2. FORM

- (a) Global Form. Except in the case of Securities issued in dematerialised form, the Securities will be issued in bearer form in the denomination of the Nominal Amount. The Securities are represented by a global security (the “**Global Security**”) which will be deposited with a Clearing Agent or the depositary for one or more Clearing Agents and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular nominal amount of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the nominal amount of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such nominal amount of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and/or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.
- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable

to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

3. RIGHTS AND PROCEDURES

- (a) Redemption on the Maturity Date. Unless previously redeemed or purchased and cancelled and subject as provided by the Conditions, each Security will be redeemed by the Issuer, provided that no Knock-in Event has occurred in respect of each Nominal Amount, at Cash Amount 1. Where a Knock-in Event has occurred, each Security will be redeemed in respect of each Nominal Amount:

(1) at Cash Amount 1 if the Final Reference Price is equal to or greater than the Initial Reference Price; and otherwise

(2) at Cash Amount 2,

such redemption to occur, subject as provided below, on the Maturity Date or, if the Maturity Date is not a Business Day, on the next succeeding Business Day.

- (b) Interest Amount. In respect of each Interest Period, each Security shall bear interest at the Interest Rate. The Interest Amount is calculated by reference to the relevant Interest Period, the Interest Rate, the Nominal Amount and the Interest Rate Day Count Fraction, and is payable on each Interest Payment Date.
- (c) Interest Accrual. Each Security shall cease to accrue interest from and including the due date for redemption.
- (d) Method of Payment. Subject as provided below, where the Cash Amount or the Interest Amount is in a currency other than euro, such payments will be made by an Agent on behalf of the Issuer in the Settlement Currency to an account (which, in the case of payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) specified by the payee with, or by a cheque in such Settlement Currency drawn on, a bank in the principal financial centre of the country of such Settlement Currency; where the Cash Amount or Interest Amount is in euro, such payments will be made by an Agent on behalf of the Issuer by credit or transfer to a euro account or any

account to which euro may be credited or transferred specified by the payee or, at the option of the payee, by a euro cheque. Notwithstanding the previous two sentences, for as long as the Securities are represented by the Global Security, payments will be made through the Clearing Agents and will be made in accordance with the rules of each Clearing Agent. All payments will be subject to applicable fiscal and legal requirements applicable thereto.

- (e) **Presentation and Surrender.** If the Securities are in definitive form, payment of the Cash Amount and each Interest Amount will be made against surrender of the Security and each relative Coupon, respectively, by or on behalf of a Holder at the specified office of the Principal Agent. If the Securities are represented by the Global Security, payment of the Cash Amount and each Interest Amount will be made against presentation and, in the case of payment of the Cash Amount, surrender of the Global Security by or on behalf of the Holder at the specified office of the Principal Agent. In all cases payment will be subject to any endorsement on the face of the Security or Coupon as applicable. In the case of any Global Security, the Issuer shall record all payments made by it to the relevant Clearing Agent and such record shall be *prima facie* evidence that the payment in question has been made. The bearer of a Security shall be the only person entitled to receive payments of the Cash Amount or the Interest Amount and the Issuer will be discharged by payment to, or to the order of, the Holder in respect of the amount so paid. The bearer of a Security, or (in the case of a Global Security) each of the persons shown in the records of a Clearing Agent as the holder of a particular nominal amount of the Securities, must look solely to the relevant Agent or Clearing Agent, as the case may be, for his share of each such payment so made by the Issuer to or to the order of the bearer of the Security.
- (f) **Payment Day.** If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (g) **General.** In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent or any Agent shall have any responsibility for any errors or omissions in the calculation of the Cash Amount or the Interest Amount. The purchase of Securities does not confer

on any holder of such Securities any rights (whether in respect of voting, distributions or otherwise) attached to the Shares.

- (h) **Settlement Risk.** Settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and neither the Issuer nor any Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated as a result of any such laws, regulations or practices. Neither the Issuer nor any Agent shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) **Market Disruption.** The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

“Market Disruption Event” means:

- (1) the occurrence or existence on any Trading Day during the one hour period that ends at the official close of trading on the Exchange or any Related Exchange of any suspension of or limitation imposed on trading or the disruption or impairment in the ability of market participants in general to effect transactions (by reason of movements in price reaching or exceeding limits permitted by the relevant exchange or otherwise):
 - (A) in the Shares on the Exchange or any other exchange on which the Shares are listed; or
 - (B) in any options contracts or futures contracts or other derivatives contracts relating to the Shares on any Related Exchange if, in the determination of the Calculation Agent, such suspension or limitation is material; or
- (2) a general moratorium is declared in respect of banking activities in the country in which the Exchange or any Related Exchange is located.

For the purposes of this definition, a limitation on the hours and number of days of trading will not constitute a Market Disruption Event if it results from an announced change in the regular business hours of the Exchange or any

Related Exchange, but a limitation on trading imposed during the course of the day by reason of movements in price otherwise exceeding levels permitted by the Exchange or any Related Exchange may, if so determined by the Calculation Agent, constitute a Market Disruption Event.

- (b) Potential Adjustment Events. Following a declaration by the Share Company of the terms of any Potential Adjustment Event, the Calculation Agent will determine whether such Potential Adjustment Event has a diluting or concentrative effect on the theoretical value of the Share and, if so, will:
- (i) make the corresponding adjustment, if any, to any one or more of the Conditions as the Calculation Agent determines appropriate to account for that diluting or concentrative effect; and
 - (ii) determine the effective date of that adjustment.

The Calculation Agent may, but need not, determine the adjustment by reference to the adjustment in respect of such Potential Adjustment Event made by an options exchange to options on the Shares traded on that options exchange. Upon making any such adjustment, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the adjustment to be made to the Conditions and giving brief details of the Potential Adjustment Event.

“Potential Adjustment Event” means any of the following: (A) a subdivision, consolidation or reclassification of relevant Shares (unless a Merger Event), or a free distribution or dividend of such Shares to existing holders by way of bonus, capitalisation, recapitalisation or similar issue; (B) a distribution or dividend to existing holders of the relevant Shares of (aa) such Shares, or (bb) other share capital or securities granting the right to payment of dividends and/or the proceeds of liquidation of the Share Company equally or proportionately with such payments to holders of such Shares, or (cc) any other type of securities, rights or warrants or other assets, in any case for payment (cash or other) at less than the prevailing market price as determined by the Calculation Agent; (C) an extraordinary dividend; (D) a distribution of cash dividends on the Shares equal to or greater than 8 per cent. per annum of the then current market value of the Shares; (E) a call by the Share Company in respect of relevant Shares that are not fully paid; (F) a repurchase by the Share Company of relevant Shares whether out of profits or capital and whether the consideration for such repurchase is cash, securities or otherwise;

or (G) any other similar event that may have a diluting or concentrative effect on the theoretical value of the relevant Shares.

(c) De-listing, Merger Event, Nationalisation and Insolvency. If a De-listing, Merger Event, Nationalisation or Insolvency occurs in relation to the Share Company, the Issuer in its sole and absolute discretion may take the action described in (1), (2) or (3) below:

(1) require the Calculation Agent to determine in its sole and absolute discretion the appropriate adjustment, if any, to be made to any of the other terms of these Conditions to account for the De-listing, Merger Event, Nationalisation or Insolvency, as the case may be, and determine the effective date of that adjustment. The Calculation Agent may (but is under no obligation to) determine the appropriate adjustment by reference to the adjustment in respect of the De-listing, Merger Event, Nationalisation or Insolvency made by any Related Exchange to options contracts or futures contracts or other derivatives contracts on the Shares traded on such Related Exchange; or

(2) cancel the Securities by giving notice to Holders in accordance with General Condition 4. If the Securities are to be cancelled the Issuer will pay an amount to each Holder in respect of each Security held by him which amount shall be the fair market value of a Security (taking into account the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be)) on the day selected for cancellation as shall be selected by the Issuer in its sole and absolute discretion adjusted to account fully for any losses, expenses and costs to the Issuer and/or any affiliate of the Issuer of unwinding or adjusting any underlying or related hedging arrangements (including but not limited to any equity options or selling or otherwise realising any Shares or other instruments of any type whatsoever which the Issuer and/or any of its affiliates may hold as part of such hedging arrangements), all as determined by the Calculation Agent in its sole and absolute discretion. Payment will be made in such manner as shall be notified to the Holders in accordance with General Condition 4; or

- (3) following any adjustment to the settlement of terms of options contracts or futures contracts or any other derivatives contracts on the Shares traded on any Related Exchange, require the Calculation Agent to make a corresponding adjustment to any of the other terms of these Conditions, which adjustment will be effective as of the date determined by the Calculation Agent to be the effective date of the corresponding adjustment made by the Related Exchange. If options contracts or futures contracts or other derivatives contracts on the Shares are not traded on the Related Exchange, the Calculation Agent will make such adjustment, if any, to any of the other terms of these Conditions as the Calculation Agent in its sole and absolute discretion determines appropriate, with reference to the rules and precedents (if any) set by the Related Exchange to account for the De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) that in the determination of the Calculation Agent would have given rise to an adjustment by the Related Exchange if such options contracts or futures contracts or other derivatives contracts were so traded.

Upon the occurrence of a De-listing, Merger Event, Nationalisation or Insolvency, the Calculation Agent shall notify the Holders in accordance with General Condition 4, stating the occurrence of such De-listing, Merger Event, Nationalisation or Insolvency (as the case may be) and the action proposed to be taken in relation thereto.

“De-listing” means a Share for any reason ceases to be listed or is suspended from listing on the Exchange (and such cessation or suspension is continuing and such Share is not subsequently listed or quoted on another stock exchange or quotation system acceptable to the Issuer).

“Merger Date” means the date upon which all holders of the Shares of a Share Company (other than, in the case of a take-over offer, Shares owned or controlled by the offeror) have agreed or have irrevocably become obliged to transfer their Shares.

“Merger Event” means any (1) reclassification or change to the Shares of a Share Company that results in a transfer of or an irrevocable commitment to transfer all outstanding Shares of such Share Company; (2) consolidation, amalgamation or merger of a Share Company with or into another entity

(other than a consolidation, amalgamation or merger in which such Share Company is the continuing entity and which does not result in any such reclassification or change to all the outstanding Shares of a Share Company); or (3) other take-over offer for the Shares of a Share Company that results in a transfer of, or an irrevocable commitment to transfer, the Shares of a Share Company (other than any such Shares owned or controlled by the offeror), in each case if the Merger Date is on or before the Determination Date.

“Nationalisation” means that all the Shares of a Share Company or all the assets or substantially all the assets of a Share Company are nationalised, expropriated or are otherwise required to be transferred to any governmental agency, authority or entity.

“Insolvency” means that by reason of the voluntary or involuntary liquidation, bankruptcy or insolvency of or any analogous proceeding affecting a Share Company, (1) all the Shares are required to be transferred to a receiver, trustee, liquidator or other similar official or (2) holders of the Shares of that Share Company become legally prohibited from transferring them.

- (d) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.
