SIXTH SUPPLEMENT TO THE BASE PROSPECTUS RELATING TO

WARRANTS

ABN AMRO BANK N.V.

LAUNCHPAD PROGRAMME

This Supplement (the “**Supplement**”) to the Base Prospectus relating to Warrants dated 5 October 2007 (the “**Warrants Base Prospectus**”) issued under the LaunchPAD Programme (the “**Programme**”) established by ABN AMRO Bank N.V. (the “**Issuer**”) constitutes a supplement for the purposes of Article 16 of Directive 2003/71/EC (the “**Prospectus Directive**”) and is prepared in connection with the Programme. Terms defined in the Warrants Base Prospectus have the same meaning when used in this Supplement, unless the context otherwise requires.

This Supplement is supplemental to, and should be read in conjunction with, the Warrants Base Prospectus as supplemented by the first supplement dated 11 October 2007 (the “**First Supplement**”), the second supplement dated 1 November 2007 (the “**Second Supplement**”), the third supplement dated 28 February 2008 (the “**Third Supplement**”), the fourth supplement dated 31 March 2008 (the “**Fourth Supplement**”) and the fifth supplement dated 7 July 2008 (the “**Fifth Supplement**”).

The Issuer accepts responsibility for the information contained in this Supplement. To the best of the knowledge and belief of the Issuer (which has taken all reasonable care to ensure that such is the case) the information contained in this Supplement is in accordance with the facts and does not omit anything likely to affect the import of such information.

The Issuer proposes to issue Inflation Index Warrants II (the “**New Warrants**”) under the Programme. Accordingly, the following amendments are made to the Warrants Base Prospectus:

- the Product Conditions on pages 47 to 173 of the Warrants Base Prospectus shall be deemed to be amended by insertion of the Product Conditions relating to the New Warrants as set out in Annex A to this Supplement immediately before the heading entitled “Form of Final Terms” on page 174 of the Warrants Base Prospectus;
- the form of Final Terms on pages 174 to 199 of the Warrants Base Prospectus shall be deemed to be amended by the insertion of the text in Annex B immediately before the heading “Responsibility” on page 199 of the Warrants Base Prospectus; and

To the extent that there is any inconsistency between (a) any statement in this Supplement and (b) any other statement in or incorporated by reference in the Prospectus, the statements in (a) above will prevail.

There has been no significant change in the financial position of the Issuer since 31 December 2007. There has been no material adverse change in the financial position or prospects of the Issuer since 31 December 2007 other than resulting from the acquisition of ABN AMRO Holding N.V. by RBS, Fortis and Santander (the “**Consortium Banks**”) and the transition of entities and businesses resulting from this. Please refer to page 6 of the Registration Document for an update on the restructuring.

Save as disclosed in this Supplement, there has been no significant new factor, material mistake or inaccuracy relating to information included in the Warrants Base Prospectus since the publication of the Warrants Base Prospectus.

2. FORM

- (a) Global Form. Except in the case of Securities issued in dematerialised form, the Securities are represented by a Global Security (the “**Global Security**”) which will be deposited with the Clearing Agent and will be transferable only in accordance with the applicable law and the rules and procedures of the relevant Clearing Agent through

whose systems the Securities are transferred. Each person (other than another Clearing Agent) who is for the time being shown in the records of the relevant Clearing Agent as the owner of a particular unit quantity of the Securities (in which regard any certificate or other document issued by the relevant Clearing Agent as to the unit quantity of the Securities standing to the credit of the account of any person shall be conclusive and binding for all purposes except in the case of manifest error) shall be treated by the Issuer and each Agent as the holder of such unit quantity of the Securities (and the term “**Holder**” shall be construed accordingly) for all purposes, other than with respect to any payment and / or delivery obligations, the right to which shall be vested as regards the Issuer and the Agents, solely in the bearer of the Global Security.

- (b) Dematerialised Form. Certain Securities will, where required by the rules and procedures of the Clearing Agent, be issued in dematerialised form and will be registered in the book-entry system of the Clearing Agent. Title to the Securities will pass by transfer between accountholders at the Clearing Agent perfected in accordance with the legislation, rules and regulations applicable to and/or issued by the Clearing Agent that are in force and effect from time to time (the “**Rules**”). Accordingly, in these Conditions, the term “**Holder**” means a person in whose name a Security is registered in the book-entry settlement system of the Clearing Agent or any other person recognised as a holder of Securities pursuant to the Rules.

3. RIGHTS AND PROCEDURES

- (a) Exercise. The Holder may Exercise the Securities in amounts divisible wholly by the Integral Multiple provided that (i) if a Minimum Exercise Number is specified in the definition of the Series in the applicable Final Terms, at least such Minimum Exercise Number of Securities must be Exercised at the same time and (ii) if a Maximum Exercise Number is specified in the definition of the Series in the applicable Final Terms, no more than such Maximum Exercise Number of Securities may be Exercised at the same time. If the Securities are specified as European Style Securities in the definition of the relevant Series in the applicable Final Terms, the Securities are only Exercisable on the Exercise Date. If the Securities are specified as American Style Securities in the definition of the relevant Series in the applicable Final Terms, the Securities are Exercisable on any Exercise Date. Any Securities with respect to which no Notice has been delivered in the manner set out in Product Condition 3(e) at or prior to the Exercise Time on the Exercise Date shall (i) if Automatic Exercise is specified in the definition of the relevant Series in the applicable Final Terms, be deemed to be automatically Exercised if in the case of Call Warrants or in the case of

Put Warrants the calculation of the Cash Amount is greater than zero and (ii) if Automatic Exercise is not specified in the definition of the relevant Series in the applicable Final Terms, be void. If the Securities are specified as American Style Securities in the definition of the relevant Series in the applicable Final Terms and an Exercise Notice is delivered in the manner set out in Product Condition 3(e) after the Exercise Time on any Business Day during the Exercise Period it shall be deemed to have been delivered prior to the Exercise Time on the Business Day following the actual day of delivery.

- (b) Cash Settlement. Each Security upon due or, if applicable, deemed Exercise and subject to certification as to non-U.S. beneficial ownership entitles its holder to receive from the Issuer, on the Settlement Date, the Cash Amount.
- (c) Interim Payment. If “Interim Payment” is specified as being “Applicable” in the definition of the relevant Series in the applicable Final Terms, each Security entitles its holder to receive from the Issuer, on each Interim Payment Date, the Interim Amount (if applicable).
- (d) Payment Day. If the date for payment of any amount in respect of the Securities is not a Payment Day, the Holder shall not be entitled to payment until the next following Payment Day and shall not be entitled to any interest or other payment in respect of such delay.
- (e) General. In the absence of gross negligence or wilful misconduct on its part, none of the Issuer, the Calculation Agent and any Agent shall have any responsibility for any errors or omissions in the calculation of any Cash Amount or Interim Amount.
- (f) Notice. All payments shall be subject to the delivery of a duly completed notice (a “**Notice**”) to a Clearing Agent with a copy to the Principal Agent. The form of the Notice may be obtained during normal business hours from the specified office of each Agent. A Notice shall:
 - (i) specify the number of Securities to which it relates;
 - (ii) specify the number of the account with the Clearing Agent to be debited with the Securities to which it relates;
 - (iii) irrevocably instruct and authorise the Clearing Agent to debit on or before the Settlement Date such account with such Securities;
 - (iv) specify the number of the account with the Clearing Agent to be credited with any Cash Amount;

- (v) certify that neither the person exercising the Securities nor any person on whose behalf the Securities are being exercised is a U.S. person or a person within the United States. As used herein, “**U.S. person**” means (A) an individual who is a resident or a citizen of the United States; (B) a corporation, partnership or other entity organised in or under the laws of the United States or any political subdivision thereof or which has its principal place of business in the United States; (C) any estate or trust which is subject to United States federal income taxation regardless of the source of its income; (D) any trust if a court within the United States is able to exercise primary supervision over the administration of the trust and if one or more United States trustees have the authority to control all substantial decisions of the trust; (E) a pension plan for the employees, officers or principals of a corporation, partnership or other entity described in (B) above; (F) any entity organised principally for passive investment, 10 per cent. or more of the beneficial interests in which are held by persons described in (A) to (E) above if such entity was formed principally for the purpose of investment by such persons in a commodity pool the operator of which is exempt from certain requirements of Part 4 of the United States Commodity Futures Trading Commission's regulations by virtue of its participants being non-U.S. persons; or (G) any other “U.S. person” as such term may be defined in Regulation S under the United States Securities Act of 1933, as amended, or in regulations adopted under the United States Commodity Exchange Act; and
- (vi) authorise the production of such notice in any applicable administrative or legal proceedings.
- (g) **Verification.** In respect of each Notice, the relevant Holder must provide evidence reasonably satisfactory to the Principal Agent of its holding of such Securities.
- (h) **Settlement.** The Issuer shall pay or cause to be paid the Cash Amount (if any) for each Security with respect to which a Notice has been delivered to the account specified in the relevant Notice for value on the Settlement Date.
- (i) **Determinations.** Failure properly to complete and deliver a Notice may result in such notice being treated as null and void. Any determination as to whether a Notice has been properly completed and delivered shall be made by the Principal Agent and shall be conclusive and binding on the Issuer and the relevant Holder. Subject as set out below, any Notice so determined to be incomplete or not in proper form, or which is

not copied to the Principal Agent immediately after being delivered to a Clearing Agent as provided in the Conditions shall be void.

If such Notice is subsequently corrected to the satisfaction of the Principal Agent, it shall be deemed to be a new Notice submitted at the time such correction is delivered to such Clearing Agent and copied to the Principal Agent.

Except where Automatic Exercise is specified in the definition of the relevant Series in the applicable Final Terms and the Securities are automatically exercised in accordance with Product Condition 3(a), any Security with respect to which the Notice has not been duly completed and delivered in the manner set out above by the time specified in Product Condition 3(a) shall become void.

The Principal Agent shall use its best efforts promptly to notify the relevant Holder if it has determined that an Notice is incomplete or not in proper form. In the absence of gross negligence or wilful misconduct on its part, neither the Issuer nor the Principal Agent shall be liable to any person with respect to any action taken or omitted to be taken by it in connection with such determination or the notification of such determination to a Holder.

- (j) Delivery of a Notice. Delivery of a Notice shall constitute an irrevocable election by the relevant Holder to exercise the Securities specified and no Notice may be withdrawn after receipt by a Clearing Agent as provided above. After the delivery of a Notice the Securities which are the subject of such notice may not be transferred.
- (k) Exercise and Settlement Risk. Exercise and settlement of the Securities is subject to all applicable laws, regulations and practices in force at the relevant time and neither the Issuer nor any Agent shall incur any liability whatsoever if it is unable to effect the transactions contemplated, after using all reasonable efforts, as a result of any such laws, regulations or practices. Neither the Issuer nor the Agents shall under any circumstances be liable for any acts or defaults of any Clearing Agent in relation to the performance of its duties in relation to the Securities.

4. ADJUSTMENTS

- (a) Market Disruption. The Calculation Agent shall as soon as reasonably practicable under the circumstances notify the Holders in accordance with General Condition 4 if it determines that a Market Disruption Event has occurred.

A “**Market Disruption Event**” means the Index Sponsor fails to calculate and announce the level of the Index.

- (b) Adjustments to Index. The Calculation Agent shall give notice as soon as practicable to the Holders in accordance with General Condition 4 of any determination made by it pursuant to paragraphs (i), (ii), or (iii) below:
- (i) If the Index is (A) not calculated and announced in its usual way but is calculated and published in a different way but in a way acceptable to the Calculation Agent; or (B) replaced by a successor index using, in the determination of the Calculation Agent, the same or a substantially similar formula for and method of calculation as used in the calculation of the relevant Index, then (in either case) the relevant Index will be deemed to be the Index so calculated and announced by that successor index, as the case may be.
 - (ii) If (A) on or prior to the Valuation Month there is a material change in the formula for or the method of calculating the Index or the Index Sponsor in any other way materially modifies the Index (other than a modification prescribed in that formula or method to maintain the Index in the event of changes in constituent securities and other routine events) then the Calculation Agent shall (a) determine the Reference Price using, in lieu of a published level for the Index, the level for the Index as determined by the Calculation Agent acting in good faith and in a commercially reasonable manner or (b) shall deem such modified Index to be the Index so calculated and announced or (c) shall terminate the Securities by giving notice in accordance with General Condition 4.
 - (iii) The Issuer reserves the right to issue further Securities, make adjustments or to distribute to the Holders any rights in connection with the Securities as it reasonably believes are appropriate in circumstances where an event or events occur which the Issuer (in its absolute discretion and notwithstanding any adjustments previously made to the Securities) believes should, in the context of the issue of Securities and its obligations hereunder, give rise to such adjustment or distribution, provided that such adjustment is considered by the Calculation Agent either to be appropriate generally (without considering the individual circumstances of any Holder or the tax or other consequences of such adjustment in any particular jurisdiction) or to be required to take account of provisions of the laws of the relevant jurisdiction or the practices of the relevant exchange.
- (c) The Calculation Agent may make adjustments to the Conditions in order to account for any such event if it considers it appropriate to do so. The Calculation Agent shall, as

soon as practicable after receipt of any written request to do so, advise a Holder of any determination made by it pursuant to this Product Condition 4 on or before the date of receipt of such request. The Calculation Agent shall make available for inspection by Holders copies of any such determinations. In making any such determinations and calculations in respect of the Securities, the Calculation Agent shall act at all times in good faith and a commercially reasonable manner.

5. EFFECT OF FINAL TERMS

The Final Terms applicable to any Series of Securities may specify amendments to these Product Conditions in so far as they apply to that Series. Notwithstanding the foregoing, consideration will be given as to whether such amendments constitute "significant new factors" and consequently trigger the need for a supplement to the Base Prospectus (as defined in the Final Terms) under Article 16 of Directive 2003/71/EC.
