SNS Securities and VVAA reach final agreement on acquisition of FBS Bankiers

Amsterdam, 30 August 2007 - SNS Securities and VVAA Groep have reached final agreement on the acquisition of FBS Bankiers, a specialised bank that provides services to both private and institutional clients. The core activities of Amsterdam-based FBS Bankiers are securities advice and asset management.

A total of 30 employees will join SNS Securities. With the acquisition of FBS Bankiers, SNS Securities will strengthen its position in the Dutch market.

The parties expect to complete the acquisition within the next two months.

“Both the clients of FBS Bankiers as well as the personnel will benefit from the professional organization and the high-quality research of SNS Securities”, according to Evert Greup, CEO of VVAA Groep.

“For SNS Securities, the acquisition of FBS Bankiers is an excellent addition to the existing activities and we expect that the acquisition will contribute to the result of SNS Securities”, stated Willem Meijer, CEO of SNS Securities.

FBS Bankiers is a subsidiary of VVAA Groep, a Utrecht-based financial service provider for healthcare professionals.

SNS Securities, a subsidiary of SNS Bank, is part of SNS REAAL, a banking and insurance service provider. SNS Securities provides investment services related to research, liquidity provision and corporate finance, in addition to providing consultancy and management services to both private and institutional investors.
