### **CFO Mark van den Biggelaar to leave Heijmans in early 2017**

CFO Mark van den Biggelaar has announced that he will be leaving Heijmans in early 2017 and will not be available for a new term as member of the executive board. In consultation with the Supervisory Board, he will complete the annual figures for 2016 and resign as member of the Executive Board thereafter. To ensure a good transition of pending matters, he will be available for Heijmans until the end of June.

The Supervisory Board recognizes Mark's contribution to the development of Heijmans over the past seven years, particularly with regard to improving internal and external transparency, strengthening the financial function, the results of the German companies and the successful development and implementation of a new ERP platform. The Supervisory Board regrets his departure but respects his choice. The Supervisory Board has started the process that will result in the appointment of a new CFO.
