### **About Instone Real Estate**

Instone Real Estate is one of Germany's leading residential developers. Instone develops modern urban multi-family and residential buildings and refurbishes listed buildings for residential use. Instone develops and markets apartments for owner-occupiers, private investors and institutional investors. In 27 years, we have successfully developed more than one million square metres. Around 300 employees work at eight locations nationwide. As of 31 December 2017, Instone's project portfolio consisted of 45 development projects with an expected total sales volume of around EUR 3.4 billion and more than 8,000 units. The "Instone" brand was created in 2017 through the merger of formart GmbH & Co. KG and GRK-Holding GmbH.
