

## **USG People submits adjusted dividend proposal to shareholders meeting**

**Almere, 25 April 2007 - During the General Meeting of Shareholders of 26 April 2007 shareholders will take a decision concerning the (final) dividend of USG People N.V. to be paid out over the financial year 2006.**

On 7 March 2007 during the publication of the annual figures for the financial year, in the press release, it was announced that the dividend would be paid out in cash and that the date on which it would be payable would be 7 May 2007.

Pursuant to the articles of association and the dividend policy, the Executive Board and the Supervisory Board of USG People N.V. seek to enable their shareholders to elect to take payment in cash or in shares. Hence, should the General Meeting of Shareholders decide in accordance with the proposal of the Executive Board and the Supervisory Board, payment of the dividend and delivery of the shares will not take place on 7 May 2007, but on 18 May 2007. Shareholders may then elect to take the dividend wholly in cash (€0.72 per ordinary share), or in shares. Further details on the dividend to be paid out will be announced following the General Meeting of Shareholders by means of an advertisement in the Officiële Prijscourant (stock exchange official list) and the *Financieele Dagblad*.
