- 2** The Base Prospectus was approved as a base prospectus pursuant to Directive 2003/71/EC (and amendments thereto, including Directive 2010/73/EU) (the “**Prospectus Directive**”) by the AFM. - 6 By virtue of this Supplement, the following shall be inserted at the end of the sub-section of the Base Prospectus entitled "Recent Developments", in the section entitled "General Information":

**"RBSG strikes pre-IPO deal for Williams & Glyn's**

RBSG has agreed a £600 million pre-IPO investment in its Williams & Glyn's business (formerly known as "Project Rainbow") - which centres around 314 branches in the UK - with a consortium of investors led by global financial services specialists Corsair Capital and Centerbridge Partners.

In addition to Corsair and Centerbridge, the consortium includes the Church Commissioners for England and RIT Capital Partners plc (together, the "**Investors**").

As a condition of the State Aid received by RBSG, the RBS Group was required to divest 308 RBS branches in England and Wales and 6 NatWest branches in Scotland, with the associated retail and SME customers, direct SME customers and a portfolio of mid-corporate customers. The business serves nearly 1.7 million customers, currently employs around 4,500 people and in the future will employ approximately 6,000 people. It has a broad national footprint and a £19.7 billion loan book, funded by £22.2 billion in customer deposits.

RBSG will work with HM Treasury and the European Commission to agree an extension to the timetable for the disposal of Williams & Glyn's in due course.

Following completion of the operational and legal separation of the business into a standalone bank to be branded Williams & Glyn's, an exercise that is already well underway, RBSG will pursue an Initial Public Offering ("**IPO**"). The pre-IPO investment announced on 27 September 2013 takes the form of a £600 million bond to be issued by RBSG, which will be exchangeable for a significant minority interest in Williams & Glyn's at the time of its IPO. The bond will convert into Williams & Glyn's shares at the IPO price, subject to a minimum ownership level which will be linked to the tangible book value of Williams & Glyn's prior to the IPO, and in any case no more than a stake of 49%. To the extent the maximum ownership level is reached, the bond will be partially redeemed in cash such that the Investors will receive a total value of £600 million of cash and shares at the IPO price. At the IPO, subject to RBSG's consent, the Investors will have the option to acquire up to 10 per cent. additionally at the IPO price, subject to their pro forma ownership being no more than 49 per cent. in aggregate.

The subscription for the bond will be satisfied by way of a cash payment from the Investors. RBSG's Markets division is providing a £270 million secured financing package to the Investors for the investment.

The transaction is subject to necessary regulatory closing conditions including approvals from the European Commission in relation to the timing for satisfaction of RBSG's related State Aid commitments."
