

Press Release

Heerlen (NL), 4 April 2022

DSM provides preliminary 2021 comparative figures

Royal DSM, a global purpose-led science-based company, today provides preliminary comparative financial figures for 2021 following the establishment of DSM's Health, Nutrition & Bioscience ("HNB") structure, which became effective as of 1 January 2022.

HNB consists of the previous reportable operating segments of Nutrition (which included Animal Nutrition, Human Nutrition and Other Nutrition) and Innovation. HNB is organized in three newly created Business Groups: Food & Beverage; Health, Nutrition & Care; and Animal Nutrition & Health.

The preliminary comparative figures can be found in the [annex to this press release](#).

DSM

Royal DSM is a global, purpose-led company in Health, Nutrition & Bioscience, applying science to improve the health of people, animals and the planet. DSM's purpose is to create brighter lives for all. DSM's products and solutions address some of the world's biggest challenges while simultaneously creating economic, environmental and societal value for all its stakeholders – customers, employees, shareholders, and society at large. The company was founded in 1902 and is listed on Euronext Amsterdam. More information can be found at www.dsm.com.
