Programme for the Issuance of Debt Instruments

Under this Programme for the Issuance of Debt Instruments (the **Programme**), each of AEGON N.V. and AEGON Funding Company LLC (each an **Issuer** and together the **Issuers**) may from time to time issue Notes (**Notes**) and AEGON N.V. as Issuer may from time to time issue capital securities (**Capital Securities**), and together with the Notes, **Instruments**) denominated in any currency agreed between the Issuer and the relevant Dealer (as defined below).

If the Notes are issued by AEGON Funding Company LLC, the Notes will be issued with the benefit of a guarantee by AEGON N.V. in its capacity as guarantor (the **Guarantor**).

The maximum aggregate nominal amount of all Instruments from time to time outstanding under the Programme will not exceed US\$ 6,000,000,000 (or its equivalent in other currencies calculated as described in the Programme Agreement described herein), subject to increase as described herein.

The Instruments may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Base Prospectus to the **relevant Dealer** shall, in the case of an issue of Dealers being (or intended to be) subscribed by more than one Dealer, be to all Dealers agreeing to subscribe such Instruments.

An investment in the Instruments issued under the Programme involves certain risks. For a discussion of these risks see "Risk Factors".

The Authority for the Financial Markets (*Autoriteit Financiële Markten*, the **AFM**), in its capacity as competent authority under the Dutch Act on financial supervision (*Wet op het financieel toezicht*, the **Wft**), has approved this Base Prospectus pursuant to Chapter 5 of the Wft.

Application has been made to Euronext Amsterdam N.V. (**Euronext Amsterdam**) to allow Instruments issued under the Programme, during the period of 12 months from the date of this Base Prospectus, to be admitted to trading and to be listed on NYSE Euronext in Amsterdam.

References in this Base Prospectus to Instruments being **listed** (and all related references) shall mean that such Instruments have been admitted to trading and listing on NYSE Euronext in Amsterdam. NYSE Euronext in Amsterdam is a regulated market for the purposes of Directive 2004/39/EC (the **Markets in Financial Instruments Directive**).

Notice of the aggregate nominal amount of Instruments, interest (if any) payable in respect of Instruments, the issue price of Instruments and any other terms and conditions not contained herein which are applicable to each Tranche (as defined under "*Terms and Conditions of the Notes/Capital Securities*") of Instruments will be set out in a final terms document (the **Final Terms**) which, with respect to Instruments to be listed on NYSE Euronext in Amsterdam will be filed with the AFM and Euronext Amsterdam on or before the date of issue of the Instruments of such Tranche.

The Programme provides that Instruments may be listed or admitted to trading, as the case may be, on such other or further stock exchanges or markets as may be agreed between the relevant Issuer and the relevant Dealer. The Issuers may also issue unlisted Instruments and/or Instruments not admitted to trading on any market.

The Issuers may agree with any Dealer that Instruments may be issued in a form not contemplated by the Terms and Conditions of the Instruments herein, in which event a supplemental Base Prospectus, if appropriate, will be made available which will describe the effect of the agreement reached in relation to such Instruments.

The rating of certain Series of Instruments to be issued under the Programme may be specified in the applicable Final Terms. Whether or not each credit rating applied for in relation to the relevant Series of Notes will be issued by a credit rating agency established in the European Union and registered under Regulation (EC) No. 1060/2009 (the **CRA Regulation**) will be disclosed in the Final Terms.

Notes issued in bearer form

In respect of each Tranche of Notes issued in bearer form, the relevant Issuer will issue a temporary global Note. Each temporary global Note which is not intended to be issued in New Global Note (NGN) form (a **Classic Global Note** or **CGN**), as specified in the relevant Final Terms, will be deposited on or before the relevant issue date either (i) with a depositary or a common depositary for Euroclear Bank S.A./N.V. In that event, the relevant Issuer will (subject to certain exceptions) pay such additional amounts as will result in the holders of Instruments or Coupons receiving such amounts as they would have received in respect of such Instruments or Coupons had no such withholding or deduction been required. Required Deferral of Payment:	<p>In the event AEGON, before becoming subject to Capital Adequacy Regulations, determines that it is not Solvent or that a Payment on Capital Securities would result in it becoming not Solvent, AEGON must defer all or part of such Payment. In the event AEGON, after becoming subject to Capital Adequacy Regulations, determines that it is subject to a Regulatory Event or that a Payment on Capital Securities would result in it becoming subject to a Regulatory Event, AEGON must defer all or part of such Payment. With the exception of certain circumstances set out in Condition 6 of the Capital Securities, in each such case the deferred Payment will not bear interest. See further Condition 4 and Condition 6 of the Terms and Conditions of the Capital Securities.</p> <p>The Terms and Conditions of the Notes also contain certain interest deferral provisions with respect to the Subordinated Notes, see further Condition 5E of the Terms and Conditions of the Notes.</p>
Optional Deferral of Payment	Subject to a Mandatory Payment Event or a Mandatory Partial

Payment Event occurring, the Issuer may defer all or part of any Payment on Capital Securities. In that case, such deferred Payment will bear interest at the Applicable Coupon Rate. See further Condition 4 of the Terms and Conditions of the Capital Securities.

The Terms and Conditions of the Notes also contain certain interest deferral provisions with respect to the Subordinated Notes, see further Condition 5E of the Terms and Conditions of the Notes.

Dividend Pusher; Mandatory Payments and Mandatory Partial Payments

If a Mandatory Payment Event or Mandatory Partial Payment Event occurs then all Deferred Coupon Payments will become mandatorily due and payable in full on the date of the event as described under Condition 4 of the Terms and Conditions of the Capital Securities – "*Dividend Pusher; Mandatory Payments and Mandatory Partial Payments*". Such Deferred Coupon Payments will only be satisfied in accordance with the provisions of the Alternative Interest Satisfaction Mechanism. See further Condition 4 and Condition 6 of the Terms and Conditions of the Capital Securities.

The Terms and Conditions of the Notes also contain certain interest deferral provisions with respect to the Subordinated Notes, see further Condition 5E of the Terms and Conditions of the Notes.

Selling Restrictions:

For a description of certain restrictions on offers, sales and deliveries of Instruments and on the distribution of offering material generally and under the laws of the United States of America, Japan and the European Economic Area (including The Netherlands, the United Kingdom and France) see under "Subscription and Sale". Further restrictions may be required in connection with any particular Tranche of Instruments and will be specified in the documentation relating to such Tranche.

Negative Pledge:

See Condition 4 of the Terms & Conditions of the Notes.

Cross Default:

See Condition 7 of the Terms & Conditions of the Notes.

Risk factors:

There are certain factors that may affect the relevant Issuer's and Guarantor's ability to fulfill their obligations under the Instruments issued under the Programme. These are set out under "Risk Factors and Other Key Information" in the Registration Document (as defined below) and include credit risk, interest rate risk, equity market risk and currency exchange risk. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Instruments issued under the Programme. These are set out under "*Risk Factors*" and include the fact that the Instruments may not be a suitable investment for all investors, certain risks relating to the structure of particular Series of Notes and certain market risks.

RISK FACTORS

Each of the Issuers believes that the factors described below and the risk factors contained in the Registration Document (as defined below) represent the principal risks inherent in investing in Instruments issued under the Programme, but the inability of the relevant Issuer to pay interest, principal or other amounts on or in connection with any Instruments may occur for other reasons and the relevant Issuer does not represent that the statements below and the risk factors contained in the Registration Document regarding the risks of holding any Instruments are exhaustive. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and the Registration Document and reach their own views prior to making any investment decision. Capitalised terms which are not defined below will have the meaning set out in the Terms & Conditions of the Notes and the Capital Securities.

Factors which are material for the purpose of assessing the market risks associated with Instruments issued under the Programme

The Instruments may not be a suitable investment for all investors

Each potential investor in the Instruments must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (i) have sufficient knowledge and experience to make a meaningful evaluation of the Instruments, the merits and risks of investing in the Instruments and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (ii) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Instruments and the impact the Instruments will have on its overall investment portfolio;
- (iii) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Instruments, including Instruments with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (iv) understand thoroughly the terms of the Instruments and be familiar with the behaviour of any relevant indices and financial markets; and
- (v) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Instruments are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Instruments which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Instruments will perform under changing conditions, the resulting effects on the value of the Instruments and the impact this investment will have on the potential investor's overall investment portfolio.

Risks related to the structure of a particular issue of Instruments

A wide range of Instruments may be issued under the Programme. A number of these Instruments may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Instruments subject to optional redemption by the Issuers

An optional redemption feature of Instruments is likely to limit their market value. During any period when an Issuer may elect to redeem Instruments, the market value of those Instruments generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

An Issuer may be expected to redeem Instruments when its cost of borrowing is lower than the interest rate on the Instruments. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Instruments being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Dual Currency Instruments

The Issuers may issue Instruments with principal or interest payable in one or more currencies which may be different from the currency in which the Instruments are denominated. Potential investors should be aware that:

- (i) the market price of such Instruments may be volatile; and
- (ii) payment of principal or interest may occur at a different time or in a different currency than expected.

Partly-paid Instruments

The Issuers may issue Instruments where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of his investment.

Variable rate Instruments with a multiplier or other leverage factor

Instruments with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Instruments

Inverse Floating Rate Instruments have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as EURIBOR and LIBOR. The market values of those Instruments typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Instruments are more volatile because an increase in the reference rate not only decreases the interest rate of the Instruments, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Instruments.

Fixed/Floating Rate Instruments

Fixed/Floating Rate Instruments may bear interest at a rate that the relevant Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. An Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Instruments since the relevant Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If an Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Instruments may be less favourable than then prevailing spreads on comparable Floating Rate Instruments tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Instruments. If an

Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Instruments.

Instruments issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

Bearer Instruments where denominations involve integral multiples: definitive bearer Instruments

In relation to any issue of bearer Instruments which have denominations consisting of a minimum Specified Denomination and one or more higher integral multiples of another smaller amount, it is possible that such Instruments may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case, a holder who, as a result of such trading, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive bearer Instrument in respect of such holding (should definitive bearer Instruments be printed) and would need to purchase a principal amount of Instruments such that its holding amounts to the minimum Specified Denomination.

If definitive Instruments are issued, holders should be aware that definitive Instruments which have a denomination which is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Factors that may affect the Issuers' ability to fulfil their obligations under Instruments issued under the Programme

Each potential investor in the Instruments should refer to the Risk Factors section of the Registration Document for a description of those factors which may affect the Issuers' ability to fulfil their obligations under Instruments issued under the Programme. See "*Documents Incorporated by Reference*"

Risks related to the market generally

Set out below is a brief description of the principal market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

The secondary market generally

Instruments may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Instruments easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Instruments that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Instruments generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have a severely adverse effect on the market value of Instruments.

Exchange rate risks and exchange controls

The Issuers will pay principal and interest on the Instruments in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Instruments, (2) the Investor's Currency-equivalent value of the principal payable on the Instruments and (3) the Investor's Currency-equivalent market value of the Instruments.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

Investment in Fixed Rate Instruments involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Instruments.

Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Instruments. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Instruments. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

Absence of prior public markets

The Instruments constitute an issue of new securities by the Issuers. Prior to this issue, there will have been no public market for the Instruments. Although application may be made for Instruments to be listed on the London Stock Exchange and/or NYSE Euronext in Amsterdam there can be no assurance that an active public market for the Instruments will develop and, if such a market were to develop, the relevant Dealers are under no obligation to maintain such a market. The liquidity and the market prices for the Instruments can be expected to vary with changes in market and economic conditions, the financial condition and prospects of the relevant Issuer and other factors that generally influence the market prices of securities.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Instruments are legal investments for it, (2) Instruments can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Instruments. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Instruments under any applicable risk-based capital or similar rules.

Additional Risk Factors in relation to the Subordinated Notes (which are only issued by AEGON)

AEGON's obligations under Subordinated Notes will be unsecured and subordinated and will rank *pari passu* among themselves. In the event of the insolvency (bankruptcy (*faillissement*) or moratorium (*surseance van betaling* or *noodregeling*, as applicable)) or dissolution (*ontbinding*) or liquidation (*vereffening*) of AEGON, the payment obligations of AEGON under the Subordinated Notes shall rank in right of payment after unsubordinated unsecured creditors of AEGON, and any set-off by holders of a Subordinated Note shall be excluded until all of AEGON's obligations vis-à-vis its unsubordinated unsecured creditors have been satisfied, but at least *pari passu* with all other subordinated obligations of AEGON that are not expressed by their terms to rank junior to the Subordinated Notes, and in priority to the claims of shareholders of AEGON. Therefore, although Subordinated Notes may pay a higher rate of interest than comparable Notes which are not subordinated, there is a real risk that an investor in Subordinated Notes will lose all or some of his investment should AEGON become insolvent.

Under certain conditions, interest payments under Subordinated Notes must be deferred and in other instances payments under Subordinated Notes may be deferred at the option of AEGON. See further Condition 5E (Deferral of Interest on Subordinated Notes) of the Terms and Conditions of the Notes. Any deferral of interest payments will likely have an adverse effect on the market price of the Subordinated Notes. In addition, as a result of the interest deferral provision of the Subordinated Notes the market price of the Subordinated Notes may be more volatile than the market prices of other debt securities on which interest accrues that are not subject to such deferrals and may be more sensitive generally to adverse changes in the relevant Issuer's or AEGON's financial condition.

Redemption of Subordinated Notes may be subject to prior consent from the relevant supervisory authority and such redemption may be deferred in the absence of such consent. Upon the occurrence of certain specified events, the Subordinated Notes may be redeemed at their principal amount or such other amount as set out in the Terms and Conditions of the Notes and the Final Terms or they may be converted, exchanged or substituted or their terms may be varied as provided in Condition 6 (Redemption and Purchase) of the Terms and Conditions of the Notes.

Additional Risk Factors in relation to the Capital Securities (which are only issued by AEGON)

Optional deferral

AEGON may at its discretion elect to defer any Payment (such term does not include principal) on the Capital Securities for any period of time subject to suspension of payment on Junior Securities and Parity Securities. This means that holders of the Capital Securities would not receive any payment thereon at the scheduled payment date. Any payment deferred pursuant to AEGON's optional right to defer will bear interest at the Applicable Coupon Rate. See more particularly described in 'Terms and Conditions of the Capital Securities' under 4, Deferrals - (c) 'Optional Deferral of Payments' below.

Required deferral prior to AEGON becoming subject to Capital Adequacy Regulations

If AEGON determines that it is not Solvent or that payment of a Payment (such term does not include principal) on the Capital Securities will result in AEGON becoming not Solvent, then AEGON will defer

further Payments on the Capital Securities for any period of time subject to suspension of payment on Junior Securities and Parity Securities or AEGON becoming Solvent again. This means that Holders of the Capital Securities would not receive any payment thereon at the scheduled payment date. Any Payments so deferred will not accrue interest. See more particularly described in 'Terms and Conditions of the Capital Securities' under 4, Deferrals – (a) 'Required Deferral of Payments prior to AEGON becoming subject to Capital Adequacy Regulations' below.

Required deferral after AEGON has become subject to Capital Adequacy Regulations

Upon the occurrence of a Regulatory Event and during the period such Regulatory Event is continuing, AEGON will defer further Payments (such term does not include principal) on the Capital Securities for any period of time subject to suspension of payment on Junior Securities and Parity Securities or AEGON no longer being subject to a Regulatory Event. This means that Holders of the Capital Securities would not receive any payment thereon at the scheduled payment date. Any Payments so deferred will not accrue interest. See more particularly described in 'Terms and Conditions of the Capital Securities' under 4, Deferrals – (b) 'Required Deferral of Payments after AEGON has become subject to Capital Adequacy Regulations' below.

Perpetual securities

AEGON is under no obligation to redeem the Capital Securities at any time and the Holders have no right to call for their redemption. Therefore, potential investors in the Capital Securities may be required to bear the financial risk of an investment in such Capital Securities for an indefinite period of time.

Status, Subordination and Ranking

The Capital Securities constitute direct, unsecured, subordinated securities of AEGON and rank *pari passu* without any preference among themselves. The rights and claims of the Holders under the Capital Securities are subordinated to the claims of Senior Creditors of AEGON, present and future. On a winding-up (*faillissement of vereffening na ontbinding*) of AEGON the Capital Securities will rank in priority to distributions on all classes of share capital of AEGON and will rank *pari passu* with each other and among themselves, but will be subordinated in right of payment to the claims of Senior Creditors of AEGON, present and future. As a result, Capital Securities may only be repaid once all of AEGON's creditors (including subordinated creditors whose claims rank before the Capital Securities) have been repaid in full.

The Capital Securities are exclusive obligations of AEGON. AEGON is a holding company and conducts substantially all of its operations through its subsidiaries which own substantially all of its operating assets. Its subsidiaries are separate and distinct legal entities, and have no obligation to pay any amounts due or to provide AEGON with funds to meet any payment obligations that arise thereunder. AEGON's right to receive any assets of any of its subsidiaries, as an equity holder of such subsidiaries, upon their liquidation or reorganization, and therefore the right of the holders of Capital Securities to participate in those assets, will be effectively subordinated to the claims of that subsidiary's creditors, including obligations to policyholders.

"Senior Creditors" means creditors of AEGON:

- (i) who are unsubordinated creditors of AEGON, or
- (ii) whose claims are, or are expressed to be, subordinated (whether only in the event of the winding-up (*faillissement of vereffening na ontbinding*) of AEGON or otherwise) to the claims of unsubordinated creditors of AEGON but not further or otherwise; or
- (iii) who are subordinated creditors of AEGON other than those whose claims are, or are expressed to rank, *pari passu* with, or junior to, the claims of the Holders.

Governmental Supervision and Regulation

In October 2009 the AEGON Group was identified by the Dutch Central Bank as a financial conglomerate in the meaning of EC Directive 2002/87/EC. According to the relevant provisions of the Dutch Financial Supervision Act that implements EC Directive 2002/87/EC into Dutch legislation, AEGON is required to comply, on a consolidated or aggregated basis, with rules with respect to capital adequacy of the conglomerate. Apart from these rules, AEGON is currently not subject to regulation and laws which would require to maintain minimum required levels of a solvency margin and/or a capital adequacy ratio. It is expected that AEGON will in the future become subject to supervisory or regulatory laws on the basis whereof it will be required to maintain minimum required levels of a solvency margin/and or a capital adequacy ratio. The scope and impact of such possible future supervisory or regulatory laws and regulations is not yet clear and any such future supervisory or regulatory laws and regulations may have a material effect on the business, financial condition and results of operations of AEGON and the risks of Payments under the Capital Securities being deferred.

Redemption risk

Upon the occurrence of certain specified tax or regulatory events, or the exercise of an issuer call, the Capital Securities may be redeemed at their principal amount together with any Outstanding Payments (as defined in 'Terms and Conditions of the Capital Securities' under 19. Definitions), subject as provided in 'Terms and Conditions of the Capital Securities' under 7, 'Redemption and Purchases'. If the Issuer calls and redeems the Capital Securities in any of the circumstances mentioned above, the Noteholders may only be able to reinvest the redemption proceeds in securities with a lower yield.

No limitation on issuing debt

There is no restriction on the amount of debt which AEGON may issue which ranks senior to the Capital Securities or on the amount of securities which AEGON may issue which ranks *pari passu* with the Capital Securities. The issue of any such debt or securities may reduce the amount recoverable by Holders on a winding-up (*faillissement of vereffening na ontbinding*) of AEGON and may increase the likelihood of a deferral of Payments under the Capital Securities.

Use of the Alternative Coupon Satisfaction Mechanism to satisfy Deferred Coupon Payments are subject to caps

AEGON may satisfy Deferred Coupon Payments only by means of issuing Payment Capital Securities in accordance with Condition 6. The ability of AEGON to satisfy Deferred Coupon Payments by means of issuing Payment Capital Securities is subject to a cap on the issue of such Payment Capital Securities, as referred to in Condition 6(f). As a result of the existence of such caps, AEGON may not be able to satisfy a Deferred Coupon Payment within the relevant Alternative Coupon Satisfaction Mechanism Period as referred to in Condition 6(g). Any Deferred Coupon Payments not satisfied shall not be cancelled but remain outstanding and shall only become due and payable at redemption or in a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer. Therefore, preceding redemption or winding-up the Holders of the Capital Securities will have no claim in respect of such unsettled Deferred Coupon Payment.

Market Disruption Event

If, in the event the Alternative Coupon Satisfaction Mechanism is applied (which is mandatory if it concerns Deferred Coupon Payments and which AEGON may elect to do in other cases), in the opinion of AEGON a Market Disruption Event in respect of its Ordinary Shares exists, the payment to Holders may be deferred until the cessation of such market disruption, as more particularly described in 'Terms and Conditions of the Capital Securities' under 6. Alternative Coupon Satisfaction Mechanism – (e) 'Market Disruption'. Any such deferred payments shall bear interest at the Applicable Coupon Rate if the Market Disruption Event

continues for 14 days or more. As a result of a Market Disruption Event payment to Holders may not be effected in time.

Restricted remedy for non-payment

The sole remedy against AEGON available to the Trustee or any Holder for recovery of amounts owing in respect of any Payment or principal in respect of the Capital Securities will be the institution of proceedings for the winding-up (*faillissementsprocedure*) of AEGON and/or proving in such winding-up. Although there is some doubt under Dutch law whether a trustee, such as the Trustee, would be permitted to commence a bankruptcy proceeding in the Netherlands, any Holder of the Capital Securities with a due and payable claim would be permitted to commence such proceedings in accordance with Dutch bankruptcy law. Apart from the institution of proceedings for the winding-up (*faillissementsprocedure*) of AEGON and/or proving in such winding-up there are no other remedies available to any Holder to recover amounts owing in respect of any Payment or principal in respect of the Capital Securities.

Set-off

Subject to applicable law, no Holder may exercise or claim any right of set-off in respect of any amount owed to it by AEGON arising under or in connection with the Capital Securities and each Holder shall, by virtue of being the holder of any Capital Security, be deemed to have waived all such rights of set-off. By waiving any rights of set-off, any reliance on set-off is excluded.

MANAGER(S)) MAY OVER-ALLOT INSTRUMENTS OR EFFECT TRANSACTIONS WITH A VIEW TO SUPPORTING THE MARKET PRICE OF THE INSTRUMENTS AT A LEVEL HIGHER THAN THAT WHICH MIGHT OTHERWISE PREVAIL. HOWEVER, THERE IS NO ASSURANCE THAT THE STABILISING MANAGER(S) (OR PERSONS ACTING ON BEHALF OF A STABILISING MANAGER) WILL UNDERTAKE STABILISATION ACTION. The Notes are issued in series (each, a **Series**), and each Series may comprise one or more tranches (**Tranches** and each, a **Tranche**) of Notes. Each Tranche will be the subject of the Final Terms (each, the Final Terms), a copy of which will, in the case of a Tranche in relation to which application has been made for admission to NYSE Euronext in Amsterdam be lodged with Euronext Amsterdam N.V. (**Euronext Amsterdam**) and will be available for inspection at the specified office of the Fiscal Agent or, as the case may be, the Registrar (as defined in Condition 2.2).

1. FORM AND DENOMINATION

1.1 Notes are issued in bearer form or in registered form, as specified in the relevant Final Terms.

Form of Bearer Notes

1.2 Each Tranche of Notes issued in bearer form (**Bearer Notes**) will be initially issued in the form of a temporary global note (a **Temporary Global Note**) which will:

- (i) if the Global Notes are intended to be issued in new global note (**NGN**) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, société anonyme (**Clearstream, Luxembourg**);
 - (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to (i) a common depositary (the **Common Depositary**) for, Euroclear and Clearstream, Luxembourg, (ii) Nederlands Centraal Instituut voor giraal Effectenverkeer B.V. (**Euroclear Nederland**) and/or (iii) any other relevant clearing system, as the case may be.
- 1.3 In the case of an exchange for Notes in registered form (**Registered Notes**) at any time and without any requirement for certification, but otherwise on or after the date (the **Exchange Date**) which is 40 days after the completion of the distribution of the Notes of the relevant Tranche and provided certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Note or in such other form as is customarily issued in such circumstances by the relevant clearing systems) has been received, interests in the Temporary Global Note may be exchanged for:
- (a) interests in a permanent global note (a **Permanent Global Note**) representing the Notes of that Tranche; or
 - (b) if so specified in the relevant Final Terms, serially numbered definitive Notes (**Definitive Notes**) and/or (in the case of a Series comprising both Bearer Notes and Registered Notes and if so specified in the relevant Final Terms) Registered Notes.
- 1.4 If any date on which a payment of interest is due on the Notes of a Tranche occurs whilst any of the Notes of that Tranche are represented by a Temporary Global Note, the related interest payment will be made on the Temporary Global Note only to the extent that certification as to the beneficial ownership thereof as required by U.S. Treasury regulations (in substantially the form set out in the Temporary Global Note or in such other form as is customarily issued in such circumstances by the relevant clearing systems) has been received by Euroclear or Clearstream, Luxembourg or any other relevant clearing system. Payments of amounts due in respect of a Permanent Global Note will be made through Euroclear or Clearstream, Luxembourg or any other relevant clearing system without any requirement for certification.
- 1.5 Interests in a Permanent Global Note will be exchanged by the Issuer in whole (but not in part only), at the option of the Holder of such Permanent Global Note, for serially numbered Definitive Notes and/or (in the case of a Series comprising both Bearer and Registered Notes and if so specified in the relevant Final Terms) Registered Notes, (a) if any Note of the relevant Series becomes due and repayable following an Event of Default (as defined herein); or (b) if either Euroclear or Clearstream, Luxembourg or any other relevant clearing system is closed for business for a continuous period of 14 days (other than by reason of public holidays) or announces an intention to cease business permanently; or (c) if so specified in the Final Terms, at the option of the Holder of such Permanent Global Note upon such Holder's request. An event of the type described in points (a) and (b) of the preceding sentence is referred to as an **Exchange Event**. In order to exercise the option contained in point (c) of the preceding sentence, the Holder must, not less than 45 days before the date upon which the delivery of such Definitive Notes and/or Registered Notes is required, deposit the relevant Permanent Global Note with the Fiscal Agent at its specified office with the form of exchange notice endorsed thereon duly completed. If default is made by the Issuer in the required delivery of Definitive Notes and/or Registered Notes and such default is continuing at 6.00 p.m. (London time) on the 30th day after the day on which the relevant notice period expires or, as the case may be, such Permanent Global Note becomes so exchangeable, such Permanent Global Note will become void in accordance with its terms but without prejudice to the rights of the

accountholders with Euroclear or Clearstream, Luxembourg or any other relevant clearing system in relation thereto.

- 1.6 Interest-bearing Definitive Notes will, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery coupons (**Coupons**), presentation of which will be a prerequisite to the payment of interest in certain circumstances specified below. Interest-bearing Definitive Notes will also, if so specified in the relevant Final Terms, have attached thereto at the time of their initial delivery, a talon (**Talon**) for further coupons and the expression **Coupons** shall, where the context so requires, include Talons.
- 1.7 Notes, the principal amount of which is repayable in instalments (**Instalment Notes**) which are Definitive Notes, will have endorsed thereon a grid for recording the repayment of principal.

Denomination and Minimum Issue Size

- 1.9 Denominations of medium term Notes are subject to any changes in applicable legal and/or regulatory requirements.

Denomination of Bearer Interests

- 1.10 Subject as provided in Condition 1.9, Bearer Notes will be in the denomination or denominations (each of which denomination must be integrally divisible by each smaller denomination) specified in the relevant Final Terms. Bearer Notes of one denomination will not be exchangeable, after their initial delivery, for Bearer Notes of any other denomination.

Denomination of Registered Notes

- 1.11 Subject as provided in Condition 1.9, Registered Notes will be in the minimum denomination specified in the relevant Final Terms or integral multiples thereof.

Currency of Notes

- 1.12 Notes may be denominated in any currency specified in the relevant Final Terms subject to compliance with all applicable legal or regulatory requirements.
- 1.13 For the purposes of these Terms and Conditions, references to Notes shall, as the context may require, be deemed to be to Temporary Global Notes, Permanent Global Notes, Definitive Notes or, as the case may be, Registered Notes.

2. TITLE

- 2.1 Title to Bearer Notes and Coupons passes by delivery. References herein to the **Holders** of Bearer Notes or of Coupons are to the bearers of such Bearer Notes or such Coupons.
- 2.2 Title to Registered Notes passes by registration in the register which is kept by the Principal Registrar, the First Alternative Registrar or, as the case may be, the Second Alternative Registrar, as specified in the relevant Final Terms. - 2.4 A Registered Note may, upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement, be transferred in whole or in part only (provided that such part is, or is an integral multiple of, the minimum denomination specified in the relevant Final Terms) upon the surrender of the Registered Note to be transferred, together with the form of transfer endorsed on it duly completed and executed, at the specified office of the Registrar. A new Registered Note will be issued to the transferee and, in the case of a transfer of part only of a Registered Note, a new Registered Note in respect of the balance not transferred will be issued to the transferor.
- 2.5 If so specified in the relevant Final Terms, the Holder of Bearer Notes may exchange the same for the same aggregate principal amount of Registered Notes upon the terms and subject to the conditions set forth in the Issue and Paying Agency Agreement. In order to exchange a Bearer Note for a Registered Note, the Holder thereof shall surrender such Bearer Note at the specified office outside the United States of the Fiscal Agent or of the Registrar together with a written request for the exchange. Each Bearer Note so surrendered must be accompanied by all unmatured Coupons appertaining thereto other than the Coupon in respect of the next payment of interest falling due after the exchange date (as defined in Condition 2.6) where the exchange date would, but for the provisions of Condition 2.6, occur between the Record Date (as defined in Condition 9B.03) for such payment of interest and the date on which such payment of interest falls due.
- 2.6 Each new Registered Note to be issued upon the transfer of a Registered Note or the exchange of a Bearer Note for a Registered Note will, within three Relevant Banking Days of the transfer date or, as the case may be, the exchange date be available for delivery at the specified office of the Registrar. For these purposes, a form of transfer or request for exchange received by the Registrar or the Fiscal Agent after the Record Date (as defined in Condition 9B.03) in respect of any payment due in respect of Registered Notes shall be deemed not to be effectively received by the Registrar or the Fiscal Agent until the day following the due date for such payment.

For the purposes of these Terms and Conditions,

- (a) **Relevant Banking Day** means a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) in the place where the specified office of the Registrar is located and, in the case only of an exchange of a Bearer Note for a Registered Note where such request for exchange is made to the Fiscal Agent, in the place where the specified office of the Fiscal Agent is located;
- (b) the **exchange date** shall be the Relevant Banking Day following the day on which the relevant Bearer Note shall have been surrendered for exchange in accordance with Condition 2.5; and
- (c) the **Transfer date** shall be the Relevant Banking Day following the day on which the relevant Registered Note shall have been surrendered for transfer in accordance with

Condition 2.4 and all reasonable requirements of the Issuer and the Registrar shall have been satisfied in respect of such transfer.

- 2.7 The issue of new Registered Notes on transfer or on the exchange of Bearer Notes for Registered Notes will be effected without charge by or on behalf of the Issuer or the Registrar, but upon payment by the applicant of (or the giving by the applicant of such indemnity as the Issuer or the Registrar may require in respect of) any tax, duty or other governmental charges which may be imposed in relation thereto.
- 2.8 Upon the transfer, exchange or replacement of Registered Notes bearing the private placement legend (the **Private Placement Legend**) set forth in the form of Registered Note scheduled to the Issue and Paying Agency Agreement, the Registrar shall deliver only Registered Notes that also bear such legend unless either (a) such transfer, exchange or replacement occurs three or more years after the later of (i) the original issue date of such Notes or (ii) the last date on which the Issuer or any affiliates (as defined below) of the Issuer as notified to the Registrar by the Issuer as provided in the following sentence, was the beneficial owner of such Note (or any predecessor of such Note) or (b) there is delivered to the Registrar an opinion reasonably satisfactory to the Issuer of counsel experienced in giving opinions with respect to questions arising under the securities laws of the United States to the effect that neither such legend nor the restrictions on transfer set forth therein are required in order to maintain compliance with the provisions of such laws.
- 2.9 For so long as any of the Registered Notes bearing the Private Placement Legend remain outstanding and are **restricted securities** within the meaning of Rule 144(a)(3) under the Securities Act, the Issuer covenants and agrees that it shall, during any period in which it is not subject to Section 13 or 15(d) under the United States Securities Exchange Act of 1934 nor exempt from reporting pursuant to Rule 12g3-2(b) under such Act, make available to any Holder of such Notes in connection with any sale thereof and any prospective purchaser of such Notes from such Holder, in each case upon request, the information specified in, and meeting the requirements of, Rule 144A(d)(4) under the Securities Act.

3. STATUS AND GUARANTEE

- 3.1 This Condition 3.1 is applicable in relation to Notes specified in the relevant Final Terms as being unsubordinated or not specified as being subordinated (**Unsubordinated Notes**).

The Unsubordinated Notes constitute direct, unconditional, unsubordinated, general and (subject to the provisions of Condition 4) unsecured obligations of the Issuer and will rank at least *pari passu* without any preference among themselves and (subject to such exceptions as from time to time exist under applicable law) with all other outstanding, unsecured and unsubordinated obligations of the Issuer, present and future.

- 3.2 This Condition 3.2 is applicable in relation to Notes specified in the relevant Final Terms as being subordinated (**Subordinated Notes**). Subordinated Notes are issued only by AEGON N.V.

The obligations represented by the Subordinated Notes will be unsecured obligations of the Issuer ranking *pari passu* without any preference among themselves and will, in the event of the bankruptcy, dissolution, winding-up or liquidation of the Issuer be subordinated in right of payment to the prior payment in full of all Senior Debt of the Issuer, present and future, but will rank senior to all classes of share capital of the Issuer and to any Subordinated Indebtedness which is expressed to rank junior to the Subordinated Notes (which includes capital securities qualifying as hybrid tier 1 capital of the Issuer).

For the purposes of this Condition 3.2:

Senior Debt means the principal of and premium, if any, and interest on any Indebtedness of the Issuer currently outstanding or to be issued hereafter unless such Indebtedness, by the terms of the Note by which it is created or evidenced, is not senior in right of payment to the Subordinated Notes to which this Condition 3.2 applies. The Issuer's outstanding Subordinated Indebtedness will not be considered Senior Debt.

Subordinated Indebtedness means any Indebtedness of the Issuer the right to payment of which is, or is expressed to be, or is required by any present or future agreement of the Issuer to be, subordinated in the event of the bankruptcy, dissolution, winding-up or liquidation of the Issuer.

Indebtedness means all indebtedness for money borrowed that is created, assumed, incurred or guaranteed in any manner or for which the Issuer is otherwise responsible or liable.

By virtue of the above subordination:

- (a) all payments to Holders of Subordinated Notes will, in the event of the bankruptcy, dissolution, winding-up or liquidation of the Issuer only be made after, and any set-off by any Holder of such Subordinated Notes shall be excluded until all Senior Debt admissible in any such bankruptcy, dissolution, winding-up or liquidation of the Issuer has been satisfied in full following which the obligations in respect of the Subordinated Notes shall rank at least *pari passu* with all other Subordinated Indebtedness; and
- (b) creditors of the Issuer who are not holders of Senior Debt may, subject to any subordination provisions that may be applicable to such creditors, recover more ratably than Holders of the Subordinated Notes.

3.3 Guarantee

The Guarantor has unconditionally and irrevocably guaranteed the due payment of all sums and the delivery of all amounts expressed to be payable or deliverable by AEGON Funding Company LLC under the Notes, Receipts and Coupons. Its obligations in that respect are contained in the Guarantee.

The obligations of the Guarantor under the Guarantee are direct, unconditional, unsubordinated and (subject to the provisions of Condition 4) unsecured obligations of the Guarantor and rank and will rank *pari passu* among themselves and (subject as foresaid and to certain statutory exceptions) equally with all other unsecured obligations (other than subordinated obligations, if any) of the Guarantor from time to time outstanding.

4. NEGATIVE PLEDGE

So long as any of the Notes remains outstanding (as defined in the Issue and Paying Agency Agreement), the Issuer and the Guarantor will procure that no loan or other indebtedness in respect of borrowed moneys having an original maturity of more than two years or any guarantee in respect of any such indebtedness, in each case now or hereafter existing, will be secured upon any of the present or future assets or revenues of the Issuer and the Guarantor or any of its Subsidiaries unless it shall, simultaneously with or prior to the creation of such security, take any and all action necessary to procure that the same security (or other security acceptable to the Holders of Notes) is accorded to the Holders of Notes other than Holders of Subordinated Notes as referred to in Condition 3.2, except that the foregoing shall not apply to (a) security created over any shares in or any securities owned by any Subsidiaries which are not Insurance Subsidiaries, (b) security created in the normal course of the relevant insurance business carried on in a manner consistent with generally accepted insurance practice for such insurance business, (c) security or preference arising by operation of any law, (d) security over real property to secure borrowings to finance the purchase or improvement of

such real property, (e) security over assets existing at the time of acquisition thereof, and (f) security not otherwise permitted by the foregoing clauses securing borrowed moneys in an aggregate principal amount not to exceed 50 per cent. of the Group's borrowed moneys with an original maturity of more than two years.

In these Terms and Conditions, **Subsidiary** means any corporation, partnership or other business entity of which more than 50 per cent. of the shares or other equity interests (as the case may be) carrying the right to vote are, directly or indirectly, owned by the Issuer or the Guarantor; **Insurance Subsidiary** means any Subsidiary, (i) the principal activity of which is insurance business, and (ii) the gross premium income of which as shown by the latest audited profit and loss account is more than 10 per cent. of the total gross premium income of the Group as shown by the latest audited consolidated profit and loss account of the Group; and **Group** means the Issuer and the Guarantor and its Subsidiaries from time to time.

5. INTEREST

Notes may be interest-bearing or non interest-bearing, as specified in the relevant Final Terms. In the case of non interest-bearing Notes, a Reference Price and Accrual Yield will, unless otherwise agreed, be specified in the relevant Final Terms. The Final Terms in relation to each Tranche of interest-bearing Notes shall specify which of Condition 5A, 5B and/or 5C shall be applicable and Condition 5D will be applicable to each Tranche of interest-bearing Notes as specified therein save, in each case, to the extent inconsistent with the relevant Final Terms. Condition 5E shall be applicable to any Subordinated Notes. In relation to any Tranche of interest-bearing Notes, the relevant Final Terms may specify actual amounts of interest payable rather than, or in addition to, a rate or rates at which interest accrues.

5A Interest – Fixed Rate

Subject to Condition 5E (in relation to Subordinated Notes only), each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in the Conditions, **Fixed Interest Period** means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where a Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (i) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (ii) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest, in accordance with this Condition 5A:

if "Actual/Actual (ICMA)" is specified in the applicable Final Terms:

- (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the **Accrual Period**) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
- (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

if "30/360" is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Terms and Conditions:

Determination Period means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

sub-unit means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, one cent.

5B Interest – Floating Rate

- (i) *Interest Payment Dates*

Subject to Condition 5E (in relation to Subordinated Notes only), each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an **Interest Payment Date**) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5B(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Terms and Conditions, **Business Day** means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the relevant place of presentation and any Additional Business Centre specified in the applicable Final Terms; and

- (B) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (which if the Specified Currency is Australian dollars or New Zealand dollars shall be Sydney and Auckland, respectively) or (2) in relation to any sum payable in euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET 2) System (the **TARGET 2 System**) is open.

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) *ISDA Determination for Floating Rate Notes*

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), **ISDA Rate** for an Interest Period means a rate equal to the Floating Rate that would be determined by the Fiscal Agent under an interest rate swap transaction if the Fiscal Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2006 ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the **ISDA Definitions**) and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is a period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate (**LIBOR**) or on the Euro-zone inter-bank offered rate (**EURIBOR**), the first day of that Interest Period or (ii) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), **Floating Rate**, **Calculation Agent**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions.

Unless otherwise stated in the applicable Final Terms the Minimum Rate of Interest shall be deemed to be zero.

(B) *Screen Rate Determination for Floating Rate Notes*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or

- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Fiscal Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Fiscal Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

(iii) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(iv) *Determination of Rate of Interest and calculation of Interest Amounts*

The Fiscal Agent, in the case of Floating Rate Notes will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period.

The Fiscal Agent will calculate the amount of interest (the **Interest Amount**) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding.

Day Count Fraction means, in respect of the calculation of an amount of interest in accordance with this Condition 5B:

- (i) if "Actual/Actual (ISDA)" or "Actual/Actual" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if "Actual/365 (Fixed)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if "Actual/365 (Sterling)" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if "Actual/360" is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if "30/360", "360/360" or "Bond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if "30E/360" or "Eurobond Basis" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if "30E/360 (ISDA)" is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

"Y₁" is the year, expressed as a number, in which the first day of the Interest Period falls;

"Y₂" is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"M₁" is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

"M₂" is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

"D₁" is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

"D₂" is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(v) *Notification of Rate of Interest and Interest Amounts*

The Fiscal Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression **London Business Day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

(vi) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 5B, whether by the Fiscal Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error or proven error) be binding on the Issuer, the Guarantor, the Fiscal Agent, the Calculation Agent (if applicable), the other Agents and all Noteholders, Receiptholders and Couponholders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Guarantor, the Noteholders, the Receiptholders or the Couponholders shall attach to the Fiscal Agent or, if applicable, the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

5C Interest on Dual Currency Interest Notes

The rate or amount of interest payable in respect of Dual Currency Interest Notes shall be determined in the manner specified in the applicable Final Terms.

5D Accrual of Interest

Subject to Condition 5E (in relation to Subordinated Notes only), interest shall accrue on the principal amount of each Note or, in the case of an Instalment Note, on each instalment of principal or, in the case of a partly paid Note, on the paid up principal amount of such Note or otherwise as indicated in the relevant Final Terms. Interest will cease to accrue as from the due date for redemption therefor (or, in the case of an Instalment Note, in respect of each instalment of principal, on the due date for payment thereof) unless upon (except in the case of any payment where presentation and/or surrender of the relevant Note is not required as a precondition of payment) due presentation or surrender thereof, payment in full of the principal amount or the relevant instalment

or, as the case may be, redemption amount is improperly withheld or refused or default is otherwise made in the payment thereof in which case interest shall continue to accrue thereon (as well after as before any demand or judgment) at the rate then applicable to the principal amount of the Notes or such other rate as may be specified in the relevant Final Terms until the date on which, upon (except in the case of any payment where presentation and/or surrender of the relevant Note is not required as a precondition of payment) due presentation of the relevant Note, the relevant payment is made or, if earlier (except in the case of any payment where presentation and/or surrender of the relevant Note is not required as a precondition of payment), the seventh day after the date on which, the Fiscal Agent or, as the case may be, the Registrar having received the funds required to make such payment, notice is given to the Holders of the Notes in accordance with Condition 14 of that circumstance (except to the extent that there is failure in the subsequent payment thereof to the relevant Holder).

5E Deferral of interest on Subordinated Notes (which are issued by AEGON N.V. only)

The Issuer must make each interest payment on the Subordinated Notes on the relevant Interest Payment Date subject to and in accordance with Condition 5A and 5B and the other Conditions. Subject to Condition 5E(c) below, the Issuer must or may defer an interest payment in the following circumstances:

(a) Optional Deferral of Interest

Subject to Conditions 5E(b) and (c), the Issuer may in respect of any interest payment which would, in the absence of deferral in accordance with this Condition 5E, be due and payable, defer all or part of such interest payment by giving a notice in writing (a **Deferral Notice**) to the Fiscal Agent and the Holders (in accordance with Condition 14) not less than 10 (ten) Business Days prior to the relevant Interest Payment Date.

(b) Required Deferral of Interest

Early Redemption for Taxation Reasons

- 6.2 If, in relation to any Series of Notes, (a) as a result of any change in the laws or regulations of the Netherlands or of any political subdivision thereof or any authority or agency therein or thereof having power to tax or in the interpretation or administration of any such laws or regulations which become effective on or after the date of issue of such Notes or any earlier date specified in the relevant Final Terms, the Issuer or, if the Guarantee were called, the Guarantor) would be required to pay additional amounts as provided in Condition 8 and (b) such circumstances are evidenced by the delivery by the Issuer to the Fiscal Agent of a certificate signed by an authorised officer of the Issuer or the Guarantor stating that the said circumstances prevail and describing the facts leading thereto and an opinion of independent legal or tax advisers or firm of accountants of recognised standing to the effect that such circumstances prevail, the Issuer or the Guarantor, as the case may be, may, at its option and having given no less than thirty nor more than 60 days' notice (ending, in the case of Notes which bear interest at a floating rate, on a day upon which interest is payable) to the Holders of the Notes in accordance with Condition 14 (which notice shall be irrevocable), redeem all (but not some only) of the outstanding Notes comprising the Series in relation to which such notice has been given, at their early tax redemption amount (the **Early Redemption Amount (Tax)**) which shall be their principal amount (or at such other Early Redemption Amount (Tax) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable in respect of such Note prior to the date fixed for redemption under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon provided, however, that no such notice of redemption may be given earlier than 90 days (or, in the case of Notes which bear interest at a floating rate, a number of days which is equal to the aggregate of the number of days falling within the then current interest period applicable to the Notes plus 60 days)

prior to the earliest date on which the Issuer or the Guarantor would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Optional Early Redemption (Call)

- 6.3 If this Condition 6.3 is specified in the relevant Final Terms as being applicable, then the Issuer may, upon the expiry of the appropriate notice and subject to such conditions as may be specified in the relevant Final Terms, redeem all (but not, unless and to the extent that the relevant Final Terms specifies otherwise, some only) of the Notes of the relevant Series at their call early redemption amount (the **Early Redemption Amount (Call)**), which shall be their principal amount or such other Early Redemption Amount (Call) as may be specified in or determined in accordance with the relevant Final Terms, less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable under any other Condition (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon.
- 6.4 The appropriate notice referred to in Condition 6.3 is a notice given by the Issuer to the Fiscal Agent, the Registrar (in the case of Registered Notes) and the Holders of the Notes of the relevant Series in accordance with Condition 14 (which notice shall be irrevocable), which notice shall be signed by a duly authorised officer of the Issuer and shall specify:

 - (d) the Early Redemption Amount (Call) at which such Notes are to be redeemed.

Any such notice shall be irrevocable, and the delivery thereof shall oblige the Issuer to make the redemption therein specified.

Partial Redemption

- 6.5 If the Notes of a Series are to be redeemed in part only on any date in accordance with Condition 6.3:
- (a) in the case of Bearer Notes, the Notes to be redeemed (**Redeemed Notes**) will be drawn individually by lot in such European city as the Fiscal Agent may specify, in the case of Redeemed Notes represented by definitive Notes, and in accordance with the rules of Euroclear and/or Clearstream, Luxembourg (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion) in the case of Redeemed Notes represented by a Global Note, or, in either case identified in such other manner or in such other place as the Fiscal Agent may approve and deem appropriate and fair, subject always to compliance with all applicable laws and the requirements of any competent listing authority and/or stock exchange on which the relevant Notes may be listed; and

- (b) in the case of Registered Notes, the Notes shall be redeemed (so far as may be practicable) *pro rata* to their principal amounts, subject always as aforesaid and provided always that the amount redeemed in respect of each Note shall be equal to the minimum denomination thereof or an integral multiple thereof.

Optional Early Redemption (Investor Put)

- 6.6 If this Condition 6.6 is specified in the relevant Final Terms as being applicable, then the Issuer shall, upon the exercise of the relevant option by the Holder of any Note of the relevant Series, redeem such Note on the date or the next of the dates specified in the relevant Final Terms at its put early redemption amount (the **Early Redemption Amount (Put)** which shall be its principal amount or such other Early Redemption Amount (Put) as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable in respect of such Note under any other Condition prior to the date fixed for redemption (which amount, if and to the extent not then paid, remains due and payable), together with accrued interest (if any) thereon. It may be that before such an option can be exercised, certain conditions and/or circumstances will need to be satisfied. Where relevant, the provisions will be set out in the applicable Final Terms.

In order to exercise such option, the Holder must, not less than 45 days before the date so specified (or such other period as may be specified in the relevant Final Terms), deposit the relevant Note (together, in the case of an interest-bearing Definitive Note, with any unmatured Coupons appertaining thereto) with, in the case of a Bearer Note, any Paying Agent or, in the case of a Registered Note, the Registrar together with a duly completed redemption notice in the form which is available from the specified office of any of the Paying Agents or, as the case may be, the Registrar.

Redemption, Conversion, Exchange, Substitution or Variation of the Subordinated Notes for Regulatory Reasons

- 6.7 If this Condition 6.7 (Regulatory Call) is specified in the relevant Final Terms as being applicable and a Capital Disqualification Event has occurred within a period of 12 months prior to the giving of the notice referred to below and is continuing, then:
- (i) the Issuer may having given not less than 30 nor more than 60 days' notice to the holders of Subordinated Notes in accordance with Condition 14 (which notice shall be irrevocable), redeem, in accordance with these Terms and Conditions, at such date as specified in the notice all, but not some only, of the Subordinated Notes at the Early Redemption Amount (Regulatory) specified in the Final Terms together with any interest accrued to (but excluding) the date of redemption in accordance with these Terms and Conditions and any Arrears of Interest (if applicable); or
 - (ii) the Issuer may, without any requirement for the consent or approval of the holders of the Subordinated Notes, having given not less than 30 nor more than 60 days' notice to the holders of Subordinated Notes in accordance with Condition 14 (which notice shall be irrevocable), subject to compliance with applicable regulatory requirements, convert, exchange or substitute the Subordinated Notes in whole (but not in part) into or for another series of notes of the Issuer, or vary the terms of the Subordinated Notes so that they become capable of counting for the purposes of determination of the solvency margin, capital adequacy ratios or comparable margins or ratios under the Capital Adequacy Regulations, or, where this is subdivided in tiers, tier 2 or tier 3 basic own funds, or any such other category as specified in the Final Terms, that have materially the same terms as the Subordinated Notes which terms are no less favourable to an investor than the terms of the Subordinated Notes then prevailing. In connection with such conversion or exchange all Arrears of Interest (if any) will be satisfied.

Prior to the publication of any notice of redemption, conversion, exchange, substitution or variation pursuant to this Condition 6.7 the Issuer shall deliver to the holders of the Subordinated Notes in accordance with Condition 14 a certificate signed by one or more members of the Executive Board of the Issuer stating that a Capital Disqualification Event has occurred and is continuing as of the date of the certificate.

In connection with any conversion or exchange pursuant to this Condition 6.7, the Issuer shall comply with the rules of any stock exchange or other relevant authority on which the Subordinated Notes are for the time being listed or admitted to trading.

For the purposes of these Conditions,

Capital Disqualification Event means that the Subordinated Notes cease to be capable of qualifying, in whole or (as a result of any transitional or grandfathering provisions) in part, under the Applicable Capital Adequacy Regulations for the purposes of determination of the solvency margin, capital adequacy ratios or comparable margins or ratios of the Issuer, the Group or any member thereof, or, where this is subdivided in tiers, as tier 2 or tier 3 basic own funds or any such other category as specified in the Final Terms, on a solo and/or consolidated basis, except where such non-qualification is only as a result of any applicable limitation on the amount of such capital.

Redemption, Conversion, Exchange, Substitution or Variation of the Subordinated Notes for Rating Reasons

- 6.8 If this Condition 6.8 (Rating Call) is specified in the relevant Final Terms as being applicable, if after the Issue Date the Issuer, having given not less than 30 nor more than 60 days' notice to the Fiscal Agent and, in accordance with Condition 14, the holders of Subordinated Notes (which notice shall be irrevocable), determines that a Rating Methodology Event has occurred with respect to any Subordinated Note, the Issuer may, on any Interest Payment Date, redeem all, but not some only, of the Subordinated Notes at the Early Redemption Amount (Rating) specified in the Final Terms together with outstanding payments in respect of the Notes, or convert, exchange or substitute the Subordinated Notes in whole (but not in part) into or for another series of notes of the Issuer that classify, or vary the terms of the Subordinated Notes so that they become capable of qualifying for the same equity content previously assigned by such Rating Agency to the Subordinated Notes and such provisions shall apply *mutatis mutandis* with respect to such Rating Methodology Event.

Any conversion, exchange, substitution or variation under this Condition 6.8 is also subject to the terms thereof not being prejudicial to the interests of the holders of the Subordinated Notes and, if so specified in the Final Terms, certification to that effect by one or more members of the Executive Board of the Issuer and by an independent investment bank of international standing.

For the purposes of these Conditions:

Rating Methodology Event will be deemed to occur upon a change in the methodology of a Rating Agency (or in the interpretation of such methodology) as a result of which the equity content previously assigned by such Rating Agency to the Subordinated Notes is, in the reasonable opinion of the Issuer, materially reduced when compared to the equity content assigned by such Rating Agency at the Issue Date.

Rating Agency means Standard & Poor's Rating Group, Moody's Investors Service, Fitch Rating (or any of their affiliates) or any other rating agency that has assigned a rating to Subordinated Notes at the Issue Date of any such Notes, or any successor.

Purchase of Notes

- 6.9 The Issuer or the Guarantor or any of its Subsidiaries may at any time purchase Notes in the open market or otherwise and at any price provided that, in the case of interest-bearing Definitive Notes, all unmatured Coupons appertaining thereto are purchased therewith.

Cancellation of Redeemed and Purchased Notes

- 6.10 All unmatured Notes and Coupons redeemed or purchased in accordance with this Condition 6 may be held and resold by the Issuer or the Guarantor or any of its Subsidiaries or may be surrendered for cancellation in all cases at the discretion of the Issuer or the Guarantor or, as the case may be, the relevant Subsidiary.

Redemption or purchase of Subordinated Notes

- 6.11 Subordinated Notes may only be redeemed on or before the maturity date specified in the Final Terms or purchased by the Issuer provided that (i) no Mandatory Deferral Event has occurred and is continuing on the relevant date or (ii) such redemption or purchase would not itself cause a Mandatory Deferral Event. If (i) a Mandatory Deferral Event has occurred and is continuing on the relevant date for redemption or (ii) a redemption would itself cause a Mandatory Deferral Event, then the Subordinated Notes may only be redeemed at their principal amount outstanding together with accrued and unpaid interest and any Arrears of Interest on the relevant date for redemption or any day thereafter upon the earlier of (a) the Issuer having received the prior approval of the Relevant Supervisory Authority if required pursuant to the then Applicable Capital Adequacy Regulations in order for the Subordinated Notes to qualify as regulatory capital, and (b) the day on which no Mandatory Deferral Event is continuing and the redemption would itself not cause a Capital Adequacy Event.

7. EVENTS OF DEFAULT

- 7.1 Unless otherwise specified in the relevant Final Terms, the following events or circumstances (each an **Event of Default**) shall be acceleration events in relation to:

- (a) Unsubordinated Notes of any Series:
- (i) *Non-Payment*: the Issuer is in default for any reason whatsoever for more than three days with respect to the payment of principal due on the Notes or for more than 14 days with respect to the payment of interest due on the Notes and such default has not been remedied by the Guarantor making such payment; or
 - (ii) *Breach of other obligations*: the Issuer or the Guarantor is in default in the performance of any other obligation under these Terms and Conditions or, as the case may be, the Guarantee and, if such default is capable of being remedied, such default has not been remedied within 30 days after written notification from the Holder of any Note requiring such default to be remedied shall have been given to the Issuer or the Guarantor; or
 - (iii) *Cross default*: the Issuer or the Guarantor fails to repay within 30 days after its due date, or becomes liable to repay prematurely due to default, any other borrowings which the Issuer or the Guarantor has contracted or guaranteed or security granted therefor is enforced on behalf of or by the creditors entitled thereto if and insofar as such default or such enforcement is not caused by the fact that the Issuer or the Guarantor is prevented, directly or indirectly, by any government or other governmental body from fulfilling the relevant obligation; or

- (iv) *Enforcement Proceedings*: an *executoriaal beslag* (executory attachment) is made on any substantial part of the assets of the Issuer or the Guarantor or any Insurance Subsidiary or a *conservatoir beslag* (interlocutory attachment) is made thereon and is not cancelled or withdrawn within 30 days after the making thereof or the Issuer or the Guarantor or any Insurance Subsidiary goes bankrupt, applies for suspension of payment or is wound up, save, in respect of Insurance Subsidiaries, for a voluntary solvent winding up where substantially the whole of the assets of such Insurance Subsidiary are transferred to another Subsidiary (which shall thereupon itself become an Insurance Subsidiary for the purposes of these Conditions and notice thereof shall forthwith be given by the Issuer or the Guarantor to the Holders of Notes) or the Issuer or the Guarantor or any Insurance Subsidiary offers a compromise to its creditors or negotiates with all its creditors another agreement relating to its payment difficulties, or such measures are officially decreed, or the Issuer or the Guarantor or any Insurance Subsidiary becomes subject to the "*noodregeling*" (contingency regulation) as referred to in Chapter 3.5.5 of the Wft; or

7.2 If any Event of Default shall occur in relation to any Series of Notes, any Holder of a Note of the relevant Series may, by written notice to the Issuer or the Guarantor, at the specified office of the Fiscal Agent, declare that such Note and (if the Note is interest-bearing) all interest then accrued on such Note shall be forthwith due and payable, whereupon the same shall become immediately due and payable at its early termination amount (the **Early Termination Amount** which shall be its principal amount or such other Early Termination Amount as may be specified in or determined in accordance with the relevant Final Terms) less, in the case of any Instalment Note, the aggregate amount of all instalments that shall have become due and payable in respect of such Note under any other Condition prior to the date fixed for redemption (which amount, if and to the extent not then paid, remains due and payable), together with all interest (if any) accrued thereon without any other action whatsoever, which the Issuer or the Guarantor will expressly waive, notwithstanding anything contained in such Notes to the contrary, unless, prior thereto, all Events of Default in respect of the Notes of the relevant Series shall have been cured.

8. TAXATION

8.1 All amounts payable (whether in respect of principal, redemption amount, interest or otherwise) in respect of the Notes or under the Guarantee will be made free and clear of, and without withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of The Netherlands or the United States or any political subdivision thereof or any authority or agency therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event, unless previously redeemed in accordance with these Terms and Conditions, the Issuer or, as the case may be, the Guarantor will pay such additional amounts as may be necessary in order that the net amounts receivable by the Holder of any Note or Coupon after such withholding or deduction shall equal the respective amounts which would have been receivable by such Holder in the absence of such withholding or deduction; except that no such

additional amounts shall be payable in relation to any payment in respect of any Note or Coupon presented for payment:

- (a) by or on behalf of, a Holder of a Note or Coupon who is liable for such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of (i) his having some connection with the jurisdiction by which such taxes, duties, assessments or governmental charges have been imposed, levied, collected, withheld or assessed other than the mere holding of such Note or Coupon or (ii) such Holder's present or former status as a personal holding company, a foreign personal holding company or a controlled foreign corporation for United States tax purposes, a foreign private foundation or other foreign tax exempt organization or a corporation that accumulates earnings to avoid United States federal income tax;
- (b) more than 30 days after the Relevant Date, except to the extent that the relevant Holder would have been entitled to such additional amounts on presenting the same for payment on the expiry of such period of 30 days;

- (d) in respect of any tax, assessment or other governmental charge that would not have been imposed but for a failure to comply with any applicable certification, information, identification, documentation or other reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder of beneficial owner of a Note or Coupon if, without regard to any tax treaties, such compliance is required as a precondition to relief or exemption from such tax, assessment or other governmental charge;

- (g) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent; or
- (h) in respect of any tax, assessment or other governmental charge imposed under sections 1471, 1472, 1473 or 1474 of the U.S. Internal Revenue Code of 1986, as amended (or any successor sections that are substantially similar) and any regulation or authoritative guidance promulgated thereunder.

8.2 For the purposes of these Terms and Conditions, the **Relevant Date** means, in respect of any payment, the date on which such payment first becomes due and payable, but if the full amount of the moneys payable has not been received by the Fiscal Agent, or as the case may be, the Registrar on or prior to such due date, it means the first date on which, the full amount of such moneys having been so received and being available for payment to Holders of Notes and Coupons, notice to that effect shall have been duly given to the Holders of the Notes of the relevant Series in accordance with Condition 14.

- 8.3 If the Issuer becomes subject at any time to any taxing jurisdiction other than or in addition to The Netherlands, references herein to The Netherlands shall be read and construed as references to The Netherlands and/or to such other jurisdiction. If AFC as Issuer becomes subject at any time to any taxing jurisdiction other than or in addition to the United States, references herein to the United States shall be read and construed as references to the United States and/or to such other jurisdiction.
- 8.4 Any reference in these Terms and Conditions to principal, redemption amount and/or interest in respect of the Notes shall be deemed also to refer to any additional amounts which may be payable under this Condition 8.

9. PAYMENTS

9A Payments – Bearer Notes

9A.01 This Condition 9(a) is applicable in relation to Notes in bearer form.

9A.02 Payment of amounts (other than interest) due in respect of Bearer Notes will be made against presentation and (save in the case of a partial redemption which includes, in the case of an Instalment Note, payment of any instalment other than the final instalment) surrender of the relevant Bearer Notes at the specified office of any of the Paying Agents.

9A.05 If the due date for payment of any amount due in respect of any Bearer Note is not both a Relevant Financial Centre Day (as defined in Condition 9C.03) and a Local Banking Day (as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day and, thereafter will be entitled to receive payment by cheque on any local banking day, and will be entitled to payment by transfer to a designated account on any day which is a local banking day, a Relevant Financial Centre Day and a day on which commercial banks and

foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5D.

9A.06 Each Definitive Note initially delivered with Coupons attached thereto should be presented and, save in the case of partial payment which includes, in the case of an Instalment Note, payment of any instalment other than the final instalment, surrendered for final redemption together with all unmatured Coupons and Talons appertaining thereto, failing which:

- (i) in the case of Definitive Notes which bear interest at a fixed rate or rates, the amount of any missing unmatured Coupons (or, in the case of a payment not being made in full, that portion of the amount of such missing Coupon which the redemption amount paid bears to the total redemption amount due) (excluding, for this purpose, Talons) will be deducted from the amount otherwise payable on such final redemption, the amount so deducted being payable against surrender of the relevant Coupon at the specified office of any of the Paying Agents at any time within five years of the Relevant Date applicable to payment of such final redemption amount;
- (ii) in the case of Definitive Notes which bear interest at, or at a margin above or below, a floating rate, all unmatured Coupons (excluding, for this purpose, but without prejudice to paragraph (iii) below, Talons) relating to such Definitive Notes (whether or not surrendered therewith) shall become void and no payment shall be made thereafter in respect of them; and
- (iii) in the case of Definitive Notes initially delivered with Talons attached thereto, all unmatured Talons (whether or not surrendered therewith) shall become void and no exchange for Coupons shall be made thereafter in respect of them.

The provisions of paragraph (i) of this Condition 9A.06 notwithstanding, if any Definitive Notes which bear interest at a fixed rate or rates should be issued with a maturity date and a fixed rate or fixed rates such that, on the presentation for payment of any such Definitive Note without any unmatured Coupons attached thereto or surrendered therewith, the amount required by paragraph (i) to be deducted would be greater than the amount otherwise due for payment, then, upon the due date for redemption of any such Definitive Note, such unmatured Coupons (whether or not attached) shall become void (and no payment shall be made in respect thereof) as shall be required so that, upon application of the provisions of paragraph (i) in respect of such Coupons as have not become void, the amount required by paragraph (i) to be deducted would not be greater than the amount otherwise due for payment. Where the application of the foregoing sentence requires some but not all of the unmatured Coupons relating to a Definitive Note to become void, the relevant Paying Agent shall determine which unmatured Coupons are to become void, and shall select for such purpose Coupons maturing on later dates in preference to Coupons maturing on earlier dates.

9A.07 In relation to Definitive Notes initially delivered with Talons attached thereto, on or after the due date for the payment of interest on which the final Coupon comprised in any Coupon sheet matures, the Talon comprised in the Coupon sheet may be surrendered at the specified office of any Paying Agent outside (unless Condition 9A.04 applies) the United States in exchange for a further Coupon sheet (including any appropriate further Talon), subject to the provisions of Condition 10 below. Each Talon shall, for the purpose of these Conditions, be deemed to mature on the due date for the payment of interest on which the final Coupon comprised in the relative Coupon sheet matures.

- (b) For the purposes of these Terms and Conditions, the **United States** means the United States of America (including the States thereof and the District of Columbia) and its possessions (including Puerto Rico, the U.S. Virgin Islands, Guam, American Samoa, Wake Island and Northern Mariana Islands).

9B Payments – Registered Notes

9B.01 This Condition 9B is applicable in relation to Notes in registered form.

9B.02 Payment of amounts (whether principal, redemption amount or otherwise and including accrued interest) due in respect of Registered Notes on the final redemption of Registered Notes will be made against presentation and, save in the case of partial payment of the amount due upon final redemption by reason of insufficiency of funds, surrender of the relevant Registered Notes at the specified office of the Registrar. If the due date for payment of the final redemption amount of any Registered Note is not both a Relevant Financial Centre Day (as defined in Condition 9C.03) and a Local Banking Day (as defined in Condition 9C.03), then the Holder thereof will not be entitled to payment thereof until the next day which is such a day and, thereafter will be entitled to receive payment by cheque on any Local Banking Day, and will be entitled to payment by transfer to a designated account on any day which is a Local Banking Day, a Relevant Financial Centre Day and a day on which commercial banks and foreign exchange markets settle payments in the relevant currency in the place where the relevant designated account is located and no further payment on account of interest or otherwise shall be due in respect of such postponed payment unless there is a subsequent failure to pay in accordance with these Terms and Conditions in which event interest shall continue to accrue as provided in Condition 5D.

9B.03 Payment of amounts (whether principal, redemption amount, interest or otherwise) due (other than in respect of the final redemption of Registered Notes) in respect of Registered Notes will be paid to the Holder thereof (or, in the case of joint Holders, the first-named) as appearing in the register kept by the Registrar as at the close of the business day (in the ICDS) before the due date for such payment (the **Record Date**).

9B.04 Notwithstanding the provisions of Condition 9C.02, payment of amounts (whether principal, redemption amount, interest or otherwise) due (other than in respect of final redemption of Registered Notes) in respect of Registered Notes will be made by cheque and posted to the address (as recorded in the register held by the Registrar) of the Holder thereof (or, in the case of joint Holders, the first-named) on the Relevant Banking Day (as defined in Condition 2.6) not later than the relevant date for payment unless prior to the relevant Record Date the Holder thereof (or, in the case of joint Holders, the first named) has applied to the Registrar and the Registrar has acknowledged such application for payment to be made to a designated account in the relevant currency.

- 10.2 In relation to Definitive Notes initially delivered with Talons attached thereto, there shall not be included in any Coupon sheet issued upon exchange of a Talon, any Coupon which would be void upon issue pursuant to Condition 9A.06 or the date for the payment of which would fall after the due date for the redemption of the relevant Note or which would be void pursuant to this Condition 10.

- 11.1 The initial Paying Agents and Registrars and their respective offices are specified below. The Issuer and the Guarantor reserves the right at any time to vary or terminate the appointment of any Paying Agent (including the Fiscal Agent) or the Registrar and to appoint additional or other Paying Agents or another Registrar provided that it will at all times maintain (a) a Fiscal Agent, (b) in the case of Registered Notes, a Registrar with a specified office in continental Europe, (c) a Paying Agent (which may be the Fiscal Agent) with a specified office in continental Europe, (d) so long as any Notes are listed on NYSE Euronext in Amsterdam and/or any other competent listing authority or stock exchange, a Paying Agent (which may be the Fiscal Agent) and a Registrar each with a specified office in the Netherlands and/or in such other place as may be required by such other stock exchange, (e) in the circumstances described in Condition 9A.04, a Paying Agent with a specified office in New York City and (f) if European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26 to 27 November 2000 is brought into force a Paying Agent in an EU member state that will not be obliged to withhold or deduct tax pursuant to the Savings Directive. Notice of all changes in the identities or specified offices of the Paying Agent or the Registrar will be given promptly by the Issuer and the Guarantor to the Holders of the Notes in accordance with Condition 14.
- 11.2 The Paying Agents and Registrars act solely as agents of the Issuer and the Guarantor and, save as provided in the Issue and Paying Agency Agreement, do not assume any obligations towards or relationship of agency or trust for any Holder of any Note or Coupon and each of them shall only be responsible for the performance of the duties and obligations expressly imposed upon them in the Issue and Paying Agency Agreement or incidental thereto.

12. REPLACEMENT OF NOTES

If any Note or Coupon is lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent or such Paying Agent or Paying Agents as may be specified for such purpose in the relevant Final Terms (in the case of Bearer Notes and Coupons) or of the Registrar (in the case of Registered Notes), subject to all applicable laws and the requirements of any stock exchange on which the relevant Notes are listed, upon payment by the claimant of all expenses incurred in connection with such replacement and upon such terms as to evidence, security, indemnity and otherwise as the Issuer, the Guarantor and the Fiscal Agent, the relevant Paying Agent or, as the case may be, the Registrar may require. Mutilated or defaced Notes and Coupons must be surrendered before replacements will be delivered therefor.

13. MEETINGS OF HOLDERS

The Issue and Paying Agency Agreement contains provisions (which shall have effect as if incorporated herein) for convening meetings of the Holders of Notes of any Series to consider any matter affecting their interest, including (without limitation) the modification by Extraordinary Resolution (as defined in the Issue and Paying Agency Agreement) of these Terms and Conditions. An Extraordinary Resolution passed at any meeting of the Holders of Notes of any Series will be binding on all Holders of the Notes of such Series, whether or not they are present at the meeting, and on all Holders of Coupons relating to Notes of such Series.

The Fiscal Agent and the Issuer may agree, without the consent of the Holders of Notes, Holders of Talons or Holders of Coupons, to:

- (a) any modification (except as mentioned in the paragraph above) of the Notes, the Talons, the Coupons or the Issue and Paying Agency Agreement which is not prejudicial to the interests of the Noteholders; or
- (b) any modification of the Notes, the Talons, the Coupons or the Issue and Paying Agency Agreement which is of a formal, minor or technical nature or is made to correct a manifest or proven error or to comply with mandatory provisions of the law.

Any such modification shall be binding on the Holders of Notes, Holders of Talons and Holders of Coupons and any such modification shall be notified to the Noteholders in accordance with Condition 14 as soon as practicable thereafter.

14. NOTICES

Notices to Holders may be given by the delivery of the relevant notice to Euroclear Nederland or Euroclear and Clearstream, Luxembourg, as applicable, except for so long as the Notes are listed on NYSE Euronext in Amsterdam and the rules of Euronext Amsterdam so require, by the delivery of the relevant notice to Euronext Amsterdam and through a press release which will also be made available on the website of the Issuer (www.aegon.com). Any such notice shall be deemed to have been given on the date of the first publication. Any Notice delivered to Euroclear Nederland or Euroclear and Clearstream, Luxembourg, as applicable shall be deemed to have been given to the Holders on the day on which such notice is so delivered.

15. FURTHER ISSUES

The Issuer may, from time to time without the consent of the Holders of any Notes create and issue further Notes, bonds or debentures having the same terms and conditions as such Notes in all respects (or in all respects except for the first payment of interest, if any, on them and/or the denomination thereof) so as to form a single series with the Notes of any particular Series.

16. CURRENCY INDEMNITY

The currency in which the Note is denominated or, if different, payable, as specified in the relevant Final Terms (the **Contractual Currency**) is the sole currency of account and payment for all sums payable by the Issuer or the Guarantor in respect of such Note, including damages. Any amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction or otherwise) by any Holder of a Note or Coupon in respect of any sum expressed to be due to it from the Issuer or the Guarantor shall only constitute a discharge to the Issuer or the Guarantor to the extent of the amount in the Contractual Currency which such Holder is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If that amount is less than the amount in the Contractual Currency expressed to be due to any Holder of a Note or Coupon in respect of such Note or Coupon the Issuer or the Guarantor shall indemnify such Holder against any loss sustained by such Holder as a result. In any event, the Issuer or the Guarantor shall indemnify each such Holder against any cost of making such purchase which is reasonably incurred. These indemnities constitute a separate and independent obligation from the Issuer's other obligations or the Guarantor's other obligations, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder of a Note or Coupon and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due in respect of the Notes or any judgment or order. Any such loss aforesaid shall be deemed to constitute a loss suffered by the relevant Holder of a Note or Coupon.

17. WAIVER AND REMEDIES

No failure to exercise, and no delay in exercising, on the part of the Holder of any Note, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or future exercise thereof or the exercise of any other right where such rights would, but for such failure or delay, otherwise have existed. Rights hereunder shall be in addition to all other rights provided by law. No notice or demand given in any case shall constitute a waiver of rights to take other action in the same, similar or other instances without such notice or demand.

18. LAW AND JURISDICTION

- 18.1 The Notes, the Issue and Paying Agency Agreement and any non-contractual obligations arising out of or in connection therewith, are governed by, and shall be construed in accordance with, the laws of the Netherlands.
- 18.2 The Issuer and the Guarantor irrevocably agrees for the benefit of the Holders of the Notes that the courts of the Netherlands shall have jurisdiction to hear and determine any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with the Notes and any non-contractual obligations arising out of or in connection therewith (respectively, **Proceedings** and **Disputes**) and, for such purposes, irrevocably submits to the jurisdiction of such courts.
- 18.3 The submission to the jurisdiction of the courts of The Netherlands shall not (and shall not be construed so as to) limit the right of the Holders of the Notes or any of them to take Proceedings in any other court of competent jurisdiction, nor shall the taking of proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not) if and to the extent permitted by applicable law.

(In relation to a tranche of Notes which is being increased and was originally issued under a Base Prospectus or Prospectus with an earlier date than the current Base Prospectus, insert full terms and conditions which shall be in the form set out in the previous Base Prospectus or Prospectus which, in the case of a listed issue shall have been previously approved by the relevant competent authority)

TERMS AND CONDITIONS OF THE CAPITAL SECURITIES

The following are the Terms and Conditions of the Capital Securities which (subject to completion and minor amendment) will be applicable to each Series of Capital Securities, provided that the relevant Final Terms in relation to any Capital Securities may specify other Terms and Conditions which shall, to the extent so specified or to the extent inconsistent with these Terms and Conditions, replace the following Terms and Conditions for the purposes of such capital Securities:

The Capital Securities are issued in accordance with an amended and restated issue and paying agency agreement (the **Issue and Paying Agency Agreement**, which expression shall include any amendments or supplements thereto) dated 22 July 2011 and made between, inter alia, AEGON N.V. (the **Issuer**), Citibank, N.A., London office in its capacity as Fiscal Agent (the **Fiscal Agent**, which expression shall include any successor to Citibank, N.A., London office in its capacity as such) and the Paying Agents named therein (the **Paying Agents**, which expression shall include the Fiscal Agent and any substitute or additional Paying Agents appointed in accordance with the Issue and Paying Agency Agreement). Copies of the Issue and Paying Agency Agreement are available for inspection at the specified office of each of the Paying Agents. All persons from time to time entitled to the benefit of obligations under any Capital Securities shall be deemed to have notice of, and shall be bound by, all of the provisions of the Issue and Paying Agency Agreement insofar as they relate to the relevant Capital Securities.

The Capital Securities are issued in series (each, a **Series**), and each Series may comprise one or more tranches (**Tranches** and each, a **Tranche**) of Capital Securities. Each Tranche will be the subject of the Final Terms (each, the Final Terms), a copy of which will, in the case of a Tranche in relation to which application has been made for admission to NYSE Euronext in Amsterdam be lodged with Euronext Amsterdam N.V. (**Euronext Amsterdam**) and will be available for inspection at the specified office of the Fiscal Agent.

The Capital Securities are constituted by the Trust Deed. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed. Copies of the Trust Deed are available for inspection during normal business hours by the Holders at the specified office of the Trustee and at the specified office of each of the Paying Agents. The Holders are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and the Issue and Paying Agency Agreement applicable to them.

References in these Terms and Conditions to **Securities** are to Capital Securities of the relevant Series.

1. FORM, DENOMINATION AND TITLE

1.1 Form and Denomination

The Securities are in bearer form and shall be in denominations as indicated in the applicable Final Terms. The Securities will be represented by a Temporary Global Security which is exchangeable for a Permanent Global Security (each a **Global Security**) without interest coupons. Unless specified otherwise in the Final Terms, each Global Security will be deposited with Nederlands Centraal Instituut voor giraal Effectenverkeer B.V. (**Euroclear Nederland**) and thereby become subject to the Dutch Securities Giro Transfer Act (*Wet Giraal Effectenverkeer*, **WGE**). Unless specified otherwise in the Final Terms, the Global Security will not be exchangeable for definitive bearer Securities.

1.2 Transfer and Title

Unless specified otherwise in the Final Terms, interests in a Global Security will be transferable only in accordance with the provisions of the WGE and the rules and procedures for the time being of Euroclear Nederland and its participants (*aangesloten instellingen*) and all transactions in (including transfer of) Securities, in the open market or otherwise must be effected through participants of Euroclear Nederland.

The bearer of a Global Security will be the only person entitled to receive payments in respect of such Global Security. Each person who is for the time being shown in the records of Euroclear Nederland or any of its participants as the holder of a particular nominal amount of such Securities (in which regard any certificate or other document issued by Euroclear Nederland or such participant as to the nominal amounts of Securities standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agent as the holder of such nominal amount of such Securities for all purposes other than with respect to the payment of principal or interest on the Securities, for which purpose the bearer of a Global Security shall be treated by the Issuer and the Paying Agent as the holder of such Securities in accordance with and subject to the terms of the Global Security.

2. STATUS

(a) Status and Subordination of the Securities

The Securities constitute direct, unsecured, subordinated securities of the Issuer and rank *pari passu* without any preference among themselves, with the Parity Securities. The rights and claims of the Holders under the Securities are subordinated to the claims of Senior Creditors of the Issuer, present and future.

(b) (i) Condition of Payment by the Issuer prior to becoming subject to Capital Adequacy Regulations

Payments in respect of the Securities (and using the proceeds of the issue of Payment Capital Securities in accordance with Condition 6) are conditional upon the Issuer being Solvent at the time of payment (or at the time of using the proceeds of issue of such Payment Capital Securities) by the Issuer in that no principal or Payments shall be due and payable in respect of the Securities (including using the proceeds of the issue of Payment Capital Securities in accordance with Condition 6) except to the extent that the Issuer could make such payment (or using the proceeds of such issue of Payment Capital Securities) and still be Solvent immediately thereafter. For the purposes of this Condition 2(b)(i) any reference to a payment by the Issuer in respect of a Security shall be deemed to include a redemption or purchase of such Security by the Issuer.

(ii) Condition of Payment by the Issuer after having become subject to Capital Adequacy Regulations

Payments in respect of the Securities (and using the proceeds of the issue of Payment Capital Securities in accordance with Condition 6) are conditional upon the Issuer not being subject to a Regulatory Event at the time of payment (or at the time of using the proceeds of issue of such Payment Capital Securities) in that no principal or Payments shall be due and payable in respect of the Securities (including using the proceeds of the issue of Payment Capital Securities in accordance with Condition 6) except to the extent that the Issuer is not subject to a Regulatory Event and could make such payment (or using the proceeds of such issue of Payment Capital Securities) and still not be subject to a Regulatory Event.

For the purposes of this Condition 2(b)(ii) any reference to a payment by the Issuer in respect of a Security shall be deemed to include a redemption or purchase of such Security by the Issuer.

(c) Winding-Up Claims of the Issuer

Amounts in respect of principal or Payments in respect of which the conditions referred to in Condition 2(b)(i) or 2(b)(ii), as applicable, are not satisfied on the date upon which the same would otherwise be due and payable and have since not been paid ('Winding-Up Claims') will be payable

by the Issuer in a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer as provided in Condition 3 or on any redemption pursuant to Condition 7(b), 7(c) or 7(d). A Winding-Up Claim shall not bear interest.

(d) Set-off

Subject to applicable law, no Holder may exercise or claim any right of set-off in respect of any amount owed to it by the Issuer arising under or in connection with the Securities and each Holder shall, by virtue of being the holder of any Security, be deemed to have waived all such rights of set-off.

3. WINDING-UP

- (i) If at any time an order is made, or an effective resolution is passed, for the winding-up (*faillissement of vereffening na ontbinding*) of the Issuer (except in any such case a solvent winding-up solely for the purpose of a reconstruction or amalgamation or the substitution in place of the Issuer of a successor in business (as defined in the Trust Deed) of the Issuer, the terms of which reconstruction, amalgamation or substitution (a) have previously been approved in writing by the Trustee or by an Extraordinary Resolution (as defined in the Trust Deed), and (b) do not provide that the securities shall thereby become payable), there shall be payable by the Issuer in respect of each Security (in lieu of any other payment by the Issuer) a winding-up amount.
- (ii) The Securities will rank on a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer in priority to distributions on all classes of share capital of the Issuer and will rank *pari passu*, without any preference among themselves, with the Parity Securities but will be subordinated in right of payment to the claims of Senior Creditors of the Issuer, present and future.
- (iii) In a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer, Holders of the Securities will only have a claim for payment in full or part of principal and Deferred Coupon Payments, if any, to the extent that distributable assets of the Issuer are sufficient to pay in full or part such amount of principal and such Deferred Coupon Payments.
- (iv) In a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer, to the extent the Issuer would be unable to satisfy in full any Deferred Coupon Payment using the Alternative Coupon Satisfaction Mechanism as a result of the limitation imposed by the threshold as described in Condition 6(f), the obligations of the Issuer in respect of an amount of principal under the Capital Securities equal to such part of Deferred Coupon Payments that the Issuer is unable to satisfy using the Alternative Coupon Satisfaction Mechanism as a result of that limitation, shall rank effectively, from a financial point of view, *pari passu* with Ordinary Shares.

4. DEFERRALS

The Issuer must make each Coupon Payment on the relevant Coupon Payment Date subject to and in accordance with these Terms and Conditions. Without prejudice to the generality of Condition 2 and Subject to Condition 4(d), the Issuer must or may defer a Coupon Payment and any other Payment in the following circumstances:

- (a) Required Deferral of Payments prior to the Issuer becoming subject to Capital Adequacy Regulations

- (i) If the Issuer determines on the 20th Business Day preceding the date on which any Payment (such term does not include principal) would in the absence of deferral in accordance with this Condition 4, be due and payable that it is not Solvent or that payment of the relevant Payment, or part thereof would result in the Issuer becoming not Solvent, the Issuer must (subject to Condition 6) defer such Payment or such part thereof, as the case may be, by giving notice (a 'Deferral Notice') to the Trustee, the Holders, the Fiscal Agent and the Calculation Agent not less than 16 Business Days prior to such date.

If, following the deferral of a Payment by the Issuer under this Condition 4(a)(i), the Required Deferral Condition is no longer met on the 20th Business Day preceding a Coupon Payment Date, then the Issuer shall satisfy such Payment on the relevant Deferred Coupon Satisfaction Date having given, not less than 16 Business Days prior to the Deferred Coupon Satisfaction Date, notice to the Trustee, the Holders and the Calculation Agent that it will satisfy such Payment on such date.

- (ii) However, the Issuer shall not satisfy such Payment on the relevant Deferred Coupon Satisfaction Date referred to in Condition 4(a)(i) above, if:
 - (1) it has previously elected to satisfy such Payment earlier (provided that, at the time of satisfying such payment, the Required Deferral Condition is no longer met) by delivering a notice to the Trustee, the Holders, the Fiscal Agent and the Calculation Agent not less than 16 Business Days prior to the relevant Deferred Coupon Satisfaction Date that it will satisfy such Payment on such date; or
 - (2) it validly elects to defer under Condition 4(c) the Payment which would otherwise have been satisfied under Condition 4(a)(i).
- (iii) If any Payment is deferred pursuant to Condition 4(a)(i) then no amount will be payable by way of interest on any such deferred Payment, save as provided in Condition 6(e).

Any such deferred Payment shall be satisfied from the proceeds of the issue of Payment Capital Securities in accordance with Condition 6.

- (b) Required Deferral of Payment after the Issuer having become subject to Capital Adequacy Regulations

- (i) If the Issuer determines on the 20th Business Day preceding the date on which any Payment (such term does not include principal), would in the absence of deferral in accordance with this Condition 4, be due and payable, that it is subject to a Regulatory Event or that payment of the relevant Payment, or part thereof would result in the Issuer becoming subject to a Regulatory Event, the Issuer must (subject to Condition 6) defer such Payment or such part thereof, as the case may be, by giving a notice (also a "**Deferral Notice**") to the Trustee, the Holders, the Fiscal Agent and the Calculation Agent not less than 16 Business Days prior to such date.

If, following the deferral of a Payment by the Issuer under this Condition 4(b)(i), the Required Deferral Condition is no longer met on the 20th Business Day preceding a Coupon Payment Date, then the Issuer shall satisfy such Payment on the relevant Deferred Coupon Satisfaction Date having given, not less than 16 Business Days prior to the Deferred Coupon Satisfaction Date, notice to the Trustee, the Holders and the Calculation Agent that it will satisfy such Payment on such date.

- (ii) However, the Issuer shall not satisfy such Payment on the relevant Deferred Coupon Satisfaction Date referred to in Condition 4(b)(i) above, if:
 - (1) it has previously elected to satisfy such Payment earlier (provided that, at the time of satisfying such payment, the Required Deferral Condition is no longer met) by delivering a notice to the Trustee, the Holders, the Fiscal Agent and the Calculation Agent not less than 16 Business Days prior to the relevant Deferred Coupon Satisfaction Date that it will satisfy such Payment on such date; or
 - (2) it validly elects to defer under Condition 4(c) the Payment which would otherwise have been satisfied under Condition 4(b)(i).
- (iii) If any Payment is deferred pursuant to Condition 4(b)(i), then no amount will be payable by way of interest on any such deferred Payment, save as provided in Condition 6(d).

Any such deferred Payment shall be satisfied from the proceeds of the issue of Payment Capital Securities in accordance with Condition 6.

(c) Optional Deferral of Payments

- (i) Subject to Condition 4(d), the Issuer may in respect of any Payment which would, in the absence of deferral in accordance with this Condition 4, be due and payable, defer all or part of such Payment by giving a notice (also a '**Deferral Notice**') to the Trustee, the Fiscal Agent, the Calculation Agent and the Holders not less than 16 Business Days prior to the relevant due date. Subject to Condition 4(d), the Issuer may then satisfy any such Payment at any time by means of an issue of Payment Capital Securities in accordance with Condition 6 upon delivery of a notice to the Trustee, the Fiscal Agent and the Calculation Agent not less than 16 Business Days prior to the relevant Deferred Coupon Satisfaction Date informing them of its election to so satisfy such Payment and specifying the relevant Deferred Coupon Satisfaction Date.
- (ii) If any Payment is deferred pursuant to this Condition 4(c) then such deferred Payment shall bear interest at the Applicable Coupon Rate from (and including) the date on which (but for such optional deferral) the Deferred Coupon Payment would otherwise have been due to be made to (but excluding) the relevant Deferred Coupon Satisfaction Date.
- (iii) The Issuer may give a Deferral Notice under this Condition 4(c) in its sole discretion and for any reason, except that a Deferral Notice as to a Payment required to be made pursuant to (i), (ii) or (iii) under (d) below shall have no force or effect.

(d) Dividend Pusher; Mandatory Payments and Mandatory Partial Payments

If the Issuer has deferred Payments pursuant to Conditions 4(a), 4(b) or 4(c) above, the Issuer will be required to make payments on the Securities in the following circumstances:

- (i) If a Mandatory Payment Event or a Mandatory Partial Payment Event occurs then all Deferred Coupon Payments will become mandatorily due and payable in full on the date of the Mandatory Payment Event or Mandatory Partial Payment Event in accordance with the provisions of Condition 6. The Issuer may satisfy its obligations to pay such Deferred Coupon Payment only in accordance with the Alternative

Coupon Satisfaction Mechanism. For the avoidance of doubt the Issuer will not be required to utilise the Alternative Coupon Satisfaction Mechanism in order to satisfy its obligation to make any Mandatory Partial Payment payable on a Mandatory Partial Payment Date that coincides with the date on which such Deferred Coupon Payment has become mandatorily due and payable in full.

- (ii) If a Mandatory Payment Event occurs, then the Coupon Payments payable on the next number of Coupon Payment Dates as specified in the Final Terms will be mandatorily due and payable in full on the relevant consecutive Coupon Payment Dates, subject to the occurrence of the Required Deferral Condition at the time such payment would otherwise have to be made. If the Mandatory Payment Event is a payment on a Junior Security or on a Junior Guarantee or on a security benefitting from a Junior Guarantee and is in each case a payment in respect of a semi annual dividend, then the Coupon Payments payable on only the next number of Coupon Payment Dates as specified in the Final Terms will be mandatorily due and payable in full on such Coupon Payment Dates, notwithstanding any Deferral Notice as to such Coupon Payments or the occurrence or continuance of any Required Deferral Condition. The Issuer is permitted, but shall not be required, to satisfy its obligation to make the Coupon Payment payable on such Coupon Payment Date in accordance with the Alternative Coupon Satisfaction Mechanism.
- (iii) If a Mandatory Partial Payment Event occurs, then Mandatory Partial Payments will be mandatorily due and payable in respect of each Security, subject to the occurrence of the Required Deferral Condition at the time such payment would otherwise have to be made. Such Mandatory Partial Payments shall be payable on the immediately next number of consecutive Coupon Payment Dates as specified in the Final Terms after the occurrence of such Mandatory Partial Payment Event, depending on whether the Parity Securities pay dividends or income distributions on an annual basis, a semi annual basis or a quarterly basis, as the case may be. The Issuer is permitted, but shall not be required, to satisfy its obligation to pay any Mandatory Partial Payments in accordance with the Alternative Coupon Satisfaction Mechanism.

5. COUPON PAYMENTS

(a) Coupon Payment Dates

The Securities bear interest from (and including) the Issue Date. Such interest will (subject to Conditions 2(b)(i), 2(b)(ii), 4(a), 4(b), 4(c), 6(d) and 6(f)) be payable in arrear on each Coupon Payment Date as indicated in the Final Terms. Each Security will cease to bear interest from the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused. In such event, it shall continue to bear interest at the prevailing rate in accordance with this Condition (both before and after judgment) as provided in the Trust Deed.

If any Coupon Payment Date would otherwise fall on a day which is not a Business Day it shall, unless specified otherwise in the Final Terms, be postponed to the next Business Day unless it would then fall into the next calendar month in which event the Coupon Payment Date shall be brought forward to the preceding Business Day and after the foregoing each subsequent Coupon Payment Date is the last Business Day of the month which falls three months after such Coupon Payment Date. The amount of the relevant Coupon Payment shall not be adjusted as a result.

(b) Fixed Coupon Rate

Securities in relation to which this Condition 5(b) is specified in the relevant Final Terms as being applicable, shall bear a fixed rate interest at the Coupon Rate per annum as specified in the Final Terms.

(c) Floating or Variable Coupon Rate

Securities in relation to which this Condition 5(c) is specified in the relevant Final Terms as being applicable, shall bear a floating or variable interest at the Coupon Rate per Coupon Period as specified in the relevant Final Terms and determined in accordance with Condition 5 (d).

(d) Determination of Coupon Rate and Coupon Amounts

The Calculation Agent will, upon the determination of each Coupon Rate pursuant to Condition 5(c), calculate the Coupon Amount and cause the Coupon Rate and each Coupon Amount payable in respect of a Coupon Period to be notified to the Trustee, the Issuer, the Fiscal Agent, Euronext Amsterdam, and the Holders as soon as possible after their determination but in no event later than the fourth Business Day thereafter.

Unless specified otherwise in the relevant Final Terms, the amount of interest payable for any period will be computed on the basis of a 360-day year of twelve 30-day months.

(e) Determination or Calculation by Trustee

If the Calculation Agent does not at any time for any reason (i) determine the Coupon Rate in accordance with Conditions 5(c) or (ii) calculate a Coupon Amount in accordance with Condition 5(d), the Trustee or an agent on its behalf shall do so and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee or such agent shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it or such agent can do so, and in all other respects it or such agent shall do so in such manner as it shall deem fair and reasonable in all the circumstances. All determinations or calculations made or obtained for the purposes of the provisions of this Condition 5(e) by or on behalf of the Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Calculation Agent, the Paying Agents and all Holders and (in the absence of wilful default or bad faith) no liability to the Issuer, the Holders shall attach to the Trustee in connection with the exercise or non exercise by it of its powers, duties and discretions pursuant to such provisions.

6. ALTERNATIVE COUPON SATISFACTION MECHANISM

(a) Alternative Coupon Satisfaction Mechanism

If any Deferred Coupon Payment (with any interest accrued on such Deferred Coupon Payment, as applicable) is to be made, it will be satisfied using the Alternative Coupon Satisfaction Mechanism.

In addition, the Issuer may elect at any time to satisfy its obligation to make any Payment (other than Deferred Coupon Payments and a payment of principal) to Holders by using the Alternative Coupon Satisfaction Mechanism. “Alternative Coupon Satisfaction Mechanism” means that the relevant payment is satisfied from the proceeds of the issue of such amount of Payment Capital Securities for cash as required to provide enough cash for the Issuer to make full payments on the Securities in respect of the relevant Payment, in accordance with and subject to the following provisions of this Condition 6.

Investors will always receive payments made in respect of Securities in cash.

If the Issuer uses the Alternative Coupon Satisfaction Mechanism, the Issuer shall notify the Trustee and the Fiscal Agent not less than 16 Business Days prior to the relevant Coupon Payment Date. In the absence of or save to the extent of such issue, subject to Condition 4(a) or 4(b) (Required Deferral of Payments) and Condition 4(c) (Optional Deferral of Payments), Payments must be satisfied in accordance with Condition 8(a).

(b) Issue of Payment Capital Securities

If any Payment is to be satisfied in accordance with the Alternative Coupon Satisfaction Mechanism then, subject to Conditions 6(d) and 6(f):

- (i) by close of business on or before the seventh Business Day prior to the relevant Coupon Payment Date or Deferred Coupon Satisfaction Date the Issuer will have authorised for issue such number of Payment Capital Securities as, in the determination of the Issuer, have a market value of not less than the relevant Payment to be satisfied in accordance with this Condition 6; and
- (ii) if, after the operation of the above procedures, there would in the opinion of the Issuer be a shortfall on the date on which the relevant Payment is due, the Issuer shall issue further Payment Capital Securities in accordance with the provisions of the Trust Deed to ensure that a sum at least equal to the relevant Payment is available to make the Payment in full on the relevant due date provided that if, despite the operation of the aforementioned provisions, such a shortfall exists on the relevant due date the Issuer will continue to issue Payment Capital Securities until the Fiscal Agent shall have received funds equal to the full amount of such shortfall.

(c) Receipt of cash proceeds in respect of Issue of Payment Capital Securities satisfies Payment

Where the Issuer either elects or is required to make a Payment hereunder by using the proceeds of an issue of Payment Capital Securities and in accordance with its obligations under the Trust Deed issues such Payment Capital Securities, the cash proceeds of such issue shall, subject to Condition 6(b)(ii) and 6(d), be used to satisfy the relevant Payment or, as the case may be, in the circumstances referred to in (d) below, the relevant part of such Payment. The proceeds of sale of Payment Capital Securities in accordance with this Condition 6 shall be paid by the Fiscal Agent to the Holders in respect of the relevant Payment.

(d) Market Disruption

Notwithstanding the provisions of Condition 6(b), if there exists, in the opinion of the Issuer a Market Disruption Event on or after the 15th Business Day preceding any date upon which a Payment is due to be made or satisfied in accordance with this Condition 6, then the Issuer may give a notice to the Trustee, the Fiscal Agent and the Holders as soon as possible after the Market Disruption Event has arisen or occurred, whereupon the relevant Payment shall be deferred until such time as (in the opinion of the Issuer) the Market Disruption Event no longer exists.

Any such deferred Payment or part thereof will be satisfied as soon as practicable following such time as the Market Disruption Event no longer exists. Interest shall not accrue on such deferred Payment or part thereof unless, as a consequence of the existence of a Market Disruption Event, the Issuer does not make the relevant Payment or part thereof for a period of 14 days or more after the due date therefor, in which case interest shall accrue on such deferred Payment or part thereof from (and including) the date on which the relevant Payment or part thereof was due to be made to (but excluding) the date on which such Payment or part thereof is made. Any such interest shall accrue at

the rate provided for in Condition 5 and shall be satisfied only in accordance with this Condition 6 and as soon as reasonably practicable after the relevant deferred Payment is made.

(e) Issuer certification to Trustee

The Issuer will certify to the Trustee that the proceeds used to make any Deferred Coupon Payment have been funded through the issue of Payment Capital Securities which will provide the cash amount due in respect of the Deferred Coupon Payment.

(f) Limitations in connection with Alternative Coupon Satisfaction Mechanism

The Issuer may for the purposes of satisfying any Deferred Coupon Payment in accordance with the Alternative Coupon Satisfaction Mechanism, only place such number of Payment Capital Securities in any 12 month period (a) as, in the case of Ordinary Shares, does not exceed 2.00 per cent of the number of issued Ordinary Shares in the capital of the Issuer at the relevant date, or (b) in the case of Non-callable Securities, the aggregate issue amount whereof does not exceed (I) 2.00 per cent. of the value of the Shareholders' Equity of the Issuer as per the Issuer's latest audited consolidated financial statements, and (II) 25.00 per cent. of the aggregate issue amount of the relevant series of Capital Securities as at the Issue Date. For the avoidance of doubt, any Deferred Coupon Payments not satisfied shall not be cancelled but remain outstanding and become due and payable at redemption or in a winding-up (*faillissement of vereffening na ontbinding*) of the Issuer.

(g) Alternative Coupon Satisfaction Mechanism Period

The Issuer must in all circumstances settle any Deferred Coupon Payment by way of the Alternative Coupon Satisfaction Mechanism. The Issuer shall use its best efforts to satisfy any Deferred Coupon Payment within a period of five years (the "**Alternative Coupon Satisfaction Mechanism Period**") following the relevant Deferred Coupon Satisfaction Date, by way of the Alternative Coupon Satisfaction Mechanism as described in and subject to the provisions of this Condition 6. If at the end of any Alternative Coupon Satisfaction Mechanism Period in respect of any Deferred Coupon Payment the Issuer has been unable to satisfy such Deferred Coupon Payment in full by way of the Alternative Coupon Satisfaction Mechanism, the obligations of the Issuer to satisfy such Deferred Coupon Payment or part thereof will continue to exist, subject to Conditions 2 and 3.

7. REDEMPTION, CONVERSION, SUBSTITUTION AND PURCHASES

(a) No Fixed Redemption Date

The Securities are perpetual securities in respect of which there is no fixed redemption date and the Issuer shall (subject to the provisions of Conditions 2 and 3 and without prejudice to the provisions of Condition 11) only have the right to repay them in accordance with the following provisions of this Condition 7.

(b) Issuer's Call Option

Subject to Condition 2(b)(i) or 2(b)(ii), as applicable, the Issuer may, by giving not less than 30 nor more than 60 days' notice to the Holders in accordance with Condition 15 and to the Fiscal Agent and the Trustee, which notice shall be irrevocable, elect to redeem all, but not some only, of the Securities on the Coupon Payment Date falling on the date specified as such in the Final Terms and any Coupon Payment Date thereafter at the Optional Redemption Amount specified in the Final Terms together with any Outstanding Payments.

(c) Redemption due to Taxation

If the Issuer satisfies the Trustee immediately prior to the giving of the notice referred to below that, on the next due date for a Coupon Payment:

- (i) the Issuer would, for reasons outside its control, be unable to make such payment without being required to pay additional amounts as provided or referred to in Condition 10; or
- (ii) payments of amounts in respect of interest on the Securities including, for the avoidance of doubt, from the proceeds of the issue of Payment Capital Securities pursuant to Condition 6, may be treated as ‘distributions’ within the meaning of Section II of the Dividend Withholding Tax Act 1965 (*Wet op de dividendbelasting 1965*) (or such other Section and/or Act as may from time to time supersede or replace Section II of the Dividend Withholding Tax Act 1965 for the purposes of such definition) and such requirement or circumstance cannot be avoided by the Issuer taking such measures as it (acting in good faith) deems appropriate; or
- (iii) as a result of any change in or proposed change in, or amendment to or proposed amendment to, the laws of the Netherlands or any political subdivision or authority thereof having power to tax, or any change in or proposed change in the application of official or generally published interpretation of such laws, or any interpretation or pronouncement by any relevant tax authority that provides for a position with respect to such law or regulations that differs from the previously generally accepted position in relation to similar transactions or which differs from any specific written confirmation given by a tax authority in respect of the Securities, which change or amendment becomes, or would become, effective, or in the case of a change or proposed change in law if such change is enacted (or, in the case of a proposed change, is expected to be enacted) by Act of Parliament or made by Statutory Instrument on or after the Issue Date of the relevant Securities, there is more than an insubstantial risk that the Issuer will not obtain full or substantially full relief for the purposes of Dutch corporation tax for any payment of interest including, for the avoidance of doubt, where the payment of interest is to be satisfied from the proceeds of the issue of Payment Capital Securities,

then the Issuer may (and subject to Condition 2(b)(i) or 2(b)(ii), as applicable), having given not less than 30 nor more than 60 days’ notice to the Trustee, the Fiscal Agent and, in accordance with Condition 15, the Holders (which notice shall be irrevocable), redeem, in accordance with these Terms and Conditions, at any time all, but not some only, of the Securities at the Early Redemption Amount specified in the Final Terms together with any Outstanding Payments.

Prior to the publication of any notice of redemption pursuant to this Condition 7(c), the Issuer shall deliver to the Trustee a certificate signed by a member of the Executive Board of the Issuer stating that the relevant requirement or circumstance referred to in paragraphs (i), (ii) or (iii) above is satisfied and the Trustee shall accept such certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on the Holders.

(d) Redemption or Conversion for Regulatory Purposes

If, at the time the Issuer becomes subject to Capital Adequacy Regulations, securities of the nature of the Securities cease to qualify as own funds and, if own funds is divided into tiers, core capital (tier 1 capital or equivalent), for the purposes of determination of its solvency margin, capital adequacy ratios or comparable margins or ratios under such Capital Adequacy Regulations, then

- (i) the Issuer may (subject to Condition 2(b)(ii)), having given not less than 30 nor more than 60 days’ notice to the Trustee, the Fiscal Agent and, in accordance with Condition 15, the

Holders (which notice shall be irrevocable) redeem, in accordance with these Terms and Conditions, at any time all, but not some only, of the Securities at the Early Redemption Amount specified in the Final Terms together with any Outstanding Payments; or

- (ii) subject to compliance with applicable regulatory requirements, the Issuer may at any time convert or exchange the Securities in whole (but not in part) into or for another series of capital securities of the Issuer having materially the same terms as the Securities except that such capital securities may have a non-cumulative character and that such capital securities may, but do not need to, have an alternative coupon satisfaction mechanism. Any conversion of the Securities into another series of capital securities under this paragraph (d)(ii) shall be made on not less than 30 nor more than 60 days' notice to the Holders. The Issuer is permitted to satisfy its obligation to pay any Deferred Coupon Payment due upon conversion only in accordance with the Alternative Coupon Satisfaction Mechanism.

(e) Substitution Event

If at any time a Substitution Event has occurred and is continuing, subject to compliance with applicable regulatory requirements, the Issuer may cause substitution of all, but not some only, of the Securities for non callable securities of the Issuer having effectively, from a financial point of view, materially the same terms as the Securities, except that such securities may have a non-cumulative character and that such securities may, but do not need to, have an alternative coupon satisfaction mechanism.

(f) Purchases

The Issuer may (subject to Condition 2(b)(i) or 2(b)(ii), as applicable) at any time purchase Securities in any manner and at any price.

(g) Cancellation

Cancellation of any Securities will be effected by reduction in the principal amount of the Global Security and such cancelled Securities may not be reissued or resold. Securities purchased by the Issuer may be held, reissued, resold or, at the option of the Issuer, be cancelled by decreasing the number of Securities represented by the Global Security by an equal number. The obligations of the Issuer in respect of any such Securities shall be discharged.

(h) Intention to replace

It is the Issuer's intention that if it redeems Capital Securities in whole (but not in part) for any reason in accordance with this Condition 7, it or any of its subsidiaries will have raised funds in the period of six (6) months preceding such redemption through the issuance, in an aggregate amount at least equal to the aggregate issue amount of the relevant series of Capital Securities, of any class of shares or any class of securities the conditions whereof are substantially similar to the Capital Securities so replaced in relation to maturity, settlement, deferral of payments and replacement, such that these shares or securities have at least the same equity-like characteristics.

8. PAYMENTS

(a) Method of Payment

- (i) Payments of principal and Coupon Amounts and all other payments on or in respect of the Securities will be in the applicable currency and will be calculated by the Calculation Agent and effected through the Paying Agents. Payments of redemption amounts and interest in respect of the Securities will, subject as set out below, be made against presentation for

endorsement and, if no further payment falls to be made in respect of the Securities, surrender of the Global Security to the order of the Paying Agent. A record of each payment will be endorsed on the appropriate part of the schedule to the Global Security by or on behalf of the Paying Agent, which endorsement shall be prima facie evidence that such payment has been made in respect of the Securities.

- (ii) The names of the initial Paying Agents and their initial specified offices are set out below. The Issuer reserves the right, subject to the prior written approval of the Trustee at any time to vary or terminate the appointment of any Paying Agent and to appoint additional or other Paying Agents provided that it will at all times maintain (aa) a Paying Agent having a specified office in the Netherlands (bb) for so long as the Securities are listed on NYSE Euronext in Amsterdam, or any other stock exchange or regulated securities market and the rules of such exchange or securities market so require, a Paying Agent having a specified office in such location as the rules of such exchange or securities market may require and (cc) a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to the European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive. Notice of any such termination or appointment and of any change in the specified offices of the Paying Agents will be given to the Holders in accordance with Condition 15.

(b) Payments subject to fiscal laws

All payments made in accordance with these Terms and Conditions will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 10.

(c) Payments on Payment Business Days

A Global Security may only be presented for payment on a day (other than a Saturday or a Sunday) on which (i) commercial banks are open for general business in Amsterdam and, if different, in the place of the specified office of the relevant Paying Agent to whom such Global Security is presented for payment and in any Additional Financial Centre specified in the Final Terms and (ii) the Trans-European Real-time Gross settlement Express Transfer (TARGET 2) System is operating.

No further interest or other payment will be made as a consequence of the day on which a Global Security may be presented for payment under this paragraph falling after the due date.

9. NON-PAYMENT WHEN DUE

Notwithstanding any of the provisions below in this Condition 9, the right to institute winding-up proceedings is limited to circumstances where payment has become due. Pursuant to Condition 2(b)(i) and 2(b)(ii) and subject as provided in the next sentence no principal or Payment will be due by the Issuer if the Issuer is not Solvent or would not be Solvent if payment of such principal or Payment was made. Also, in the case of any Payment, such Payment will not be due if the Issuer has elected to defer that Payment pursuant to Condition 4(a), 4(b) or 4(c) or if the circumstances referred to in any of Conditions 6(d) or 6(f) then apply.

The Trust Deed contains provisions entitling the Trustee to claim from the Issuer, inter alia, the fees, expenses and liabilities incurred by it in carrying out its duties under the Trust Deed. The restrictions on commencing proceedings described below will not apply to any such claim.

- (a) If the Issuer shall not make a payment in respect of the Securities for a period of 14 days or more after the date on which such payment is due, the Issuer shall be deemed to be in default under the Trust Deed and the Securities, and the Trustee may, notwithstanding the provisions of paragraph (b)

of this Condition 9, institute proceedings in the Netherlands (but not elsewhere) for the winding-up (*faillissementsprocedure*) of the Issuer.

- (b) Subject as provided in Condition 9, the Trustee may at its discretion and without further notice institute such proceedings against the Issuer as it may think fit to enforce any term or condition binding on the Issuer under the Trust Deed, the Securities (other than for the payment of any principal or satisfaction of any Payments in respect of the Securities, including any payment under clause 2.6 of the Trust Deed) provided that the Issuer shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it.
- (c) The Trustee shall not be bound to take any of the actions referred to in paragraph (a) or (b) above against the Issuer to enforce the terms of the Trust Deed or the Securities unless (i) it shall have been so requested by an Extraordinary Resolution or in writing by the holders of at least one-fifth in principal amount of the Securities then outstanding and (ii) it shall have been indemnified to its satisfaction.
- (d) No Holder shall be entitled to proceed directly against the Issuer, or to institute proceedings for the winding-up (*faillissementsprocedure*) of the Issuer or to prove in such winding-up unless the Trustee, having become so bound to proceed or being able to prove in such winding-up, fails to do so within a reasonable period and such failure shall be continuing, in which case the Holder shall have only such rights against the Issuer as those which the Trustee is entitled to exercise. No remedy against the Issuer shall be available to the Trustee or any Holder (i) for the recovery of amounts owing in respect of the Securities (including any payment under clause 2.6 of the Trust Deed), other than the institution of proceedings in the Netherlands (but not elsewhere) for the winding-up (*faillissement*) of the Issuer and/or proving in such winding-up (*faillissement*) and (ii) for the breach of any other term under the Trust Deed, the Securities other than as provided in paragraph (b) above.

10. TAXATION

- (a) All payments by the Issuer of principal, Coupon Amounts, Deferred Coupon Payments, Mandatory Partial Payments, Accrued Coupon Payments and Winding-Up Claims in respect of the Securities will be made without withholding of or deduction for, or on any account of, any present or future taxes, duties, assessments or governmental charges of whatsoever nature imposed or levied by or on behalf of the Netherlands or any political subdivision thereof or by any authority therein or thereof having power to tax, unless the withholding or deduction of such taxes, duties, assessments or governmental charges is required by law. In that event the Issuer will pay such additional amounts as may be necessary in order that the net amounts receivable by Holders after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the Securities in the absence of such withholding or deduction, except that no such additional amounts shall be payable in relation to any payment with respect to any Security:
 - (i) to or to a third party on behalf of a Holder who is liable to such taxes, duties, assessments or governmental charges in respect of such Security by reason of such Holder or, as the case may be, having some connection with the Netherlands other than the mere holding of such Security; or
 - (ii) to, or to a third party on behalf of, a Holder if such withholding or deduction may be avoided by complying with any statutory requirement or by making a declaration of non-residence or other similar claim for exemption to the relevant tax authority; or
 - (iii) to, or to a third party on behalf of, a Holder, that is a partnership, or a Holder, that is not the sole beneficial owner of the Security or which holds the Security in a fiduciary capacity, to the extent that any of the members of the partnership, the beneficial owner or the settlor or

beneficiary with respect to the fiduciary would not have been entitled to the payment of an additional amount had each of the members of the partnership, the beneficial owner, settlor or beneficiary (as the case may be) received directly his beneficial or distributive share of the payment; or

- (iv) presented for payment more than 30 days after the Relevant Date except to the extent that the Holder would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days; or
- (v) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any law implementing or complying with, or introduced in order to conform to, such Directive.

References in these Terms and Conditions to principal, Coupon Amounts, Deferred Coupon Payments, Mandatory Partial Payments and/or Accrued Coupon Payments shall be deemed to include any additional amounts which may become payable pursuant to the foregoing provisions or any undertakings given in addition thereto or in substitution therefore pursuant to the Trust Deed.

In the event that any payment is satisfied by using the proceeds of an issue of Payment Capital Securities pursuant to Condition 6, then any additional amounts which are payable shall also be satisfied through the issue of Payment Capital Securities.

11. PRESCRIPTION

Claims for payment in relation to Securities will become void unless exercised within a period of 5 years from the due date for payment thereof.

12. MEETINGS OF HOLDERS, MODIFICATION, WAIVER AND SUBSTITUTION

The Trust Deed contains provisions for convening meetings of Holders to consider any matter affecting their interests including the modification by Extraordinary Resolution of any of these Terms and Conditions or any of the provisions of the Securities, or the Trust Deed. Any Extraordinary Resolution duly passed shall be binding on all Holders (whether or not they were present at the meeting at which such resolution was passed).

The Trustee may agree, without the consent of the Holders, to (i) any modification of any of the provisions of the Trust Deed or the Conditions that is of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed or the Conditions that is in the opinion of the Trustee not materially prejudicial to the interests of the Holders. Any such modification, authorisation or waiver shall be binding on the Holders and, if the Trustee so requires, such modification shall be notified to the Holders as soon as practicable thereafter in accordance with Condition 15. As provided in the Trust Deed, the Trustee may agree with the Issuer, without the consent of the Holders to substitution on a subordinated basis equivalent to that referred to in these Terms and Conditions of any holding company of the Issuer, any subsidiary of such holding company, any Subsidiary, any successor in business of the Issuer or any subsidiary of any successor in business of the Issuer (the 'Substituted Issuer') in place of the Issuer (or any previous Substituted Issuer under this Condition 12) as a new issuing party under the Trust Deed, the Capital Securities and the Coupons. In connection with any proposed substitution as aforesaid and in connection with the exercise of its functions, the trustee shall have regard to the interests of the Holders as a class and the Trustee shall not have regard to the consequences of such substitution for individual Holders resulting from in particular their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory.

In connection with the exercise by it of any of its trusts, powers, authorities and discretions (including, without limitation, any modification, waiver, authorisation or substitution), the Trustee shall have regard to the general interests of the Holders as a class and shall not have regard to any interests arising from circumstances particular to individual Holders (whatever their number) and, in particular but without limitation, shall not have regard to the consequences of any such exercise for individual Holders (whatever their number) resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of any particular territory or any political sub-division thereof and the Trustee shall not be entitled to require, nor shall any Holder be entitled to claim, from the Issuer, the Trustee or any other person any indemnification or payment in respect of any tax consequence of any such exercise upon individual Holders except to the extent already provided for in Condition 10 and/or any undertaking given in addition thereto or in substitution therefor under the Trust Deed.

13. REPLACEMENT OF THE SECURITIES

Should the Global Security be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Fiscal Agent (or such other place of which notice shall have been given in accordance with Condition 15) upon payment by the claimant of the expenses incurred in connection therewith and on such terms as to evidence and indemnity and/or as the Issuer may reasonably require. The mutilated or defaced Global Security must be surrendered before any replacement Global Security will be issued.

14. THE TRUSTEE

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including provisions relieving it from taking any action unless indemnified to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer, without accounting for any profit resulting therefrom.

15. NOTICES

Notices to Holders may be given by the delivery of the relevant notice to Euroclear Nederland except for so long as the Securities are listed on NYSE Euronext in Amsterdam and the rules of Euronext Amsterdam so require, by the delivery of the relevant notice to Euronext Amsterdam and through a press release which will also be made available on the website of the Issuer (www.aegon.com). Any such notice shall be deemed to have been given on the date of the first publication. If publication as provided above is not practicable notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve. Any Notice delivered to Euroclear Nederland shall be deemed to have been given to the Holders on the day on which such notice is so delivered.

16. FURTHER ISSUES

The Issuer is at liberty from time to time without the consent of the Holders to create and issue further Securities ranking *pari passu* in all respects (or in all respects save for the date from which interest thereon accrues and the amount of the first payment of interest on such further Securities) and so that the same shall be consolidated and form a single series with the outstanding Securities. Any such Securities shall be constituted by a deed supplemental to the Trust Deed.

17. AGENTS

The Issuer will procure that there shall at all times be a Calculation Agent and a Fiscal Agent so long as any Security is outstanding. If either the Calculation Agent or the Fiscal Agent is unable or unwilling to act as such or if it fails to make a determination or calculation or otherwise fails to

perform its duties under these Terms and Conditions or the Issue and Paying Agency Agreement, as appropriate, the Issuer shall appoint, on terms acceptable to the Trustee, an independent investment bank acceptable to the Trustee to act as such in its place. Neither the termination of the appointment of a Calculation Agent or the Fiscal Agent nor the resignation of either will be effective without a successor having been appointed.

All calculations and determinations made by the Calculation Agent or the Fiscal Agent in relation to the Securities shall (save in the case of manifest error) be final and binding on the Issuer, the Trustee, the Paying Agents and the Holders.

None of the Issuer, the Trustee and the Paying Agents shall have any responsibility to any person for any errors or omissions in any calculation by the Calculation Agent.

18. GOVERNING LAW AND JURISDICTION

- (a) The Trust Deed, the Securities and any non-contractual obligations arising out of or in connection therewith, are governed by, and shall be construed in accordance with, the laws of the Netherlands.
- (b) The Courts of the Netherlands are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Securities and any non-contractual obligations arising out of or in connection therewith, and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed, the Securities and any non-contractual obligations arising out of or in connection therewith may be brought in such courts.

TAXATION

DUTCH TAXATION

General

The following summary outlines the principal Netherlands tax consequences of the acquisition, holding, settlement, redemption and disposal of the Instruments, but does not purport to be a comprehensive description of all Netherlands tax considerations in relation thereto. This summary is intended as general information only and each prospective investor should consult a professional tax adviser with respect to the tax consequences of an investment in the Instruments.

This summary is based on tax legislation, published case law, treaties, regulations and published policy, in each case as in force as of the date of this Base Prospectus, and does not take into account any developments or amendments thereof after that date whether or not such developments or amendments have retroactive effect.

This summary does not address the Netherlands tax consequences for:

- (i) holders of Instruments holding a substantial interest (*aanmerkelijk belang*) or deemed substantial interest (*fictief aanmerkelijk belang*) in an Issuer and holders of Instruments of whom a certain related person holds a substantial interest in an Issuer. Generally speaking, a substantial interest in an Issuer arises if a person, alone or, where such person is an individual, together with his or her partner (statutory defined term), directly or indirectly, holds or is deemed to hold (i) an interest of 5% or more of the total issued capital of an Issuer or of 5% or more of the issued capital of a certain class of shares of an Issuer, (ii) rights to acquire, directly or indirectly, such interest or (iii) certain profit sharing rights in an Issuer;
- (ii) investment institutions (*fiscale beleggingsinstellingen*); and
- (iii) pension funds, exempt investment institutions (*vrijgestelde beleggingsinstellingen*) or other entities that are exempt from Netherlands corporate income tax.

Where this summary refers to a holder of Instruments, such reference is restricted to a holder holding legal title to as well as an economic interest in such Instruments.

Where this summary refers to the Netherlands, such reference is restricted to the part of the Kingdom of the Netherlands that is situated in Europe and the legislation applicable in that part of the Kingdom.

Withholding Tax

All payments made by the Issuers under the Instruments may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein. With respect to Instruments issued by an Issuer that is considered to be a resident of the Netherlands for Netherlands tax purposes (a "Netherlands Issuer"), all payments made by such Netherlands Issuer under the Instruments may be made free of withholding or deduction for any taxes of whatsoever nature imposed, levied, withheld or assessed by the Netherlands or any political subdivision or taxing authority thereof or therein, provided that the Instruments do not in fact function as equity of the Issuer within the meaning of article 10, paragraph 1, under d of the Netherlands corporate income tax act 1969 (Wet op de vennootschapsbelasting 1969).

Corporate and Individual Income Tax

(a) Residents of the Netherlands

If a holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes and is fully subject to Netherlands corporate income tax or is only subject to Netherlands corporate income tax in respect of an enterprise to which the Instruments are attributable, income derived from the Instruments and gains realised upon the redemption, settlement or disposal of the Instruments are generally taxable in the Netherlands (at up to a maximum rate of 25%).

If an individual holder is a resident or deemed to be a resident of the Netherlands for Netherlands tax purposes (including an individual holder who has opted to be taxed as a resident of the Netherlands), income derived from the Instruments and gains realised upon the redemption, settlement or disposal of the Instruments are taxable at the progressive rates (at up to a maximum rate of 52%) under the Netherlands income tax act 2001 (*Wet inkomstenbelasting 2001*), if:

- (i) the holder is an entrepreneur (*ondernemer*) and has an enterprise to which the Instruments are attributable or the holder has, other than as a shareholder, a co-entitlement to the net worth of an enterprise (*medegerechtigde*), to which enterprise the Instruments are attributable; or
- (ii) such income or gains qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*), which include the performance of activities with respect to the Instruments that exceed regular, active portfolio management (*normaal, actief vermogensbeheer*).

If neither condition (i) nor condition (ii) applies to the holder of the Instruments, taxable income with regard to the Instruments must be determined on the basis of a deemed return on income from savings and investments (*sparen en beleggen*), rather than on the basis of income actually received or gains actually realised. As of 1 January 2011, this deemed return on income from savings and investments has been fixed at a rate of 4% of the individual's yield basis (*rendementsgrondslag*) at the beginning of the calendar year, insofar as the individual's yield basis exceeds a certain threshold. The individual's yield basis is determined as the fair market value of certain qualifying assets held by the holder of the Instruments less the fair market value of certain qualifying liabilities on 1 January. The fair market value of the Instruments will be included as an asset in the individual's yield basis. The 4% deemed return on income from savings and investments is taxed at a rate of 30%.

(b) Non-residents of the Netherlands

If a holder is not a resident nor is deemed to be a resident of the Netherlands for Netherlands tax purposes (nor has opted to be taxed as a resident of the Netherlands), such holder is not liable to Dutch income tax in respect of income derived from the Instruments and gains realised upon the settlement, redemption or disposal of the Instruments, unless:

- (i) the holder is not an individual and such holder (1) has an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Instruments are attributable, or (2) is (other than by way of securities) entitled to a share in the profits of an enterprise or a co-entitlement to the net worth of an enterprise, which is effectively managed in the Netherlands and to which enterprise the Instruments are attributable.

This income is subject to Netherlands corporate income tax at up to a maximum rate of 25%.

- (ii) the holder is an individual and such holder (1) has an enterprise or an interest in an enterprise that is, in whole or in part, carried on through a permanent establishment or a permanent representative in the Netherlands to which permanent establishment or permanent representative the Instruments are

attributable, or (2) realises income or gains with respect to the Instruments that qualify as income from miscellaneous activities (*resultaat uit overige werkzaamheden*) in the Netherlands, which activities include the performance of activities in the Netherlands with respect to the Instruments which exceed regular, active portfolio management (*normaal, actief vermogensbeheer*), or (3) is (other than by way of securities) entitled to a share in the profits of an enterprise which is effectively managed in the Netherlands and to which enterprise the Instruments are attributable.

Income derived from the Instruments as specified under (1) and (2) is subject to individual income tax at up to a maximum rate of 52%. Income derived from a share in the profits as specified under (3) that is not already included under (1) or (2) will be taxed on the basis of a deemed return on income from savings and investments (as described above under "Residents of the Netherlands"). The fair market value of the share in the profits of the enterprise (which includes the Instruments) will be part of the individual's Netherlands yield basis.

Gift and Inheritance Tax

(c) Residents of the Netherlands

Generally, gift and inheritance tax will be due in the Netherlands in respect of the acquisition of the Instruments by way of a gift by, or on behalf of, or on the death of, a holder that is a resident or deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax at the time of the gift or his or her death. A gift made under a condition precedent is deemed to be a made at the time the condition precedent is fulfilled and is subject to Dutch gift and inheritance tax if the donor is a (deemed) resident of the Netherlands at that time.

A holder of Dutch nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift and inheritance tax if he or she has been resident in the Netherlands and dies or makes a gift within ten years after leaving the Netherlands. A holder of any other nationality is deemed to be a resident of the Netherlands for the purposes of the Netherlands gift tax if he or she has been resident in the Netherlands and makes a gift within a twelve months period after leaving the Netherlands. The same twelve-month rule may apply to entities that have transferred their seat of residence out of the Netherlands.

(d) Non-residents of the Netherlands

No gift or inheritance taxes will arise in the Netherlands in respect of the acquisition of the Instruments by way of a gift by, or as a result of, the death of a holder that is neither a resident nor deemed to be a resident of the Netherlands for the purposes of Netherlands gift and inheritance tax, unless in the case of a gift of the Instruments by, or on behalf of, a holder who at the date of the gift was neither a resident nor deemed to be a resident of the Netherlands, such holder dies within 180 days after the date of the gift, and at the time of his or her death is a resident or deemed to be a resident of the Netherlands. A gift made under a condition precedent is deemed to be a made at the time the condition precedent is fulfilled.

Value Added Tax

In general, no value added tax will arise in respect of payments in consideration for the issue of the Instruments or in respect of a cash payment made under the Instruments, or in respect of a transfer of Instruments.

Other Taxes and Duties

No registration tax, customs duty, transfer tax, stamp duty or any other similar documentary tax or duty will be payable in the Netherlands by a holder in respect of or in connection with the subscription, issue, placement, allotment, delivery or transfer of the Instruments.

EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a person within its jurisdiction to an individual resident in that other Member State or to certain limited types of entities established in that other Member State. However, for a transitional period, Luxembourg and Austria are instead required (unless during that period they elect otherwise) to operate a withholding system in relation to such payments (the ending of such transitional period being dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries). A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

The European Commission has proposed certain amendments to the Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

U.S. TAXATION IN RELATION TO NOTES ISSUED BY AFC HELD BY NON-U.S. HOLDERS

IRS Circular 230 Notice: To ensure compliance with Internal Revenue Service Circular 230, prospective investors are hereby notified that: (a) any discussion of United States federal tax issues contained or referred to in this prospectus is not intended or written to be used, and cannot be used by prospective investors for the purpose of avoiding penalties that may be imposed on them under the Internal Revenue Code; (b) such discussion is written in connection with the promotion or marketing of the transactions or matters addressed herein; and (c) prospective investors should seek advice based on their particular circumstances from an independent tax adviser.

This general summary describes certain United States federal income tax consequences to non-U.S. Holders (as defined below) of the purchase, ownership and disposition of Notes issued by AFC. This discussion relates solely to Notes issued under the Programme that qualify as debt for U.S. federal income tax purposes. Further, this discussion does not address the treatment of persons subject to special tax rules, including, without limitation, financial institutions, insurance companies, dealers or traders in securities or currencies, regulated investment companies, persons that will hold the Notes as part of a "hedging" or "conversion" transaction or as a position in a "straddle" for U.S. federal income tax purposes, private foundations or other tax exempt organizations, former citizens or residents of the United States, grantor trusts, controlled foreign corporations and passive foreign investment companies, and partnerships and other pass-through entities and persons holding interests therein. If a partnership is a beneficial owner of a Note, the tax treatment of a partner in the partnership will generally depend upon the status of the partner and the activities of the partnership. Further, this discussion does not address any tax consequences applicable to holders of equity in a holder of the Notes.

In addition, this discussion does not consider the implications of the possible applicability of tax treaties. Persons considering the purchase, ownership or disposition of Notes should consult their own tax advisers concerning the United States federal income tax consequences of the purchase, ownership and disposition of such Notes, and the implications of their particular situations thereto, as well as any consequences arising under the laws of any other taxing jurisdiction. Furthermore, this discussion is based upon the Internal Revenue Code of 1986 as amended (the **Code**), the legislative history thereof, final, temporary, and proposed regulations thereunder, and rulings and judicial decisions thereunder as of the date hereof. Such authorities may be repealed, revoked or modified (including changes in effective dates, and possibly with retroactive effect) so as to result in United States federal income tax consequences different from those discussed below.

As used herein, the term **non-U.S. Holder** means any beneficial owner of a Note who is not a United States person. The term **United States person** means (a) any individual who is (or is treated as) a citizen or resident of the United States, (b) a corporation, partnership or other entity created or organized in or under the laws of the United States or, in the case of a partnership, otherwise treated as a United States person under applicable U.S. treasury regulations, (c) an estate the income of which is subject to United States federal income taxation regardless of its source, or (d) a trust (i) the administration of which is subject to the primary supervision of a United States court and which has one or more United States persons who have the authority to control all substantial decisions of the trust, or (ii) that has a valid election in effect under applicable U.S. treasury regulations to be treated as a United States person.

General

Under present United States federal income tax law, and subject to the discussion below concerning backup withholding:

(a) payments of principal of and interest on the Notes to a non-U.S. Holder will not be subject to United States federal income or withholding tax, provided that in the case of interest (i) the non-U.S. Holder (A) does not actually or constructively own 10% or more of the total combined voting power of all classes of stock of AFC entitled to vote within the meaning of the Code, (B) is not a controlled foreign corporation related within the meaning of the Code to AFC, and (C) is not a bank for U.S. federal income tax purposes

whose receipt of interest is in connection with an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business; (ii) no interest payable with respect to the Notes is “contingent interest” within the meaning of the Code; (iii) if the Notes are in registered form, the beneficial owner timely certifies under penalties of perjury, among other things, that the owner is not a “United States person,” as defined in the Code, and provides such owner’s name and address, and all other elements of the applicable certification requirements are satisfied, and, if the Notes are in bearer form, any applicable certification requirements, as set forth in U.S. treasury regulations, are satisfied; and (iv) income on the Notes is not effectively connected with the conduct of a trade or business in the United States; and

(b) a non-U.S. Holder generally will not be subject to United States federal income tax on gain realized on the sale, exchange, redemption or other disposition of a Note unless (i) such gain is (or is treated as) effectively connected with a United States trade or business or (ii) in the case of a non-U.S. Holder who is an individual, the individual is present in the United States for a total of 183 days or more during the taxable year in which such gain is realized.

Backup Withholding and Information Reporting

Backup withholding and information reporting generally will not apply to payments of principal or interest to a non-U.S. Holder by AFC or a paying agent in the case of Notes qualifying as Bearer Notes. Backup withholding generally will not apply to payments to a non-U.S. Holder of principal or interest by AFC or paying agent on Notes in registered form if the certifications required for such Notes, described above, are received. Payments of interest to a non-U.S. Holder on a Note in registered form will be reported to the Internal Revenue Service and to the holder.

Payments of proceeds of the sale, exchange or other disposition of a Note effected by a broker at an office outside the United States generally will not be subject to backup withholding if the proceeds are paid to an account that the holder maintains at a financial institution outside the United States. However, if such broker is (a) a United States person, (b) a controlled foreign corporation for United States tax purposes, (c) a foreign person, 50% or more of the gross income of which is effectively connected with a United States trade or business for a specified period or (d) a foreign partnership that at any time during its taxable year is 50% or more owned by United States persons or is engaged in a U.S. trade or business, information reporting will be required with respect thereto unless the broker has in its records documentary evidence that the beneficial owner is not a United States person and certain other conditions are met or the beneficial owner otherwise establishes an exemption. Payments of principal or interest on a Note or the proceeds of a disposition of a Note effected at a United States office of a broker will be subject to backup withholding and information reporting, unless the holder certifies under penalties of perjury that it is not a United States person or otherwise establishes an exemption.

Any amounts withheld under the backup withholding rules will be allowed as a refund or credit against the beneficial owner’s United States federal income tax liability provided the required information is furnished to the Internal Revenue Service in a timely manner.

THE UNITED STATES FEDERAL TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND MAY NOT BE APPLICABLE DEPENDING UPON A HOLDER’S PARTICULAR SITUATION OR IN RELATION TO NOTES TREATED AS OTHER THAN DEBT FOR US FEDERAL INCOME TAX PURPOSES. INVESTORS SHOULD CONSULT THEIR OWN TAX ADVISERS WITH RESPECT TO THE TAX CONSEQUENCES TO THEM OF THE PURCHASE, OWNERSHIP AND DISPOSITION OF THE NOTES, INCLUDING THE TAX CONSEQUENCES UNDER FEDERAL, STATE, LOCAL, FOREIGN AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN UNITED STATES OR OTHER TAX LAWS.

SUBSCRIPTION AND SALE

Instruments may be sold from time to time by the Issuer to any one or more of Barclays Bank PLC, BNP Paribas, Citigroup Global Markets Limited, Deutsche Bank AG, London Branch, HSBC Bank plc, J.P. Morgan Securities Ltd., Merrill Lynch International, Morgan Stanley & Co. International plc, The Royal Bank of Scotland plc and UBS Limited (the **Dealers**). Instruments may also be sold by the Issuers direct to institutions who are not Dealers. The arrangements under which Instruments may from time to time be agreed to be sold by an Issuer to, and purchased by, Dealers are set out in an amended and restated dealership agreement dated 22 July 2011 (the **Dealership Agreement**) and made between the Issuers and the Dealers. Any such agreement will, *inter alia*, make provision for the form and terms and conditions of the relevant Instruments, the price at which such Instruments will be purchased by the Dealers and the commissions or other agreed deductibles (if any) payable or allowable by the relevant Issuer in respect of such purchase. The Dealership Agreement makes provision for the resignation or termination of appointment of existing Dealers and for the appointment of additional or other Dealers either generally in respect of the Programme or in relation to a particular Tranche of Instruments.

Each Dealer has agreed to comply with the following provisions except to the extent that, as a result of any change(s) in, or in the official interpretation of, any applicable laws and/or regulations, non-compliance would not result in any breach of the provisions below.

United States of America: *Regulation S Category 2; TEFRA D; Rule 144A eligible if so specified in the relevant Final Terms*

Instruments have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to or for the account or benefit of U.S. persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in the preceding sentence have the meanings given to them by Regulation S under the Securities Act.

Instruments in bearer form are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to U.S. persons, except in certain transactions permitted by U.S. tax regulations. Terms used in the preceding sentence have the meanings given to them by the United States Internal Revenue Code and regulations thereunder.

Each Dealer has agreed and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealership Agreement, it will not offer, sell or deliver Instruments, (a) as part of their distribution at any time or (b) otherwise until 40 days after the completion of the distribution of the Instruments comprising the relevant Tranche, as certified to the Fiscal Agent or the relevant Issuer by such Dealer (or, in the case of a sale of a Tranche of Instruments to or through more than one Dealer, by each of such Dealers as to Instruments of such Tranche purchased by or through it, in which case the Fiscal Agent or the relevant Issuer shall notify each such Dealer when all such Dealers have so certified) within the United States or to or for the account or benefit of U.S. persons, and such Dealer will have sent to each dealer to which it sells Instruments during the restricted period relating thereto a confirmation or other notice setting forth the restrictions on offers and sales of the Instruments within the United States or to or for the account or benefit of U.S. persons. In addition, until 40 days after the commencement of the offering of Instruments comprising any Tranche, any offer or sale of Instruments within the United States by a dealer that is not participating in the offering may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with Rule 144A under the Securities Act.

Each Tranche of Instruments will also be subject to such further United States selling restrictions as the relevant Issuer and the relevant Dealer(s) may agree and as indicated in the relevant Final Terms.

Public Offer Selling Restriction under the Prospectus Directive

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each Dealer has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Instruments which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Instruments to the public in that Relevant Member State:

- (a) if the final terms in relation to the Instruments specify that an offer of those Instruments may be made other than pursuant to Article 3(2) of the Prospectus Directive in that Relevant Member State (a **Non-exempt Offer**), following the date of publication of a prospectus in relation to such Instruments which has been approved by the competent authority in that Relevant Member State or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State, provided that any such prospectus has subsequently been completed by the final terms contemplating such Non-exempt Offer, in accordance with the Prospectus Directive, in the period beginning and ending on the dates specified in such prospectus or final terms, as applicable and the Issuer has consented in writing to its use for the purpose of that Non-exempt Offer;
- b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive ;
- (c) at any time to fewer than 100, or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the relevant Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Instruments referred to in (b) to (d) above shall require the relevant Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive, or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an “offer of Instruments to the public” in relation to any Instruments in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Instruments to be offered so as to enable an investor to decide to purchase or subscribe the Instruments, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC (and amendments thereto, including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State), and includes any relevant implementing measure in each Relevant Member State and the expression **2010 PD Amending Directive** means Directive 2010/73/EU.

The Netherlands

Zero Coupon Instruments (as defined below) in definitive form may only be transferred and accepted, directly or indirectly, within, from or into The Netherlands through the mediation of either the relevant Issuer or a member firm of Euronext Amsterdam N.V. in full compliance with the Dutch Savings Certificates Act (*Wet inzake spaarbewijzen*) of 21 May 1985 (as amended) and its implementing regulations. No such mediation is required: (i) in respect of the transfer and acceptance of rights representing an interest in a Zero Coupon Instrument in global form, or (ii) in respect of the initial issue of Zero Coupon Instruments in

definitive form to the first holders thereof, or (iii) in respect of the transfer and acceptance of Zero Coupon Instruments in definitive form between individuals not acting in the conduct of a business or profession, or (iv) in respect of the transfer and acceptance of such Zero Coupon Instruments within, from or into The Netherlands if all Zero Coupon Instruments (either in definitive form or as rights representing an interest in a Zero Coupon Instrument in global form) of any particular Series are issued outside The Netherlands and are not distributed into The Netherlands in the course of initial distribution or immediately thereafter. As used herein **Zero Coupon Instruments** are Instruments that are in bearer form and that constitute a claim for a fixed sum against the relevant Issuer and on which interest does not become due during their tenor or on which no interest is due whatsoever.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the FSMA) received by it in connection with the issue or sale of any Instruments in circumstances in which Section 21(1) of the FSMA does not apply to the relevant Issuer or the Guarantor; and

Persons into whose hands this Base Prospectus and any Final Terms comes are required by the relevant Issuer and the Dealers to comply with all applicable laws and regulations in each country or jurisdiction in or from which they purchase, offer, sell or deliver Instruments or have in their possession or distribute such offering material, in all cases at their own expense.

GENERAL INFORMATION

1. The update and amendment of the Programme was authorised by resolutions of the Executive Board (*Raad van Bestuur*) of AEGON on 20 March 2006 and of the Board of Directors of AFC on 19 July 2011.
2. AEGON is involved in litigation in the ordinary course of business, including litigation where compensatory or punitive damages and mass or class relief are sought. In particular, certain current and former customers, and groups representing customers, have initiated litigation and certain groups are encouraging others to bring lawsuits in respect of certain products. The products involved in the Netherlands include securities leasing products and unit linked products (so called ‘beleggingsverzekeringen’ including the KoersPlan product). AEGON has established litigation policies to deal with the claims defending when the claim is without merit and seeking to settle in certain circumstances.

In addition the insurance industry has increasingly been the subject of litigation, investigations, regulatory activity and challenges by various governmental and enforcement authorities and policyholder advocate groups concerning certain practices. AEGON subsidiaries have received inquiries from local authorities and policyholder advocate groups in various jurisdictions including the United States, the United Kingdom and the Netherlands. In the normal course of business, reviews of processes and procedures are undertaken to help ensure that customers have been treated fairly, and to respond to matters raised by policyholders and their representatives. In 2010, AEGON UK received a fine of EUR 3.3 million from the UK Financial Services Authority due to systems and controls failings, some of which have led to customer detriment. In certain instances, AEGON subsidiaries modified business practices in response to such inquiries or the findings thereof. Certain AEGON subsidiaries have been informed that the regulators may seek fines or other monetary penalties or changes in the way AEGON conducts its business.

In the Netherlands, there is increased litigation regarding transparency issues and the charges (including insurance premium) included in unit-linked products. For example, AEGON’s KoersPlan product is a unit-linked product which was sold in substantial volumes in the Netherlands. AEGON appealed against an unfavourable decision of a lower court in the Netherlands in May 2009. This decision does not have a direct effect on claims brought by individual clients but, if this decision is ultimately upheld on appeal and/or by the Dutch Supreme Court and is followed by other courts in the Netherlands in individual cases, it could have a significant negative effect on AEGON’s financial position or profitability. In July 2009, AEGON entered into an arrangement with Stichting Verliespolis and Stichting Woekerpolis Claim regarding the maximum costs of its unit-linked products sold before January 1, 2008. AEGON will compensate individuals at the termination date of such product if the actual total costs turn out to be in excess of this maximum. The Ombudsman Financiële Dienstverlening supports this arrangement.

While it is not feasible to predict or determine the ultimate outcome of all pending or threatened litigation, investigations and regulatory action, AEGON is of the opinion it has not been involved in any governmental, legal or arbitration proceedings (including any such proceedings which are pending or threatened of which it is aware) in the last twelve months preceding the date hereof which may have or had in such period any significant effects on the financial position or profitability of AEGON N.V. or the Group, other than the litigation regarding the unit-linked products (including the Koersplan product) described above.

There have been no significant changes in the financial or trading position and the prospects of the group since March 31, 2011

There has been no material adverse change in the financial position or prospects of AEGON since 31 December 2010.

3. The financial statements of AEGON have been audited for the three financial years preceding the date of this Base Prospectus by Ernst & Young Accountants, certified public accountants, and unqualified opinions have been issued thereon. AFC does not have independently audited financial data. It is not required to publish audited financial data. AFC's financial data are included in AEGON's financial data, which are audited. There is no published financial data available for AFC.
4.  - (h) any Final Terms.
5. The Notes have been accepted for clearance through Euroclear Nederland, Euroclear and Clearstream, Luxembourg. The Capital Securities have been accepted for clearance through Euroclear Nederland. The appropriate common code and International Securities Identification Number in relation to the Instruments of each Series and any other clearing system as shall have accepted the relevant Instruments for clearance, will be specified in the Final Terms relating thereto. The address of Euroclear is Euroclear Bank SA/NV, 1 Boulevard du Roi Albert II, B-1210 Brussels, the address of Clearstream, Luxembourg is Clearstream Banking, 42 Avenue JF Kennedy, L-1855 Luxembourg and the address of Euroclear Nederland is Damrak 70, 1012 LM Amsterdam.
6. Bearer Instruments (other than Temporary Global Instruments) and any Coupon appertaining thereto will bear a legend substantially to the following effect: "Any United States person who holds this obligation will be subject to limitations under the United States income tax laws, including the limitations provided in Sections 165(j) and 1287(a) of the Internal Revenue Code." The sections referred to in such legend provide that a United States person who holds a Bearer Instrument or Coupon generally will not be allowed to deduct any loss realised on the sale, exchange or redemption of such Bearer Instrument or Coupon and any gain (which might otherwise be characterised as capital gain) recognised on such sale, exchange or redemption will be treated as ordinary income.
7. Settlement arrangements will be agreed between the relevant Issuer, the relevant Dealer and the Fiscal Agent or, as the case may be, the Registrar in relation to each Tranche of Instruments.

8. Save as set out in the Final Terms, no Issuer intends to provide any post-issuance information in relation to the issue of any Instruments.
