Delay shopping centre Campania in Marcianise, Italy

Utrecht, 22 March 2006

Corio has for the first time today around mid-day sighted a message from the press office ANP regarding a text of a press release dated 9 March 2006, which gives the impression to be issued by Barletta Group, the developer of the Campania Shopping Centre in Marcianise, and responds to Corio's press release dated 17 February 2006 (see Corio website www.corio-eu.com) on the same subject. This does not in any way change the views of Corio, nor its legal advisors regarding Corio's position in this matter, which is regarded as strong also with respect to advances made by Corio to Barletta Group. The matter is subject to several legal cases, which Corio faces with confidence.

This is a translation of the Dutch press release; the Dutch press release is leading.
