About TomTom

TomTom empowers movement. Every day millions of people around the world depend on TomTom to make smarter decisions. We design and develop innovative products that make it easy for people to keep moving towards their goals.

Our map-based components include map content, online map-based services, real-time traffic, and navigation software. Our consumer products include PNDs, navigation apps, and GPS sports watches. Our main business products are custom in-dash navigation systems and a fleet management system, which is offered to fleet owners as an online service with integrated in-vehicle cellular devices.

Our business consists of four customer facing business units: Consumer, Automotive, Licensing and Telematics.

Founded in 1991 and headquartered in Amsterdam, the Netherlands, we have over 4,600 employees worldwide.
