Under the EUR 10,000,000,000 Debt Issuance Programme (the 'Programme') described in the prospectus dated 19 July 2006 (the 'Prospectus') each of LeasePlan Corporation N.V. ('LPCorp') and LeasePlan Finance N.V. (Dublin Branch) ('LPFin' and, together with LPCorp, the 'Issuers') may from time to time issue notes (the 'Notes') denominated in any currency agreed by the Issuer of such Notes (the 'relevant Issuer') and the relevant Dealer (as defined in the Prospectus). Issues of Notes under the Programme by LPFin are guaranteed by LPCorp (in its capacity as such guarantor, the 'Guarantor'). Notes may be distributed by way of a public offer or private placements and, in each case, on a syndicated or non-syndicated basis. The method of distribution and the specific terms and conditions of each relevant series of Notes (a "Series") (or tranche thereof (a "Tranche")) will be stated in the relevant final terms (the "Final Terms").

This supplemental prospectus (the "Supplemental Prospectus") is prepared in connection with the publication of the annual report (including the consolidated audited annual financial statements) for the year ended 31 December 2006 of LPCorp on 4 April 2007 (the "Annual Report 2006"), as information included in the Annual Report 2006 with respect to LPCorp set forth on pages 7 up to and including 11, pages 18 and 19, page 39 and page 41 (the "Relevant Pages") may qualify as a significant new factor relating to the information included in the Prospectus set forth on pages 4, 5, 54, 55, 56, 57, 58, 59, 60, 61 and 62 which is capable of affecting the assessment of any Notes to be issued. In addition, for purposes of (b) on page 20 of the Prospectus, in addition to the publicly available audited annual financial statements for the two most recent years of LPCorp, the publicly available audited annual financial statements of LPCorp as included in the Annual Report 2006 (the "Financial Statements") are incorporated by reference on the same basis as the other documents set out on page 20 of the Prospectus.

The Relevant Pages and the Financial Statements of the Annual Report 2006 have been filed with the AFM and shall be deemed to be incorporated in, and to form part of, this Supplemental Prospectus. This Supplemental Prospectus is supplemental to, forms part of and should be read in conjunction with, the Prospectus. Terms defined in this Supplemental Prospectus shall have the same meaning in the Prospectus, unless specified otherwise. Any parts contained in the Annual Report 2006 other than on the Relevant Pages and the Financial Statements relating to LPCorp shall not be deemed to be incorporated in, and form part of, this Supplemental Prospectus and such non-incorporated parts are either not relevant to investors or covered elsewhere in the Prospectus.

This Supplemental Prospectus has been approved by and filed with the Netherlands Authority for the Financial Markets (the Stichting Autoriteit Financiële Markten, the "AFM"). NOTICE

This Supplemental Prospectus should be read and understood in accordance with any amendment by way of supplement hereto and with any other documents incorporated herein by reference. Full information on the Issuers and any Series or Tranche of Notes is only available on the basis of the combination of the Prospectus, this Supplemental Prospectus and the relevant Final Terms.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Supplemental Prospectus, any amendment or supplement thereto, any document incorporated by reference herein, or the applicable Final Terms, or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuers, the Arranger or any Dealer.

The Prospectus is valid for 12 months following its publication date and this Supplemental Prospectus and any amendment or supplement hereto as well as any Final Terms reflect the status as of their respective dates of issue. The delivery of this Supplemental Prospectus or any Final Terms and the offering, sale or delivery of any Notes shall not in any circumstances imply that the information contained in such documents is correct at any time subsequent to their respective dates of issue or that there has been no adverse change in the financial situation of the Issuers since such date or that any other information supplied in connection with the Programme or the Notes is correct at any time subsequent to the date on which it is supplied or, if different, the time indicated in the document containing the same. Investors should review, inter alia, the most recent financial statements of the Issuers when deciding whether or not to purchase any Notes.

Neither this Supplemental Prospectus nor any other information supplied in connection with the Programme should be considered as a recommendation by the Issuers, the Arranger or any Dealer that any recipient of this Supplemental Prospectus or any other information supplied in connection with the Programme should purchase any Notes. Accordingly, no representation, warranty or undertaking, express or implied, is made by the Arranger or any Dealer in their capacity as such. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes (including an evaluation of the financial condition, creditworthiness and affairs of the Issuers) and the information contained or incorporated by reference in this Supplemental Prospectus, the relevant Final Terms and any supplements;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks (including, without limitation, those described in "Risk Factors" in the Prospectus).

The distribution of this Supplemental Prospectus and the Final Terms and the offer or sale of the Notes may be restricted by law in certain jurisdictions. Persons into whose possession this Supplemental Prospectus or the Final Terms come must inform themselves about, and observe, any such restrictions. See "Subscription and Sale" in the Prospectus.

This Supplemental Prospectus does not constitute an offer or an invitation to subscribe for or purchase the Notes. This Supplemental Prospectus may not be used for the purpose of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such offer or solicitation. None of the Issuers, the Arranger and the Dealers represent that this Supplemental Prospectus may be lawfully distributed, or that Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any jurisdiction other than in certain Member States of the EEA of which the competent authorities have obtained a notification within the meaning of article 18 of the Prospectus Directive, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuers, the Arranger or any Dealer appointed under the Programme which would permit a public offering of the Notes or distribution of this document in any jurisdiction where action for that purpose is required, other than in certain Member States of the EEA.
