SIXTH SUPPLEMENT TO THE BASE PROSPECTUS IN RESPECT OF THE LAUNCHPAD PROGRAMME FOR THE ISSUANCE OF CERTIFICATES

**THE ROYAL BANK OF SCOTLAND N.V.
(previously named ABN AMRO Bank N.V.)**

(Registered at Amsterdam, The Netherlands)
(the Issuer)

RBS LaunchPAD Programme

1. This Supplement dated 8 February 2010 (the **Supplement**) constitutes the sixth supplement to the base prospectus dated 1 July 2009 in relation to the Issuer's LaunchPAD Programme for the Issuance of Certificates (the **Base Prospectus**) approved by the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the **AFM**) on 1 July 2009, as supplemented on 8 July 2009, 11 August 2009, 28 August 2009, 19 October 2009 and 27 November 2009.
2. The Base Prospectus was approved as a base prospectus pursuant to Directive 2003/71/EC by the AFM. This Supplement constitutes a supplemental prospectus to the Base Prospectus for the purposes of Article 5:23 of the Financial Supervision Act (*Wet op het financieel toezicht*).
3. This Supplement is supplemental to, and should be read in conjunction with, the Base Prospectus and any other supplements thereto issued by the Issuer.
4. The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge of the Issuer (having taken all reasonable care to ensure that such is the case), the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.
5. On 8 February 2010, the Issuer together with ABN AMRO II N.V (now renamed ABN AMRO Bank N.V.) published a press release (the **Completion Press Release**) announcing that on 6 February 2010 it had completed the legal demerger of the Dutch State acquired businesses (the **Legal Demerger**) and associated legal renaming, pursuant to which the Issuer was renamed The Royal Bank of Scotland N.V. and ABN AMRO II N.V. was renamed ABN AMRO Bank N.V. This represents the successful execution of the first step in a two step process ABN AMRO Group chose to affect the legal separation of the assets and liabilities acquired by the Dutch State. The second step, "Legal Separation", will result in the transfer of the shares of the renamed ABN AMRO Bank N.V. from ABN AMRO Holding N.V. to a new holding company fully owned by the Dutch State

and independent of ABN AMRO Holding N.V. (which will after separation be renamed RBS Holdings N.V.). The Completion Press Release is attached to this Supplement as Annex 2.

6. On 8 February 2010, the Issuer also published pro forma financial information as of 31 December 2008 and 30 September 2009 reflecting the impact of the legal transfers and demergers on the Issuer and pro forma financial information for the same dates on ABN AMRO II N.V (now renamed ABN AMRO Bank N.V.) (the **September 2009 Pro Forma Financial Information**). The September 2009 Pro Forma Financial Information is attached to this Supplement as Annex 3.
7. The following amendments are hereby made to the Base Prospectus as a result of the completion of the Legal Demerger:
 - 7.1 All references to "ABN AMRO Bank N.V." as Issuer, Principal Agent and Calculation Agent and all references to "ABN AMRO Bank" in the Base Prospectus are hereby deleted and replaced with references to "The Royal Bank of Scotland N.V."
 - 7.2 The Summary of the Base Prospectus is deleted in its entirety and replaced with the contents of Annex 1 hereto.
8. Following the Legal Demerger, Standard & Poor's (**S&P**), Fitch Ratings Ltd. (**Fitch**) and Moody's Investors Services (**Moody's**) have respectively assigned the following ratings to the Issuer:

S&P: A+ (long term) / A-1 (short term) with a stable outlook;

Fitch: AA- (long term) / F1+ (short term) with a stable outlook.

Moody's: A2 (long term) / P-1 (short term).

The long term rating assigned to the Issuer by Moody's represents a downgrade to A2 from Aa3. This rating action reflects Moody's view that the Issuer has undergone a major restructuring process over the past two years and expects this to continue for the next 1-2 years. They expect this will put pressure on profitability and capitalisation, especially during the transition from Basel I to Basel II. In their view this creates uncertainty around the strength of the underlying franchise of the Issuer.

In all other cases, the ratings assigned to the Issuer remain unchanged from those assigned prior to the Legal Demerger.
9. Copies of the Base Prospectus and all documents incorporated by reference in the Base Prospectus are accessible on <http://markets.rbs.com/bparchive> and can be obtained, on request, free of charge, by writing or telephoning, The Royal Bank of Scotland Group Investor Relations, 280 Bishopsgate, London EC2M 4RB, United Kingdom, telephone +44 207 672 1758, e-mail investor.relations@rbs.com.
10. To the extent that there is any inconsistency between (a) any statement in this Supplement or any statement incorporated by reference into the Base Prospectus by this Supplement and (b) any other statement in or incorporated by reference in the Base Prospectus, the statements in (a) above will prevail.
11. Save as disclosed in this Supplement, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus since the publication of the Base Prospectus.
12. In accordance with Article 5:23(6) of the Financial Supervision Act (*Wet op het financieel toezicht*), investors who have agreed to purchase or subscribe for securities issued under the Base Prospectus

before the Supplement is published have the right, exercisable before the end of the period of two working days beginning with the working day after the date on which this Supplement was published, to withdraw their acceptances.

Issuer:

The Royal Bank of Scotland N.V. (previously named ABN AMRO Bank N.V.) (the ‘**Issuer**’ or ‘**RBS N.V.**’)

History and Development:

The origin of RBS N.V. can be traced to the formation of “Nederlandsche Handel-Maatschappij, N.V.” in 1825 pursuant to a Dutch Royal Decree of 1824. ABN AMRO Bank’s Articles of Association were last amended by deed of 26 June 2009 executed before Mr. B.J. Koek, Notary Public in Amsterdam. RBS N.V. is registered in the Commercial Register of Amsterdam under number 33002587. RBS N.V.’s registered office is at Gustav Mahlerlaan 10, 1082 PP Amsterdam, The Netherlands.

RBS N.V. is a wholly-owned subsidiary of ABN AMRO Holding N.V. (‘**ABN AMRO Holding**’), which is incorporated as a limited liability company under Dutch law by deed of 30 May 1990 as the holding company of the ABN AMRO Group. The Articles of Association of ABN AMRO Holding were last amended by deed of 24 November 2008 executed before Mr. R. J. C. van Helden, Notary Public in Amsterdam. The registered office of ABN AMRO Holding is at Gustav Mahlerlaan 10, 1082 PP Amsterdam, The Netherlands.

ABN AMRO Holding is the parent company of the ABN AMRO consolidated group of companies (referred to as the '**Group**', '**ABN AMRO**' or '**ABN AMRO Group**'). ABN AMRO Holding owns 100 per cent. of RBS N.V.'s shares and is jointly and severally liable for all our liabilities in respect of the Structured Products pursuant to a declaration under Article 2:403 of the Dutch Civil Code.

Overview:

The ABN AMRO Group is an international banking group offering a wide range of banking products and financial services, including consumer, commercial and investment banking, on a global basis through a network of 1,020 offices and branches in 50 countries and territories, and as at 31 December 2008, had more than 59,000 full time staff. ABN AMRO reported total consolidated assets of €667 billion as at 31 December 2008 and €501 billion as at 30 September 2009, the last externally reported period.

On 17 October 2007 85.6% of ABN AMRO Holding N.V. was acquired through RFS Holdings B.V. ('**RFS Holdings**'), a company incorporated by a consortium consisting of the Royal Bank of Scotland Group plc ('**RBS**'), Fortis N.V., Fortis SA/NV ('**Fortis**') and Banco Santander S.A. ('**Santander**') each a "**Consortium Member**". ABN AMRO applied for de-listing of its ordinary shares from Euronext Amsterdam and the New York Stock Exchange. The de-listing of the ABN AMRO Holding N.V. ordinary shares and the (formerly convertible) preference shares with a nominal value of €2.24 each from Euronext Amsterdam and the de-listing of its American Depositary Shares ('**ADSs**') from the New York Stock Exchange was effected on 25 April 2008. Through subsequent purchases RFS Holdings has now become the sole shareholder of ABN AMRO Holding N.V.

RFS Holdings is controlled by RBS, which is incorporated in the UK and registered at 36 St. Andrew Square, Edinburgh, Scotland. RBS is the ultimate parent company of ABN AMRO Holding N.V. The consolidated financial statements of the Group are included in the consolidated financial statements of RBS.

On 3 October 2008, the State of the Netherlands (**‘Dutch State’**) acquired all Fortis’ businesses in The Netherlands, including the Fortis share in RFS Holdings. On 24 December 2008, the Dutch State purchased from Fortis Bank Nederland (Holding) N.V. its investment in RFS Holdings, to become a direct shareholder in RFS Holdings.

ABN AMRO is separately governed by its managing board and supervisory board and regulated by the Dutch Central Bank.

Group Organisational Structure:

From 1 January 2009, ABN AMRO is comprised of three reportable segments, namely “RBS acquired”, “Dutch State acquired” and “Central Items”. The “RBS acquired” segment principally contains the international lending, international transaction services with operations in Europe, Asia and the Americas and the equities business of the RBS group. The “Dutch State acquired” segment serves Dutch commercial clients, Dutch consumer clients, and Dutch and international private clients, and includes the International Diamond and Jewelry business. The “Central Items” segment includes items that are not allocated to but economically shared by the Consortium Members as well as settlement amounts accruing to Santander.

The Group presented segmental disclosures to reflect the above changes in its interim results for the period ended 30 June 2009, which it published 30 September 2009 and which has been filed with the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the **AFM**).

In 2008 the Group disclosed six reportable Business Units (**‘BU’s**), namely Europe, Americas, Asia, the Netherlands, Private Clients and Central Items. The change from six reportable BUs to three reportable segments reflects the focus of the managing board on the creation and subsequent legal separation of the Dutch State acquired businesses from the residual RBS acquired businesses into two separate independent banks, and the consequential impact that this progression has had on the management of the Group.

Central Items as noted includes items that are not allocated to but economically shared by the Consortium Members, as well as accumulated amounts accruing to Santander arising from the disposal of Banco Real and other sales and settlements. In addition prior to April 2008, the majority of the Group Asset and Liability Management portfolios were economically shared prior to allocation to the respective Consortium Members. Since the allocation was effected on the basis of prospective agreements between Consortium Members, Group Asset and Liability Management results prior to this date are reported in Central Items. Remaining unallocated Group Asset and Liability Management portfolios continue to be reported in Central Items.

Separation Activity:

Business description and separation activity in 2009

RBS and the Dutch State agreed that the Dutch State acquired businesses would be legally separated from the residual RBS acquired businesses into a new bank. A strategy was developed in relation to the RBS acquired businesses that will remain in ABN AMRO. These businesses are principally part of the Global Banking & Markets, Global Transaction Services, Retail and Commercial Banking divisions of RBS.

Issued debt instrument allocation

As part of the separation process the Consortium Members came to an agreement on the economic allocation of issued debt instruments within ABN AMRO to the individual Consortium Members' acquired businesses. All Santander allocated instruments were transferred as part of the business transfers carried out in 2008.

A list of the allocation of the remaining issued debt instruments to the RBS and the Dutch State acquired businesses can be found in the Registration Document on pages 10 to 13, as supplemented.

The LaunchPAD Programme has been economically allocated to the RBS acquired businesses of ABN AMRO.

Announcement of legal demerger process

On 30 September 2009 ABN AMRO Group announced that it had chosen a two-step approach to effect the legal separation of the assets and liabilities acquired by the Dutch State:

Step 1 – **"Legal Demerger"**: Transferring the majority of the Dutch State acquired businesses from ABN AMRO Bank N.V. (the **'Demerging Company'**) to a new legal entity, ABN AMRO II N.V. (the **'Acquiring Company'**). Some subsidiaries and assets and liabilities were separately transferred to the Acquiring Company before the planned legal demerger date. Following the demergers and the transfer of the Dutch State acquired businesses into the new bank, the Demerging Company would be renamed The Royal Bank of Scotland N.V. The Acquiring Company comprising the Dutch State acquired businesses would then be renamed ABN AMRO Bank N.V.

Step 2 – **"Legal Separation"**: Transferring the shares of the renamed ABN AMRO Bank N.V. from ABN AMRO Holding N.V. to a new holding company fully owned by the Dutch State and independent of ABN AMRO Holding N.V. (which will be renamed RBS Holdings N.V.)

Completion of legal demerger process and associated legal renaming

On 6th February 2010 the ABN AMRO Group successfully executed the deed of demerger issued by the Amsterdam Chamber of Commerce on 30th September 2009, thereby demerging the majority of the Dutch State acquired businesses.

Effective at the same date the existing legal entity, ABN AMRO Bank N.V., from which the Dutch State acquired businesses were demerged, was renamed The Royal Bank of Scotland N.V. The legal entity into which the Dutch State acquired businesses were demerged was also renamed, from ABN AMRO II N.V. to ABN AMRO Bank N.V. Both The Royal Bank of Scotland

N.V. and ABN AMRO Bank N.V. will remain wholly owned by ABN AMRO Holding N.V. until the latter is legally transferred out of the ABN AMRO Group.

This represents the successful execution of the first step in the two step process ABN AMRO Group chose to effect the legal separation of the assets and liabilities acquired by the Dutch State as described above. The second step, "legal separation", will result in the transfer of the shares of ABN AMRO Bank N.V. from ABN AMRO Holding to a new holding company fully owned by the Dutch State and independent of ABN AMRO Holding (which will after legal separation be renamed RBS Holdings N.V.).

Until legal separation, ABN AMRO Group will continue to be governed by the ABN AMRO Holding managing board and supervisory board and regulated on a consolidated basis with capital adequacy, liquidity measures and exposures being reported to and regulated by the Dutch Central Bank.

RBS N.V. will be an integral part of the RBS group and will principally contain international lending, international transaction services and equities businesses of the RBS group. These remaining activities will continue to be subject to Dutch Central Bank (*De Nederlandsche Bank*) supervision and on a consolidated basis as part of the RBS group subject to UK Financial Services Authority supervision. Due to the change in the operating model of RBS N.V. compared to pre-acquisition ABN AMRO Bank N.V. a licence renewal has been granted by the Dutch Central Bank on 3 February 2010.

Following the legal demerger and until legal separation the managing board and supervisory board of RBS N.V. and of ABN AMRO Bank N.V. will be the same as the managing board and supervisory board of ABN AMRO Holding N.V.

Risk Factors:

There are certain factors that may affect the Issuer's ability to fulfil its obligations under the Securities, including the fact that the Issuer's results can be adversely affected by (i) general

economic conditions and other business conditions, (ii) competition, (iii) regulatory change and (iv) standard banking risks including changes in interest and foreign exchange rates and operational, credit, market, liquidity and legal risks, see “Risk Factors” in the Registration Document. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with the Securities including (i) the value of the Securities may fluctuate based on the value of the Underlying, (ii) there may not be a secondary market in the Securities, (iii) holders of the Securities have no ownership interest in the Underlying and (iv) there may be limitations on a holder's right to exercise the Securities or there may be delays in effecting settlement, see “Risk Factors” in this Base Prospectus.

Guarantor:

ABN AMRO Holding N.V. pursuant to its declaration under Article 2:403 of the Netherlands Civil Code.

Principal Agent and Calculation Agent:

The Royal Bank of Scotland N.V.

Listing and Admission to Trading:

Application will be made to NYSE Euronext or any other stock exchange or market specified in the Final Terms for Securities to be admitted to trading and listed on Euronext Amsterdam by NYSE Euronext or any other stock exchange or market specified in the Final Terms up to the expiry of 12 months from the date of this Base Prospectus. The Issuer may also issue unlisted Securities.

Description of the Securities:

A range of certificates may be issued under this Base Prospectus. The terms and conditions (the “**Conditions**”) applicable to such certificates are contained in the General Conditions which are applicable to all certificates, the Product Conditions applicable to the particular type of certificate being issued and the Final Terms applicable to the particular Series being issued.

Certificates are investment instruments which, at maturity or expiration and subject to due exercise in accordance with their Conditions, either pay an amount determined by reference to the

value of the underlying currency, commodity, index (including in the case of an index, the index and its constituent elements), stock, bond, basket or other product (together, the “**Underlying**”) on one or more specified days or deliver the Underlying, subject to the certificate entitlement. The types of certificates that may be issued under this Base Prospectus are described below.

Dividends received by the Issuer on holding any hedge for the certificates during the life of the certificates may, if so specified in the applicable Product Conditions, be passed on to the holder of the Securities (the “**Holder**”).

Airbag Certificates:

Airbag certificates are similar to ordinary certificates except that the redemption amount payable to the Holder varies depending on the level of the Underlying at maturity. The return to the Holder is subject to a minimum amount unless the Underlying drops below a predetermined level. If the Underlying rises above its level as of the Pricing Date the Holder will participate in such rise, but such return may be subject to a maximum amount. Airbag index certificates are not open end certificates and are automatically exercised at maturity.

Discount Certificates:

Discount certificates are similar to ordinary certificates, except that the redemption amount payable to the Holder is effectively capped. If the Underlying on expiration or maturity is equal to or above a pre-determined level (the “**Strike Price**”), then the Holder will receive an amount equal to the Strike Price. Alternatively, the Holder will receive delivery of the Underlying. Discount certificates are not open end certificates, are issued at a discount and are automatically exercised at maturity.

Bonus Certificates:

Bonus certificates are similar to ordinary certificates except that the Underlying is monitored during the life of the certificates. If a knock-out event occurs (as specified in the relevant Final Terms) at any point during the life of the certificates then at expiration or maturity the Holder will receive an amount equivalent to the value of the Underlying as of the expiration or

maturity. If a knock-out event has not occurred at any point during the life of the certificates then the Holder will receive at least the amount originally invested, and possibly more, as specified in the relevant Final Terms. Bonus certificates are not open end certificates and are automatically exercised at maturity.

Double-Up Certificates:

Double-up certificates are similar to ordinary certificates except that a Strike Price is set at the issue of the certificates equal to or around the level of the Underlying at that time. If the Underlying on expiration or maturity is at or above the Strike Price, then the Holder will receive an amount equal to the value of the Underlying plus the difference between the value of the Underlying and the Strike Price, effectively “doubling-up” the increase performance of the Underlying. The amount received by the Holder will however be subject to a maximum amount. Double-up certificates are not open end certificates and are automatically exercised at maturity.

Express Certificates:

Express certificates are similar to ordinary certificates except that the certificates may provide that (i) they will be subject to automatic early termination if, on a defined date, the level of the Underlying exceeds or falls below a defined level and (ii) they can be terminated by the Issuer upon such notice as set out in the applicable Final Terms. Express certificates which are not subject to early termination or termination by the Issuer or, if so subject, are not terminated early in accordance with their terms, pay a return at maturity linked to the price of the Underlying. Express certificates are not open end certificates and are automatically exercised at maturity, subject to early termination or termination by the Issuer, if applicable. Express certificates may have a range of different Underlyings.

Equity Certificates:

Equity certificates are certificates where the Underlying is a share. A range of individual shares may become the Underlying in relation to an equity certificate. Equity certificates are not open end certificates.

Equity certificates may be cash settled. Equity certificates may only be physically settled by non-U.S. persons. Cash settled

certificates pay, upon exercise, a cash amount determined by reference to the value of the Underlying. Physically settled certificates entitle the holder, upon exercise, to delivery of a defined amount of the Underlying and a cash payment in respect of any fractional entitlement.

Multi-Asset Certificates:	Basket	Linked	Multi-asset basket linked certificates are securities which are linked to one or more Underlyings. The cash amount payable at maturity may be a specified percentage of its Issue Price and may or may not depend upon the performance of the Underlying, as specified in the applicable Final Terms. Multi-asset basket linked certificates may be subject to early termination or an issuer call. Multi-asset basket linked certificates are not open end certificates and are automatically exercised at maturity, subject to early termination or an issuer call.
--------------------------------------	---------------	---------------	---

Indicative Issue Price:	The Securities will be sold at a price determined by the Issuer who may, in making such determination, refer to, amongst other factors, the level of the Underlying, the relevant certificate entitlement and any applicable foreign exchange rate(s).
--------------------------------	--

Maturity:	The Securities have a fixed maturity date, as specified in the applicable Final Terms. There are no minimum or maximum maturities.
------------------	--

Interest:	The Securities may be interest bearing.

in whole or in part as a result of compliance in good faith by the Issuer with any applicable law. In such circumstances the Issuer will, to the extent permitted by law, pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination (ignoring such illegality) less the cost to the Issuer of unwinding any related hedging arrangements.

Hedging Disruption:

If a Hedging Disruption Event (as defined in General Condition 5) occurs, the Issuer will at its discretion (i) terminate the Securities and pay to each Holder in respect of each Security held by such Holder an amount calculated by it as the fair market value of the Security immediately prior to such termination less the cost to the Issuer of unwinding any related hedging arrangements or (ii) make a good faith adjustment to the relevant reference asset as described in General Condition 5(c) or (iii) make any other adjustment to the Conditions as it considers appropriate in order to maintain the theoretical value of the Securities after adjusting for the relevant Hedging Disruption Event. The Issuer may make adjustments following any event likely to have a material adverse effect on the Issuer's hedge position, subject to the conditions set out in General Condition 5(d).

Substitution:

The Issuer may at any time, without the consent of the Holders substitute for itself as Issuer of the Securities, RBS or any entity other than RBS subject to the conditions set out in General Condition 8. In certain cases, substitution may be required to be effected in accordance with the rules of one or more clearing systems specified in the applicable Final Terms.

Taxation:

The Holder (and not the Issuer) shall be liable for and/or pay any tax, duty or charge in connection with the ownership of and/or any transfer, payment or delivery in respect of the Securities held by such Holder. Settlement of Securities:

Securities may be cash or physically settled, as specified in the applicable Product Conditions.

Market Disruption Events:

If a Market Disruption Event occurs Holders of Securities may experience a delay in settlement or delivery and the cash price paid on settlement may be adversely affected. Market Disruption Events are defined in Product Condition 4 for each type of Security and vary depending on the type of Security.

Emerging Market Disruption Events:

The Emerging Market Disruption Events reflect the substantial risks associated with investing in emerging markets in addition to those risks normally associated with making investments in other countries. Potential investors should note that the securities markets in emerging market jurisdictions are generally substantially smaller and at times have been more volatile and illiquid than the major securities markets in more developed countries. If a Emerging Market Disruption Event occurs Holders may experience a delay in settlement of delivery and the cash price paid on settlement may be adversely affected. Emerging Market Disruption Events are defined in section 1 of the Product Conditions.

Settlement Disruption Event:

If a Settlement Disruption Event occurs in relation to a physically settled certificate, the Holder may experience a delay in delivery of the Underlying and, where a cash price equivalent to the value of the Underlying is paid in lieu of delivery of the Underlying, the cash price paid may be adversely affected. Settlement Disruption Events are defined in the Product Conditions for Securities which may be physically settled and vary depending on the type of Security.

Potential Adjustment Event:

If a Potential Adjustment Event occurs the Calculation Agent may adjust one or more of the Conditions to account for the diluting or concentrative effect of the Potential Adjustment Event. Potential Adjustment Events are defined in Product Condition 4 for each type of Security (if applicable) and vary depending on the type of Security.

Fund Event:

If a Fund Event occurs, the Issuer or the Calculation Agent on its behalf, in each case acting in good faith and in a commercially reasonable manner, may adjust one or more of the Conditions to reflect the impact of the Fund Event. Fund Events are defined in Product Condition 4 for each type of Security (if applicable).

De-listing:

If a De-listing occurs the Calculation Agent may adjust one or more of the Conditions, including replacing the relevant Underlying, to account for such event. De-listing is defined in Product Condition 4 for each type of Security (if applicable).

Governing Law:

English courts:

The courts of England have exclusive jurisdiction to settle any dispute arising from or in connection with the Securities.

Final Terms:

Each Series will be the subject of a Final Terms which will contain the final terms applicable to the Series. The form of the Final Terms applicable to each type of Security is set out in this Base Prospectus.

ANNEX 2

DEMERGER PRESS RELEASE

ABN AMRO completes legal demerger of Dutch State acquired businesses and associated legal renaming

Certain definitions

Throughout this press release, 'ABN AMRO Holding' means ABN AMRO Holding N.V. The term 'ABN AMRO' refers to ABN AMRO Holding and its consolidated subsidiaries. 'RBS N.V.' and 'the Demerging Company' means The Royal Bank of Scotland N.V. (previously named ABN AMRO Bank N.V.) and its consolidated subsidiaries. 'The Acquiring Company' means the new entity named ABN AMRO Bank N.V. (previously named ABN AMRO II N.V.). 'EUR' refers to euros, while 'USD' refers to US dollars.

The terms 'Consortium' and 'Consortium Members' refer to The Royal Bank of Scotland Group plc (RBS Group), Fortis N.V., Fortis SA/NV (Fortis) and Banco Santander S.A. (Santander) that jointly acquired ABN AMRO Holding N.V. on 17 October 2007 through RFS Holdings B.V. On 3 October 2008 the State of the Netherlands (Dutch State) acquired Fortis Bank Nederland (Holding) N.V., including the interest in RFS Holdings B.V. that represents the acquired activities of ABN AMRO, and effectively became the successor of Fortis in the Consortium Shareholder Agreement.

Furthermore, all references to ABN AMRO Bank N.V. (where it is clear from the context that such reference is not a reference to the Acquiring Company) shall be deemed to be a reference to The Royal Bank of Scotland N.V.

The term 'legal demerger' refers to the legal demerger (*juridische splitsing*) under Title 2:7 of the Dutch Civil Code of ABN AMRO into the Acquiring Company and the Demerging Company, pursuant to the legal demerger. The Dutch State acquired businesses were transferred to the Acquiring Company from the Demerging Company on 6 February 2010. Certain subsidiaries and assets and liabilities were separately transferred to the Acquiring Company prior to the execution of the legal demerger and some further assets and liabilities will be separately transferred to the Acquiring Company around the same time or shortly after the execution of the legal demerger.

On 6 February 2010 ABN AMRO successfully executed the deed of demerger in accordance with the demerger proposal filed with the Amsterdam Chamber of Commerce on 30 September 2009, thereby demerging the majority of the Dutch State acquired businesses. Additionally, as part of the overall separation process, some subsidiaries and assets and liabilities were separately transferred to the new legal entity ahead of the execution of the legal demerger. Furthermore, some further assets and liabilities will be separately transferred to the Acquiring Company around the same time or shortly after the execution of the legal demerger.

Effective at the same date, the existing legal entity ABN AMRO Bank N.V., from which the Dutch State acquired businesses were demerged, was renamed The Royal Bank of Scotland N.V. The legal entity into which the Dutch State acquired businesses were demerged was also renamed, from ABN AMRO II N.V. to ABN AMRO Bank N.V. Both the Demerging Company and the Acquiring Company will remain wholly owned by ABN AMRO Holding until the latter is legally separated from ABN AMRO Holding.

The demerger proposals (excluding the description of assets and liabilities) and pro forma financial information as of 31 December 2008 and 30 June 2009 reflecting the impact of the legal transfers and demergers on ABN AMRO are available at www.abnamro.com. The complete demerger filing, including a description of assets and liabilities to be transferred, was filed with the Amsterdam Chamber of Commerce on 30 September 2009.

This represents the successful execution of the first step in a two step process ABN AMRO chose to effect the legal separation of the assets and liabilities acquired by the Dutch State. The second step, "legal separation", will result in the transfer of the shares of the Acquiring Company from ABN AMRO Holding to a new holding company fully owned by the Dutch State and independent of ABN AMRO Holding. After the legal separation, ABN AMRO Holding will be renamed RBS Holdings N.V.

ABN AMRO Holding was acquired by a consortium of banks through RFS Holdings B.V. on 17 October 2007. The consortium consisted of RBS (38%), Fortis (34%) and Santander (28%). On 24 December 2008 the Fortis Bank Nederland (Holding) N.V. stake in RFS Holdings B.V. was transferred to the Dutch State, following the acquisition by the Dutch State in October 2008 of Fortis Bank Nederland (Holding) N.V., including its stake in RFS Holdings B.V.

Until legal separation, ABN AMRO will continue to be governed by ABN AMRO Holding's managing and supervisory boards and regulated on a consolidated basis with capital adequacy, liquidity measures and exposures being reported to and regulated by the Dutch Central Bank. ABN AMRO's capital ratios continue to exceed the minimum tier 1 and total capital ratios of 9% and 12.5% respectively (as set under Basel I by the Dutch Central Bank (*De Nederlandsche Bank*) during the separation period of ABN AMRO) and are adequate to cover for stress scenarios. ABN AMRO continues to comfortably exceed the regulatory liquidity requirements. ABN AMRO and its shareholder have taken steps to ensure that at legal separation each individual, separating bank will be adequately capitalised and has a sound liquidity position.

RBS N.V. will be an integral part of the RBS Group and will principally contain international lending, international transaction services and equities businesses of the RBS Group. These remaining activities will continue to be subject to Dutch Central Bank supervision and on a consolidated basis as part of the RBS Group be subject to UK Financial Services Authority supervision. Due to the change in the operating model of RBS N.V. compared to pre-acquisition ABN AMRO Bank N.V., a licence renewal was granted by the Dutch Central Bank on 3 February 2010.

The majority of the businesses acquired by the Dutch State, consisting of the Dutch commercial and retail banking, Dutch and international private clients and diamond businesses, were transferred to the Acquiring Company at or shortly before the legal demerger. However, during the period between the legal demerger and legal separation a small 'tail' of predominantly international businesses will continue to be transferred to the Acquiring Company. The exact timing of these transfers will be determined by, amongst other things, the granting of regulatory approvals in the countries in which the businesses operate. The Acquiring Company was granted a banking licence on 13 January 2010.

Following the legal demerger and until legal separation, the managing and supervisory boards of RBS N.V. and of the Acquiring Company will be the same as the managing and supervisory boards of ABN AMRO Holding.

Banking license

On 13 January 2010 the Dutch Central Bank granted a banking license to the Acquiring Company for engaging in universal banking business in the Netherlands.

On 3 February 2010 the Dutch Central Bank granted a continuation of its existing banking license to RBS N.V.

Capital ratios

The following table shows the pro forma capital ratios as at 30 September 2009 on the basis of the Basel I capital accord for both ABN AMRO Holding and the Acquiring Company, both after the effect of the legal demerger and including the effect of capital actions executed on 23 December 2009 and the planned capital distribution as described below.

	Pro forma ABN AMRO Holding N.V.	Pro forma ABN AMRO Holding N.V. excluding the Acquiring Company	Pro forma Acquiring Company
Tier 1 capital ratio	13.44%	18.95%	10.56%
Total tier capital ratio	19.14%	27.33%	14.85%

Capital actions new ABN AMRO Bank N.V.

The capital actions of the Dutch State for the benefit of the Dutch State acquired businesses to be transferred to the Acquiring Company, executed on 23 December 2009, consisted of the issue of two Mandatory Convertible Securities. The first of these was issued by the Demerging Company in the amount of EUR 967 million and has been demerged together with the assets and liabilities of the Dutch State acquired businesses in accordance with the legal demerger filing dated 30 September 2009 to the Acquiring Company. The second of these was in the amount of EUR 833 million and was issued directly by the Acquiring Company to cover expected losses in respect of the EU Remedy business disposal as described below. The latter issuance did not contribute to the capital ratios as of 31 December 2009, since a banking license was granted to the Acquiring Company in 2010.

As a consequence of the capital actions described above, the capital position of the Acquiring Company will exceed the current regulatory minima as set by the Dutch Central Bank for ABN AMRO (Tier I capital ratio 9%, Total capital ratio 12.5%) under the agreed Basel I transitional regime during the period of separation of ABN AMRO. These capital actions are also aimed to adequately satisfy the Dutch Central Bank regulatory requirements in accordance with Basel II.

Capital actions RBS N.V.

The capital actions completed by the RBS Group for the benefit of the future RBS N.V. consisted of the inclusion of assets in the UK's Asset Protection Scheme through a guarantee agreement between The Royal Bank of Scotland plc and RBS N.V., and an equity capital contribution of EUR 3.6 billion. As a result, the RBS acquired businesses are more than adequately capitalised under the current Basel I transitional regime and are aimed to be adequately capitalised at a level commensurate with the requirements of the future RBS N.V., post legal separation, under Basel II.

Capital distribution

The completion of the capital actions described facilitated the execution of the legal demerger and supports the future legal separation of the Acquiring Company from ABN AMRO Holding planned to be completed approximately two months after the legal demerger.

The boards of ABN AMRO Holding have approved and have obtained necessary approval from the Dutch Central Bank for the distribution of EUR 7.5 billion of capital to the parent of ABN AMRO Holding, RFS Holdings B.V., for the benefit of Santander. This distribution was effected on 5 February 2010. The boards of ABN AMRO Holding have furthermore resolved to make a further distribution for an amount in the range of EUR 1.2 to 1.5 billion for the benefit of Santander, subject to Dutch Central Bank approval, immediately before legal separation. After such further distribution, the indirect interest of Santander in ABN AMRO will have decreased to its share in the remaining Shared Assets.

Ratings

The Acquiring Company

On 5 February 2010, Standard & Poor's announced that it assigned A+ (long term) / A-1 (short term) ratings with a negative outlook to the Acquiring Company upon legal demerger.

On 20 January 2010, Fitch Ratings announced that it expects to assign A+ (long term) / F1+ (short term) ratings with a stable outlook to the Acquiring Company upon legal demerger.

On 21 January 2010, Moody's Investors Service assigned provisional Aa3 (long term) / P-1 (short term) ratings with a negative outlook to the Acquiring Company upon legal demerger. Moody's Investors Services will assign final ratings upon legal demerger.

The Demerging Company

On 7 January 2010, Standard & Poor's announced that it expects to assign A+ (long term) / A-1 (short term) ratings with a stable outlook to the Demerging Company upon legal demerger.

On 5 February 2010, Fitch Ratings reaffirmed that it expects to assign AA- (long term) / F1+ (short term) ratings with a stable outlook to the Demerging Company upon legal demerger.

On 5 February 2010, Moody's Investors Service assigned provisional A2 (long term) / P-1 (short term) ratings with a stable outlook to the Demerging Company upon legal demerger.

Debt allocation

The allocation of debt instruments to Consortium Members has been finalised as part of the legal demerger process. The debt instrument allocation list is available at www.abnamro.com/investors/investors.cfm.

As part of the finalisation, the USD 150 million 7.13% subordinated notes 2093 (previously reported in Central Items) have been allocated to the RBS acquired businesses and will, therefore, continue as an obligation of RBS N.V.

The USD 250 million 7.75% subordinated lower tier 2 notes 2023, while economically allocated to the Dutch State acquired businesses, remain a legal obligation of RBS N.V. until their intended transfer in the second quarter of 2010 to the new ABN AMRO Bank N.V. These notes can not be transferred to the Acquiring Company as part of the Dutch legal demerger process, because they are governed by US law.

Risk Factors

Set out below are the risk factors pertaining to the legal demerger process.

Recourse of investors due to legal demerger and cross liability

Following the legal demerger, ABN AMRO has demerged into two entities, being the Demerging Company and the Acquiring Company with effect from 6 February 2010. After that date, in principle investors will only have recourse to the entity to which the relevant assets and liabilities have been transferred for payments in respect of the appropriate securities.

However, under article 2:334t of the Dutch Civil Code, the Demerging Company, after legal demerger, remains liable to the creditors for obligations which transferred from the Demerging Company to the Acquiring Company in the event that the Acquiring Company cannot meet its obligation to those creditors.

Similarly, after legal demerger, the Acquiring Company is liable to the creditors for obligations that remain in the Demerging Company, in the event that the Demerging Company cannot meet its obligation to those creditors.

In each case, the liability of a party for the obligations of the other party and vice versa relates only to obligations existing at the date of legal demerger. The liability will cease to exist upon

expiration of the obligations. Furthermore, the Demerging Company's liability for (in short) monetary obligations is limited to the equity retained at legal demerger, amounting to EUR 4.0 billion. The Acquiring Company's liability for (in short) monetary obligations is limited to the amount of equity acquired at legal demerger, which amounts to EUR 1.8 billion.

The Demerging Company will put in place arrangements to mitigate the risks of its liability to the creditors which transferred from the Demerging Company to the Acquiring Company. The Acquiring Company will also put in place arrangements to mitigate the risks of its liability to the creditors which remain with the Demerging Company. Such arrangements include the provision of collateral upon the occurrence of certain events, which will be put in place by legal separation. Each of the Demerging Company and the Acquiring Company will hold the regulatory capital agreed with the Dutch Central Bank for any residual risks.

The joint and several liability of ABN AMRO Holding for the debts of the Acquiring Company will be revoked following the anticipated legal separation

ABN AMRO Holding deposited two statements pursuant to Section 2:403 of the Netherlands Civil Code with the Commercial Register of the Chamber of Commerce in Amsterdam (403 Declaration), each declaring that ABN AMRO Holding is jointly and severally liable for the debts resulting from the legal acts of ABN AMRO Bank N.V., the Demerging Company in its form prior to the legal demerger, and of the Acquiring Company.

Following the legal demerger, these 403 Declarations continue to be applicable. Upon the legal separation, the 403 Declaration relating to the Acquiring Company, the demerged and transferred subsidiaries and, partially, to the Demerging Company, will be revoked, provided that all of the relevant conditions of Section 2:404 of the Dutch Civil Code are met. Consequently the joint and several liability of ABN AMRO Holding for the debts resulting from legal acts of the Acquiring Company (including remaining liability for legal acts of the Acquiring Company which arose prior to the date of revocation of the 403 Declaration), the demerged and transferred subsidiaries and of the Demerging Company to the extent it relates to the split-off to the Acquiring Company pursuant to the legal demerger, will be terminated.

ABN AMRO Holding filed its intention to terminate any such remaining liability with the Amsterdam Chamber of Commerce on 2 December 2009. By filing the intention to terminate the remaining liability, a creditor objection period of two months was initiated, which ended on 2 February 2010.

ABN AMRO's legal demerger and legal separation process creates additional risks for ABN AMRO's business and stability

ABN AMRO is going through a period of transition and change, which poses additional risks to ABN AMRO's business including (i) ABN AMRO's ability to manage the break up of ABN AMRO in a controlled manner while minimising the loss of business, (ii) ABN AMRO's ability to retain key personnel during the transition and (iii) enhanced operational and regulatory risks during this period. During this period of transition and change and as a result of the legal demerger and upcoming legal separation, the Demerging Company and the Acquiring Company will remain interdependent with respect to certain business areas, for which they will *inter alia* provide certain services to each other.

Integration of the Acquiring Company with Fortis Bank (Nederland) N.V.

On 21 November 2008, the Dutch State announced its intention to integrate the Dutch State acquired businesses of ABN AMRO with Fortis Bank (Nederland) N.V. ('FBN') after completion of the legal demerger and legal separation process. The integration of the Acquiring Company with FBN is subject to the completion of the sale by the Acquiring Company to Deutsche Bank AG of NEW HBU II N.V. and IFN Finance B.V.

The integration process of the Acquiring Company with FBN could be delayed due to *inter alia* delays regarding the structuring of the legal merger of the two entities or delays in approval or additional terms and conditions of supervisory and regulatory bodies. Failure or delay in this

integration may adversely affect the stand alone operation of the Acquiring Company and may therefore adversely affect the Acquiring Company's results and financial condition.

Major Shareholder and change of control

As at the date of the legal demerger, ABN AMRO Holding is the sole shareholder of the Acquiring Company.

As a consequence of and as from the legal separation, the shares of the Acquiring Company will be transferred from ABN AMRO Holding to a new holding company fully owned by the Dutch State, named ABN AMRO Group N.V., and independent of ABN AMRO Holding, which will after separation be renamed RBS Holdings N.V.

The Dutch State has announced its intention to integrate the Acquiring Company with FBN after completion of the legal separation process. The Dutch State is not involved in the day-to-day management of the Acquiring Company, and has expressed the intention not to be involved in the day-to-day management of the combined entity once the Acquiring Company has merged with FBN. The Dutch State has stated its intention to privatise the combined bank not earlier than 2011.

EU Remedy

ABN AMRO Bank N.V. and Deutsche Bank AG signed the Share Purchase Agreement confirming the agreements reached for the sale of NEW HBU II N.V. (NEW HBU II) and IFN Finance B.V. (IFN Finance) on 23 December 2009. The sale price agreed upon for NEW HBU II and IFN Finance, including a guarantee provided for 75% of the credit losses ('credit umbrella') and an amount for other liabilities and costs, is EUR 700 million.

With the signing, the sale is now closer to completion. The final steps in the process prior to the closing thereof are the transfer of the NEW HBU II shares to the Acquiring Company, the legal demerger of the majority of the businesses acquired by the Dutch State into the Acquiring Company and the legal separation of the Acquiring Company. The closing of the NEW HBU II and IFN Finance transaction is expected to take place thereafter in the early spring of 2010. ABN AMRO has considered the impact of the transaction on results and capital ratios and considers that the transaction will have a negative impact of between EUR 800 and EUR 900 million on results. The total loss on the transaction includes a provision for the credit umbrella. The new ABN AMRO Bank N.V. expects to account for these losses when, after legal separation, the conditions for effecting the closing have been met.

Background

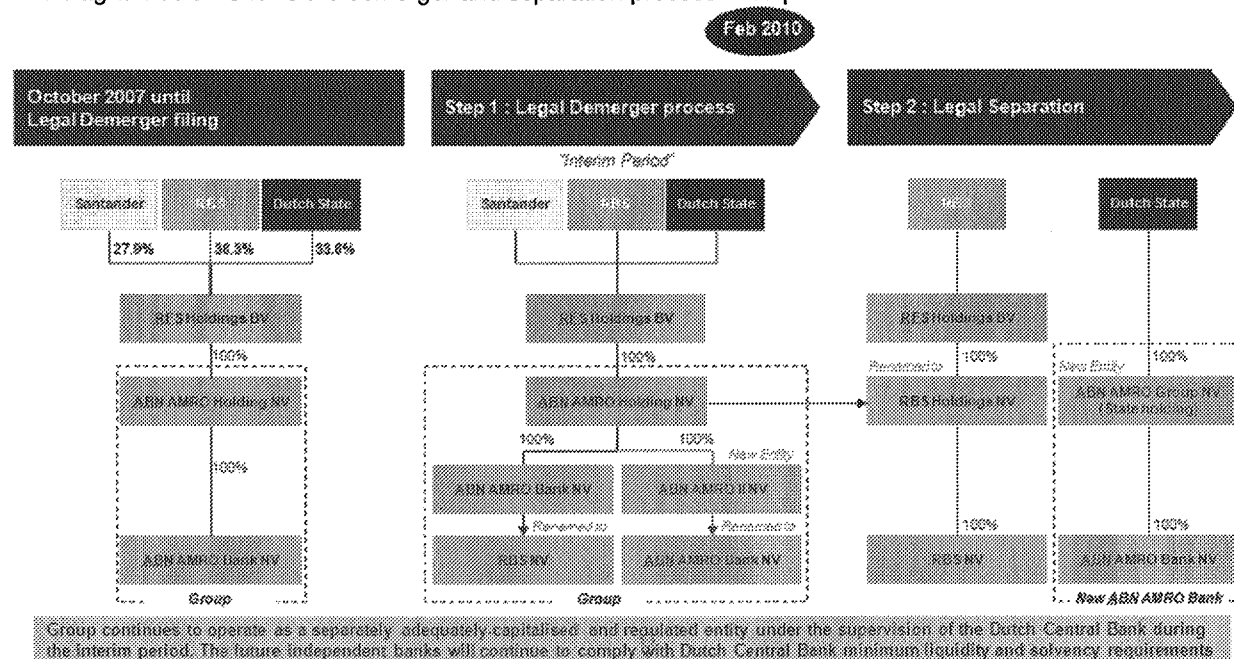

At the date of demerger, ABN AMRO Bank N.V. was renamed to The Royal Bank of Scotland N.V. (hereinafter RBS N.V.) and ABN AMRO II N.V. was renamed ABN AMRO Bank N.V. Until legal separation both RBS N.V. and ABN AMRO Bank N.V. will be governed by the ABN AMRO Holding N.V. managing and supervisory boards and regulated on a consolidated basis with capital ratios, liquidity measures and exposures being reported to and regulated by the Dutch Central Bank. For an overview of the liabilities issued by ABN AMRO Bank N.V. that have been allocated to the Dutch State acquired businesses and a list of the liabilities remaining as legal obligations of RBS N.V., refer to www.abnamro.com.

The Royal Bank of Scotland Group plc ('RBS Group') and the State of the Netherlands ('Dutch State') continue to work towards the legal separation of the Dutch State acquired businesses from the residual RBS acquired businesses into two separate viable banks, each with its own banking license and each adequately capitalised at the time of legal separation. On 13 January 2010 the Dutch Central Bank granted a banking license to ABN AMRO Bank N.V. for engaging in universal banking business in the Netherlands. On 3 February 2010 the Dutch Central Bank granted a continuation of its existing banking license to RBS N.V.

After legal separation, ABN AMRO Holding N.V. will be renamed RBS Holdings N.V. RBS N.V. will remain a wholly owned subsidiary of RBS Holdings N.V., which in turn will remain wholly owned by RFS Holdings B.V. RFS Holdings B.V. will be substantially owned by the RBS Group after separation. RBS N.V. principally contains international lending, international transaction services and equities businesses of the RBS Group.

ABN AMRO Bank N.V. will become a wholly owned subsidiary of a newly incorporated entity ABN AMRO Group N.V. which in turn will be wholly owned by the Dutch State. ABN AMRO Bank N.V. serves Dutch commercial and retail banking clients, Dutch and international private clients, and diamond businesses.

The diagram below shows the demerger and separation process in steps.

1. The Dutch State's part of the assets and liabilities that are not yet allocated to any of the Consortium shareholders, the so-called *Shared Assets*, are not included in this overview.
2. The structure shown represents the position after a transitional phase, during which the Dutch State and Banco Santander S.A. will continue to hold a stake in RFS Holdings B.V. commensurate to their holding in remaining Shared Assets and any other businesses subject to later separation.

The purpose of this document is to provide pro forma financial information to supplement the demerger press release by ABN AMRO Holding N.V. with updated information about the new legal structure of ABN AMRO. The legal demerger is a significant event and therefore the update is required to provide investors with relevant historical financial information on a pro forma basis allowing an assessment of the impact of the demerger. The pro forma financial information has been prepared for illustrative purposes only on the basis of estimates and assumptions which are preliminary. The pro forma information addresses a hypothetical situation and does not represent the actual position or the results of either ABN AMRO Holding N.V. or ABN AMRO Bank N.V.

The pro forma financial information includes the following pro forma information for both ABN AMRO Holding N.V. and ABN AMRO Bank N.V. (i) a pro forma Statement of Financial Position as at 30 September 2009, (ii) a pro forma Income statement for the nine months ended 30 September 2009, (iii) a pro forma Statement of Financial Position as at 31 December 2008, (iv) a pro forma income statement for the year ended 31 December 2008, and (v) Notes to the pro forma financial information. This pro forma financial information should be read in conjunction with the financial information and the related notes for the 9 months ended 30 September 2009 published in the press release of ABN AMRO Holding N.V. on 25 November 2009 and the financial statements and the related notes thereto for the year ended 31 December 2008.

The unaudited pro forma financial information may be subject to change because management has not finalised their detailed assessment of key estimates and judgements which is part of the preparation process of the consolidated financial statements for the year ended 31 December 2009. Management is not aware of any matters that could impact ABN AMRO Holding N.V.'s results and financial position as presented in the pro forma financial information. The audited consolidated financial statements of ABN AMRO Holding N.V. for the year ended 31 December 2009 will be available at the end of March 2010.

Notes to pro forma financial information for ABN AMRO Holding N.V. (to be renamed RBS Holdings N.V. and including RBS N.V.)

1 Basis of preparation

The pro forma financial information for ABN AMRO Holding N.V. as at 30 September 2009 and 31 December 2008 has been based on International Financial Reporting Standards (IFRS) and IFRS as adopted by the European Union. The pro forma financial information does not include events subsequent to 30 September 2009.

The pro forma financial information has been prepared on the following basis:

- The pro forma condensed consolidated statement of financial position of ABN AMRO Holding N.V. at 30 September 2009 and 31 December 2008 is presented to show the effect of the legal demerger of ABN AMRO Bank N.V. and is based upon the respective consolidated balance sheets at 30 September 2009 and 31 December 2008 of ABN AMRO Holding N.V. and ABN AMRO Bank N.V. as if the proposed transaction had occurred on 30 September 2009 and 31 December 2008.
- The pro forma condensed consolidated income statement of ABN AMRO Holding N.V. for the nine months ended 30 September 2009 and the year ended 31 December 2008 is presented to show the effect of the legal demerger of ABN AMRO Bank N.V. and is based upon the respective consolidated income statements for the nine months ended 30 September 2009 and the year ended 31 December 2008 of ABN AMRO Holding N.V. and ABN AMRO Bank N.V. as if the proposed transaction had occurred on 30 September 2009 and 31 December 2008.
- The pro forma condensed consolidated statements of financial position at 30 September 2009 and 31 December 2008 for ABN AMRO Bank N.V. assume that all assets acquired by the Dutch State are demerged with no residual assets (see note 3 for information on assets to be transferred after the demerger). Consequently the pro forma total for ABN AMRO Holding N.V. does not include these residual assets.

2 Central Items

The pro forma financial information for ABN AMRO Holding N.V. includes not only the RBS acquired businesses but also other items as detailed below, the so-called "Central Items".

a) Shared Assets

ABN AMRO Holding N.V., after the demerger, continues to include assets and liabilities that have not yet been settled between the consortium shareholders, the so-called "Shared Assets", in which each of the consortium shareholders has a joint and indirect interest. The net value of the assets and liabilities that are currently expected to remain for an interim period in ABN AMRO Holding N.V. amounts to EUR 6.9 billion negative at 30 September 2009. As part of the legal demerger, capital related to the demerged businesses transferred to ABN AMRO Bank N.V. However sufficient capital remains in ABN AMRO Holding N.V. to cover the Dutch State interest in the Shared Assets.

b) Other Central Items

The pro forma for ABN AMRO Holding N.V. includes some remaining assets and the results thereon as well as profit from discontinued operations allocated to the Banco Santander S.A. (Santander) acquired businesses. These are reported as part of the Central Items and remain in ABN AMRO Holding N.V. until any remaining balances with Santander are settled and remaining capital distributed for the benefit of Santander. Sufficient capital will also remain in ABN AMRO Holding N.V. for the Santander interest in the remaining Shared Assets until such time that these are sold, redeemed or otherwise settled.

3 Assets and liabilities to be transferred after demerger

A number of assets and liabilities included in some Private Clients and International Diamonds & Jewellery Group businesses in branches and subsidiaries are not part of the legal demerger. These assets and liabilities are part of the Dutch State acquired businesses and will be transferred to ABN AMRO Bank N.V., as soon as

possible after the effective date of the demerger, when all required technical and regulatory separation activities are complete and approvals obtained.

At the date of legal demerger, EUR 4.2 billion of EUR 203.0 billion of assets and EUR 4.1 billion of EUR 196.1 billion liabilities, which are included the pro forma financial information of ABN AMRO Bank N.V. at 30 September 2009 remain in ABN AMRO Holding N.V. The remaining assets are adequately funded and capitalised until they are transferred. The majority of these assets will transfer during the interim period between legal demerger and legal separation once the necessary consents have been obtained.

It is expected that at the date of legal separation, EUR 0.6 billion of these EUR 4.2 billion of assets and EUR 0.5 billion of these EUR 4.1 billion of liabilities will remain in ABN AMRO Holding N.V. and will be transferred as soon as possible after legal separation. The remaining assets are adequately funded and capitalised until their transfer after legal separation.

The assets and liabilities that will be transferred at a later stage are presented as part of ABN AMRO Bank N.V. in the pro forma income statement and statement of financial position as they are not significant.

4 Accounting policies

The same accounting policies and methods of computation are followed in the pro forma financial information as were applied in the preparation of the ABN AMRO Holding N.V. financial statements for the year ended 31 December 2008, except for the impact for the adoption of IAS 1 (revised 2007) Presentation of Financial Statements as disclosed in the Condensed Consolidated Financial Statements for the six months period ended 30 June 2009. Please refer to pages 99 to 118 of ABN AMRO Holding N.V.'s 2008 Annual Report for a description of the accounting policies.

5 Cross liability

Under article 2:334t of the Dutch Civil Code, RBS N.V., after legal demerger, remains liable to the creditors which transferred from RBS N.V. to ABN AMRO Bank N.V. in the event that ABN AMRO Bank N.V. cannot meet its obligation to those creditors.

The liability relates only to obligations existing at the date of legal demerger. The liability will cease to exist upon expiration of the obligations. RBS N.V.'s liability is limited to the equity retained at legal demerger, amounting to approximately EUR 4.0 billion.

RBS N.V. will put in place arrangements to mitigate the risks of the liability to the creditors which transferred from RBS N.V. to ABN AMRO Bank N.V. by legal separation. RBS N.V. will after legal separation hold the regulatory capital agreed with the Dutch Central Bank for any residual risks.

Similarly under Article 2:334t of the Dutch Civil Code, RBS N.V. is under certain circumstances liable to the creditors which have transferred from RBS N.V. to New HBU II N.V. on 7 August 2008. This liability amounts to approximately EUR 1.6 billion at 30 September 2009.

Notes to pro forma financial information for ABN AMRO Bank N.V. (formerly ABN AMRO II N.V.)

1 Basis of preparation

The financial information of ABN AMRO Bank N.V. as at 30 September 2009 and 31 December 2008 has been based on IFRS and IFRS as adopted by the European Union. The pro forma financial information does not include events subsequent to 30 September 2009.

The pro forma financial information has been prepared on the following basis:

- The pro forma condensed consolidated statement of financial position of ABN AMRO Bank N.V. at 30 September 2009 and 31 December 2008 is presented to show the effect of the legal demerger of ABN AMRO Bank N.V. and is based upon the respective consolidated balance sheets at 30 September 2009 and 31 December 2008 of ABN AMRO Holding N.V. as if the proposed transaction had occurred on 30 September 2009 and 31 December 2008.
- The pro forma condensed consolidated income statement of ABN AMRO Bank N.V. for the nine months ended 30 September 2009 and the year ended 31 December 2008 is presented to show the effect of the legal demerger of ABN AMRO Bank N.V. and is based upon the respective consolidated income statements for the nine months ended 30 September 2009 and the year ended 31 December 2008 of ABN AMRO Holding N.V. as if the proposed transaction had occurred on 30 September 2009 and 31 December 2008.
- The pro forma condensed consolidated statement of financial position at 30 September 2009 and 31 December 2009 for ABN AMRO Holding N.V. does not include residual assets left behind after the legal demerger (see note 2 for information on assets to be transferred after the demerger). Consequently the pro forma information for ABN AMRO Bank N.V. includes these residual assets.

2 Assets and liabilities to be transferred after demerger

A number of assets and liabilities included in some Private Clients and International Diamonds & Jewellery Group businesses in branches and subsidiaries of the current ABN AMRO Bank N.V. are not part of the demerger. These assets and liabilities are part of the Dutch State acquired businesses and will be transferred to ABN AMRO Bank N.V. as soon as possible after the effective date of the demerger, when all required technical and regulatory separation activities are completed and approvals have been obtained.

At the date of legal demerger, EUR 4.2 billion of EUR 203.0 billion of assets and EUR 4.1 billion of EUR 196.1 billion of liabilities, which are included in the pro forma financial information of ABN AMRO Bank N.V. at 30 September 2009 remain in ABN AMRO Holding N.V. The remaining assets are adequately funded and capitalised until they are transferred. The majority of these assets will transfer during the interim period between legal demerger and legal separation once the necessary consents have been obtained.

It is expected that at the date of legal separation, EUR 0.6 billion of these EUR 4.2 billion of assets will remain in ABN AMRO Holding N.V. and will be transferred as soon as possible after legal separation. The remaining assets are adequately funded and capitalised until their transfer after legal separation.

The assets and liabilities that will be transferred at a later stage are presented as part of ABN AMRO Bank N.V. in the pro forma income statement and statement of financial position as they are not significant.

3 Accounting policies

The same accounting policies and methods of computation are followed in the pro forma financial information as were applied in the preparation of the ABN AMRO Holding N.V. financial statements for the year ended 31 December 2008, except for the impact for the adoption of IAS 1 (revised 2007) Presentation of Financial Statements as disclosed in the Condensed Consolidated Financial Statements for the six months period ended 30 June 2009. Please refer to pages 99 to 118 of ABN AMRO Holding N.V.'s 2008 Annual Report for a description of the accounting policies.

4 Cross liability

Under article 2:334t of the Dutch Civil Code ABN AMRO Bank N.V., after legal demerger, remains liable to the creditors of RBS N.V. that remain in RBS N.V., in the event that RBS N.V. can not meet its obligations with those creditors.

The liability relates only to obligations existing as at date of legal demerger. The liability will cease to exist upon expiration of the obligations. ABN AMRO Bank N.V.'s liability to creditors is limited to the amount of equity acquired at legal demerger, which amounts to approximately EUR 1.8 billion.

ABN AMRO Bank N.V. will put in place arrangements to mitigate the risks of the liability to the creditors which remain with RBS N.V. by legal separation. ABN AMRO Bank N.V. will after legal separation hold the regulatory capital agreed with the Dutch Central Bank for any residual risks.

Similarly under Article 2:334t of the Dutch Civil Code, New HBU II N.V. is under certain circumstances liable to the creditors of RBS N.V. following the demerger from RBS N.V. to new HBU II N.V. on 7 August 2008. This liability amounts to approximately EUR 0.9 billion at 30 September 2009.
