### **Arcadis shareholders re-appoint Michiel Lap as Supervisory Board member and approve dividend**

**Amsterdam, 25 April 2019 – Arcadis (EURONEXT: ARCAD)**, the leading global Design & Consultancy organization for natural and built assets, confirms that all resolutions that were brought up for vote were supported during its Annual General Meeting earlier today.

Michiel Lap was re-appointed to the Supervisory Board of Arcadis for a period of four years.

Shareholders also approved the company's dividend proposal of €0.47 per ordinary share, representing 47% of net income from operations in 2018. It implies a one-off deviation from the company's dividend policy which aims for a pay-out of 30-40% of net income from operations.

The voting outcome per resolution will be published on the Arcadis website in the coming days.
