

Maarten Schönfeld not available for reappointment as Supervisory Board Member of Sif Holding

Roermond (The Netherlands), 29 January 2018. Sif Holding NV announces that Mr Maarten Schönfeld has stated he will not be available to serve another term as Member of the Supervisory Board of the company when his current term ends at the close of the Annual General Meeting of Shareholders (AGM) on 3 May 2018.

Maarten Schönfeld joined the Supervisory Board in 2016 for a two-year period during which he would focus mainly on supporting the company following its listing on Euronext Amsterdam in 2016. This period will end at the close of the 2018 AGM.

The Supervisory Board has begun the process of finding potential candidates to fill the vacancy that will arise following the end of Mr Schönfeld's term.

About Sif holding n.v.

Sif is a leading manufacturer of large steel tubulars, which are used as foundation components for the offshore wind and offshore oil & gas markets. The Company manufactures customized tubular components for offshore foundations, predominantly in the greater North Sea region. Sif combines a highly automated and flexible production facility with technology leadership in rolling and welding of heavy steel plates, which is based on over 65 years of experience and innovative in-house developed techniques and processes. Sif primarily produces monopiles, transition pieces and piles that are used to anchor jacket foundations in the seabed for offshore wind turbines, as well as legs, pile sleeves and piles of the larger jackets for oil & gas as well as tubular structures for various uses such as jetties. Shares of Sif are listed on Amsterdam Stock Exchange with ticker SIFG.
