INTRODUCTION

This Registration Document constitutes a registration document and, together with the relevant Summary Note (if one is required to be prepared for a particular issue) and the relevant Securities Note (each as defined below), a prospectus for the purposes of Article 5 of Directive 2003/71/EC (the "Prospectus Directive").

ING Bank N.V. (the "Issuer") accepts responsibility for the information contained in this Registration Document. To the best of the knowledge of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Registration Document, when read together with the relevant Summary Note (if one is required to be prepared for a particular issue) and the relevant Securities Note, is in accordance with the facts and does not omit anything likely to affect the import of such information.

On 15 May 2008, the Issuer, along with Postbank Groen N.V., ING Bank (Australia) Limited, ING Bank of Canada, ING (US) Issuance LLC and ING Americas Issuance B.V., published a Base Prospectus (the "Base Prospectus") in respect of a €80,000,000,000 Global Issuance Programme (the "Programme"). From time to time, the Issuer will issue securities notes ("Securities Notes") and may issue summary notes ("Summary Notes") in connection with issues of securities by it, including issues of securities under the Programme. This Registration Document should be read and construed in conjunction with the Base Prospectus, the relevant Summary Note (if one is required to be prepared for a particular issue) and the relevant Securities Note.

This Registration Document was approved by the *Autoriteit Financiële Markten* (the "AFM") for the purposes of the Prospectus Directive on 15 May 2008. Chapter 1 of the Base Prospectus and the details of relevant parties to the Programme on the last five pages of the Base Prospectus are deemed to be incorporated in, and to form part of, this Registration Document. Terms used but not defined herein shall have the meanings given to them in the Base Prospectus.

No person has been authorised to give any information or to make any representation not contained in or not consistent with this Registration Document, the Base Prospectus, the relevant Summary Note (if one is required to be prepared for a particular issue) and the relevant Securities Note and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer.

This Registration Document should not be considered as a recommendation by the Issuer that any recipient of this Registration Document should purchase any securities of the Issuer. Each investor contemplating purchasing any securities of the Issuer should make its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer. This Registration Document does not constitute an offer or invitation by or on behalf of the Issuer to any person to subscribe for or to purchase any securities of the Issuer.

The delivery of this Registration Document shall not in any circumstances imply that the information contained herein concerning the Issuer is correct at any time subsequent to the date hereof. Investors should carefully review and evaluate, *inter alia*, the most recent financial statements of the Issuer when deciding whether or not to purchase any securities of the Issuer.

Other than (if so indicated in the relevant Securities Note) in certain Member States of the European Economic Area (the "EEA"), the Issuer does not represent that this Registration Document may be lawfully distributed, or that any securities of the Issuer may be lawfully offered, in compliance with any applicable registration or other requirements in any jurisdiction, or pursuant

to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer which would permit a public offering of any securities of the Issuer or distribution of this document in any jurisdiction where action for that purpose is required, other than (if so indicated in the relevant Securities Note) in certain Member States of the EEA. Accordingly, any securities of the Issuer may not be offered or sold, directly or indirectly, and neither this Registration Document nor any advertisement or other offering material may be distributed or published in any jurisdiction where such offer, sale, distribution and/or publication would be prohibited.

The distribution of this Registration Document and the offer or sale of any securities of the Issuer may be restricted by law in certain jurisdictions. Persons into whose possession this Registration Document or any securities of the Issuer come must inform themselves about, and observe, any such restrictions. In particular, the restrictions set out in the section of Chapter 1 of the Base Prospectus headed "Subscription and Sale" on the distribution of the Base Prospectus and the offer or sale of (i) Notes in the United States, the EEA, Australia, Austria, Brazil, Chile, France, Hong Kong, India, Italy, Japan, Korea, Mexico, Norway, Singapore, Switzerland, The Netherlands and the United Kingdom and (ii) Warrants in the United States, the EEA, Austria, France, Italy, Norway, Switzerland and the United Kingdom, also apply to this Registration Document and any Notes or Warrants issued by the Issuer under the Programme.

Any securities to be issued by the Issuer in connection with this Registration Document have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") or with any securities regulatory authority of any state or other jurisdiction of the United States. Accordingly, any such securities may not be offered, sold, pledged or otherwise transferred within the United States or to or for the account or benefit of U.S. persons except in accordance with Regulation S under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act and any applicable state securities laws. Registered Notes issued under the Programme may be offered and sold in the United States exclusively to persons reasonably believed by the Issuer, or (as applicable) the Dealers, to be QIBs or placed privately with institutions that are accredited investors as defined in Rule 501(a)(1)-(3) of Regulation D under the Securities Act. Each U.S. purchaser of Registered Notes issued under the Programme is hereby notified that the offer and sale of any Registered Notes to it may be made in reliance upon the exemption from the registration requirements of the Securities Act provided by Rule 144A. To permit compliance with Rule 144A under the Securities Act in connection with the resales of Registered Notes, the Issuer is required to furnish, upon request of a holder of a Registered Note or a prospective purchaser designated by such holder, the information required to be delivered under Rule 144A(d)(4) under the Securities Act. Registered Notes issued under the Programme are not transferable to other holders within the United States except upon satisfaction of certain conditions as described under the section of Chapter 1 of the Base Prospectus headed "Subscription and Sale". Certain U.S. tax law requirements may also apply to U.S. holders of the Notes.

Any securities to be issued by the Issuer in connection with this Registration Document have not been approved or disapproved by the U.S. Securities and Exchange Commission, any state securities commission in the United States or any other U.S. regulatory authority, nor have any of the foregoing authorities passed upon or endorsed the merits of the offering of any such securities or the accuracy or the adequacy of this Registration Document. Any representation to the contrary is a criminal offence in the United States.
