Mediq is an international company delivering medical devices, pharmaceuticals and related care services. The patient is at the centre of everything we do. Mediq delivers via three channels: direct to people's homes (Direct), to professional customers such as hospitals, nursing homes and GPs (Institutional) and via Mediq Pharmacies. Mediq operates in 15 countries. Its head office is located in Utrecht, the Netherlands. The company was founded in 1899 and has around 8,300 employees. Mediq is listed on NYSE Euronext Amsterdam. It reported € 2.7 billion in net sales in 2011. For more information, see [www.mediq.com](http://www.mediq.com).
