

## Koninklijke KPN N.V. announces final results and pricing of its Tender Offer

Date

7 September 2016

Number

017pe

### Introduction

KPN announces the final results and pricing of the Tender Offer, launched on 30 August 2016. Due to strong interest in the Tender Offer, KPN has decided to increase the notional amount accepted for purchase to EUR 1.0 billion, up from EUR 750 million. KPN finances the Tender Offer with a Eurobond which was also announced and priced on 30 August 2016. The Eurobond offering consists of a EUR 625 million tranche maturing on 9 April 2025 with a 0.625% coupon and a EUR 625 million tranche maturing on 11 September 2028 with a 1.125% coupon. The purpose of these transactions is to further optimize KPN's debt structure, by extending the average maturity of its debt liabilities and lowering the average coupon level of KPN's bond portfolio.

### Final results and pricing

Further to its indicative results announcement of 7 September 2016, Koninklijke KPN N.V. (the "Company") today announces the final results and pricing of its invitation to holders of such of its Notes as are listed below (together the "Notes") to tender some or all of their Notes to the Company for purchase by the Company for cash (the "Tender Offer"). The Tender Offer was made on the terms and subject to the conditions contained in the tender offer memorandum dated 30 August 2016 (the "Tender Offer Memorandum") and expired at 17:00 hours CET on 6 September 2016. Capitalised terms used but not defined in this announcement have the meanings given to them in the Tender Offer Memorandum.

Following expiration of the Tender Offer Period, the Company hereby announces that, subject to satisfaction of the New Financing Condition, it will accept validly tendered Notes pursuant to the Tender Offer on the terms and in the amounts as set out in the table below:
