

ABN AMRO BANK N.V.

(Incorporated in The Netherlands with its statutory seat in Amsterdam)

€350,000,000 100% DYNAMIC CAPITAL PROTECTED INDEX NOTES DUE 2013
“ABN AMRO DUTCH DELIGHT NOTES”

This supplement (the **Supplement**) to the Prospectus dated 15 February 2007 (the **Prospectus**) (which together comprise a prospectus for the purposes of Article 5.3 of Directive 2003/71/EC (the **Prospectus Directive**)) constitutes a supplementary prospectus for the purposes of Article 16 of the Prospectus Directive and is prepared in connection with the €350,000,000 100% Dynamic Capital Protected Index Notes due 2013 “ABN AMRO Dutch Delight Notes” (the “**Notes**”) issued by ABN AMRO Bank N.V. (the “**Issuer**”). Terms defined in the Prospectus have the same meaning when used in this Supplement.

This Supplement is supplemental to, and should be read in conjunction with, the Prospectus.

The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

The following changes are made.

1. All references in the Prospectus to €250,000,000 are deleted and replaced with €350,000,000.
2. In the section “Product Conditions” under sub-paragraph “Definitions” the definition of “Performance Component” or “PC” on page 56 shall be deleted in its entirety and replaced with the following:

“**Performance Component**” or “**PC**” represents, in respect of each Security, a notional investment in EUR in the Underlying Funds. The initial weights of the allocations to the Underlying Funds at the end of the Pricing Date shall be equal (weights shall be determined by reference to the Issuers weighted average execution price, in respect of the Shares in the Underlying Funds, between the Issue Date and the Pricing Date). On each Re-composition Date after the Issue Date, the allocation to the Underlying Funds will be re-weighted such that the weight of each Underlying Fund is equal (weights shall be determined by reference to the Issuer’s weighted average execution price in respect of the Shares in the Underlying Funds);”

3. In the section “Product Conditions” under sub-paragraph “Definitions” after the definition of “Re-balancing Factor” but before the definition of “Related Exchange” on page 57, the following definition shall be added:

“**Re-composition Date**” means 16 April of each year. The first Re-composition Date is 16 April 2008 and the final Re-composition Date is 16 April 2012, or if such date is not a Trading Day, the next following Trading Day;”

4. In the section “Product Conditions” under sub paragraph “Definitions” the definition of “Shares” on page 57 shall read:

“**Shares**” means the shares in the Underlying Funds and, if not denominated in EUR, converted into EUR using the prevailing applicable exchange rate;”.
