The sum of the aggregate principal amount of Notes outstanding at any time under the Programme will not exceed Euro 5,000,000,000 (or its equivalent in other currencies). This supplemental prospectus (the '**Supplemental Prospectus**') is based on article 5:23 of the Netherlands Act on Financial Supervision (*Wet op het financieel toezicht*, the '**NFSA**') and prepared in connection with the issue by the Issuer of such Notes and is supplemental to, forms part of and should be read in conjunction with, the prospectus in relation to the Programme dated 12 April 2013 (together, the '**Base Prospectus**'). The purpose of this Supplemental Prospectus is to correct a manifest error, to provide additional information relating to recent developments in the financial markets and the results of the strategic review as made public in a press release dated 14 May 2013 and to incorporate by reference certain documents published by the Issuer.

Terms defined in the Base Prospectus shall have the same meaning in this Supplemental Prospectus, unless specified otherwise.

This Supplemental Prospectus has been approved by the Netherlands Authority for the Financial Markets (*Stichting Autoriteit Financiële Markten*, the '**AFM**'), which is The Netherlands competent authority for the purpose of Directive 2003/71/EC (the '**Prospectus Directive**' which term includes amendments thereto, including Directive 2010/73/EU (the '**2010 PD Amending Directive**') to the extent implemented in a relevant Member State of the European Economic Area to which is referred) and relevant implementing measures in The Netherlands, as a supplemental prospectus issued in compliance with the Prospectus Directive and the prospectus regulation based thereon and relevant implementing measures in The Netherlands for the purpose of giving information with regard to the issue of Notes under the Programme.

The AFM has been requested by the Issuer to provide the Financial Services and Markets Authority in Belgium (the '**FSMA**') with a certificate of approval ('**Notification**') attesting that the Supplemental Prospectus has been drawn up in accordance with the Prospectus Directive and the prospectus regulation based thereon and the relevant implementing measures in the Netherlands. At the date hereof the Issuer has requested the AFM to provide the Commission de Surveillance du Secteur Financier ('**CSSF**') with a Notification in respect of the Base Prospectus, as supplemented by this Supplemental Prospectus. Notes issued under the Programme may be listed on NYSE Euronext in Amsterdam ('**NYSE Euronext Amsterdam**'), the regulated market operated by NYSE Euronext N.V. ('**NYSE Euronext**') and as of the date hereof the regulated market of the Luxembourg Stock Exchange.

The Programme also permits Notes to be issued on the basis that they will not be admitted to listing, trading and/or quotation by any listing authority, stock exchange and/or quotation system or to be admitted to listing, trading and/or quotation by such other or further listing authorities, stock exchanges and/or quotation systems as may be agreed with the Issuer.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the '**Securities Act**') or any U.S. state securities laws and the Notes may not be offered, sold or delivered within the United States, or to or for the account or benefit of U.S. persons (as defined in Regulation S ('**Regulation S**') under the Securities Act), except pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act and applicable United States state securities laws, or pursuant to an effective registration statement.

PROSPECTIVE INVESTORS SHOULD HAVE REGARD TO THE FACTORS DESCRIBED UNDER THE SECTION HEADED "RISK FACTORS" IN THE BASE PROSPECTUS.

This Supplemental Prospectus must be read and construed together with the Base Prospectus and with any documents incorporated by reference herein (which can be found on the website of the Issuer, http://www.vanlanschot.nl/vanlanschot/en/about-van-lanschot/investor-relations/debt-investors/debt-issuance-programme.html), and in relation to any Tranche of Notes, this Base Prospectus should be read and construed together with the relevant Final Terms. The date of this Supplemental Prospectus is 27 May 2013 and is supplemental to, forms part of and should be read in conjunction with, the Base Prospectus.

The Programme provides that the Issuer may also issue unlisted Notes.

If the terms of the Programme are modified or amended in a manner which would make the Base Prospectus or this Supplemental Prospectus, as supplemented, inaccurate or misleading, a new Base Prospectus or a supplement to the Base Prospectus will be prepared.

The Base Prospectus and this Supplemental Prospectus are to be read in conjunction with all documents which are deemed to be incorporated therein by reference. Neither the Base Prospectus nor this Supplemental Prospectus nor any Final Terms nor any other information supplied in connection with the Programme should be considered as a recommendation by the Issuer, the Arranger or any of the Dealers that any recipient of the Base Prospectus, this Supplemental Prospectus or any other information supplied in connection with the Programme should purchase any Notes. Accordingly, no representation, warranty or undertaking, expressly or implied, is made and no responsibility is accepted by the Arranger or by the Dealers or any of their respective affiliates in their capacity as such, as to the accuracy or completeness of the information contained in the Base Prospectus, this Supplemental Prospectus or any other information provided by the Issuer or Van Lanschot N.V., the sole shareholder of the Issuer.

Each investor contemplating purchasing any Notes should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and Van Lanschot N.V. Neither the Base Prospectus nor this Supplemental Prospectus nor any other information supplied in connection with the Programme constitutes an offer or invitation by or on behalf of the Issuer, the Arranger or any of the Dealers to any person to subscribe for or to purchase any Notes.

Neither the delivery of the Base Prospectus or this Supplemental Prospectus nor the offering, sale or delivery of any Notes shall at any time imply that the information contained herein concerning the Issuer and Van Lanschot N.V. is correct at any time subsequent to the date hereof or, as the case may be, the date upon which the Base Prospectus has been most recently amended or supplemented or the balance sheet date of the most recent financial statements deemed to be incorporated by reference into the Base Prospectus or this Supplemental Prospectus or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date indicated in the document containing the same. The Arranger and the Dealers expressly do not undertake to review the financial condition or affairs of the Issuer and Van Lanschot N.V. during the life of the Programme. Investors should review, *inter alia*, the most recent financial statements of Van Lanschot N.V. and any other relevant publicly available information when deciding whether or not to purchase any Notes.

Neither the Base Prospectus nor the Supplemental Prospectus nor any part hereof constitutes an offer or an invitation to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make such an offer or solicitation in such jurisdiction. The distribution of the Base Prospectus, this Supplemental Prospectus and any Final Terms and the offer or sale of Notes in certain jurisdictions may be restricted by law. The Issuer, the Arranger and the Dealers do not represent that the Base Prospectus or this Supplemental Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the Arranger or the Dealers which would permit a public offering of any Notes or distribution of the Base Prospectus or this Supplemental Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither the Base Prospectus nor this Supplemental Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession the Base Prospectus or this Supplemental Prospectus (or any part thereof) or any Notes come must inform themselves about, and observe, any such restrictions. In particular, there are restrictions on the distribution of the Base Prospectus and this Supplemental Prospectus and the offer or sale of Notes in the United States, the United Kingdom, the Netherlands and Japan.

The Notes have not been approved or disapproved by the US Securities and Exchange Commission, any State Securities Commission or any other regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of this offering or the accuracy or adequacy of the Base Prospectus or this Supplemental Prospectus. Any representation to the contrary is unlawful.

In connection with the issue and distribution of Notes under the Programme, the Dealer who is specified in the Final Terms as the Stabilising Manager (or any duly appointed person acting for the Stabilising Manager) in relation to the relevant series of Notes may over-allot Notes or effect transactions with a view to supporting the market price of the Notes of such series at a level higher than that which might otherwise prevail for a limited period. However, there is no assurance that the Stabilising Manager (or any agent of the Stabilising Manager) will undertake stabilising action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the terms of the offer of the relevant Series of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the relevant issue date and 60 days after the date of the allotment of the Notes of such series. Any stabilisation action or over-allotment must be conducted by the Stabilising Manager (or persons acting on behalf of the Stabilising Manager) in accordance with all applicable laws and regulations amended from time to time.

The Issuer may, in its absolute discretion, perform market making activities as a liquidity provider in respect of certain tranches of Notes.

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended, and certain of the Notes are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to U.S. Persons.

The Base Prospectus and this Supplemental Prospectus have been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a '**Relevant Member State**') will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes which are the subject of an offering contemplated in the Base Prospectus or this Supplemental Prospectus as completed by final terms in relation to the offer of those Notes may only do so in circumstances in which no obligation arises for the Issuer or any Manager to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Dealer have authorised, nor do they authorise, the making of any offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

SUPPLEMENTAL INFORMATION

The following amendments are hereby made to the Base Prospectus:

(A) The following paragraph is added at the end of the sixth paragraph of the subsection “The Issuer’s results can be adversely affected by general economic conditions and other business conditions” of the section entitled “Risk Factors” on page 4 to 5 of the Base Prospectus:

“ Investor confidence is furthermore affected by recent bail in measures taken in respect of various Cypriot banks and the effects these measures have and have had on clients of these affected Cypriot banks, which include but are not limited to a levy on savings and deposit accounts in excess of EUR 100,000 and restrictions on the transferability of client savings and deposits. Ongoing discussions within the European Union in this context and declarations made by the eurogroup president on possible future bank resolutions, which may affect the position and assets of shareholders, bondholders and/or unsecured depositholders have or may have a further detoriating effect on investor confidence.

By nature of their banking activities, private banks such as the Issuer service a higher degree of clients with savings and deposits in excess of the deposit guarantee scheme’s current reimbursement limit of EUR 100,000 (*depositogarantiestelsel*). Such clients may be more likely to be affected and/or influenced by any measures, whether proposed or actual, taken in respect of such savings and deposits, which may include but are not be limited to the aforementioned bail in measures and bank resolutions. These clients may decide to diversify, decrease or cancel their savings and deposits with banks such as the Issuer. Any of the abovementioned circumstances could have a material adverse effect on the ability of banks such as the Issuer to maintain or increase its current and future liquidity ratios.”

- Efficiency ratio of 60-65%

The plans announced in the Strategic Review Press Release are expected to lead to a further substantial reduction of the cost base from € 409 million in 2012 to approximately € 340 million in 2017.

The Bank will continue to work towards the future realisation of its existing dividend policy – the distribution of 40-50% of the net profit attributable to shareholders. In the short term, the Bank's priority will be to achieve its capital objectives."

(F) The last sentence of the second paragraph directly under the heading "Strategic review" of the section "F. van Lanschot Bankiers N.V." on page 90 of the Base Prospectus is deleted and the following shall be included at the end thereof:

"On 14 May 2014 the Bank announced the results of its strategic review in the Strategic Review Press Release. The Bank announced a clear choice to position itself as a specialised, independent wealth manager, dedicated to the preservation and creation of wealth for its clients.

Reinforcement of the private bank

The clear choice for activities focused on the preservation and creation of wealth is based on the Bank's strength and expertise in this area. Wealth management is the core activity the Bank offers new and existing clients. The client decides how and when services and advice are provided. In private banking too, the Bank sees increasing demand for online services, combined with personal attention and contact with an adviser.

The Bank is responding to these developments by introducing more online services for asset management, investment advice and savings. As clients' financial requirements and inquiries become more complex, specialist knowledge is increasingly important. The Bank sees opportunities to make its experience and expertise accessible to different client groups at all wealth levels. This will open the Bank's doors to clients starting out in wealth management and who are seeking expertise and advice in wealth creation.

The Bank aims to remain the preferred private bank for wealthy clients, entrepreneurs and family businesses. The Bank also focuses on business professionals & executives, healthcare professionals, and associations & foundations.

The Bank plans to expand its services for wealthier clients and those with more complex financial issues. It intends to offer added value in this segment in particular, given its access to the merchant banking and asset management activities of Kempen & Co. This puts institutional advice in asset management, corporate finance and securities within the reach of its clients.

The Bank maintains its local presence with a network of 34 branches and client meeting centres in the Netherlands, Belgium and Switzerland.

In Belgium the Bank aims to increase its presence and market share in private banking, where the Bank expects that the introduction of new online products and services will allow the Bank to serve more clients at different stages of wealth development. It also remains active in Switzerland, through its branches in Zurich and Geneva, to support its services for clients in the Netherlands and Belgium.

Growth in asset management and merchant banking

In recent years Kempen & Co has established its position as an international player in asset management, corporate finance and securities. As a specialised merchant bank and asset manager, Kempen & Co has achieved results in a number of selected niches.

Kempen Capital Management ('**KCM**') has a strong long-term focus and a clear investment vision focused on a number of investment strategies where it is a market leader. It also offers pension funds and insurers an alternative to an in-house investment unit. KCM's growth is the result of the investment performance it achieves for its clients.

Kempen & Co securities and corporate finance have leading positions in the Benelux in securities services, M&A advisory and capital market transactions. Securities and corporate finance have built up strong European positions in three key sectors (indirect real estate, life sciences and cleantech) in which there are still ample growth opportunities. The client base of securities comprises international asset managers and institutional investors. Corporate finance serves listed and unlisted companies in its target sectors, and private equity parties.

Reduction of corporate loan book

Corporate activities that have a clear link to the private banking relationship model, such as the financing of business professionals and executives and healthcare professionals, will be continued and managed by specialists.

The focus on preserving and creating wealth will mean the further reduction of the corporate loan book. To that end, this activity will be transferred to a separate business unit and managed by a dedicated expert team.

As a result risk-weighted assets of € 4.4 billion in the corporate loan book are expected to be reduced by almost half in the coming five years. Such reduction will contribute directly to improving the Core Tier I ratio.

Simplification of product portfolio and IT infrastructure

The Bank's decision to focus on being a pure-play wealth manager means that it intends to phase out activities, products and services that do not fit with that core focus. Its product portfolio still has some of the features of a universal bank. Moreover, clients are increasingly demanding a simple and transparent offering.

Therefore the Bank aims to simplify its product offering significantly in order to respond more effectively to client demands and to create a lean and streamlined organisation and IT-infrastructure.

Impact on organisation and staff

The outcome of the strategic review has consequences for its organisation and its employees. The reduction of the corporate loan book, the simplification of its product portfolio and the slimming down of the infrastructure and organisation is expected to lead to the streamlining of departments and a reduction in the number of jobs.

Some 250 jobs (FTEs) will be lost in the next two years as a result of reorganisation, restructuring, performance management and natural attrition. Compulsory redundancies cannot be ruled out. This is expected to lead to reorganisation charges of € 20 million.

This extends the existing investment and cost reduction programme, which was announced in January 2012. The majority of the job reductions announced at that time is expected to be achieved by the end of 2013. In the longer term the Bank expects a further adjustment in the organisation and the number of jobs. This is to be achieved primarily through performance management and natural attrition.."
