BGHL Conversion Facility for June 2010
&
Change to conversion facility

I - BGHL Conversion Facility for June 2010 : Last quarterly conversion facility

Boussard & Gavaudan Holding Limited ("B&G Holding" or the "Company") today announces that shareholders will be able to convert their existing holding of shares in the Company from one class into another class (the "Conversion"), subject to satisfying certain requirements.

The Conversion will be based on Net Asset Value of the two classes of Shares as at 30 June 2010.

The period during which shareholders may convert their share from one class to the other ends on 23 June 2010 at 5 pm London time. Shareholders wishing to participate must ensure that their request has reached their custodian before that date.

Shareholders wishing to convert from Sterling shares into Euro shares must contact their CREST custodian. The CREST custodian (or if not a Crest member, the custodian's CREST agent) must send a USE message to Computershare by close of business on 23 June 2010. As the Euro shares are only capable of being settled in Euroclear, the CREST custodian will be required to send to Computershare a Sterling to Euro class conversion form including the relevant Euroclear settlement instructions for the new Euro shares. The Sterling to Euro class conversion form will be sent by post to all CREST custodians and available on the Company's website <http://www.bgholdingltd.com/conversion.php>.

Shareholders wishing to convert from Euro shares into Sterling shares will be required to notify their custodian bank by completing a conversion request form. Shareholders must ensure that the conversion request reaches their custodian bank by close of business (London time) on 23 June 2010. Their custodian bank has to arrange an effective delivery of the underlying euro shares within 3 business days to Kempen & Co N.V. (**ESES 29183 NDC 106**) after 23 June 2010.

Euro shareholders may obtain a copy of the conversion request form from the Company's website: <http://www.bgholdingltd.com/conversion.php>.

For a copy of the conversion request form, euro shareholders may also contact either:

1. Kempen & Co. N.V, Beethovenstraat 300, 1077 WZ Amsterdam, P.O. Box 75666, 1070 AR Amsterdam, The Netherlands; telephone: +31 203 489554; fax: +31 203 489549; or
2. Close Fund Services Limited PO Box 105, Trafalgar Court Admiral Park, St Peter Port Guernsey GY1 3EP Channel Islands United Kingdom, telephone +44 (0)1481 71 06 07; fax: +44 (0) 1481 734542.

II - Change to conversion facility : BGHL will replace the quarterly conversion facility by an annual conversion facility

Following the June Conversion, the next conversion date will be 30 November 2010 and the Company's quarterly conversion facility between its share classes will be replaced with **an annual conversion facility**.

Shareholders will then be able to convert from one class to another on the last business day in November each year, and the results are expected to be released at the end of December when the final NAV for November becomes available.

The directors of the Company (the "Directors") are empowered by the articles of incorporation of the Company to determine the frequency of the conversion facility. In light of the administrative costs of operating the facility and the small number of shareholders that use the facility each quarter, the Directors have concluded that it is more appropriate to offer the conversion opportunity to shareholders on an annual basis going forward.

New conversion request forms for November will be made available in due course.
