Disclaimer

This announcement (including the Annual Report) may include forward-looking statements, which are based on ESG Core's current expectations and projections about future events and speak only as of the date hereof. By their nature, forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors because they relate to events and depend on circumstances that will occur in the future whether or not within or outside the control of ESG Core. Such factors may cause actual results, performance or developments to differ materially from those expressed or implied by such forward-looking statements. accordingly, no undue reliance should be placed on any forward-looking statements. ESG Core operates in a rapidly changing environment. New risks and uncertainties emerge from time to time, and it is not possible to predict all risks and uncertainties, nor to assess the impact that these factors will have on ESG Core. Forward-looking statements speak only as at the date at which they are made and ESG Core undertakes no obligation to update these forward-looking statements. Further reference is made to the risk factors in the Annual Report.
