

PRESS RELEASE

Wolters Kluwer Update on Shares Held in Treasury

February 23, 2017 – Wolters Kluwer announces that, following the release of 1.4 million ordinary shares under the Long-Term Incentive Plan (LTIP) 2014-16, the number of shares held in treasury has reduced to 14.2 million.

In accordance with regulatory requirements, Wolters Kluwer has notified the Dutch Authority for the Financial Markets (AFM) that it currently holds 4.69 % of total issued ordinary shares. Currently, the number of issued ordinary shares is 301,896,739 shares.

Further information on our share buyback transactions can be found on our website www.wolterskluwer.com/investors.

About Wolters Kluwer

Forward-looking Statements

This report contains forward-looking statements. These statements may be identified by words such as “expect”, “should”, “could”, “shall” and similar expressions. Wolters Kluwer cautions that such forward-looking statements are qualified by certain risks and uncertainties that could cause actual results and events to differ materially from what is contemplated by the forward-looking statements. Factors which could cause actual results to differ from these forward-looking statements may include, without limitation, general economic conditions; conditions in the markets in which Wolters Kluwer is engaged; behavior of customers, suppliers, and competitors; technological developments; the implementation and execution of new ICT systems or outsourcing; and legal, tax, and regulatory rules affecting Wolters Kluwer’s businesses, as well as risks related to mergers, acquisitions, and divestments. In addition, financial risks such as currency movements, interest rate fluctuations, liquidity, and credit risks could influence future results. The foregoing list of factors should not be construed as exhaustive. Wolters Kluwer disclaims any intention or obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
