

Press Release

Ahold publishes its Annual Report and Corporate Responsibility Report online

Amsterdam, the Netherlands – Ahold today published its 2008 Annual Report and 2008 Corporate Responsibility Report. For the first time, both reports are only available online. They have been published electronically to reduce the environmental impact associated with printing, conserve resources and save costs. Both reports can be read or downloaded from Ahold's public website at www.ahold.com/reports2008.

A summary report has been printed and a limited number is available in English and Dutch
