DSM Executive Committee members purchase DSM shares

Royal DSM, a global science-based company in Nutrition, Health and Sustainable Living, announces that all members of its Executive Committee have purchased ordinary shares in Royal DSM, expressing their confidence in the growth prospects of the company.

All seven members of the DSM Executive Committee have decided to purchase ordinary shares in Royal DSM by converting 50% of their gross Short-Term Incentive into shares. The amount of the Short-Term Incentive converted per individual is on average circa €245,000, representing approximately 17,500 shares in total. Details of the transactions are provided in the notification to the AFM (Dutch Authority for the Financial Markets), according to the applicable regulations.

DSM - Bright Science. Brighter Living.™

Royal DSM is a global, purpose-led, science-based company active in Nutrition, Health and Sustainable Living. DSM's purpose is to create brighter lives for all. DSM addresses with its products and solutions some of the world's biggest challenges while simultaneously creating economic, environmental and societal value for all its stakeholders - customers, employees, shareholders, and society at large. DSM delivers innovative solutions for human nutrition, animal nutrition, personal care and aroma, medical devices, green products and applications, and new mobility and connectivity. DSM and its associated companies deliver annual net sales of about €10 billion with approximately 23,000 employees. The company was founded in 1902 and is listed on Euronext Amsterdam.
