This supplement (the "**Supplement**") is the fourth supplemental to the base prospectus dated 20 December 2018 (the "**Base Prospectus**") of the € 15,000,000,000 Covered Bond Programme (the "**Programme**") of de Volksbank N.V. (the "**Issuer**") and is prepared to update and amend the Base Prospectus, and is supplemental to, forms part of and should be read in conjunction with the Base Prospectus. Terms defined in the Base Prospectus shall have the same meaning in this Supplement, unless specified otherwise.

This document is an amendment and a supplement to the Base Prospectus within the meaning of former article 16 of Directive 2003/71/EC including Directive 2010/73/EU (the "**PD Amending Directive**") (the "**Prospectus Directive**") before it lapsed on 21 July 2019 as a result of the entering into force of Regulation (EU) 2017/1129, including any amendments thereto (the "**Prospectus Regulation**"). This Supplement has been approved by the Netherlands Authority for the Financial Markets ("**Stichting Autoriteit Financiële Markten**", the "**AFM**"), which is the Netherlands competent authority for the purpose of the Prospectus Regulation, as a supplemental prospectus issued in compliance with the Prospectus Directive, Commission Regulation EC No. 809/2004 and relevant implementing measures in the Netherlands for the purpose of giving information with regard to the issue of Covered Bonds under the Programme during the period of twelve months after the date of the Base Prospectus.

The Issuer has requested the AFM to provide the competent authorities in Luxembourg with a certificate of approval, attesting that this Supplement has been drawn up in accordance with the Prospectus Directive.

The date of this Supplement is 16 August 2019.

IMPORTANT INFORMATION

The Issuer accepts responsibility for the information contained in this Supplement and the CBC accepts responsibility for the information relating to the CBC. To the best of their knowledge (having taken all reasonable care to ensure that such is the case) the information (in the case of the CBC, in respect of the information that relates to it) contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information. Any information from third-parties identified in this Supplement as such has been accurately reproduced and as far as the Issuer and the CBC are aware and are able to ascertain from the information published by a third party, does not omit any facts which would render the reproduced information inaccurate or misleading. The Issuer and the CBC accept responsibility accordingly.

Neither the Arranger, the Dealers (other than the Issuer) nor the Security Trustee has independently verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arranger, the Dealers (other than the Issuer) or the Security Trustee as to the accuracy or completeness of the information contained or referred to in this Supplement or any other information provided by the Issuer and the CBC in connection with the Programme. Neither the Arranger, the Dealers (other than the Issuer) nor the Security Trustee accepts any liability in relation to the information contained in this Supplement or any other information provided by the Issuer and the CBC in connection with the Programme.

The Issuer will furnish a supplement to the Base Prospectus in case of any significant new factor, material mistake or inaccuracy relating to the information contained in this Supplement which is capable of affecting the assessment of the Covered Bonds and which arises or is noticed between the time when this Supplement has been approved and the final closing of any Series or Tranche of Covered Bonds offered to the public or, as the case may be, when trading of any Series or Tranche of Covered Bonds on a regulated market begins, in respect of Covered Bonds issued on the basis of the Base Prospectus and this Supplement.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Supplement or any other information supplied in connection with the Programme or the offering of the Covered Bonds and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the CBC, the Arranger or any of the Dealers.

Neither this Supplement nor any other information supplied in connection with the Programme or any Covered Bonds should be considered as a recommendation by the Issuer or the CBC that any recipient of this Supplement or any other information supplied in connection with the Programme or any Covered Bonds should purchase any Covered Bonds. Each investor contemplating purchasing any Covered Bonds should make its own independent investigation of the financial condition and affairs and its own appraisal of the creditworthiness of the Issuer and the CBC. Neither this Supplement nor any other information supplied in connection with the Programme or the issue of any Covered Bonds constitutes an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase any Covered Bonds.

The distribution of this Supplement and the offering, sale and delivery of the Covered Bonds may be restricted by law in certain jurisdictions. Persons into whose possession the Base Prospectus, this Supplement or any Covered Bond comes must inform themselves about, and observe, any such restrictions. For a description of certain restrictions on offers, sales and deliveries of Covered Bonds and on distribution of this Supplement and other offering material relating to the Covered Bonds, see *Subscription and Sale* in the Base Prospectus.

The Covered Bonds have not been approved or disapproved by the US Securities and Exchange Commission, any state securities commission or any other regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of the accuracy or adequacy of this Supplement. Any representation to the contrary is unlawful.

The Covered Bonds have not been and will not be registered under the United States Securities Act of 1933 (as amended) (the "**Securities Act**") and include Covered Bonds in bearer form that are subject to United States tax law requirements. The Covered Bonds may not be offered, sold or delivered within the United States or to United States persons as defined in Regulation S under the Securities Act ("**Regulation S**"), except in certain transactions permitted by US tax regulations and the Securities Act. See *Subscription and Sale* in the Base Prospectus.

The Covered Bonds and the Guarantee have not been and will not be registered under the U.S. Securities Act of 1933, as amended, or the securities laws or any state of the U.S. or other jurisdiction. The securities may not be offered or sold within the U.S. or to, or for the account or benefit of U.S. persons (as defined in Regulation S), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws. Accordingly, the Covered Bonds are being offered, sold or delivered only to non-U.S. persons (as defined in Regulation S) outside the U.S. in reliance on Regulation S.

Prohibition of sales to EEA retail investors: The Covered Bonds shall not be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive 2016/97 (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Covered Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Covered Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / target market: The Final Terms in respect of any Covered Bonds will include a legend entitled "MiFID II Product Governance" which will outline the manufacturer('s/s') target market assessment in respect of the Covered Bonds and which channels for distribution of the Covered Bonds are appropriate. Any person subsequently offering, selling or recommending the Covered Bonds (a "distributor") should take into consideration the manufacturer('s/s') target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the manufacturer('s/s') target market assessment) and determining appropriate distribution channels. A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the "**MiFID Product Governance Rules**"), any Dealer subscribing for any Covered Bonds is a manufacturer in respect of such Covered Bonds, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

Benchmark Regulation: Interest and/or other amounts payable under the Covered Bonds may be calculated by reference to certain reference rates. Any such reference rate may constitute a benchmark under the Benchmark Regulation. If any such reference rate does constitute such a benchmark, the relevant Final Terms will indicate whether or not the administrator thereof is included in the register of administrators and benchmarks established and maintained by ESMA pursuant to Article 36 (Register of administrators and benchmarks) of the Benchmark Regulation. Not every reference rate will fall within the scope of the Benchmark Regulation. Furthermore, transitional provisions in the Benchmark Regulation may have the result that an administrator and/or a benchmark is not required to appear in the register of administrators and benchmarks at the date of the relevant Final Terms. The registration status of any administrator or benchmark under the Benchmark Regulation is a matter of public record and, save where required by applicable law, the Issuer does not intend to update any Final Terms to reflect any change in the registration status of the administrator.
