FEBRUARY 2016 REVENUE REPORT

Thunderbird Resorts Inc. (“Thunderbird” or “Group”) (Euronext Amsterdam: TBIRD and FSE: 4TR) reports the following revenues for February 2016. For a more detailed analysis of February 2016 revenue, please visit www.thunderbirdresorts.com and click on “February 2016 Revenue Report - Analysis” located on the home page under “News and Releases.”

Group revenue for February 2016 vs. February 2015.

Group-wide sales by country – (unaudited, in millions) ⁽¹⁾	February 2016	February 2015	Year-over-year increase/(decrease)
Peru ⁽²⁾	\$1.96	\$2.24	-12.50%
Nicaragua	1.08	1.01	6.93%
Total Consolidated Operating Revenues	\$3.04	\$3.25	-6.46%

¹ Revenues reported are based on monthly average exchange rates, are same store and are in USD millions.

² Revenues are generated primarily from gaming, and secondarily from our fully-owned Fiesta Hotel and from 2 hotels under management.

Important Note on Forex: The strengthening of the US dollar versus our operating currencies continues to have a material impact on our business as compared to the same period in 2015. Under a currency neutral analysis (in which the same exchange rate would be applied to both periods), Group revenue would have grown by \$120 thousand or 4.11%. Specifically, Peru revenue would have remained unchanged (no growth or reduction), while Nicaragua revenue would have increased by \$120 thousand or 12.50%.
