INTRODUCTION

This document constitutes a registration document (“**Registration Document**”) for the purposes of Article 5 of Directive 2003/71/EC, as amended, to the extent that such amendments have been implemented in the relevant member state (“**Member State**”) of the European Economic Area (the “**EEA**”) (the “**Prospectus Directive**”) and has been prepared for the purpose of giving information with respect to ING Bank N.V., Sydney Branch (the “**Issuer**” or “**ING Sydney Branch**”) which, according to the particular nature of the Issuer and the securities which it may offer to the public within a Member State of the EEA or apply to have admitted to trading on a regulated market situated or operating within such a Member State, is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer.

The Issuer accepts responsibility for the information contained in this Registration Document. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Registration Document is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Registration Document was approved by the Netherlands Authority for the Financial Markets (the “**AFM**”) for the purposes of the Prospectus Directive on 26 June 2017.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Registration Document and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer.

This Registration Document should not be considered as a recommendation by the Issuer that any recipient of this Registration Document should purchase any securities of the Issuer. Each investor contemplating purchasing any securities of the Issuer should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of ING Bank N.V. (including the Issuer). This Registration Document does not constitute an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase any securities of the Issuer.

The delivery of this Registration Document shall not in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof. Investors should carefully review and evaluate, *inter alia*, the most recent financial disclosure of ING Bank N.V. (including the Issuer) from time to time incorporated by reference herein when deciding whether or not to purchase any securities of the Issuer.

The distribution of this Registration Document and the offer or sale of any securities of the Issuer may be restricted by law in certain jurisdictions. Persons into whose possession this Registration Document or any securities of the Issuer come must inform themselves about, and observe, any such restrictions.

Any securities to be issued by the Issuer in connection with this Registration Document

have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or with any securities regulatory authority of any state or other jurisdiction of the United States (“**U.S.**”). Accordingly, any such securities may not be offered, sold, pledged or otherwise transferred within the U.S. or to or for the account or benefit of U.S. persons except in accordance with Regulation S under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act and any applicable state securities laws.

Any securities to be issued by the Issuer in connection with this Registration Document have not been approved or disapproved by the U.S. Securities and Exchange Commission (“**SEC**”), any state securities commission in the U.S. or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of the offering of any such securities or the accuracy or the adequacy of this Registration Document. Any representation to the contrary is a criminal offence in the U.S.

This Registration Document includes or incorporates by reference “forward-looking statements” within the meaning of Section 27A of the Securities Act and Section 21E of the United States Securities Exchange Act of 1934, as amended (the “**Exchange Act**”). All statements other than statements of historical fact included or incorporated by reference in this Registration Document, including, without limitation, those regarding the Issuer's financial position, business strategy, plans and objectives of management for future operations, are forward-looking statements. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Issuer, or industry results, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such forward-looking statements are based on numerous assumptions regarding the Issuer's present and future business strategies and the environment in which the Issuer will operate in the future. These forward-looking statements speak only as of the date of this Registration Document or as of such earlier date at which such statements are expressed to be given. The Issuer expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statement contained herein to reflect any change in the Issuer's expectations with regard thereto or any change in events, conditions or circumstances on which any such statement is based.

RISK FACTORS

(including the Issuer) and its subsidiaries and thereby potentially affect the ability of the Issuer to fulfil its obligations in respect of securities issued by it, see the section of the ING Bank N.V. Registration Document (as defined below) entitled “Risk Factors”.

DOCUMENTS INCORPORATED BY REFERENCE

The following documents, which have previously been published or are published simultaneously with this Registration Document and have been approved by the AFM or filed with it, shall be deemed to be incorporated in, and to form part of, this Registration Document; this Registration Document should be read and construed in conjunction with such documents:

- (a) the Articles of Association (*statuten*) of ING Bank N.V. (including the Issuer); and

Registration Document**”), including, for the purpose of clarity, the following items incorporated by reference therein:
 - (i) the Articles of Association (*statuten*) of ING Bank N.V. (including the Issuer);
 - (ii) the publicly available annual report of ING Bank N.V. (including the Issuer) in respect of the year ended 31 December 2016, including the audited financial statements and auditors' report in respect of such year;
 - (iii) the publicly available audited consolidated financial statements of ING Bank N.V. (including the Issuer) in respect of the years ended 31 December 2015 and 2014 (in each case, together with the auditors' reports thereon and explanatory notes thereto);

 - (v) the press release by ING Group on 10 May 2017 entitled “ING 1Q17 net result EUR 1,143 million” (the “**Q1 Press Release**”). The Q1 Press Release contains, among other things, the consolidated unaudited interim results of ING Group as at, and for the three-month period ended, 31 March 2017, as well as information about recent developments during this period in the banking business of ING Group, which is conducted substantially through ING Bank N.V. (including the Issuer) and its consolidated group.

Any statement contained in a document which is deemed to be incorporated by reference in this Registration Document shall be deemed to be modified or superseded for the purpose of this Registration Document to the extent that a statement contained herein modifies or supersedes such earlier statement (whether expressly, by implication or otherwise).

With respect to the Q1 Press Release prospective investors should note that ING Bank N.V.'s (including the Issuer's) consolidated operations, while materially the same, are not identical with the reported financial and statistical information on a segment basis for the banking business of ING Group as described in the Q1 Press Release, because the financial and statistical information reported by ING Group also contains certain financial items incurred solely at the level of ING Group (on a standalone basis) which are

therefore not included in the consolidated operations of the ING Bank N.V. (including the Issuer) (being a wholly-owned subsidiary of ING Group). Despite the incorporation by reference of one or more press releases published by it, ING Group is not responsible for the preparation of this Registration Document.

The Issuer will provide, without charge, to each person to whom a copy of this Registration Document has been delivered in accordance with applicable law, upon the request of such person, a copy of any or all of the documents which are incorporated herein by reference.
