## **Further proposal from Akzo Nobel**

**Arnhem, the Netherlands, August 6, 2007 - Akzo Nobel NV ("Akzo Nobel") confirms that it has made a further indicative proposal to the Board of Imperial Chemical Industries PLC ("ICI") under which Akzo Nobel would acquire ICI for 670p per share in cash.**

In addition, ICI shareholders would receive a second interim dividend of up to 5p per share paid pro rata by reference to where the completion date of the proposed offer falls between July 1, 2007 and December 31, 2007.

Akzo Nobel was able to make this increased proposal after further discussions with both ICI and Henkel KGaA ("Henkel").

As announced on 30 July 2007, Akzo Nobel has entered into an exclusive arrangement with Henkel for the sale, following completion of its proposed offer, of ICI's Adhesives and Electronic Materials businesses. The consideration payable under this arrangement is £2.7 billion (calculated on a cash and debt free basis)

Akzo Nobel and Henkel have negotiated a back to back agreement relating to this proposed sale which, subject to the approval of Henkel's Shareholders' Committee, they would intend to execute immediately prior to the formal announcement of an offer by Akzo Nobel for ICI. The exclusivity agreement with Henkel enables both Akzo Nobel and Henkel to each focus on the businesses that offer them most synergies thereby meeting their respective stated strategic and financial objectives. It would also allow Akzo Nobel to return further cash to its shareholders.

The Board of ICI has agreed that Akzo Nobel can undertake certain limited due diligence.

There can be no certainty that Akzo Nobel's further indicative proposal will result in any offer or transaction. A further announcement will be made when appropriate.

#### **Dealing Disclosure Requirements**

Under the provisions of Rule 8.3 of the Takeover Code (the "Code"), if any person is, or becomes, "interested" (directly or indirectly) in one per cent. or more of any class of "relevant securities" of ICI, all "dealings" in any "relevant securities" of that company (including by means of an option in respect of, or a derivative referenced to, any such "relevant securities") must be publicly disclosed by no later than 3.30 p.m. (London time) on the London business day following the date of the relevant transaction. This requirement will continue until the date on which the offer becomes, or is declared, unconditional as to acceptances, lapses or is otherwise withdrawn or on which the "offer period" otherwise ends. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire an "interest" in "relevant securities" of ICI, they will be deemed to be a single person for the purposes of Rule 8.3 of the Code.

Under the provisions of Rule 8.1 of the Code, all "dealings" in "relevant securities" of ICI by Akzo Nobel or ICI, or by any of their respective "associates", must be disclosed by no later than 12.00 noon (London time) on the London business day following the date of the relevant transaction.

A disclosure table, giving details of the companies in whose "relevant securities" "dealings" should be disclosed, and the number of such securities in issue, can be found on the Takeover Panel's website at [www.thetakeoverpanel.org.uk](http://www.thetakeoverpanel.org.uk).

"Interests in securities" arise, in summary, when a person has long economic exposure, whether conditional or absolute, to changes in the price of securities. In particular, a person will be treated as having an "interest" by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Code, which can also be found on the Takeover Panel's website. If you are in any doubt as to whether or not you are required to disclose a "dealing" under Rule 8 of the Code, you should consult the Panel.
