FYBER N.V.

Fyber announces guidance for full year 2020 & preliminary revenue for H1 2020

Berlin, 3 August 2020 - Fyber N.V. (“Fyber” or the “Company”, FSE:FBEN) today is announcing guidance for the full year 2020 for the first time.

Fyber recorded 30% year-over-year (“YoY”) revenue growth in the second quarter of 2020, driven by a 40% YoY increase in its programmatic business, which accounted for 71% of the overall revenue, thereof revenue from programmatic video advertising made up 26% of the overall Q2 revenue. With that, preliminary revenue for the first half of 2020 amounted to €65.2 million (+21% compared to H1 2019).

The Company expects to maintain 30% to 40% revenue growth for the full year, resulting in total revenue between €155 million and €165 million at an adjusted EBITDA of at least break-even for 2020.

The impact on the Company’s business of new privacy regulations by Apple to be released with the new operating system iOS14 are uncertain as of today. Further details will be provided with the release of the interim financial statements for the first six months of 2020 on 26 August 2020.
