and the Holders in accordance with Condition 15, which notice shall be irrevocable, that the Capital Securities will be redeemed on such Interest Payment Date at their Redemption Price; or
 - (B) the Replacement Capital Amount is greater than zero, the Issuer shall use its commercially reasonable efforts (except while a Market Disruption Event persists) to raise (or cause to be raised by a member of the Rabobank Group), at a minimum, the Replacement Capital Amount so as to satisfy the Conditional Call Exercise Requirements as of, and to permit payment of the Redemption Price in full on, such Interest Payment Date.

If the Replacement Capital Amount is greater than zero and is raised in full on or before the date falling 35 calendar days prior to such Interest Payment Date and Interest on such Interest Payment Date continues, by reference to the facts pertaining at such time,

to be Required Interest, the Conditional Call Exercise Requirements shall be deemed to be satisfied as of such Interest Payment Date and the Issuer shall give not less than 30 calendar days' notice to the Registrar, the Fiscal Agent and the Paying Agents and the Holders in accordance with Condition 15, which notice shall be irrevocable, that the Capital Securities will be redeemed on such Interest Payment Date at their Redemption Price.

If the Replacement Capital Amount is greater than zero and is not raised in full on or before the date falling 35 calendar days prior to such Interest Payment Date, the Conditional Call Exercise Requirements shall be deemed not to be satisfied as of such Interest Payment Date and the Issuer shall give not less than 30 calendar days' notice thereof to the Registrar, the Fiscal Agent and the Paying Agents and the Holders in accordance with Condition 15 and shall continue to use its commercially reasonable efforts (subject as aforesaid) to raise (or cause to be raised by a member of the Rabobank Group) the Replacement Capital Amount so as to satisfy the Conditional Call Exercise Requirements as of, and to permit redemption of the Capital Securities in full on, the next Interest Payment Date.

The Issuer shall continue the above procedure until the Capital Securities have been redeemed in full.

Interest on the Capital Securities shall, subject to the limitations thereon set out in Condition 7(a), continue to accrue at the relevant Interest Rate until the Capital Securities have been redeemed in full.

Subject to Condition 8(b), nothing in this Condition 8(c) shall prevent the Issuer from exercising its option to redeem the Capital Securities on the Interest Payment Date falling on or after June 30, 2039 or at any time thereafter, in its sole discretion in accordance with the first paragraph of this Condition 8(c) without regard to the Conditional Call Exercise Requirements.

(d) *Redemption Due to Taxation*

If, as a result of a Tax Law Change:

- (i) there is more than an insubstantial risk that the Issuer will be required to pay Additional Amounts with respect to payments on the Capital Securities; or
- (ii) Interest payable on the Capital Securities when paid would not be deductible by the Issuer for Netherlands corporate income tax liability purposes,

then the Issuer may, subject to Condition 8(b), having delivered to the Registrar a copy of an opinion of an independent nationally recognised law firm or other tax adviser in the Netherlands experienced in such matters to the effect set out in (i) or, as applicable, (ii) above, and having given the notice required by Condition 8(b) specifying the date fixed for redemption, at any time prior to the First Call Date redeem all, but not some only, of the Capital Securities at their Redemption Price in the case of any redemption arising from the events detailed in paragraph (i) above and at their Make Whole Redemption Price in the case of any redemption arising from the events detailed in paragraph (ii) above on the relevant date fixed for redemption.

(e) *Redemption for Regulatory Purposes*

All Capital Securities purchased by or on behalf of the Issuer or any other member of the Rabobank Group may be held, reissued, resold or, at the option of the Issuer, surrendered to the Registrar for cancellation. 11 Taxation

All payments made by or on behalf of the Issuer in respect of the Capital Securities will be made without withholding or deduction for or on account of Relevant Tax paid by or on behalf of the Issuer, unless the withholding or deduction of such Relevant Tax is required by law. In that event, the Issuer will pay, as further Interest, Additional Amounts, except that no such Additional Amounts will be payable to a Holder (or to a third party on the Holder's behalf) with respect to any Capital Securities:

The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Capital Securities for the time being outstanding, or at any adjourned meeting two or more persons holding or representing whatever the principal amount of the Capital Securities held or represented, unless the business of such meeting includes consideration or proposals, *inter alia*, (i) to modify the provisions for redemption of the Capital Securities or the dates on which Interest is payable in respect of the Capital Securities, (ii) to reduce or cancel the principal amount of, or the amount payable on redemption of, the Capital Securities, (iii) to reduce the rate of Interest in respect of the Capital Securities or to vary the method of calculating the rate of Interest, or method of calculating the Interest Amount, on the Capital Securities, (iv) to change the currency of payment of the Capital Securities, (v) to modify the provisions concerning the quorum required at any meeting of Holders or (vi) to modify the provisions regarding the status of the Capital Securities referred to in Condition 4(a), in which case the resolution must be approved by an Extraordinary Resolution.

(b) Modification and Waiver

The Issuer shall only permit any modification of, or any waiver or authorisation of any breach or proposed breach of, or any failure to comply with, the Agency Agreement if to do so could not reasonably be expected to be prejudicial to the interests of the Holders.

The Agency Agreement may be amended by the Issuer and the Fiscal Agent, without the consent of the Registrar or any Paying Agent, Transfer Agent or Holder, for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained therein or in any manner which the Issuer and the Fiscal Agent may mutually deem necessary or desirable and which does not adversely affect the interests of the Holders.

SUMMARY OF PROVISIONS RELATING TO THE CAPITAL SECURITIES WHILE IN GLOBAL FORM

The Global Capital Security Certificates

The Capital Securities will be represented on issue by the Regulation S Global Capital Security Certificate (deposited with, and registered in the name of a nominee for, a common depository for Euroclear and Clearstream, Luxembourg) and the Rule 144A Global Capital Security Certificate (deposited with a custodian for, and registered in the name of Cede & Co. as nominee of, DTC).

Beneficial interests in the Regulation S Global Capital Security Certificate may be held only through Euroclear or Clearstream, Luxembourg. See “Clearing and Settlement—Book-Entry Procedures for the Global Capital Security Certificates”. By acquisition of a beneficial interest in the Regulation S Global Capital Security Certificate, the purchaser thereof will be deemed to represent, among other things, that it is located outside the United States. See “Offer Restrictions”.

Beneficial interests in the Rule 144A Global Capital Security Certificate may only be held through DTC. See “Clearing and Settlement—Book-Entry Procedures for the Global Capital Security Certificates”. By acquisition of a beneficial interest in the Rule 144A Global Capital Security Certificate, the purchaser thereof will be deemed to represent, among other things, that it is a QIB and that, if in the future it determines to transfer such beneficial interest, it will transfer such interest in accordance with the procedures and restrictions contained in the Agency Agreement. See “Offer Restrictions”.

Beneficial interests in each Global Capital Security Certificate will be subject to certain restrictions on transfer set forth therein and in the Agency Agreement, and with respect to the Rule 144A Capital Securities, as set forth in Rule 144A, and the Capital Securities will bear the legends set forth thereon regarding such restrictions set forth under “Transfer Restrictions”. A beneficial interest in the Regulation S Global Capital Security Certificate may be transferred to a person who takes delivery in the form of an interest in the Rule 144A Global Capital Security Certificate in denominations greater than or equal to the minimum denominations applicable to interests in the Rule 144A Global Capital Security Certificate and only upon receipt by the Registrar of a written certification (in the form provided in the Agency Agreement) to the effect that the transferor reasonably believes that the transferee is a QIB and that such transaction is in accordance with any applicable securities laws of any state of the United States or any other jurisdiction. Beneficial interests in the Rule 144A Global Capital Security Certificate may be transferred to a person who takes delivery in the form of an interest in the Regulation S Global Capital Security Certificate only upon receipt by the Registrar of a written certification (in the form provided in the Agency Agreement) from the transferor to the effect that the transfer is being made in an offshore transaction and in accordance with Regulation S.

Any beneficial interest in the Regulation S Global Capital Security Certificate that is transferred to a person who takes delivery in the form of an interest in the Rule 144A Global Capital Security Certificate will, upon transfer, cease to be an interest in the Regulation S Global Capital Security Certificate and become an interest in the Rule 144A Global Capital Security Certificate, and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in the Rule 144A Global Capital Security Certificate for as long as it remains such an interest. Any beneficial interest in the Rule 144A Global Capital Security Certificate that is transferred to a person who takes delivery in the form of an interest in the Regulation S Global Capital Security Certificate will, upon transfer, cease to be an interest in the Rule 144A Global Capital Security Certificate and become an interest in the Regulation S Global Capital Security Certificate and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in the Regulation S Global Capital Security Certificate for so long as it

remains such an interest. No service charge will be made for any registration of transfer or exchange of Capital Securities, but the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. Except in the limited circumstances described below, owners of beneficial interests in Global Capital Security Certificates will not be entitled to receive physical delivery of individual Certificates in definitive form. The Capital Securities are not issuable in bearer form.

In the event that a Global Capital Security Certificate is exchanged for Definitive Capital Securities, such Definitive Capital Securities shall be issued in denominations of U.S.\$75,000 and integral multiples of U.S.\$1,000 in excess thereof. Holders who hold Capital Securities in the relevant clearing system in amounts that are not integral multiples of U.S.\$75,000 or U.S.\$1,000 in excess thereof may need to purchase or sell, on or before the relevant Exchange Date (as defined below), a principal amount of Capital Securities such that their holding is an integral multiple of U.S.\$75,000 or U.S.\$1,000 in excess thereof.

Tradable Amounts

So long as the Capital Securities are represented by a Global Capital Security Certificate and the relevant clearing system(s) so permit, the Capital Securities shall be tradable only in principal amounts of at least U.S.\$75,000 and integral multiples of U.S.\$1,000 in excess thereof.

Exchange for Definitive Capital Securities

Exchange

Each Global Capital Security Certificate will be exchangeable, free of charge to the holder, in whole but not in part, for Capital Securities in definitive form if a Global Capital Security Certificate is held by or on behalf of a clearing system and such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or does in fact do so, by the holder giving notice to the Registrar or any transfer agent of its intention to exchange the relevant Global Capital Security Certificate for Definitive Capital Securities on or after the Exchange Date (as defined below) specified in the notice.

The Registrar will not register the transfer of, or exchange of interests in, a Global Capital Security Certificate for Definitive Capital Securities for a period of 15 calendar days ending on the date for any payment of principal or interest in respect of the Capital Securities.

“Exchange Date” means a day falling not later than 90 days after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Registrar or the Transfer Agent is located.

In such circumstances, the relevant Global Capital Security Certificate shall be exchanged in full for Definitive Capital Securities and the Issuer will, free of charge to the holders (but against such indemnity as the Registrar or any relevant Transfer Agent may require in respect of any tax or other duty of whatever nature which may be levied or imposed in connection with such exchange), cause sufficient Definitive Capital Securities to be executed and delivered to the Registrar for completion, authentication and dispatch to the relevant holders. A person having an interest in a Global Capital Security Certificate must provide the Registrar with (a) a written order containing instructions and such other information as the Issuer and the Registrar may require to complete, execute and deliver such Capital Securities and (b) in the case of the Rule 144A Global Capital Security Certificate only, a fully completed, signed certification substantially to the effect that the exchanging holder is not transferring its interest at the time of such exchange or, in the case of a simultaneous sale pursuant to Rule 144A, a certification that the transfer is being made in compliance with the

Payments

Payments of principal and interest in respect of Capital Securities evidenced by a Rule 144A Global Capital Security Certificate or a Regulation S Global Capital Security Certificate will be made against presentation for endorsement by the Principal Paying and Transfer Agent and, if no further payment falls to be made in respect of the relevant Capital Securities, surrender of such Rule 144A Global Capital Security Certificate or Regulation S Global Capital Security Certificate, as the case may be, to or to the order of the Principal Paying and Transfer Agent or such other Paying and Transfer Agent as shall have been notified to the relevant Holders for such purpose. A record of each payment so made will be endorsed in the appropriate schedule to the relevant Certificate, which endorsement will be prima facie evidence that such payment has been made in respect of the relevant Capital Securities. Conditions 11(iii) and 17(v) will apply to the Definitive Capital Securities only.

Accountholders

Prescription

Claims against the Issuer in respect of principal and interest while the Capital Securities are represented by the Rule 144A Global Capital Security Certificate or the Regulation S Global Capital Security Certificate, as the case may be, will become void unless the relevant Certificate is presented for payment within a period of five years from the due date.

CLEARING AND SETTLEMENT OF THE CAPITAL SECURITIES

Book-Entry Procedures for the Global Capital Security Certificates

Custodial and depository links are to be established between DTC, Euroclear and Clearstream, Luxembourg to facilitate the initial issue of the Capital Securities and cross market transfers of the Capital Securities associated with secondary market trading. See “—Book-Entry Ownership” and “—Settlement and Transfer of Capital Securities”.

Investors may hold their interests in the Global Capital Security Certificates directly through DTC, Euroclear or Clearstream, Luxembourg if they are accountholders (“Direct Participants”) or indirectly (“Indirect Participants”) and together with Direct Participants, “Participants”) through organisations which are accountholders therein.

DTC was created to hold securities for its Participants and facilitate the clearance and settlement of securities transactions between Participants through electronic computerised book-entry changes in accounts of its Participants, thereby eliminating the need for physical movement of certificates. Participants include securities brokers and dealers, banks, trust companies, clearing corporations and certain other organisations. Indirect access to DTC is available to others, such as banks, securities brokers, dealers and trust companies, that clear through or maintain a custodial relationship with a DTC Direct Participant, either directly or indirectly.

Investors may hold their interests in the Rule 144A Global Capital Security Certificate directly through DTC if they are Direct Participants in the DTC system, or as Indirect Participants through organisations which are Direct Participants in such system.

DTC has advised the Issuer that it will take any action permitted to be taken by a holder of Capital Securities only at the direction of one or more Direct Participants and only in respect of such portion of the aggregate principal amount of the Rule 144A Global Capital Security Certificate as to which such Participant or Participants has or have given such direction. However, in the circumstances described under “Summary of Provisions Relating to the Capital Securities while in Global Form—Exchange for Definitive Capital Securities”, DTC will surrender the Rule 144A Global Capital Security Certificate for exchange for individual Rule 144A Definitive Capital Securities (which will bear the legend applicable to transfers pursuant to Rule 144A).

The Custodian and DTC will electronically record the principal amount of the Capital Securities held within the DTC System. The address of DTC is 55 Water Street, New York, New York 10041, United States of America.

Relationship of Participants with Clearing Systems

Each of the persons shown in the records of DTC, Euroclear or Clearstream, Luxembourg (as the case may be) as the holder of a Capital Security evidenced by a Global Capital Security Certificate must look solely to DTC, Euroclear or Clearstream, Luxembourg (as the case may be) for his share of each payment made by the Issuer to the holder of such Global Capital Security and in relation to all other rights arising under such Global Capital Security Certificate, subject to and in accordance with the respective rules and procedures of DTC, Euroclear or Clearstream, Luxembourg (as the case may be). The Issuer expects that, upon receipt of any payment in respect of Capital Securities evidenced by a Global Capital Security Certificate, the common depository by whom such Capital Security is held, or nominee in whose name it is registered, will immediately credit the relevant Participants’ or accountholders’ accounts in the relevant clearing system with payments in amounts proportionate to their respective beneficial interests in the principal amount of the relevant Global Capital Security Certificate as shown on the records of the relevant common depository or its nominee. The Issuer also expects that payments by Direct Participants in any clearing system to owners of beneficial interests in any Global Capital Security Certificate held through such Direct Participants in any clearing system will be governed by standing instructions and customary practices. Save as aforesaid, such persons shall have no claim directly against the Issuer in respect of payments due on the Capital Securities for so long as the Capital Securities are evidenced by such Global Capital Security Certificate, and the obligations of the Issuer will be discharged by payment to the registered holder, as the case may be, of such Global Capital Security Certificate in respect of each amount so paid. None of the Issuer or any agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of ownership interests in any Global Capital Security Certificate or for maintaining, supervising or reviewing any records relating to such ownership interests.

Settlement and Transfer of Capital Securities

Subject to the rules and procedures of each applicable clearing system, purchases of Capital Securities held within a clearing system must be made by or through Direct Participants, which will receive a credit for such Capital Securities on the clearing system’s records. The ownership interest of each actual purchaser of each such Capital Security (the “Beneficial Owner”) will in turn be recorded on the Direct and Indirect Participants’ records.

Beneficial Owners will not receive written confirmation from any clearing system of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which such Beneficial Owner entered into the transaction.

Transfers of ownership interests in Capital Securities held within the clearing system will be effected by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in such Capital Securities, unless and until interests in any Global Capital Security Certificate held within a clearing system are exchanged for Definitive Capital Securities.

No clearing system has knowledge of the actual Beneficial Owners of the Capital Securities held within such clearing system, and its records will reflect only the identity of the Direct Participants to whose accounts such Capital Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers. Conveyance of notices and other communications by the clearing systems to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

The laws of some jurisdictions may require that certain persons take physical delivery in definitive form of securities. Consequently, the ability to transfer interests in a Global Capital Security Certificate to such persons may be limited. As DTC can only act on behalf of Direct Participants, who in turn act on behalf of Indirect Participants, the ability of a person having an interest in the Rule 144A Global Capital Security Certificate to pledge such interest to persons or entities that do not participate in DTC, or otherwise take actions in respect of such interest, may be affected by a lack of physical certificate in respect of such interest.

Where payment is not effected in U.S. dollars, separate payment arrangements outside DTC are required to be made between the DTC participants.

Trading between DTC seller and Euroclear/Clearstream, Luxembourg purchaser

Separate payment arrangements are required to be made between the DTC Participant and the relevant

Euroclear or Clearstream, Luxembourg Participant. On the settlement date, the custodian of the Rule 144A Global Capital Security Certificate will instruct the Registrar to (i) decrease the amount of Capital Securities registered in the name of Cede & Co. and evidenced by the Rule 144A Global Capital Security Certificate of the relevant class and (ii) increase the amount of Capital Security registered in the name of the nominee of the common depository for Euroclear and Clearstream, Luxembourg and evidenced by the Regulation S Global Capital Security Certificate. Book-entry interests will be delivered free of payment to Euroclear or Clearstream, Luxembourg, as the case may be, for credit to the relevant accountholder on the first business day following the settlement date.

Trading between Euroclear/Clearstream, Luxembourg seller and DTC purchaser

When book-entry interests in the Capital Securities are to be transferred from the account of a Euroclear or Clearstream, Luxembourg accountholder to the account of a DTC Participant wishing to purchase a beneficial interest in the Rule 144A Global Capital Security Certificate (subject to the certification procedures provided in the Agency Agreement), the Euroclear or Clearstream, Luxembourg Participant must send to Euroclear or Clearstream, Luxembourg delivery free of payment instructions by 7:45 p.m., Brussels or Luxembourg time, one business day prior to the settlement date. Euroclear or Clearstream, Luxembourg, as the case may be, will in turn transmit appropriate instructions to the common depository for Euroclear and Clearstream, Luxembourg and the Registrar to arrange delivery to the DTC Participant on the settlement date. Separate payment arrangements are required to be made between the DTC Participant and the relevant Euroclear or Clearstream, Luxembourg accountholder, as the case may be. On the settlement date, the common depository for Euroclear and Clearstream, Luxembourg will (a) transmit appropriate instructions to the custodian of the Rule 144A Global Capital Security Certificate who will in turn deliver such book-entry interests in the Capital Securities free of payment to the relevant account of the DTC Participant and (b) instruct the Registrar to (i) decrease the amount of Capital Securities registered in the name of the nominee of the common depository for Euroclear and Clearstream, Luxembourg and evidenced by the Regulation S Global Capital Security Certificate; and (ii) increase the amount of Capital Security registered in the name of Cede & Co. and evidenced by the Rule 144A Global Capital Security Certificate.

Although DTC, Euroclear and Clearstream, Luxembourg have agreed to the foregoing procedures in order to facilitate transfers of beneficial interests in Global Capital Security Certificates among Participants and accountholders of DTC, Euroclear and Clearstream, Luxembourg, they are under no obligation to perform or continue to perform such procedures, and such procedures may be discontinued at any time. None of the Issuer, the Fiscal Agent or any agent will have the responsibility for the performance by DTC, Euroclear, Clearstream, Luxembourg or their respective Direct or Indirect Participants of their respective obligations under the rules and procedures governing their operations.

USE OF PROCEEDS

There will be no proceeds from the New Capital Securities.

TAXATION

United States Taxation

TO ENSURE COMPLIANCE WITH TREASURY DEPARTMENT CIRCULAR 230, HOLDERS ARE HEREBY NOTIFIED THAT: (A) ANY DISCUSSION OF FEDERAL TAX ISSUES IN THIS PROSPECTUS IS NOT INTENDED OR WRITTEN TO BE RELIED UPON, AND CANNOT BE RELIED UPON, BY HOLDERS FOR THE PURPOSE OF AVOIDING PENALTIES THAT MAY BE IMPOSED ON HOLDERS UNDER THE INTERNAL REVENUE CODE; (B) SUCH DISCUSSION IS INCLUDED HEREIN BY THE ISSUER IN CONNECTION WITH THE PROMOTION OR MARKETING (WITHIN THE MEANING OF CIRCULAR 230) BY THE ISSUER OF THE TRANSACTIONS OR MATTERS ADDRESSED HEREIN; AND (C) HOLDERS SHOULD SEEK ADVICE BASED ON THEIR PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISER.

The following summarizes the material U.S. federal income tax considerations generally applicable to the ownership and disposition of Capital Securities by a U.S. Holder (as defined below). This discussion deals only with U.S. Holders that hold Capital Securities as capital assets. The discussion does not cover all aspects of U.S. federal income taxation that may be relevant to, or the actual tax effect that any of the matters described herein will have on, the acquisition, ownership or disposition of Capital Securities by particular investors, and does not address state, local, foreign or other tax laws. In particular, this summary does not address tax considerations applicable to investors that own or will own directly, or indirectly by attribution, 10% or more of the voting stock of the Issuer, nor does this summary discuss all of the tax considerations that may be relevant to certain types of investors subject to special treatment under the U.S. federal income tax laws (such as financial institutions, insurance companies, investors liable for the alternative minimum tax, individual retirement accounts and other tax-deferred accounts, tax-exempt organizations, dealers in securities or currencies, investors that own Capital Securities as part of straddles, hedging transactions or conversion transactions for U.S. federal income tax purposes or investors whose functional currency is not the U.S. dollar).

As used herein, the term “U.S. Holder” means a beneficial owner of Capital Securities that is, for U.S. federal income tax purposes, (i) an individual citizen or resident of the United States, (ii) a corporation created or organized under the laws of the United States or any State thereof, (iii) an estate the income of which is subject to U.S. federal income tax without regard to its source or (iv) a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust, or the trust has elected to be treated as a domestic trust for U.S. federal income tax purposes.

The U.S. federal income tax treatment of a partner in a partnership that holds Capital Securities will depend on the status of the partner and the activities of the partnership. Holders that are partnerships should consult their own tax advisers concerning the U.S. federal income tax consequences to their partners of the ownership and disposition of Capital Securities by the partnership.

This discussion assumes that the Issuer is not a passive foreign investment company (a “PFIC”) for U.S. federal income tax purposes, which the Issuer believes to be the case. See the discussion below entitled “Passive Foreign Investment Company Considerations”.

The summary is based on the tax laws of the United States, including the Internal Revenue Code of 1986, as amended, its legislative history, existing and proposed regulations thereunder, published rulings and court decisions, as well as on the income tax treaty between the United States and the Netherlands (the “Treaty”), all as of the date hereof and all subject to change at any time, possibly with retroactive effect.

THE SUMMARY OF U.S. FEDERAL INCOME TAX CONSEQUENCES SET OUT BELOW IS FOR GENERAL INFORMATION ONLY. ALL PROSPECTIVE PURCHASERS SHOULD CONSULT THEIR TAX ADVISERS AS TO THE PARTICULAR TAX CONSEQUENCES TO THEM OF OWNING THE CAPITAL SECURITIES, INCLUDING THEIR ELIGIBILITY FOR THE BENEFITS OF THE TREATY, THE APPLICABILITY AND EFFECT OF STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND POSSIBLE CHANGES IN TAX LAW.

U.S. Federal Income Tax Characterization of the Capital Securities

The characterization of securities such as the Capital Securities will depend on the terms of the Capital Securities. The determination of whether an obligation represents debt, equity, or some other instrument or interest is based on all the relevant facts and circumstances. There is no statutory, judicial or administrative authority directly addressing the characterization of the Capital Securities or of instruments similar to the Capital Securities.

Although the matter is not free from doubt, the Capital Securities should be treated for U.S. federal income tax purposes as equity in the Issuer for U.S. federal income tax purposes. The Issuer and, by a U.S. Holder's purchasing a Capital Security or an interest therein, the U.S. Holder agree to treat the Capital Securities as equity in the Issuer, and the discussion below assumes this to be the case.

No rulings will be sought from the U.S. Internal Revenue Service ("IRS") regarding the characterization of the Capital Securities issued hereunder for U.S. federal income tax purposes. Each holder should consult its own tax adviser about the proper characterization of the Capital Securities for U.S. federal income tax purposes and consequences to such holder of acquiring, owning or disposing of the Capital Securities.

Distributions on Capital Securities

Payments of interest on the Capital Securities will generally be treated as distributions with respect to stock of the Issuer.

Distributions paid by the Issuer out of current or accumulated earnings and profits (as determined for U.S. federal income tax purposes) will generally be taxable to a U.S. Holder as foreign source dividend income, and will not be eligible for the dividends received deduction allowed to corporations. Distributions in excess of current and accumulated earnings and profits will be treated as a non-taxable return of capital to the extent of the U.S. Holder's basis in the Capital Securities and thereafter as capital gain. However, the Issuer does not maintain calculations of its earnings and profits in accordance with U.S. federal income tax accounting principles. U.S. Holders should therefore assume that any distribution by the Issuer with respect to Capital Securities will be reported as ordinary dividend income. U.S. Holders should consult their own tax advisers with respect to the appropriate U.S. federal income tax treatment of any distribution received from the Issuer.

For taxable years that begin before 2011, dividends paid by the Issuer will generally be taxable to a non-corporate U.S. Holder at the special reduced rate normally applicable to long-term capital gains, provided the Issuer qualifies for the benefits of the Treaty, which the Issuer believes to be the case. A U.S. Holder will be eligible for this reduced rate only if, among other things, it has held the Capital Securities for more than 60 days during the 121-day period beginning 60 days before the ex-dividend date.

Prospective purchasers should consult their tax advisers concerning the applicability of the foreign tax credit and source of income rules to dividends on the Capital Securities.

Sale, Redemption or other Disposition

Upon a sale, redemption or other disposition of Capital Securities, a U.S. Holder generally will recognize capital gain or loss for U.S. federal income tax purposes (provided, in the case of a redemption, that the U.S. Holder does not own, and is not deemed to own, any of the Issuer's voting securities) equal to the difference,

if any, between the amount realized on the sale or other disposition and the U.S. Holder's adjusted tax basis in the Capital Securities. This capital gain or loss will be long-term capital gain or loss if the U.S. Holder's holding period in the Capital Securities exceeds one year. However, regardless of a U.S. Holder's actual holding period, any loss may be long-term capital loss to the extent a non-corporate U.S. Holder receives a dividend that qualifies for the reduced rate described above under "Distributions on Capital Securities", and exceeds 5% of the U.S. Holder's basis in its Capital Securities. Any gain or loss will generally be U.S. source.

Passive Foreign Investment Company Considerations

A foreign corporation will be a PFIC in any taxable year in which, after taking into account the income and assets of the corporation and certain entities in which it owns equity interests pursuant to applicable "look-through rules," either (i) at least 75% of its gross income is "passive income" or (ii) at least 50% of the average value of its assets is attributable to assets which produce passive income or are held for the production of passive income. The Issuer does not believe that it should be treated as, and does not expect to become, a PFIC. Although interest income is generally passive income, a special rule allows banks to treat their banking business income as non-passive. To qualify for this rule, a bank must satisfy certain requirements regarding its licensing and activities. The Issuer believes that it currently meets these requirements. The Issuer's possible status as a PFIC must be determined annually, however, and may be subject to change if the Issuer fails to qualify under this special rule for any year in which a U.S. Holder holds Capital Securities. If the Issuer were to be treated as a PFIC in any year, U.S. Holders of Capital Securities would be required (i) to pay a special U.S. addition to tax on certain distributions and gains on sale and (ii) to pay tax on any gain from the sale of Capital Securities at ordinary income (rather than capital gains) rates in addition to paying the special addition to tax on this gain. Additionally, dividends paid by the Issuer would not be eligible for the special reduced rate of tax described above under "Distributions on Capital Securities". Holders should consult their tax advisers regarding the potential application of the PFIC regime.

Backup Withholding and Information Reporting

Distributions and other proceeds with respect to Capital Securities, by a U.S. paying agent or other U.S. intermediary will be reported to the IRS and to the U.S. Holder as may be required under applicable regulations. Backup withholding may apply to these payments if the U.S. Holder fails to provide an accurate taxpayer identification number or certification of exempt status or fails to report all interest and dividends required to be shown on its U.S. federal income tax returns. Certain U.S. Holders (including, among others, corporations) are not subject to information reporting and backup withholding. U.S. Holders should consult their tax advisers as to their qualification for exemption from information reporting and backup withholding and the procedure for obtaining an exemption.

Taxation in the Netherlands

The following is intended as general information only and it does not purport to present any comprehensive or complete description of all aspects of Dutch tax law which could be of relevance to a holder of New Capital Securities. Prospective holders of a New Capital Security ("Security Holder") should therefore consult their tax adviser regarding the tax consequences of any purchase, ownership or disposal of New Capital Securities.

The following summary is based on Dutch tax law as applied and interpreted by Dutch tax courts and as published and in effect on the date hereof, without prejudice to any amendments introduced at a later date and implemented with or without retroactive effect.

Withholding Tax

All payments made under the New Capital Securities may be made free from withholding or deduction of or for any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

Taxes on income and capital gains

(a) Residents of the Netherlands

The description of certain Dutch tax consequences in this paragraph is only intended for the following Security Holders:

- (i) individuals who are resident or deemed to be resident in the Netherlands;
- (ii) individuals who opt to be treated as if resident in the Netherlands for purposes of Dutch taxation ((i) and (ii) jointly “Dutch Individuals”); and
- (iii) entities that are subject to the Dutch Corporate Tax Act 1969 (“CITA”) and are resident or deemed to be resident of the Netherlands for the purposes of the CITA, excluding:
 - pension funds (*pensioenfondsen*) and other entities, that are in full or in part exempt from Dutch corporate tax; and
 - Investment institutions (*beleggingsinstellingen*); (“Dutch Corporate Entities”).

Dutch Individuals not engaged or deemed to be engaged in an enterprise or in miscellaneous activities

Generally, a Dutch Individual who holds New Capital Securities that are not attributable to an enterprise from which he derives profits as an entrepreneur (*ondernemer*) or pursuant to a co-entitlement to the equity of such enterprise other than as an entrepreneur or a shareholder, or not attributable to miscellaneous activities (*resultaat uit overige werkzaamheden*), will be subject annually to an income tax imposed on a fictitious yield on such New Capital Securities. The New Capital Securities held by such Dutch Individual will be taxed under the regime for savings and investments (*inkomen uit sparen en beleggen*). Irrespective of the actual income or capital gains realized, the annual taxable benefit of all the assets and liabilities of a Dutch Individual that are taxed under this regime, including the New Capital Securities, is set at a fixed amount. The fixed amount equals 4% of the average net fair market value of these assets and liabilities measured, in general, at the beginning and end of every calendar year. The current tax rate under the regime for savings and investments is a flat rate of 30%.

Dutch Individuals engaged or deemed to be engaged in an enterprise or in miscellaneous activities

Dutch Individuals are generally subject to income tax at progressive rates with a maximum of 52% with respect to any benefits derived or deemed to be derived from New Capital Securities (including any capital gains realized on the disposal thereof) that are either attributable to an enterprise from which a Dutch Individual derives profits, whether as an entrepreneur or pursuant to a co-entitlement to the equity of such enterprise (other than as an entrepreneur or a shareholder), or attributable to miscellaneous activities (*resultaat uit overige werkzaamheden*) including, without limitation, activities which are beyond the scope of active portfolio investment.

Dutch Corporate Entities

Dutch Corporate Entities are generally subject to corporate tax at statutory rates up to 25.5 percent with respect to any benefits derived or deemed to be derived (including any capital gains realized on the disposal thereof) from New Capital Securities.

(b) *Non-residents of the Netherlands*

A Security Holder other than a Dutch Individual or Dutch Corporate Entity will not be subject to any Dutch taxes on income or capital gains in respect of the ownership and disposal of the New Capital Securities, except if:

- (i) the Security Holder derives profits from an enterprise, whether as entrepreneur or pursuant to a co entitlement to the equity of such enterprise other than as an entrepreneur or a shareholder, which enterprise is, in whole or in part, carried on through a permanent establishment (*vaste inrichting*) or a permanent representative (*vaste vertegenwoordiger*) in the Netherlands, to which the New Capital Securities are attributable; or
- (ii) the Security Holder is an individual and derives benefits from miscellaneous activities (*resultaat uit overige werkzaamheden*) performed in the Netherlands in respect of New Capital Securities, including, without limitation, activities which are beyond the scope of active portfolio investment; or
- (iii) the Security Holder is entitled to a share in the profits of an enterprise managed in the Netherlands, other than by way of the holding of securities or through an employment contract, to which the New Capital Securities are attributable.

Gift tax or inheritance tax

A person who acquires New Capital Securities as a gift, in form or in substance, or who acquires or is deemed to acquire New Capital Securities on the death of an individual will not be subject to Dutch gift tax or to Dutch inheritance tax, as the case may be, unless:

- (a) the Security Holder is resident, or is deemed to be resident, in the Netherlands; or
- (b) at the time of the gift or death of the Security Holder, his New Capital Securities are attributable to an enterprise (or an interest in an enterprise) which is, in whole or in part, carried on through a permanent establishment or permanent representative in the Netherlands; or
- (c) the Security Holder passes away within 180 days after the date of the gift of the New Capital Securities and is not, or not deemed to be, at the time of the gift, but is, or deemed to be, at the time of his death, resident in the Netherlands; or
- (d) the Security Holder is entitled to a share in the profits of an enterprise managed in the Netherlands, other than by way of the holding of securities or through an employment contract, to which the New Capital Securities are attributable.

Other taxes

No other Dutch Taxes, such as turnover tax, or other similar tax or duty (including stamp duty and court fees), are due by a Security Holder by reason only of the issue, acquisition or transfer of the New Capital Securities.

Residency

A Security Holder will not become a resident, or a deemed resident, of the Netherlands for tax purposes, or become subject to Dutch Taxes, by reason only of the Issuer's performance, or the Security Holder's acquisition (by way of issue or transfer to it), holding and/or disposal of the New Capital Securities.

Luxembourg taxation

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to individual Holders and to certain entities, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest). There is also no Luxembourg withholding tax, with the possible exception of payments made to individual Holders and to certain entities, upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Capital Securities.

Luxembourg non-resident individuals

Under the Luxembourg laws dated June 21, 2005 implementing the European Council Directive 2003/48/EC on the taxation of savings income (the “Savings Directive”) and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union (“EU”), a Luxembourg-based paying agent (within the meaning of the Savings Directive) is required since July 1, 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the procedure of exchange of information or for the tax certificate procedure. The same regime applies to payments of interest and other similar income made to certain “residual entities” within the meaning of Article 4.2 of the Savings Directive established in a Member State or in certain EU dependent or associated territories (i.e., entities which are not legal persons (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, that are not UCITS recognised in accordance with the Council Directive 85/611/EEC or similar collective investment funds located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands and have not opted to be treated as UCITS recognised in accordance with the Council Directive 85/611/EEC). The withholding tax rate is 20% (as from 1 July 2008) increasing to 35% (as from 1 July 2011). The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain third countries.

Luxembourg resident individuals

A 10% withholding tax has been introduced, as from January 1, 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EC or for the exchange of information regime). Only interest accrued after July 1, 2005 falls within the scope of the withholding tax. This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers.

EC Council Directive

Under EU council Directive 2003/48/EC regarding the taxation of savings income Member States are required from July 1, 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income paid by a person within its jurisdiction to an individual resident in that other Member State. However, for a transitional period, Belgium, Luxembourg and Austria are instead required (unless during that period they elect otherwise; Belgium did so and will switch to the provision of information as of 2010) to operate a withholding system (20% as of July 1, 2008 and 35% as of July 1, 2011) in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreement relating to information exchange with certain other countries). If a payment were to be made or collected through a Member state which has opted for a withholding system and an amount of, or in respect

of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent or Transfer Agent nor any other person would be obliged to pay additional amounts with respect to any Capital Security as a result of the imposition of such withholding tax. If a withholding tax is imposed on a payment made by a Paying Agent or Transfer Agent, the Issuer will be required to maintain a Paying Agent and a Transfer Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.
