OPG Group joins mid cap index

As of today, the OPG shares have been included in the mid cap index (AMX index) of Euronext Amsterdam. The OPG share represents a weight of approximately 2.2% in the index, based on 120 shares.

The transition from small cap to mid cap is a result of the growth of the business and the steady rise of trading volume of OPG shares. The mid cap status is expected to further enhance the liquidity of OPG Group shares.
