

Press release

TKH Group N.V. (TKH)

Closing acquisition of Lakesight Technologies by TKH

Following the press release of 16 October 2018, TKH Group NV (“TKH“) announces the closing of the acquisition of Lakesight Technologies (“Lakesight“), a global vision technology company providing innovative high-end technologies for imaging systems.

Lakesight, with its headquarters in Germany, consists of three operating entities: Chromasens GmbH (Germany), Mikrotron GmbH (Germany) and Tattile Srl (Italy). With 169 employees, Lakesight realises an annual turnover of about € 45 million.

TKH has acquired 100% of the shares of Lakesight. The activities of Lakesight will strengthen TKH’s sub-segment vision & security in the business segment Building Solutions and will contribute to the earnings per share of TKH as from 2019.

Haaksbergen, 28 November 2018

Profile

Technology firm TKH Group NV (TKH) is an internationally operating group of companies, which is specialized in developing and supplying innovative Telecom, Building and Industrial Solutions based on four core technologies.

The four TKH core technologies - vision & security, mission critical communication, connectivity and smart manufacturing - are linked to each other to create comprehensive systems and solutions in our three business segments. Within these business segments there is a strong focus on seven vertical growth markets - fibre optic networks, parking, care, tunnel & infra, marine & offshore, machine vision and tire building industry - in which our core technologies are positioned as a one-stop-shop for our customers. TKH strives for far-reaching synergy and co-operation between its subsidiaries.

TKH strives to achieve strong market positions based on its innovative core technologies and services. TKH and its subsidiaries operate on a global scale. Growth is concentrated in Europe, North America and Asia. In 2017, TKH achieved a turnover of € 1.5 billion with 5,900 employees (FTE).
