

Trading Update - first quarter 2015

Rotterdam, 21 April 2015

Business during the first quarter of 2015

Amsterdam Commodities N.V. reports that sales in the first quarter of 2015 were higher than the same quarter of 2014 and similar to the fourth quarter of 2014. The Group achieved total net results which were above the net results in the first quarter of 2014 and similar to the fourth quarter of 2014.

The directions of various markets still have its inherent uncertainties.

Given the nature of our activities and the markets we are active in, we cannot forecast the further development of the markets or anticipate the results of the Group for the full year 2015. By providing our suppliers and customers with reliable contracts in sourcing and supply of agricultural food products in the international commodity markets on a worldwide basis and with the support of our trading teams, we are confident that we will continue to generate profitable results for the shareholders.
