Neither this Base Prospectus Supplement nor any other information supplied in connection with the Programme or any Covered Bonds should be considered as a recommendation by the Issuer, the CBC, the Originators, the Arranger, any Dealer or the Trustee that any recipient of this Base Prospectus Supplement or any other information supplied in connection with the Programme or any Covered Bonds should purchase any Covered Bonds. Each investor contemplating purchasing any Covered Bonds shall be taken to have made its own independent investigation of the financial condition and affairs, and its own appraisal of the creditworthiness, of the Issuer and the CBC. Neither this Base Prospectus Supplement nor any other information supplied in connection with the Programme or the issue of any Covered Bonds constitutes an offer or invitation by or on behalf of the Issuer, the CBC, the Originators, the Arranger, any Dealer or the Trustee to any person to subscribe for or to purchase any Covered Bonds.

The Arranger, each Dealer and the Trustee expressly do not undertake to review the financial condition or affairs of the Issuer, the CBC or the Originators during the life of the Programme or to advise any investor in the Covered Bonds of any information coming to their attention. Neither the Issuer nor the CBC has

any obligation to update the Base Prospectus, except when required by and in accordance with the Prospectus Regulation.

This Base Prospectus Supplement does not constitute an offer to sell or the solicitation of an offer to buy any Covered Bonds in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of the Base Prospectus, this Base Prospectus Supplement or any Final Terms and the offering, sale and delivery of Covered Bonds may be restricted by law in certain jurisdictions. The Issuer, the CBC, the Originators, the Arranger, each Dealer and the Trustee do not represent that this Base Prospectus Supplement or any Final Terms may be lawfully distributed, or that any Covered Bonds may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, no action has been taken by the Issuer, the CBC, the Originators, the Arranger, any Dealer or the Trustee which would permit a public offering of any Covered Bonds or distribution of the Base Prospectus, this Base Prospectus Supplement or any Final Terms in any jurisdiction where action for that purpose is required. Accordingly, no Covered Bonds may be offered or sold, directly or indirectly, and neither the Base Prospectus or this Base Prospectus Supplement nor any Final Terms nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession the Base Prospectus, this Base Prospectus Supplement, any Final Terms or any Covered Bonds may come must inform themselves about, and observe, any such restrictions on the distribution of the Base Prospectus, this Base Prospectus Supplement and any Final Terms and the offering and sale of Covered Bonds. In particular, there are selling restrictions in relation to the United States, the European Economic Area (including the Netherlands, France, Italy and Luxembourg), the United Kingdom and Japan and other restrictions as may apply, see *Section 1.5 Subscription and Sale* of the Base Prospectus.

The Covered Bonds and the Guarantee (as defined under *Section 1.3 Terms and Conditions of Covered Bonds* of the Base Prospectus) from the CBC have not been and will not be registered under the Securities Act or with any securities regulatory authority of any state or other jurisdiction of the United States. Bearer Covered Bonds for U.S. federal income tax purposes are subject to U.S. tax law requirements. Subject to certain exceptions, the Covered Bonds may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons. Covered Bonds may be distributed (i) outside the United States to persons other than U.S. persons or (ii) within the United States to "qualified institutional buyers" within the meaning of, and in reliance on, Rule 144A under the Securities Act or another available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act, see *Section 1.5 Subscription and Sale* of the Base Prospectus for more information.

Prospective investors should have regard to the factors described under the section headed "Risk Factors" in the Base Prospectus. This Base Prospectus Supplement and the Base Prospectus do not describe all of the risks of an investment in the Covered Bonds. Each potential purchaser of Covered Bonds should determine for itself the relevance of the information contained in this Base Prospectus Supplement and the Base Prospectus and its purchase of Covered Bonds should be based upon such investigation as it deems necessary.

AMENDMENTS OR ADDITIONS TO THE BASE PROSPECTUS

By virtue of this Base Prospectus Supplement the press release of Rabobank, titled “Rabobank posts net result of EUR 1,096 million for 2020 in the face of a Covid-19-dominated year for society, customers and employees”, dated 11 February 2021 is incorporated in, and forms part of, the Base Prospectus.

With effect from the date of this Base Prospectus Supplement the Base Prospectus shall be amended and/or supplemented in the manner described below (references to page numbers are to the pages of the Base Prospectus dated 28 May 2020):

1. Element E.1 in the section “*Incorporation by Reference; Definitions & Interpretation; Final Terms and Drawdown Prospectus; Other Important Information*”, on page 69, the following documents shall be added to the list of documents incorporated in, and form part of, the Base Prospectus (with the replacement of “; and” at the end of paragraph (d) with “;” and the replacement of “.” at the end of paragraph (e) with “; and”):

“(f) the press release of Rabobank dated 11 February 2021, <https://www.rabobank.com/en/press/search/2021/20210211-rabobank-posts-net-result-of-eur-1096-million-for-2020.html>”

2. Due to the changes in relation to the United Kingdom's withdrawal from the European Union, the paragraphs entitled “*MiFID II product governance / target market*” and “*EEA and UK Retail Investors*” in the section “*Important Notices*” on page 66 of the Base Prospectus shall be deleted and restated as follows:

“PROHIBITION OF SALES TO EEA RETAIL INVESTORS: The Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**IDD**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129, including any commission delegated regulation thereunder (the “**Prospectus Regulation**”). Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Covered Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Covered Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

EU MiFID II product governance / target market: The Final Terms in respect of any Covered Bonds will include a legend entitled “*MiFID II Product Governance*” which will outline the target market assessment in respect of the Covered Bonds and which channels for distribution of the Covered Bonds are appropriate. Any person subsequently offering, selling or recommending the Covered Bonds (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the MiFID Product Governance rules under EU Delegated Directive 2017/593 (the “**MiFID Product Governance Rules**”), the Arranger and/or any Dealer subscribing for any Covered Bonds is a manufacturer in respect of such Covered Bonds, but otherwise neither the Arranger nor any Dealer nor any of their respective affiliates will be a manufacturer for the purpose of the MiFID Product Governance Rules.

PROHIBITION OF SALES TO UK RETAIL INVESTORS: The Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to

any retail investor in the United Kingdom (“UK”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“EUWA”); (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Covered Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Covered Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

UK MiFIR product governance / target market: The Final Terms in respect of any Covered Bonds may include a legend entitled “*UK MiFIR Product Governance*” which will outline the target market assessment in respect of the Covered Bonds and which channels for distribution of the Covered Bonds are appropriate. Any person subsequently offering, selling or recommending the Covered Bonds (a “**distributor**”) should take into consideration the target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the target market assessment) and determining appropriate distribution channels.

A determination will be made in relation to each issue about whether, for the purpose of the UK MiFIR Product Governance Rules, any Arranger and/or any Dealer subscribing for any Covered Bonds is a manufacturer under the UK MIFIR Product Governance Rules in respect of such Covered Bonds, but otherwise neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of the UK MIFIR Product Governance Rules.”

3. Due to the changes in relation to the United Kingdom's withdrawal from the European Union, the legends “*Prohibition of sales to EEA and UK retail investors*” and “*MiFID II product governance / Professional investors and eligible counterparties (“ECPS”) only target market*” in the section “*Form of Final terms*” on page 148 shall be deleted and restated as follows:

“PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Covered Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive 2016/97/EU (“**IDD**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Covered Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Covered Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

EU MiFID II product governance / Professional investors and eligible counterparties only target market: Solely for the purposes of [the/each] manufacturer’s product approval process, the target market assessment in respect of the Covered Bonds has led to the conclusion that: (i) the target market for the Covered Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Covered Bonds to eligible counterparties and professional clients are appropriate. [*Consider any negative target market*]. Any person subsequently offering, selling or

recommending the Covered Bonds (a "**distributor**") should take into consideration the manufacturer['s/s'] target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Covered Bonds (by either adopting or refining the manufacturer['s/s'] target market assessment) and determining appropriate distribution channels.

4. Due to the changes in relation to the United Kingdom's withdrawal from the European Union, the paragraph entitled "*Prohibition of Sales to EEA and UK Retail Investors*" in the section "*Subscription and Sale*" on page 212 of the Base Prospectus shall be deleted and restated as follows:

"Prohibition of Sales to EEA Retail Investors

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the European Economic Area. For the purposes of this provision:

- (a) the expression "retail investor" means a person who is one (or more) of the following:
- (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; or
 - (ii) a customer within the meaning of IDD, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or

- (b) the expression "offer" includes the communication in any form and by any means of sufficient information on the terms of the offer and the Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe the Covered Bonds.

Prohibition of sales to UK Retail Investors

Each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered, sold or otherwise made available and will not offer, sell or otherwise make available any Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the Final Terms in relation thereto to any retail investor in the United Kingdom. For the purposes of this provision:

- (a) the expression retail investor means a person who is one (or more) of the following:
 - (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the EUWA; or

 - (b) the expression an offer includes the communication in any form and by any means of sufficient information on the terms of the offer and the Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe for the Covered Bonds.”
5. Due to the introduction of a new withholding tax on interest payments as of 1 January 2021 in the Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), in “Key Features of the Programme, Part. 1 Covered Bonds” on page 10 of the Base Prospectus, “Taxation” shall be deleted and restated as follows:

Taxation:

All payments in respect of the Covered Bonds will be made without withholding or deduction of taxes imposed by any Tax Jurisdiction, unless required by law. In the event that any such withholding or deduction is required by law, the Issuer will make the required withholding or deduction and, save in certain circumstances as provided in Condition 7 (*Taxation*), be required to pay additional amounts to cover the amounts so withheld or deducted or, if the Issuer elects, it may redeem the Series affected. The CBC will not be required or liable to pay any such additional amounts under the Guarantee.

6. Due to the introduction of a new withholding tax on interest payments as of 1 January 2021 in the Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), in the Risk Factor “Risk that Covered Bonds that are subject to optional redemption by the Issuer, including for tax reasons, have a lower market value and reinvestment risk” on page 31 of the Base Prospectus, the following wording shall be deleted:

“ In relation hereto, a new withholding tax of 21.7% on interest payments will become effective in the Netherlands as of 1 January 2021. The new withholding tax will generally apply to interest payments made by an entity tax resident in the Netherlands, like the Issuer, to a ‘related entity’ tax resident in a ‘listed jurisdiction’.

For these purposes, a jurisdiction is considered a ‘listed jurisdiction’, if such jurisdiction (i) has a corporation tax on business profits with a general statutory rate of less than 9% (a ‘low taxed jurisdiction’) and is

designated as such in the ministerial decree of the Dutch Ministry of Finance (the 'Dutch Black List'), or (ii) is included in the EU list of non-cooperative jurisdictions (the 'EU Black List'). The Dutch Black List and the EU Black List are updated periodically.

As at the 2020 Programme Date, the following 24 jurisdictions are listed: American Samoa, Anguilla, Bahamas, Bahrain, Barbados, Bermuda, the British Virgin Islands, the Cayman Islands, Fiji, Guam, Guernsey, Isle of Man, Jersey, Oman, Palau, Panama, Samoa, Seychelles, Trinidad and Tobago, Turkmenistan, Turks and Caicos Islands, Vanuatu, the United Arab Emirates, the U.S. Virgin Islands.

Generally, an entity is considered a related entity if (i) it has a Qualifying Interest (as defined below) in the Issuer, (ii) the Issuer has a Qualifying Interest in such entity, or (iii) a third party has a Qualifying Interest in both the Issuer and such entity. For purposes of the new withholding tax, the term 'Qualifying Interest' means a directly or indirectly held interest – either individually or jointly as part of a collaborating group (*samenwerkende groep*) – that enables the holder of such interest to exercise a decisive influence on the decisions that can determine the activities of the entity in which the interest is held.

The new withholding tax may also apply in situations where artificial structures are put in place with the main purpose or one of the main purposes to avoid the Dutch withholding tax, e.g., where an interest payment to a listed jurisdiction is artificially routed via an intermediate entity in a non-listed jurisdiction. In practice, the Issuer may not always be able to assess whether a holder of Covered Bonds is related to the Issuer and/or located in a listed jurisdiction. The parliamentary history is unclear on the Issuer's responsibilities to determine the absence of affiliation in respect of covered bonds issued in the market, like the Covered Bonds.

If the Covered Bonds become subject to the new withholding tax on interest, which becomes effective as of 1 January 2021, and the Issuer would become obliged to pay additional amounts as provided for in Condition 7 (*Taxation*) of the Terms and Conditions of the Covered Bonds as a result thereof, the Issuer may redeem the Covered Bonds, in whole but not in part, at its option under Condition 6(b) (*Redemption for tax reasons*) of the Terms and Conditions of the Covered Bonds."

7. Due to the introduction of a new withholding tax on interest payments as of 1 January 2021 in the Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), in Part E of the Risk Factors "*Tax risk related to the Covered Bonds*" on page 38 of the Base Prospectus, the following risk factor should be added:

" 20. No Gross-up by the Issuer for new withholding tax on interest in the Netherlands

The Netherlands has introduced a new withholding tax on interest payments as of 1 January 2021 pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*). The new withholding tax generally applies to interest payments made by an entity tax resident in the Netherlands, like the Issuer, to a *related entity* (as described below) tax resident in a Listed Jurisdiction (as defined below).

For purposes of the Dutch Withholding Tax Act 2021, an entity is considered a *related entity* if (i) such entity has a Qualifying Interest (as defined below) in the Issuer; (ii) the Issuer has a Qualifying Interest in such entity; or (iii) a third party has a Qualifying Interest in both the Issuer and such entity. The term "**Qualifying Interest**" means a directly or indirectly held interest – either individually or jointly as part of a collaborating group (*samenwerkende groep*) – that confers a definite influence over the company's decisions and allows the holder of such interest to determine its activities (within the meaning of case law of the European Court of Justice on the right of freedom of establishment (*vrijheid van vestiging*)).

A jurisdiction is considered a listed jurisdiction (a "**Listed Jurisdiction**"), if it is listed in the yearly updated Dutch Regulation on low-taxing states and non-cooperative jurisdictions for tax purposes (*Regeling laagbelastende staten en niet-coöperatieve rechtsgebieden voor belastingdoeleinden*) which includes (i) jurisdictions with a corporation tax on business profits with a general statutory rate of less than 9% and (ii) jurisdictions that are included in the EU list of non-cooperative jurisdictions. For the fiscal year 2021, the following 23 jurisdictions are Listed Jurisdictions: American Samoa, Anguilla, Bahamas, Bahrain, Barbados, Bermuda, the British Virgin Islands, the Cayman Islands, Fiji, Guam, Guernsey, Isle of Man, Jersey, Palau,

Panama, Samoa, Seychelles, Trinidad and Tobago, Turkmenistan, Turks and Caicos Islands, Vanuatu, the United Arab Emirates and the U.S. Virgin Islands.

The new withholding tax may also apply in situations where artificial structures are put in place with the main purpose or one of the main purposes to avoid the Dutch withholding tax, e.g., where an interest payment to a Listed Jurisdiction is artificially routed via an intermediate entity in a non-Listed Jurisdiction, or in the event of a hybrid mismatch.

In practice, the Issuer may not always be able to assess whether a holder of Covered Bonds is a related entity with respect to the Issuer or located in a Listed Jurisdiction. The parliamentary history is unclear on the Issuer's responsibilities to determine the absence of affiliation in respect of covered bonds issued in the market, like the Covered Bonds.

As provided in Condition 7 (*Taxation*), if the Covered Bonds become subject to withholding tax on interest in the Netherlands pursuant to the Dutch Withholding Tax Act 2021, the Issuer will make the required withholding or deduction of such withholding tax for the account of the relevant holder and shall not be obliged to pay any additional amounts to such holder in respect of the withholding or deduction."

8. Due to the introduction of a new withholding tax on interest payments as of 1 January 2021 in the Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), in Condition 7 (*Taxation*) on page 187 of the Base Prospectus, the following should be added after item (v) ("*to a holder who...the relevant tax authority*") (with the replacement of "." with "; or" at the end of paragraph (v)):

- (vi) in respect of any issue of Covered bonds after 30 December 2020, presented for payment by or on behalf of a holder of a Covered Bond who is subject to such taxes pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*).

9. Due to the introduction of a new withholding tax on interest payments as of 1 January 2021 in the Netherlands pursuant to the Dutch Withholding Tax Act 2021 (*Wet bronbelasting 2021*), the section "*1.4 Taxation in the Netherlands*" on page 209 of the Base Prospectus shall be deleted and restated as follows:

1.4 Taxation in the Netherlands

TAX WARNING

Potential investors and sellers of Covered Bonds should be aware that they may be required to pay stamp taxes or other documentary taxes or fiscal duties or charges in accordance with the laws and practices of the country where the Covered Bonds are transferred or other jurisdictions. In addition, payments of interest on the Covered Bonds, or income derived from the Covered Bonds, may be subject to taxation, including withholding taxes, in the jurisdiction of the Issuer, in the jurisdiction of the holder of Covered Bonds, or in other jurisdictions in which the holder of Covered Bonds is required to pay taxes. Any such tax consequences may have an impact on the net income received from the Covered Bonds.

Prospective investors should carefully consider the tax consequences of investing in the Covered Bonds and consult their own tax adviser about their own tax situation. Finally, potential investors should be aware that tax regulations and their application by the relevant taxation authorities change from time to time, with or without retroactive effect. Accordingly, it is not possible to predict the precise tax treatment which will apply at any given time.

MATERIAL DUTCH TAX CONSIDERATIONS

General

The following is a general summary of certain material Dutch tax consequences of the acquisition, holding, redemption and disposal of Covered Bonds, which term, for the purpose of this summary, includes Coupons and Talons. This summary does not purport to be a comprehensive description of all Dutch tax considerations that may be relevant to a Covered Bondholder or prospective Covered Bondholder and does not purport to deal with the tax consequences applicable to all categories of investors, some of which (such as trusts or similar arrangements) may be subject to special rules. In view of its general nature, this general summary should be treated with corresponding caution.

This summary is based on the tax laws of the Netherlands, published regulations thereunder and published authoritative case law, all as in effect on the date of this Base Prospectus, and all of which are subject to change, possibly with retroactive effect. Where the summary refers to "the Netherlands" or "Dutch" it refers only to the part of the Kingdom of the Netherlands located in Europe.

This discussion is for general information purposes only and is not Dutch tax advice or a complete description of all Dutch tax consequences relating to the acquisition, holding, redemption and disposal of the Covered Bonds. Holders or prospective holders of Covered Bonds should consult their own tax advisers regarding the tax consequences relating to the acquisition, holding, redemption and disposal of the Covered Bonds in light of their particular circumstances.

Withholding tax

Non-related holders of Covered Bonds

All payments of principal and interest made by the Issuer under the Covered Bonds to holders of Covered Bonds other than holders that are *related entities* (within the meaning of the Dutch Withholding Tax Act 2021; *Wet bronbelasting 2021*) (see below) in respect of the Issuer may be made free of withholding or deduction of, for or on account of any taxes of whatever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein.

Entities related to the Issuer

Payments of principal and interest made by the Issuer under the Covered Bonds to holders of Covered Bonds that are related entities (within the meaning of the Dutch Withholding Tax Act 2021) (see below) in respect of the Issuer may become subject to Dutch withholding tax at a rate of 25% (rate for 2021), if such related entity:

- i. is considered to be resident (*gevestigd*) in a jurisdiction that is listed in the yearly updated Dutch Regulation on low-taxing states and non-cooperative jurisdictions for tax purposes (Regeling laagbelastende staten en niet-coöperatieve rechtsgebieden voor belastingdoeleinden) (a "Listed Jurisdiction"); or
- ii. has a permanent establishment located in a Listed Jurisdiction to which the interest payment is attributable; or
- iii. is entitled to the interest payment for the main purpose or one of the main purposes to avoid taxation for another person; or
- iv. is a hybrid entity (a hybrid mismatch), or
- v. is not resident in any jurisdiction,

all within the meaning of the Dutch Withholding Tax Act 2021.

Listed Jurisdiction

For the fiscal year 2021, the following 23 jurisdictions are Listed Jurisdictions: American Samoa, Anguilla, Bahamas, Bahrain, Barbados, Bermuda, the British Virgin Islands, the Cayman Islands, Fiji, Guam, Guernsey, Isle of Man, Jersey, Palau, Panama, Samoa, Seychelles, Trinidad and Tobago, Turkmenistan, Turks and Caicos Islands, Vanuatu, the United Arab Emirates and the U.S. Virgin Islands.

Related entity

For purposes of the Dutch Withholding Tax Act 2021, an entity is considered a *related entity* if:

- i. such entity has a Qualifying Interest (as defined below) in the Issuer;
- ii. the Issuer has a Qualifying Interest in such entity; or
- iii. a third party has a Qualifying Interest in both the Issuer and such entity.

The term "Qualifying Interest" means a directly or indirectly held interest – either individually or jointly as part of a collaborating group (*samenwerkende groep*) – that confers a definite influence over the entity's decisions and allows the holder of such interest to determine its activities (within the meaning of case law of the European Court of Justice on the right of freedom of establishment (*vrijheid van vestiging*)).

Taxes on income and capital gains

Please note that the summary in this section does not describe the Dutch tax consequences for:

- i. Covered Bondholders if such holders, and in the case of individuals, such holder's partner or certain of their relatives by blood or marriage in the direct line (including foster children), have a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in the Issuer under the Dutch Income Tax Act 2001 (*Wet inkomstenbelasting 2001*). Generally speaking, a holder of securities in a company is considered to hold a substantial interest in such company, if such holder alone or, in the case of individuals, together with such holder's partner (as defined in the Dutch Income Tax Act 2001), directly or indirectly, holds (i) an interest of 5% or more of the total issued and outstanding capital of that company or of 5% or more of the issued and outstanding capital of a certain class of shares of that company; or (ii) rights to acquire, directly or indirectly, such interest; or (iii) certain profit sharing rights in that company that relate to 5% or more of the company's annual profits or to 5% or more of the company's liquidation proceeds. A deemed substantial interest may arise if a substantial interest (or part thereof) in a company has been disposed of, or is deemed to have been disposed of, on a non-recognition basis;
- ii. pension funds, investment institutions (*fiscale beleggingsinstellingen*), exempt investment institutions (*vrijgestelde beleggingsinstellingen*) (as defined in the Dutch Corporate Income Tax Act 1969; *Wet op de vennootschapsbelasting 1969*) and other entities that are, in whole or in part, not subject to or exempt from Dutch corporate income tax; and
- iii. Covered Bondholders who are individuals for whom the Covered Bonds or any benefit derived from the Covered Bonds are a remuneration or deemed to be a remuneration for activities performed by such holders or certain individuals related to such holders (as defined in the Netherlands Income Tax Act 2001).

Dutch Resident Entities

Generally speaking, if the Covered Bondholder is an entity that is a resident or deemed to be resident of the Netherlands for Dutch corporate income tax purposes (a "Dutch Resident Entity"), any payment under the Covered Bonds or any gain or loss realized on the disposal or deemed disposal of the Covered Bonds is subject to Dutch corporate income tax at a rate of 15% with respect to taxable profits up to €245,000 and 25% with respect to taxable profits in excess of that amount (tax rates and brackets as applicable for 2021).

Dutch Resident Individuals

If a Covered Bondholder is an individual, resident or deemed to be resident of the Netherlands for Dutch income tax purposes (a "Dutch Resident Individual"), any payment under the Covered Bonds or any gain or loss realized on the disposal or deemed disposal of the Covered Bonds is taxable at the progressive income tax rates (with a maximum of 49.5% in 2021), if:

- a) the Covered Bonds are attributable to an enterprise from which the Covered Bondholder derives a share of the profit, whether as an entrepreneur (*ondernemer*) or as a person who has a co-entitlement to the net worth (*medegerechtigd tot het vermogen*) of such enterprise without being a shareholder (as defined in the Dutch Income Tax Act 2001); or
- b) the Covered Bondholder is considered to perform activities with respect to the Covered Bonds that go beyond ordinary asset management (*normaal, actief vermogensbeheer*) or derives benefits from the Covered Bonds that are taxable as benefits from other activities (*resultaat uit overige werkzaamheden*).

Income from savings and investments. If the above-mentioned conditions (a) and (b) do not apply to the individual Covered Bondholder, such holder will be taxed annually on a deemed return (with a maximum of 5.69% in 2021) on the individual's net investment assets (*rendementsgrondslag*) for the year, insofar the individual's net investment assets for the year exceed a statutory threshold. The deemed return on the individual's net investment assets for the year is taxed at a rate of 31%. Actual income, gains or losses in respect of the Covered Bonds are as such not subject to Dutch income tax.

The net investment assets for the year are the fair market value of the investment assets less the allowable liabilities on 1 January of the relevant calendar year. The Covered Bonds are included as investment assets. For the net investment assets on 1 January 2021, the deemed return ranges from 1.90% up to 5.69% (depending on the aggregate amount of the net investment assets on 1 January 2021). The deemed return will be adjusted annually on the basis of historic market yields.

Non-residents of the Netherlands

A Covered Bondholder that is neither a Dutch Resident Entity nor a Dutch Resident Individual will not be subject to Dutch taxes on income or capital gains in respect of any payment under the Covered Bonds or in respect of any gain or loss realized on the disposal or deemed disposal of the Covered Bonds, provided that:

- a) such holder does not have an interest in an enterprise or deemed enterprise (as defined in the Dutch Income Tax Act 2001 and the Dutch Corporate Income Tax Act 1969) which, in whole or in part, is either effectively managed in the Netherlands or carried on through a permanent establishment, a deemed permanent establishment or a permanent representative in the Netherlands and to which enterprise or part of an enterprise the Covered Bonds are attributable; and
- b) in the event the holder is an individual, such holder does not carry out any activities in the Netherlands with respect to the Covered Bonds that go beyond ordinary asset management and does not derive benefits from the Covered Bonds that are taxable as benefits from other activities in the Netherlands.

Gift and inheritance taxes

Residents of the Netherlands

Gift or inheritance taxes will arise in the Netherlands with respect to a transfer of the Covered Bonds by way of a gift by, or on the death of, a holder of such Covered Bonds who is resident or deemed resident of the Netherlands at the time of the gift or such holder's death.

Non-residents of the Netherlands

No Dutch gift or inheritance taxes will arise on the transfer of Covered Bonds by way of gift by, or on the death of, a Covered Bondholder who is neither resident nor deemed to be resident of the Netherlands, unless:

- a) in the case of a gift of a Covered Bond by an individual who at the date of the gift was neither resident nor deemed to be resident of the Netherlands, such individual dies within 180 calendar days after the date of the gift, while being resident or deemed to be resident of the Netherlands; or
- b) in the case of a gift of a Covered Bond is made under a condition precedent, the holder of the Covered Bond is resident or is deemed to be resident of the Netherlands at the time the condition is fulfilled; or
- c) the transfer is otherwise construed as a gift or inheritance made by, or on behalf of, a person who, at the time of the gift or death, is or is deemed to be resident of the Netherlands.

For purposes of Dutch gift and inheritance taxes, amongst others, a person that holds the Dutch nationality will be deemed to be resident of the Netherlands if such person has been resident of the Netherlands at any time during the ten (10) years preceding the date of the gift or such person's death. Additionally, for purposes of Dutch gift tax, amongst others, a person not holding the Dutch nationality will be deemed to be resident of the Netherlands if such person has been resident of the Netherlands at any time during the twelve (12) months preceding the date of the gift. Applicable tax treaties may override deemed residency.

Value added tax (VAT)

No Dutch VAT will be payable by a holder of Covered Bonds on (i) any payment in consideration for the issue of the Covered Bonds or (ii) the payment of interest or principal by the Issuer under the Covered Bonds.

Other taxes and duties

No Dutch registration tax, stamp duty or any other similar documentary tax or duty will be payable by a holder of Covered Bonds in respect of (i) the issue of the Covered Bonds or (ii) the payment of interest or principal by the Issuer under the Covered Bonds.
