

## Media release

March 13, 2017

### **AkzoNobel share repurchase (March 6, 2017 – March 10, 2017)**

AkzoNobel has repurchased 65,000 of its own ordinary shares in the period from March 6, 2017 up to and including March 10, 2017, at an average price of €68.51 per share. The consideration of the repurchase was €4.26 million.

This is part of a repurchase program announced on December 12, 2016. The total number of shares repurchased under this program to date is 1.58 million ordinary shares for a total consideration of €98.86 million.

The purpose of the program is to neutralize the dilutive effect of stock dividends paid in 2016.

#### **Safe Harbor Statement**

This press release contains statements which address key issues such as AkzoNobel's growth strategy, future financial results, market positions, product development, products in the pipeline and product approvals. Such statements should be carefully considered, and it should be understood that many factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, pensions, physical and environmental risks, legal issues, and legislative, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies. For a more comprehensive discussion of the risk factors affecting our business please see our latest annual report, a copy of which can be found on our website: [www.akzonobel.com](http://www.akzonobel.com).
