Update on intended offer by PAI and Charles Jobson for Wessanen

Paris, France / Boston Massachusetts, U.S. / Amsterdam, the Netherlands - 8 May 2019

Reference is made to the joint press release by Wessanen and the Consortium of PAI Partners and Charles Jobson dated 10 April 2019 in respect of the intended recommended public offer to be made by the Consortium for all the issued and outstanding shares of Wessanen (the "Shares") at an offer price of EUR 11.50 in cash per share (cum dividend) (the "Offer"). Taking into account that a EUR 0.14 dividend has been paid in respect of the Shares on 18 April 2019, the consideration to be received by the shareholders of Wessanen if and when the Offer is declared unconditional will be adjusted to EUR 11.36 per Share.

Pursuant to the provisions of Section 7, paragraph 1 sub a of the Decree, the Consortium is required to publish a public announcement that states whether the Consortium intends to submit an application for approval of the offer memorandum in relation to the Offer to the Netherlands Authority for the Financial Markets (*Autoriteit Financiële Markten;* the "AFM") within four weeks following its announcement of 10 April 2019. The Consortium and Wessanen hereby provide this joint update on the Offer.

The Consortium and Wessanen confirm that they are making good progress on the preparations for the Offer. The Consortium expects to submit a request for review and approval of the offer memorandum in relation to the Offer with the AFM and expects to do so in June 2019, before the applicable deadline under Dutch law.

In addition, the Consortium and Wessanen confirm that the process to obtain the required regulatory clearance for the Offer is proceeding. Based on the required steps and subject to the necessary approvals, the Consortium and Wessanen anticipate that the Offer will close in September 2019.

Acceptance by board members

All members of the executive board and supervisory board of Wessanen who hold Shares for their own account will tender those Shares into the Offer, if and when made, under the same terms and conditions as described in the Offer Memorandum.

Other

To the extent permissible under applicable law or regulation, the Offeror and its affiliates or brokers (acting as agents for the Offeror or its affiliates, as applicable) may from time to time after the date hereof, and other than pursuant to the intended Offer, directly or indirectly purchase, or arrange to purchase, shares in the capital of Wessanen, that are the subject of the intended Offer. Such purchases will be made in accordance with Dutch law and, if applicable, US rules and regulations.

To the extent information about such purchases or arrangements to purchase is made public in the Netherlands, such information will be disclosed by means of a press release to inform shareholders of such information. In addition, financial advisors to the Offeror may also engage in ordinary course trading activities in securities of Wessanen, to the extent permissible under law or regulation, which may include purchases or arrangements to purchase such securities.
