FOR IMMEDIATE RELEASE

JANUARY 14, 2016

DECEMBER 2015 REVENUE REPORT

Thunderbird Resorts Inc. (“Thunderbird” or “Group”) (Euronext Amsterdam: TBIRD and FSE: 4TR) reports the following revenues for December 2015. For a more detailed analysis of December 2015 revenue, please visit www.thunderbirdresorts.com and click on “December 2015 Revenue Report - Analysis” located on the home page under “News and Releases.”

Group revenue for December 2015 vs. December 2014.

Group-wide sales by country – (unaudited, in millions) ⁽¹⁾	December 2015	December 2014	Year-over-year increase/(decrease)
Peru ⁽²⁾	\$2.19	\$2.48	-11.69%
Nicaragua	1.37	1.21	13.22%
Total Consolidated Operating Revenues	\$3.56	\$3.69	-3.52%

¹ Revenues reported are based on monthly average exchange rates, are same store and are in USD millions.

² Revenues are generated primarily from gaming, and secondarily from our fully-owned Fiesta Hotel and from 2 hotels under management.

Important Note on Forex: The strengthening of the US dollar versus our operating currencies continues to have a material impact on our business as compared to the same period in 2014. Under a currency neutral analysis (in which the same exchange rate would be applied to both periods), Group revenue would have grown by \$200 thousand or 5.95%; Peru revenue would have reduced by just \$20 thousand or -0.90%; and Nicaragua revenue would have grown by \$220 thousand or 19.13%.

ABOUT THE COMPANY

We are an international provider of branded casino and hospitality services, focused on markets in Latin America. Our mission is to “create extraordinary experiences for our guests.” Additional information about the Group is available at www.thunderbirdresorts.com.
