RELATING TO THE ANNOUNCEMENT OF THE ACQUISITION OF ALL SHARES IN
LEASEPLAN CORPORATION N.V.**

LeasePlan

LeasePlan Corporation N.V.

EUR 15,000,000,000 Debt Issuance Programme

Under the EUR 15,000,000,000 Debt Issuance Programme (the "**Programme**") described in the base prospectus dated 12 June 2015 (the "**Base Prospectus**") LeasePlan Corporation N.V. (the "**Issuer**") may from time to time issue notes (the "**Notes**") denominated in any currency agreed by the Issuer and the relevant Dealer (as defined in the Base Prospectus).

This supplemental prospectus (the "**Supplemental Prospectus**") is prepared in connection with a press release titled "LeasePlan to be acquired by consortium of long-term investors" dated 23 July 2015, announcing the acquisition of all shares in the Issuer by a consortium consisting of TDR Capital (United Kingdom), sovereign wealth funds ADIA (United Arab Emirates) and GIC (Singapore), pension funds PGGM (The Netherlands) and ATP (Denmark), and the Merchant Banking Division of Goldman Sachs (United States).

This Supplemental Prospectus is supplemental to, forms part of and should be read in conjunction with, the Base Prospectus. Terms defined in this Supplemental Prospectus shall have the same meaning in the Base Prospectus, unless specified otherwise. To the extent that there is any inconsistency between (a) any statement in this Supplemental Prospectus and (b) any other statement in or incorporated by reference in the Base Prospectus, the statements in (a) above will prevail.

This Supplemental Prospectus constitutes a supplemental prospectus to the Base Prospectus for the purposes of article 5:23 of the Dutch Financial Markets Supervision Act (*Wet op het financieel toezicht*) and related regulations implementing Prospectus Directive 2003/71/EC (as amended) in Dutch law ("**Wft**") and has been approved by and filed with the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the "**AFM**"). The Issuer has requested the AFM to provide the competent authority in Luxembourg with a certificate of approval attesting that this Supplemental Prospectus has been drawn up in accordance with Chapter 5.1 of the Wft (a "**Notification**"). The Issuer may request the AFM to provide competent authorities in additional Member States within the European Economic Area with a Notification.

The Base Prospectus and this Supplemental Prospectus are available from the office in London of Deutsche Bank AG, London Branch and on the website of the Issuer at www.leaseplan.com and are available for viewing at the Almere office of the Issuer at P.J. Oudweg 41, 1314 CJ Almere-Stad, The Netherlands where copies of the Base Prospectus, this Supplemental Prospectus, any other supplements to the Base Prospectus and any documents incorporated by reference therein may also be obtained free of charge.

AMENDMENTS OR ADDITIONS TO THE BASE PROSPECTUS

With effect from the date of this Supplemental Prospectus the information appearing in the Base Prospectus shall be amended and/or supplemented in the manner described below. References to page numbers are to the pages of the Base Prospectus.

1. In Section "Summary", on page 8, item "B.13 *Recent Events*" shall be replaced with the following wording:

"On 23 July 2015 the Issuer announced the intended acquisition of all of its shares from its current 100% shareholder, Global Mobility Holding B.V., by a consortium consisting of TDR Capital (United Kingdom), sovereign wealth funds ADIA (United Arab Emirates) and GIC (Singapore), pension funds PGGM (The Netherlands) and ATP (Denmark), and the Merchant Banking Division Goldman Sachs (United States) (the "**Consortium**"). The total value of the transaction amounts to approximately € 3.7 billion. The acquisition is subject to approval by the relevant regulatory and anti-trust authorities,

including the European Central Bank in consultation with the Dutch Central Bank. The Consortium intends to finance the acquisition with an equity investment of approximately half of the total purchase price, a mandatory convertible note of € 480 million and a cash-pay debt facility of € 1,550 million. The debt facility is being provided by an international syndicate of lenders. The Consortium plans to maintain the Issuer's diversified funding strategy going forward, supported by its investment grade rating. The Consortium intends to appoint additional independent members to the Supervisory Board so that on the closing of the transaction the majority of the members of the Supervisory Board will comprise of independent non-executive members."

2. In section "Summary", on page 9, item "B.17 *Ratings assigned to the Issuer or its Debt Securities*" the first four paragraphs shall be replaced with the following wording:

"The Issuer's long term credit ratings are: BBB from Standard & Poor's Credit Market Services France SAS ("**S&P**"), A3 from Moody's Investors Service Limited ("**Moody's**") and A- from Fitch Ratings Ltd ("**Fitch**").

On 28 July 2015 S&P has downgraded the Issuer's credit rating to BBB indicating that the rating downgrade on the Issuer now reflects S&P's view of the Issuer's stand-alone creditworthiness.

In addition, S&P placed the Issuer on further Credit Watch Negative as a result of the proposed acquisition of the Issuer by a consortium of investors. S&P has indicated that the risks for further downgrade due to the proposed acquisition are limited to one notch.

On 28 July 2015 Moody's has placed the Issuer on review for downgrade following the announcement of the proposed acquisition of the Issuer by a consortium of investors.

On 31 July 2015 Fitch has placed the Issuer on Rating Watch Negative following the announcement of the proposed acquisition of the Issuer by a consortium of investors, stating that any downgrade of the Issuer's ratings resulting from the acquisition is likely to be limited to one notch.

The rating agencies have indicated that the negative credit watches follow from the leveraged nature of the proposed acquisition, as they believe that the consortium is likely to implement a more aggressive financial policy. The rating agencies are of the opinion that the proposed acquisition and the debt raised by the consortium to fund the acquisition, entails risk for the Issuer's future financial profile and may reduce the Issuer's internal capital generation and thereby its financial flexibility. The rating agencies do acknowledge the fact that the Issuer acts under the supervision of the Dutch Central Bank, which could mitigate the risk of an overly aggressive financial policy.

S&P has confirmed the following ratings to this Programme for unsecured and unsubordinated Notes: BBB (Credit Watch Negative) / A-2, representing respectively the long and short term rating.

Moody's has confirmed the following ratings to this Programme for unsecured and unsubordinated Notes: A3 / P-2, representing respectively the long and short term rating.

Fitch has confirmed the following ratings to this Programme for unsecured and unsubordinated Notes: A- (Rating Watch Negative) / F2, representing respectively the long and short term rating."

3. In Section "Summary", on page 18, item "D.2 *Risks Specific to the Issuer*" the following new risk factor shall be inserted (with replacement of "." at the end of the factor "the Issuer may have difficulty in executing its growth strategy" with ";");

"– the Issuer may be subject to risks arising from the intended acquisition."

4. In Section "Risk Factors", on page 31, in paragraph "*Risks Relating To The Issuer*" the following risk factor shall be added:

"The Issuer may be subject to risks arising from the intended acquisition."

On 23 July 2015 the Issuer announced the intended acquisition of all of its shares from its current 100% shareholder, Global Mobility Holding B.V., by a consortium (the "**Consortium**") consisting of TDR Capital (United Kingdom), sovereign wealth funds ADIA (United Arab Emirates) and GIC (Singapore), pension funds PGGM (The Netherlands) and ATP (Denmark), and Goldman Sachs Private Equity Group (United States). The total value of the transaction amounts to approximately € 3.7 billion. The Consortium intends to finance the acquisition with an equity investment of approximately half of the total purchase price, a mandatory convertible note of € 480 million and a cash-pay debt facility of € 1,550 million. The acquisition is subject to approval of all necessary regulatory and anti-trust authorities, including approval by the European Central Bank in consultation with the Dutch Central Bank. No assurance can be given on whether the acquisition will be completed and a change in ownership will be effected. This may result in prolonged uncertainty regarding the owners of the Issuer, which uncertainty could have a material adverse effect on the Issuer's financial condition and its ability to raise funds.

The impact of the acquisition on the Issuer's financial position or prospects or on any debt securities (including the Notes) remains uncertain. It is expected that following the change of ownership, the credit ratings assigned to the Issuer and the debt securities (including the Notes) will remain investment grade. However, no such assurance can be given."

5. In Section "Key features of the programme", on page 56, in paragraph "Rating" the first sentence shall be replaced with the following wording:

"S&P has confirmed the following ratings to this Programme:

- Unsecured and Unsubordinated Notes: BBB (Credit Watch Negative) / A-2 representing respectively the long and short term rating."

6. In Section "Key features of the programme", on page 58, in paragraph "Rating" the fourth and fifth paragraph shall be replaced with the following wording:

- Unsecured and Unsubordinated Notes: A- (Rating Watch Negative) / F2 representing respectively the long and short term rating.

On 31 July 2015 Fitch has placed the Issuer on Rating Watch Negative following the announcement of the proposed acquisition of the Issuer by a consortium of investors, stating that any downgrade of the Issuer's ratings resulting from the acquisition is likely to be limited to one notch."

7. In Section "Key features of the programme", on page 58, in paragraph "Rating" the following paragraphs shall be added after the paragraph "'F2' ratings denote good intrinsic capacity for timely payment of financial commitments.":

"On 28 July 2015 S&P has downgraded the Issuers credit rating to BBB indicating that the rating downgrade on the Issuer now reflects S&P's view of the Issuer's stand-alone creditworthiness.

In addition, S&P placed the Issuer on further Credit Watch Negative as a result of the proposed acquisition of the Issuer by a consortium of investors. S&P has indicated that the risks for further downgrade due to the proposed acquisition are limited to one notch.

9. In Section "Description of LeasePlan Corporation N.V. ("LPCorp")", on page 102, in paragraph "Recent Developments" the following wording shall (after the sentence "In March 2015, LPCorp concluded a term loan amounting to € 1.0 billion with two banks, maturing in March 2016.") be inserted in the second bullet:

"In July 2015 the maturity date of this term loan has been extended until September 2017. "

10. In Section "Description of LeasePlan Corporation N.V. ("LPCorp")", on page 102, in paragraph "*Recent Developments*" the following wording shall be added:
