## **RECENT DEVELOPMENTS**

On 13 August 2008 ING Groep N.V. ("ING Group") published the unaudited ING Group 2008 quarterly report for the second quarter of 2008 (the "Quarterly Report"). The Quarterly Report contains, among other things, ING Group's consolidated unaudited interim results as at, and for the three month period ended, 30 June 2008. For information about recent developments in the banking business of ING Group, which is conducted substantially through the Global Issuer and its consolidated group, during this period, see pages 12 to 17 and 56 to 92 of the Quarterly Report, a copy of which has been filed with the Netherlands Authority for the Financial Markets and which information included on such pages of the Quarterly Report, by virtue of this Supplement, is incorporated in, and forms part of, the Prospectus.

Please note, however, that the Global Issuer's consolidated operations are not identical with the reported financial and statistical information on a segment basis for ING Group's banking business as described in the

Quarterly Report. In addition, ING Group is not responsible for production of the Prospectus or for any other information furnished to purchasers of Notes or Warrants. ING Group is not a guarantor or obligor of the Notes or Warrants.
