

## Press Release

Amsterdam, The Netherlands / 14 June 2019

### Statement on Media Speculation

OCI N.V. (OCI) (Euronext: OCI) notes the recent press speculation regarding a strategic transaction with ADNOC.

OCI continually considers strategic initiatives regarding its portfolio, including possible partnerships. In this context, OCI confirms that it is in discussions with ADNOC on a possible cooperation relating to each company's MENA fertilizer assets.

There can be no assurance that any transaction will ultimately take place. Additional information will be published in a timely manner if and when available.

## Press Release

### About OCI N.V.

OCI N.V. (OCI) (Euronext: OCI) is a global producer and distributor of nitrogen products based in the Netherlands. OCI's production capacity spans three continents and comprises approximately 14 million metric tons per year of nitrogen fertilizers, methanol, diesel exhaust fluid, melamine, and other nitrogen products, serving agricultural and industrial customers around the world. OCI is a leading global nitrogen fertilizer producer with almost 10 million metric tons of capacity. OCI is also on track to become one of the world's largest methanol producers with almost 3 million tons of proportionate capacity. OCI is listed on Euronext in Amsterdam.
