To the best of the knowledge of the Issuer and the Guarantor (which have each taken all reasonable care to ensure that such is the case) the information contained in this Registration Document (in the case of the Issuer, as such information relates to it) is in accordance with the facts and does not omit anything likely to affect the import of such information.

This Registration Document does not constitute an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase any securities of the Issuer.

The delivery of this Registration Document shall not in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof. Investors should carefully review and evaluate, *inter alia*, the most recent financial disclosure of the Issuer and the Guarantor from time to time incorporated by reference herein when deciding whether or not to purchase any securities of the Issuer.

The distribution of this Registration Document and the offer or sale of any securities of the Issuer may be restricted by law in certain jurisdictions.
