DSM finalizes repurchase of shares to cover existing option plans and stock dividends

Royal DSM, a global science-based company active in health, nutrition and materials, has repurchased 324,894 of its own shares in the period from 15 June 2018 up to and including 20 June 2018 at an average price of €88.18. This is in accordance with the repurchase, covering commitments under share based compensation plans and for stock dividends, announced on 19 March 2018. The consideration of this repurchase was €28.6 million.

This repurchase concludes the program to repurchase 1,600,000 shares for a total consideration of €136.7 million.

For more detailed information see '[Daily transaction details 1.6m Share Repurchase Program announced 19 Mar 2018](#)'.
