

Press Release

Amsterdam, 23 January 2009

BinckBank buys back 72,000 shares

Following the Share Buy Back program as announced on 30 September 2008 BinckBank announces that it has acquired 72,000 own shares at an average purchase price of € 6.0677 during the period 19 January 2009 up to and including 23 January 2009. The definite price will be calculated on a monthly basis and can as such differ from the average weekly price.

In total BinckBank has bought 1,218,080 shares as from 1 October 2008. BinckBank has outsourced the execution of the Share Buy Back program to Fortis Bank Nederland.

The Share Buy Back program will be continued until further notice and is compliant with the safe harbour rules included in EU Regulation 2273/2003.

If applicable, BinckBank will release the number of shares that have been acquired, each Friday at the closing of NYSE Euronext.

About the share buyback program

Until further notice and at set times, BinckBank will buy shares until a solvency ratio (BIS ratio) of at least 15%. Purpose of the buyback program is to improve the profit per share. BinckBank aims at a solvency ratio between 12% and 20% and announced earlier that towards the high end of this range, BinckBank aims to return excess equity to its shareholders. On August 31 BinckBank's solvency ratio amounted more than 16%.
