RECENT DEVELOPMENTS AND INFORMATION INCORPORATED BY REFERENCE

On 2 August 2017, ING Bank N.V. published its Interim Financial Report containing its condensed consolidated unaudited results as at, and for the six month period ended, 30 June 2017 (the “ING Bank Interim Financial Report”). A copy of the ING Bank Interim Financial Report has been filed with the AFM and the information included in the ING Bank Interim Financial Report, by virtue of this Supplement, is incorporated by reference in, and forms part of, the Registration Document.

On 2 August 2017, ING Groep N.V. (“ING Group”) published a press release entitled “ING posts 2Q17 net result of EUR 1,371 million” (the “Q2 Press Release”). The Q2 Press Release contains, among other things, ING Group’s consolidated unaudited results as at, and for the three month period and the six month period ended, 30 June 2017. For information about recent developments in the banking business of ING Group, which is conducted substantially through ING Bank N.V. and its consolidated group, during this period, see the Q2 Press Release. A copy of the Q2 Press Release has been filed with the AFM and, by virtue of this Supplement, is incorporated by reference in, and forms part of, the Registration Document.

Please note, however, that the consolidated operations of ING Bank N.V., while materially the same, are not identical with the reported financial and statistical information on a segment basis for the banking business of ING Group as described in the Q2 Press Release, because the financial and statistical information reported by ING Group also contains certain financial items incurred solely at the level of ING Group (on a standalone basis) which are therefore not included in the consolidated operations of the Issuer (being a wholly-owned subsidiary of ING Group).

Despite the incorporation by reference of one or more press releases published by it, ING Group is not responsible for the preparation of the Registration Document.

MODIFICATIONS TO THE REGISTRATION DOCUMENT

The Q2 Press Release contains, among other things, the consolidated unaudited interim results of ING Group as at, and for the three month period and the six month period ended, 30 June 2017, as well as information about recent developments during this period in the banking business of ING Group, which is conducted substantially through the Issuer and its consolidated group; and

2. The third paragraph under the section entitled “Documents Incorporated by Reference” on page 3 of the Registration Document shall be deleted and restated as follows:

“With respect to the Quarterly Press Releases, prospective investors should note that the Issuer’s consolidated operations, while materially the same, are not identical with the reported financial and statistical information on a segment basis for the banking business of ING Group as described in the Quarterly Press Releases, because the financial and statistical information reported by ING Group also contains certain financial items incurred solely at the level of ING Group (on a standalone basis) which are therefore not included in the consolidated operations of the Issuer (being a wholly-owned subsidiary of ING Group). It is the intention of the Supervisory Board to elect Hans Wijers as its chairman to succeed Jeroen van der Veer in that capacity per the end of the AGM in 2018. In order to ensure a smooth transfer of responsibilities to Hans Wijers, the AGM reappointed Jeroen van der Veer as member of the Supervisory Board for a period of one year, ending as per the end of the AGM in 2018.

Supervisory Board Committees

The Supervisory Board has four standing committees: the Audit Committee, the Risk Committee, the Remuneration Committee and the Nomination and Corporate Governance Committee (combined).

The organisation, powers and conduct of the Supervisory Board are detailed in the Supervisory Board Charter. Separate charters have been drawn up for the Audit Committee, the Risk Committee, the Remuneration Committee, the Nomination Committee and the Corporate Governance Committee. These charters are available on the website of ING Group (www.ing.com) (but are not incorporated by reference in, and do not form part of, this Registration Document). A short description of the duties for the four Committees follows below.

The Audit Committee assists the Supervisory Board in monitoring the integrity of the financial statements of ING Bank N.V., in monitoring the compliance with legal and regulatory requirements and in monitoring the independence and performance of ING Bank's internal and external auditors. At the date of this Registration Document, the members of the Audit Committee were: Hermann-Josef Lamberti (chairman), Eric Boyer de la Giroday and Robert Reibestein. Eric Boyer de la Giroday is a financial expert as defined in the Dutch Corporate Governance Code considering his academic background as well as his knowledge and experience in his previous role as a board member and vice-chairman of ING Groep N.V. and ING Bank N.V.

The Risk Committee assists and advises the Supervisory Board in monitoring the risk profile of ING as a whole as well as the structure and operation of the internal risk management and control systems. At the date of this Registration Document, the members of the Risk Committee were: Robert Reibestein (chairman), Eric Boyer de la Giroday, Mariana Gheorghe, Hermann-Josef Lamberti and Jeroen van der Veer.

The Remuneration Committee's tasks include advising the Supervisory Board on the terms and conditions of employment (including remuneration) of the members of the Management Board Banking and on the policies and general principles on which the terms and conditions of employment of the members of the Management Board Banking and of senior managers of ING Bank and its subsidiaries are based. At the date of this Registration Document, the members of the Remuneration Committee were: Henk Breukink (chairman), Robert Reibestein and Jeroen van der Veer.

The Nomination and Corporate Governance Committee's tasks include advising the Supervisory Board on the composition of the Supervisory Board and Management Board Banking, assisting the Supervisory Board in monitoring and evaluating the corporate governance of ING as a whole and reporting on this in the Annual Report and to the General Meeting, and advising the Supervisory Board on improvements. At the date of this Registration Document, the members of the Nomination and Corporate Governance Committee were: Jeroen van der Veer (chairman), Henk Breukink and Ann Sherry.”.

4. The first paragraph of the section entitled “General Information - Ratings” on page 111 of the Registration Document shall be deleted and restated as follows:

“The Issuer has a senior debt rating from Standard & Poor's Rating Services of A+ (outlook stable), a senior debt rating from Moody's Investor Service Ltd. of A1 (outlook positive) and a senior debt rating from Fitch Ratings of A+ (outlook stable).”.

5. The section entitled “General Information – Significant or Material Adverse Change” on page 111 of the Registration Document shall be deleted and restated as follows:

“Significant or Material Adverse Change

At the date hereof, there has been no significant change in the financial position of ING Bank N.V. and its consolidated subsidiaries since 30 June 2017.

At the date hereof, there has been no material adverse change in the prospects of ING Bank N.V. since 31 December 2016.”.

6. The fourth paragraph of the section entitled “General Information – Litigation” beginning on page 111 of the Registration Document shall be deleted and restated as follows:

“ING Bank Turkey has received numerous claims from (former) customers of legal predecessors of ING Bank Turkey. The claims are based on offshore accounts held with these banks, which banks were seized by the Savings Deposit Insurance Fund (“SDIF”) prior to the acquisition of ING Bank

Turkey in 2007 from Oyak. SDIF has also filed various lawsuits against ING Bank Turkey to claim compensation from ING Bank Turkey, with respect to amounts paid out to offshore account holders so far. ING Bank had initiated an arbitration procedure against OYAK in which ING Bank sought to be held harmless for these claims. The arbitration court dismissed ING's prayers for relief. At this moment it is not possible to assess the outcome of these procedures nor to provide an estimate of the (potential) financial effect of these claims.”.

7. The fifth paragraph of the section entitled “General Information - Litigation” beginning on page 111 of the Registration Document shall be deleted and restated as follows:

“In January 2011, the Dutch Association of Stockholders (*Vereniging van Effectenbezitters*, ‘VEB’) issued a writ alleging that investors were misled by the prospectus that was issued with respect to the September 2007 rights issue of Fortis N.V. (now Ageas N.V.) against Ageas N.V., the underwriters of such rights issue, including ING Bank, and former directors of Fortis N.V. According to the VEB the prospectus shows substantive incorrect and misleading information. The VEB stated that the impact and the risks of the sub-prime crisis for Fortis and Fortis’ liquidity position were reflected incorrectly in the prospectus. The VEB requested a declaratory decision stating that the summoned parties acted wrongfully and are therefore responsible for the damages suffered by the investors in Fortis. In March 2016, Ageas, VEB and certain other claimants announced that the claim in relation to Fortis has been settled. Ageas has agreed to pay €1.2 billion to investors as compensation, provided that the Amsterdam Court of Appeal declares the settlement to be binding. According to the settlement documentation, as filed by Ageas with the Court of Appeal in May 2016, the settlement agreement contains a third-party clause by which the banks will also be released from the claims made by VEB and certain other claimants, if the settlement becomes unconditional. In June 2017, the Amsterdam Court of Appeal has given an interim ruling that the proposed settlement agreement between Ageas and the VEB cannot be declared binding upon all investors in its current form. Ageas and the VEB are requested to make amendments to the settlement agreement on certain specific items mentioned in the interim ruling. The amendments have to be filed with the court by October 2017.”.

8. The following two new paragraphs shall be added at the end of the section entitled “General Information - Litigation” beginning on page 111 of the Registration Document:

“ING received complaints and is involved in litigation with natural persons (*natuurlijke personen*) in The Netherlands regarding increases in interest surcharges with respect to several credit products, including but not limited to commercial real estate (*commercieel verhuurd onroerend goed*) and residential property (*eigenwoningfinanciering*). ING is reviewing the relevant product portfolio. Although the review is still ongoing, a provision has been taken for certain of these complaints. At this moment, it is not possible to assess the validity of the complaints nor to provide an estimate of the (potential) financial effect of negative verdicts in court proceedings.

In June 2017, a Belgian criminal Court ruled that ING Luxembourg assisted third parties in 2000 to commit a tax fraud in the context of the purchase of the shares of a cash company. The Court condemned ING Luxembourg among others to a penal fine of EUR 120,000 (suspended for half of the total amount). The court also condemned ING Luxembourg jointly and severally with other parties, to pay EUR 31.48 million (to be increased with accrued statutory interest) to the bankruptcy trustee of the cash company. Although ING decided to appeal against this judgment, a provision has been recorded.”.
