

## argenx to Present at 39th Annual J.P. Morgan Healthcare Conference

January 4, 2021

**Breda, the Netherlands / Ghent, Belgium** – argenx (Euronext & Nasdaq: ARGX), a global immunology company committed to improving the lives of people suffering from severe autoimmune diseases and cancer, today announced that Tim Van Hauwermeiren, Chief Executive Officer, will present at the 39th Annual J.P. Morgan Healthcare Conference on Monday, January 11, 2021 at 8:20 a.m. ET.

A live webcast of the presentation will be available on the Company's website at [www.argenx.com](http://www.argenx.com). A replay of the webcast will be available for 90 days following the presentation.

### About argenx

argenx is a global immunology company committed to improving the lives of people suffering from severe autoimmune diseases and cancer. Partnering with leading academic researchers through its Immunology Innovation Program (IIP), argenx aims to translate immunology breakthroughs into a world-class portfolio of novel antibody-based medicines. argenx is evaluating efgartigimod in multiple serious autoimmune diseases, and cusatuzumab in hematological cancers in collaboration with Janssen. argenx is also advancing several earlier stage experimental medicines within its therapeutic franchises. argenx has offices in Belgium, the United States, and Japan.
